

**GREEN SKY ENERGY LIMITED**  
**STRATEGIC REPORT, DIRECTORS' REPORT AND FINANCIAL STATEMENTS**  
**for the Year Ended 31 December 2015**

**Registered No: 07023717**

**GREEN SKY ENERGY LIMITED**  
**STRATEGIC REPORT**  
**for the Year Ended 31 December 2015**

The directors present their strategic report of the Company for the year ended 31 December 2015.

**Fair review of the business**

Both the level of business during the year and the financial position of the Company at the year end were as expected. At 31 December 2015, the Company had net assets of £3,347,082 (2014: net assets of £1,958,656). Further information regarding the financial position of the Company at the year end is provided in the Directors' Report.

The directors believe that the present level of activity will be sustained in the current year.

**Principal risks and uncertainties**

The management of the business and the execution of the Company's strategy are subject to a number of risks.

The key business risks and uncertainties affecting the Company relate primarily to the extent to which UK corporates are prepared to take seriously the need to focus on energy efficiency. This is, in part, impacted by government policy and legislation in this area. There is also a degree of risk associated with execution of the Company's major contracts, a number of which contain performance guarantees. The management of risks is undertaken at E.ON SE consolidated ("group") level. Further discussion of these risks and uncertainties, in the context of the group as a whole, is provided within the financial review section of the group's annual report which does not form part of this report.

**Key performance indicators ('KPIs')**

The Board of Management of E.ON SE manage the group's operations on a divisional basis. For this reason the Company's directors believe that analysis using KPIs for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of the Company. The development, performance and position of the E.ON Connecting Energies division of E.ON SE, which includes the Company, is discussed within the financial review section of the group's annual report which does not form part of this report.

Approved by the Board of Directors on 10 August 2016 and signed on its behalf by:

**M C Brown**  
Director

Green Sky Energy Limited  
Company No: 07023717  
Westwood Way  
Westwood Business Park  
Coventry  
CV4 8LG

**GREEN SKY ENERGY LIMITED**  
**DIRECTORS' REPORT**  
**for the Year Ended 31 December 2015**

The directors present their report and the audited financial statements of the Company for the year ended 31 December 2015.

**Directors of the Company**

The directors who held office during the year and up to the date of signing are given below:

|                 |                          |
|-----------------|--------------------------|
| R Hienz         |                          |
| P Baan          |                          |
| I F Kelly       | (resigned 30 June 2015)  |
| P M Middlebrook | (resigned 1 March 2016)  |
| M C Brown       | (appointed 1 March 2016) |

**Principal activity**

The principal activity of the Company in the year under review was that of a holding company for a group of companies involved in the provision of energy management services.

**Results and dividends**

The Company's profit for the financial year is £1,388,426 (2014: loss of £1,273,308). The directors do not recommend a final dividend (2014: £nil).

**Financial risk management**

***Objectives and policies***

The Company, in common with other E.ON SE subsidiaries, must comply with the E.ON SE group finance guidelines that set out the principles and framework for managing group-wide finances. The Company also utilises the E.ON UK plc operational treasury team which services the treasury requirements of the business. Further information on the E.ON SE group's policies and procedures is available in the financial statements of the E.ON SE group.

**Political donations**

No political donations were made during the year (2014: £nil).

**Future developments**

Present level of activity is likely to continue.

**Directors' indemnities**

The E.ON SE Group maintains liability insurance for the directors and officers of the Company as with all E.ON SE subsidiaries. This is a qualifying third party indemnity provision for the purposes of the Companies Act 2006. This insurance cover was in force during the year and is still in force at the date of approving the financial statements.

**Disclosure of information to auditors**

In accordance with the Companies Act 2006 a resolution to reappoint PricewaterhouseCoopers LLP as auditors is to be proposed at the forthcoming Annual General Meeting.

So far as each of the directors is aware, there is no relevant audit information of which the Company's auditors are unaware and they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**GREEN SKY ENERGY LIMITED**  
**DIRECTORS' REPORT**  
**for the Year Ended 31 December 2015 (continued)**

**Statement of directors' responsibilities**

The directors are responsible for preparing the Strategic Report, the Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 "Reduced Disclosure Framework" (FRS 101).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify its shareholders in writing about the use of disclosure exemptions, if any, of FRS 101 used in the preparation of financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Directors on 10 August 2016 and signed on its behalf by:

# **Independent Auditors' Report to the Members of GREEN SKY ENERGY LIMITED**

## **Report on the financial statements**

### **Our opinion**

In our opinion, Green Sky Energy Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **What we have audited**

