Notes to the Abbreviated Accounts

for the Period Ended 31 December 2015

1. Accounting policies

Basis of measurement and preparation of accounts

The financial statements have been prepared under the historic cost convention, and in accordance with the Financial Reporting Standards for Smaller Entities.

Turnover policy

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax. In respect of long-term contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

Tangible fixed assets depreciation policy

All fixed assets are initially recognised at cost. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows: Furniture - 20% straight line; Other equipment - 33% straight line.

Intangible fixed assets amortisation policy

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows: Website - 33% straight line.

Valuation information and policy

Stocks are valued at the lower of cost and net realisable value, after making allowance for obsolete and slow moving items.

Other accounting policies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.
