**Statement of Directors' Responsibilities
for the Period 29 March 2013 to 27 March 2014**

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Notes to the Financial Statements
for the Period 29 March 2013 to 27 March 2014**

1. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared under the going concern basis. If the company were unable to continue to trade, adjustments would have to be made to reduce the value of the assets to their recoverable amounts, and to provide for any further liabilities that may arise, and to reclassify fixed assets and long term liabilities as current assets and liabilities.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

Going concern

The directors have considered the future profitability of the Company and its ability to continue as a going concern, and have prepared profit and cash flow forecasts into the future. Based on these projections, the directors are satisfied that, for the foreseeable future, the Company can meet its projected working capital requirements. Consequently, the financial statements have been prepared on a going concern basis.

Investments

Investments are stated at cost less provision for impairment.

Dividends on shares presented within shareholders' funds

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the Company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

2. OPERATING PROFIT

The auditors remuneration was borne by Companion Care (Broadstairs) Limited and as such no charge is held within the financial statements.