The financial statements, included within the Strategic Report, Directors' Report and Financial Statements (the "Annual Report"), comprise:

- the balance sheet as at 31 December 2015;
- the profit and loss account for the year then ended;
- the statement of changes in equity for the year then ended;
- the accounting policies; and
- the notes to the financial statements, which include other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion, the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Other matters on which we are required to report by exception**

#### **Adequacy of accounting records and information and explanations received**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

### **Directors' remuneration**

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

**Independent Auditors' Report to the Members of  
GREEN SKY ENERGY LIMITED (continued)**

**Responsibilities for the financial statements and the audit**

**Our responsibilities and those of the directors**

As explained more fully in the statement of directors' responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

**What an audit of financial statements involves**

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**GREEN SKY ENERGY LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**for the Year Ended 31 December 2015**

**1. Accounting Policies**

**General information**

The Company is a holding company for a group of companies involved in the provision of energy management services.

The Company is a private company and is incorporated and domiciled in the United Kingdom.

**Basis of preparation of financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101). The financial statements have been prepared under the going concern basis historical cost convention and in accordance with the Companies Act 2006. The principal accounting policies, which have been applied consistently throughout the year, are set out below.

The Company has adopted disclosure exemptions in relation to the following:

- The requirements of IAS 1 Presentation of Financial Statements
- The requirements of IAS 7 Statement of Cash Flows
- The requirements of Paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- The requirements of Paragraph 17 of IAS 24 Related Party Disclosures (key management compensation)
- The requirements of Paragraph 17 of IAS 24 Related party disclosures to disclose related party transactions entered into between two or more members of a group
- The requirements of IFRS 7 Financial Instruments: Disclosures
- The requirements of IFRS 10 Consolidated Financial statements
- The requirements of paragraphs 91 to 99 of IFRS 13 Fair value measurement (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities)

**Exemption from preparing group financial statements**

The Company is a wholly-owned subsidiary undertaking of E.ON SE, the ultimate parent undertaking, and is included in the publicly available consolidated financial statements of E.ON SE. Consequently, the Company has taken advantage of the exemption from preparing consolidated financial statements under the terms of Section 400 of the Companies Act 2006.

The company's financial statements present information about it as an individual entity and not about its group.

**Judgement in applying accounting policies and key sources of estimation uncertainty**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions which affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of these financial statements, and the reported amounts of revenues and expenses during the reporting year. These judgements are based on management's best knowledge of the relevant facts and circumstances, having regard to prior experience, but actual results may differ from the amounts included in these financial statements.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

**GREEN SKY ENERGY LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**for the Year Ended 31 December 2015 (continued)**

**1. Accounting Policies (Continued)**

- **Current and deferred income tax**

The tax credit for the period comprises current tax.

The current income tax credit is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date in respect of the relevant years, in the countries where the company operates and generates taxable income.

Deferred income tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

**Fixed asset investments**

Fixed asset investments are stated at historical cost less provision for any diminution in value.

**Financial instruments**

Loans and receivables (including trade receivables) are primarily financial assets with fixed or determinable payments that are not traded in an active market. Loans and receivables are reported on the Balance Sheet under "Debtors: amounts falling due within one year." Initial measurement takes place at fair value plus transaction costs. They are subsequently measured at amortised cost, using the effective interest method. Valuation allowances are provided for identifiable individual risks. If the loss of a certain part of the receivables is probable, valuation allowances are provided to cover the expected loss.

Financial liabilities (including trade payables and borrowings) are measured at amortised cost, using the effective interest method. Initial measurement takes place at fair value net of transaction costs incurred. In subsequent periods, the amortisation and accretion of any premium or discount is included in finance costs/income.

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.

**Inter-company balances**

Inter-company payable and receivable trading balances within the E.ON SE Group (ultimate controlling party) are consolidated at each period end into a single balance with each group company. These transactions are net settled. As a result the directors consider it appropriate to present inter-company balances within these financial statements on a net basis. Formal loan balances are settled and presented gross.

**Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet, when the Company has a legally enforceable right to set off the recognised amounts and it intends either to settle on a net basis or realise the asset and settle the liability simultaneously.

**GREEN SKY ENERGY LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**for the Year Ended 31 December 2015 (continued)**

**1. Accounting Policies (Continued)**

**Cash and short-term deposits**

Short-term deposits include cash at bank and in hand.

**Functional currency**

These financial statements are presented in Great British Pounds ("GBP") which is the Company's functional currency. All financial information is presented in GBP has been rounded to the nearest pound.

