#### Report by Chairperson

I am delighted to present my first report as Chair of WPA. We have had a very successful year in terms of money raised, despite large contracts coming to an end and the wider economic difficulties that are facing the voluntary and public sectors. The trustees and staff have developed an ambitious and long-term strategy to income generate, whilst keeping our core charitable values at the heart of what we do, using play to inspire, challenge, and empower children, young people and families in their communities. We are striving to become sustainable through a mix of funds, and we are particularly proud of our partnership working with local community groups and funders, of which we are very thankful for their continued support.

2017 will be another challenging year in relation to finances just like many local and national charities are also facing. We therefore would welcome all support from the community, including people who would like to volunteer at our events, would like to help fundraise and we are always looking to recruit new trustees as well.

I am inspired by all of the highly-skilled and committed staff at WPA, our volunteers, and each child, young person, and family who uses our services. Next June will see our 25<sup>th</sup> anniversary, this is a tremendous achievement and to be part of such a long-standing, well respected, and hugely passionate charity is certainly one of the best decisions I have ever made. As a local mother I want to make sure that my son and all local children and young people have the right and opportunity to play, and have a real voice in their community so they can shape their future and be proud of where they live.

#### Objectives and Activities of the Charity

The objectives of the Charity are to provide assistance and organise programmes of physical activities as a means of assisting young people to advance in life and help young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; the provision and training and development of people of all ages who work with young people under the age of 18 to improve the quality of educational provision for young persons under the age of 18.

#### Summary of Main Activities of the Charity in Relation to its Objects

During the financial year 2015/16 Wansdyke Play Association (WPA) continued to work in the unitary authority of Bath and North East Somerset to provide direct play services to children under 19 years, and to work in partnership with other organisations and individuals keen to promote play opportunities for local children.

The Board are satisfied that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charities Commission for England and Wales.

## Achievements and Performance of the Charity Summary of the Main Achievements of the Charity during the Year

This year there has been a fall in the financial value of funds raised but WPA has maintained its core activities.

There has been a small reduction in reserves but the position was strong at the end of the reporting period.

We have delivered play services successfully and made a positive difference to young peoples' lives. We ran community and play events throughout the year which were enthusiastically received as well as providing more targeted services.

## Structure, Governance and Management Nature of the Governing Document and Constitution of the Charity

In April 2009 the WPA became a Charitable Company Limited by Guarantee. Its Governing Document is its Memorandum and Articles dated 2 April 2009 as amended by special resolution on 1 May 2009.

### The Methods Adopted for the Recruitment and Appointment of New Trustees

WPA still continues to look for new trustees by advertising in the local press, during Annual General Meetings and during information networking opportunities including the attendance of WPA staff and trustees at conferences. Trustees are appointed by the Board. The WPA website contains information relating to new trustees. New trustees and staff members are required to have a current Criminal Records Bureau certificate in order to maintain a high level standard of child protection.

#### The Organisation Structure of the Charity and How Decisions are Made

The Board of Trustees is the main decision taking body within WPA. There are no subgroups of the Board.

The day to day running of the Charity is undertaken by the Operations Manager and Finance Manager.

### Financial Review of the Year Ended 31 March 2016

#### **Policy on Reserves**

The Board of Trustees operate a continuing review of reserves levels. The intention is that funds not committed or invested in tangible fixed assets should be set aside to build reserve levels. Trustees aim to hold reserves at a level of 3 months expenditure for the organisation. At this level the Trustees would be confident that current activities of the Charity could continue in the short term in the event of a significant drop in income.

At the end of this year the Trustees were not able to make a transfer into reserves.

General reserves at the end of 2015/16 stand at approximately £120,000, and. This compares to an estimated 3 month expenditure level of £33,700.

#### **Transactions and Financial Position**

The Financial statements are set out on pages 7 to 9. These statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16/07/14, the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006.

As stated in the introduction to this report, the Trustees consider the financial performance of the Charity during the year to have been satisfactory.

The Statement of Financial Activities at the year end show a net outgoing of resources of a revenue nature of £229.

The total reserves at the year end stands at £119,840.

#### **Share Capital**

The Company is limited by guarantee, and therefore has no share capital.

## Wansdyke Play Association Statement of Directors' Responsibilities

Charity Law and the Companies Acts require the Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year, and to report on the surplus or deficit of the charity in that year.

In preparing these financial statements the Board is required to:

- 1. Select suitable accounting policies and then apply then consistently;
- 2. Make judgements and estimates that are reasonable and prudent;
- 3. Prepare financial statements on a going concern basis unless it is inappropriate to presume that the Charity will continue in business;
- 4. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The Trustees are also responsible for maintaining accounting records which disclose with reasonable accuracy at any time the financial position of the Charity, and which are sufficient to show and explain the Charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006. They were also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustee's Report. The responsibility of the Independent Examiner in relation to the Trustee's report is limited to examining the report and ensuring that on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

#### **Method of Preparation of the Accounts**

These accounts have been prepared with the provisions applicable to companies subject to the small companies regime.

## Wansdyke Play Association Independent Examiner's Report to the Trustees of the Charity for the Year Ended 31 March 2016

I report on the accounts of the company for the year ended 31st March 2016, which are set out on pages 9 to 19.

#### Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act
- · to state whether particular matters have come to my attention

### Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with section 386 of the Companies Act 2006 and
- to prepare accounts which accord with the accounting records, comply with the accounting

requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
