3.1.1 **No Disposals:** it will not sell, transfer, lease, license or otherwise dispose of the whole or any part of its Charged Assets or any interest therein (or agree to do any of the foregoing) without the prior written consent of the Securityholder but such restriction shall not prohibit the disposal of an asset the subject of a floating charge by way of sale on

- 3.1.12 **Payment of debts:** it will punctually pay all its debts and liabilities becoming due and payable and which would, on a winding-up of the Company, have priority over any of the Encumbrances created by this debenture;

- 3.1.14 **Observing Covenants:** it will observe and perform all restrictive and other covenants and stipulations for the time being affecting its Charged Assets or their use or enjoyment;

3.5 Insurance and Life Policies

The Company agrees that, whilst this security exists:-

3.5.1 **Insuring:** it will insure and keep insured those parts of the Charged Assets as are of an insurable nature against loss or damage by fire and all other risks usually insured against and such other risks (which may include insurance against acts of terrorism) that the Securityholder shall reasonably require to their full replacement value with insurers approved by the Securityholder and shall comply with all policy terms in respect thereof. If it holds property as a tenant or lessee and shall be required by the landlord either to insure or to reimburse the Company's landlord for any insurance premium paid by him then the Company shall be treated as having complied with its insuring obligation under this debenture if it duly and promptly complies with such requirements. However this shall not affect the right of the Securityholder to require the Company to produce satisfactory evidence that the Company has complied with the landlord's requirements;

3.5.2 **Securityholder's Interest:** it will ensure that all its insurance policies are endorsed with notice of the interest of the Securityholder in them (or, if required by the Securityholder, with the Securityholder named as a joint insured party though without the Securityholder being liable for payment of premiums or for carrying out any other obligations under the relevant policy) and will produce to the Securityholder the receipts for each current premium within fifteen days of its becoming due failing which the Securityholder may effect or renew any such insurance as the Securityholder shall think fit at the Company's expense;

3.5.3 **Dealing with Proceeds:** it will ensure that each insurance policy contains a provision under which the proceeds of that policy are payable to the Securityholder. Without prejudice to this, if any monies are received by the Company under any insurance policy in respect of any of the Charged Assets such monies shall be treated as part of the Charged Assets subject only to any rights of third parties having priority and to the requirements of any lease of the Charged Assets and shall be paid forthwith to the Securityholder. Pending

payment to the Securityholder, the Company shall hold such proceeds on trust for the Securityholder.

The proceeds of any insurance policy shall be applied at the discretion of the Securityholder either in reducing the Secured Liabilities or towards making good the loss or damage for which the monies became payable;

- 3.5.4 **Life Policies:** it will punctually pay all premiums and other sums payable under or in relation to each of the Life Policies (and, if requested by the Securityholder, produce evidence of payment satisfactory to the Securityholder) and not omit to do or permit anything to be done which may make void, voidable or unenforceable any of the Life Policies and not alter the terms of any of the Life Policies or allow any of the Life Policies to lapse;
- 3.5.5 **Retention of Life Policies:** it will, forthwith upon receiving the same, deliver all original Life Policies to the Securityholder and thereafter permit the Securityholder to hold and retain all Life Policies; and
- 3.5.6 **Notice:** it will forthwith give notice of this security to the assurance or insurance company or organisation issuing any of the Life Policies in favour of the Company in the form set out in the Sixth Schedule to this Debenture and obtain and deliver the receipted notice to the Securityholder.

3.6 Representations and Warranties

The Company represents and warrants in favour of the Securityholder as follows (which such representations and warranties shall survive the execution of this debenture):-

- 3.6.1 **Due Execution:** that the execution of this debenture has been duly authorised by a resolution of its Board of Directors (or by a duly authorised committee thereof) and that it does not breach any provision of its Memorandum and/or Articles of Association or of any other Encumbrance, security or agreement entered into prior to the date hereof or the laws of any jurisdiction applying to the Company;
- 3.6.2 **Ownership:** that it is and will at all times be the sole beneficial owner with full title guarantee of all its Charged Assets and that no Encumbrances affect it except the Encumbrances (if any) set out in the Third Schedule (provided that the maximum amount secured

thereby shall not be increased without the Securityholder's prior written consent) and liens arising by operation of law in the ordinary course of business in respect of obligations which are not more than 60 days overdue;

- 3.6.3 **Validity:** that this debenture constitutes its legal, valid, binding and enforceable obligations and is an effective security over all and every part of its Charged Assets in accordance with its terms;
- 3.6.4 **Authorisations:** that all necessary authorisations and consents to enable or entitle it to enter into this debenture and create the Encumbrances hereby created or intended to be created have been obtained and these will remain in full force and effect during the existence of this security;
- 3.6.5 **Discharges:** that there has been no discharge, spillage, release or emission of any prescribed, dangerous, noxious or offensive substance or any controlled waste on, into or from any freehold or leasehold premises comprised in its Charged Assets or any premises adjoining any part of them and no such substances or any controlled waste have been stored or disposed of on or in any freehold or leasehold premises comprised in its Charged Assets or, so far as it is aware, in any adjoining premises except in accordance with the requirements of the applicable Environmental Laws and/or Environmental Licences; and
- 3.6.6 **Environmental Compliance:** that it is not in breach of, and has not incurred or become subject to, any civil or criminal liability under any Environmental Laws or the terms of any Environmental Licence and that it has not done or omitted to do anything which could impose any liability on the Securityholder under any applicable Environmental Law.

4. FURTHER ASSURANCE AND POWER OF ATTORNEY

4.1 Further Assurance

At the Securityholder's request, the Company will, at its own expense, immediately sign, seal, execute, deliver and perfect all deeds, debentures and instruments (including, without limitation, fixed securities, assignments and any other documents needed in relation to assets in Scotland) and do all such other acts and things as the Securityholder or any Receiver appointed hereunder may require in order to perfect, protect or enforce this security in

respect of the Company or to facilitate the realisation of any of the Charged Assets or to use the powers given to each of them in this debenture or to enforce the obligations of the Company and/or the rights of the Securityholder under this debenture. The Company will take such steps as the Securityholder shall specify to make such registrations and give such notifications as the Securityholder may consider appropriate (or which may be specified by applicable law) in relation to this debenture and hereby authorises the Securityholder to effect the same if the Securityholder so chooses.

4.2 Execution of Documents/Registration

Without prejudice to clause 5.1 the Company will at the request of the Securityholder and at the Company's own expense, execute a legal mortgage, charge or assignment of any part of the Charged Assets of the Company, subject to or intended to be subject to any fixed security under this debenture in such form as the Securityholder may require. In addition, following the occurrence of any Event of Default and without prejudice to any other agreement in which the Company has agreed or is required to execute the same, the Company shall at its own expense, execute a legal mortgage in such form as the Securityholder may reasonably require over such of its freehold and/or leasehold property as the Securityholder may require. In every such case the Company will then take such other steps as the Securityholder may require to perfect such a legal mortgage, charge or assignment including, without limitation, using all reasonable endeavours to obtain the consent of any landlord or other person required for any legal mortgage.

4.3 Power of Attorney
