A & M Carpenters (S.W) Limited

Notes to the abbreviated financial statements for the year ended 31 October 2011

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities. In respect of contracts for ongoing services, turnover represents the value of work done in the year, including estimates of amounts not invoiced.

1.3. Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of 10 years.

1.4. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Tenants improvements	-	Straight line over the life of the lease
Fixtures, fittings and equipment	-	15% reducing balance
Motor vehicles	-	25% reducing balance

1.5. Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce constant periodic rates of charge on the net obligations outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.6. Stock

Stock is valued at the lower of cost and net realisable value.

1.7. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax.
