### 3 Progress report

- 3.1 All seven companies are linked companies who were wound up by the Secretary of State (the Club Class Companies). Their principal activity was the selling of the concierge holiday scheme known as the Club Class. I was made aware of various allegations of misleading selling and pressurised tactics to pay membership fees.
- 3.2 My team carried out substantive investigations into the affairs of the Club Class Companies, its directors and transactions with linked parties in order to identify any routes to recoveries for the creditors. Since the last progress report, final enquires have been made into transactions with companies identified as linked to Club Class and their value.
- 3.3 Unfortunately, I have concluded that there are no recoveries available which would produce returns for creditors and therefore will be moving the case to closure.

### 4 Creditors

- 4.1 There are no preferential creditors in this matter.
- 4.2 We have received the following unsecured claims:

Club Class Concierge Limited	£102,246

Bridge View Consultants Limited	£20,828

- 4.3 Unfortunately, there are insufficient funds available for a distribution to be made to creditors.

### 5 Investigations into the affairs of the Companies

## Appendix B

Disbursements are expenses met by and reimbursed to an office holder in connection with an insolvency appointment and fall into two categories:

**Category 1 disbursements**

These are also known as 'out of pocket expenses' and are payments to independent third parties where there is specific expenditure directly referable to the insolvent estate; they can be drawn without prior approval and consist of the following categories:

- Travel and subsistence – these costs, which exclude mileage, are incurred by staff in attending trading premises or meetings, for example
- Office costs – these are costs such as postage or courier charges which are incurred in managing the case
- Statutory costs – these are costs such as bonding and advertising relating specifically to the case, which are required by statute

**Category 2 disbursements**

These are expenses that are directly referable to the insolvent estate but not a payment to an independent third party. They may include shared or allocated costs that may be incurred by an office holder or their firm, and that can be allocated to the appointment on a proper and reasonable basis. Category 2 disbursements require approval in the same manner as an office holder's remuneration.

To the extent that recovery of category 2 disbursements is sought, this will be for mileage only.

Mileage is charged at 45p a mile. VAT is added as appropriate.