**Related party transactions**

The Company is exempt from the requirements of IAS 24 'Related Party Disclosures' to disclose related party transactions with entities that are part of the E.ON SE group or investees of E.ON SE group.

**2. Operating result**

**Administration**

All administration costs were borne by Matrix Control Solutions Limited, a subsidiary undertaking and not recharged.

There were no employees during the year (2014: none).

Auditors' remuneration for the audit of the financial statements of £nil (2014: £nil) was borne by Matrix Control Solutions Limited, a subsidiary undertaking and not recharged.

**3. Interest payable and similar charges**

| <b>Tax credit on profit/(loss) on ordinary activities</b> | <b>(283,479)</b>        | <b>(204,804)</b>        |

**Factors affecting tax charge for the year**

The tax for the current period is lower (2014: lower) than the standard rate of corporation tax in the UK for the year ended 31 December 2015 of 20.25% (2014: 21.49%). The differences are explained below.

The tax rate for the current period is lower than the prior period due to changes in the UK corporation tax rate which decreased from 21% to 20% from 1 April 2015 resulting in a standard rate of corporation tax in the UK of 20.25% for the year ended 31 December 2015.

|                                                                                      | <b>2015</b><br><b>£</b> | <b>2014</b><br><b>£</b> |

| <b>Tax credit for the year</b>                                                       | <b>(283,479)</b>        | <b>(204,804)</b>        |

Reductions to the UK corporation tax rates were included in Finance Act (No.2) 2015. These reduce the main rate to 19% from 1 April 2017 and to 18% from 1 April 2020. These changes were substantively enacted at the balance sheet date and therefore the deferred tax impact of these changes have been included in these financial statements. A further reduction in the UK corporation tax was announced in the March 2016 Budget Statement to reduce the rate to 17% from 1 April 2020 (instead of the previously announced 18% rate). This further change has not been substantively enacted at the balance sheet date and therefore the impact has not been included in these financial statements.

The corporation tax receivable has been reduced by £283,479 because of group relief surrendered to a fellow group undertaking for which a payment will be received (2014: £204,804). Accordingly no tax losses are available for carry forward.

**Details of undertakings**

Details of the investments which the Company holds or indirectly holds are as follows:

| <b>Undertaking</b>               | <b>Holding</b>  | <b>Proportion of voting rights and shares held</b> | <b>Principal Activity</b>  |
|----------------------------------|-----------------|----------------------------------------------------|----------------------------|
| <b>Subsidiary undertakings</b>   |                 |                                                    |                            |
| Matrix Control Solutions Limited | Ordinary shares | 100%                                               | Energy services            |
| ACME Group Limited               | Ordinary shares | 100%                                               | Dissolved 31 December 2015 |
| ACME Technical Services Limited  | Ordinary shares | 100%                                               | Dissolved 31 December 2015 |

All of the undertakings disclosed above are incorporated in the United Kingdom. Green Sky Energy Limited is the beneficial owner of all the equity share capital, either itself or through subsidiaries, of the above companies.

During the year, the Company performed a restructuring exercise with the aim to remove subsidiaries no longer required. As a result of this restructuring the Company received a dividend of £2,991,728 from ACME Group Limited and then immediately impaired its investment in this subsidiary by £3,486,647 to equal the remaining net asset value. The Company also received a dividend of £3,000,000 from Matrix Control Solutions Limited during the year. On 31 December 2015, ACME Group Limited and ACME Technical Services Limited were both dissolved.

The directors believe that the carrying value of the investments is supported by their underlying net assets.

**GREEN SKY ENERGY LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**for the Year Ended 31 December 2015 (continued)**

**10. Explanation of transition to FRS 101**

As stated in note 1, these are the Company's first financial statements prepared in accordance with FRS 101.

The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended 31 December 2015, the comparative information presented in these financial statements for the year ended 31 December 2014 and in the preparation of an opening FRS 101 balance sheet at 1 January 2014 (the Company's date of transition).

In preparing its FRS 101 balance sheet and profit and loss account, the Company had no adjustments to amounts reported previously in financial statements prepared in accordance with its old basis of accounting (UK GAAP). Under UK GAAP, the company was not required to, and did not, prepare a cash flow statement.

**11. Ultimate holding company**

The Company is controlled by E.ON Connecting Energies GmbH. The ultimate parent undertaking and controlling party is E.ON SE, a company incorporated in Germany, which is the parent company of the largest and smallest group to consolidate these financial statements. Copies of E.ON SE's financial statements are available from the offices of E.ON SE at the following address:

E.ON SE  
E.ON-Platz 1  
D-40479  
Dusseldorf  
Germany
