(b) Any reference in these Articles to "the Act" shall mean the Companies Act 1985 as amended or extended by any other enactment or any statutory re-enactment thereof and any provisions of the Companies Act 2006 for the time being in force.

PRIVATE COMPANY

2. The Company is a private company within the meaning of the Act.

ALLOTMENT OF SHARES

3. The Directors of the Company are generally authorised for the purposes of Section 80 of the Act to allot, grant options over or otherwise deal with or dispose of the original shares in the capital of the Company at the date of its incorporation to such persons at such times and on such conditions as they think fit, subject to the provisions of that Section and Article 4 hereof and provided that no shares shall be issued at a discount. In accordance with Section 91 of the Act Sections 89(1) and 90(1) to 90(6) of the Act shall not apply to the Company. The Directors are generally authorised to exercise the power of the Company to allot shares of the Company, which shall be created under any employee shares or share option scheme or arrangement.

4. The general authority conferred on the Directors by Article 3 shall extend to all relevant securities (as defined by Section 80 of the Act) in the capital of the Company at the date of its incorporation during the period of five years from the date upon which the Company was incorporated but the Directors may, after the authority has expired, allot any shares in pursuance of an offer or agreement so to do made by the Company before the authority expired. The authority may be renewed varied or revoked by the Company in General Meeting.

SHARES

5. The Company shall have a first and paramount lien on all shares, whether fully paid or not, standing registered in the name of any person indebted or under liability to the Company, whether he shall be the sole registered holder thereof or shall be one of two or more joint holders, for all moneys presently payable by him or his estate to the Company. Regulation 8 in Table A shall be modified accordingly.

6. The liability of any Member in default in respect of a call shall be increased by the addition at the end of the first sentence of Regulation 18 in Table A of the words "and all expenses that may have been incurred by the Company by reason of such non-payment."

7. Regulation 3 in Table A shall not apply to the Company and subject to the provisions of Chapter VII of Part V of the Act the Company may with the sanction of an Ordinary Resolution issue shares which are to be redeemed or are liable to be redeemed at the option of the Company or the shareholder.

TRANSFER OF SHARES

8. (a) Subject to Article 8(b) the Directors may, in their absolute discretion and without assigning any reason therefor, decline to register the transfer of a share, whether or not it is a fully paid share, and Regulation 24 in Table A shall not apply to the Company.

(b) Article 8(a) shall not apply to any transfer to a person who is already a Member of the Company.

9. In these Articles a reference to the transfer of or transferring shares shall include any transfer, assignment, disposition or proposed or purported transfer, assignment or disposition:

- (a) of any share or shares of the Company; or
- (b) of any interest of any kind in any share or shares of the Company; or
- (c) of any right to receive or subscribe for any share or shares of the Company.

Subject to Article 8, a subscriber to the Memorandum of Association of the Company may freely transfer his share to any person, firm or company.

10. A Member (other than a subscriber to the Memorandum of Association of the Company) who desires to transfer shares to a person who is not already a Member of the Company shall give notice of such intention to the Directors of the Company giving particulars of the shares in question. Any such notice shall be irrevocable except with the approval of the Directors. The Directors as agents for the Member giving such notice may dispose of such shares or any of them to Members of the Company at a price to be agreed between the transferor and the Directors, or failing agreement, at a price fixed by the auditors or reporting accountants of the Company as the fair value thereof. The costs of any valuation of the transfer shares shall be shared equally by the transferor and the Company unless the Company in general meeting shall decide otherwise. The Directors shall offer the shares in question to all the Members (other than the Member who wishes to transfer the shares). The shares offered to each individual Member shall be in proportion or (at the discretion of the Directors) as nearly as may be in proportion to the numbers of shares then held by that Member. Subject to Article 8(a) and the following exception if within twenty-eight days from the date of the said notice the Directors are unable to find a Member or Members willing to purchase all such shares, the transferor may dispose of so many of such shares as shall remain undisposed of in any manner he may think fit within three months from the date of the said notice. But any such disposal shall be at the same price or more than the price for the shares which shall have been offered in accordance with this clause to the existing Members. The exception referred to above is that if all the offered shares shall not be agreed to be acquired the said Member shall not be under any obligation to complete a transfer of any of the shares.

11. The instrument of transfer of any share shall be executed by or on behalf of the transferor who shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

GENERAL MEETINGS AND RESOLUTIONS

16. In addition to the requirements of Regulation 100 of Table A, the Directors shall also insert in the minute book of the Company a memorandum of all decisions taken by a sole Member when the Company has only one Member which are taken by the Company in General Meeting and which have effect as if agreed in General Meeting.
