The Trustees, who are also directors of the charity for the purposes of the Companies Act 2006, submit their Annual Report and the unaudited Financial Statements for the year ended 31st December 2012. The Trustees have adopted the provisions of Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005 in preparing the Annual Report and Financial Statements of the Charity.

Structure, Governance and Management

The charity is a charitable company limited by guarantee and was incorporated on the 6th January 2010 and registered as a charity on the 10th August 2010. The charity was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1. The Charitable Company began its operations on the 6th January 2010.

A board of at least three, but not subject to any maximum number of directors who are appointed at the annual general meeting or at a meeting of the directors are responsible for the overall management and control of the charity. New directors are approved by existing directors after an appropriate period of observation and enquiry to assess suitability. A director, appointed by a resolution of the other directors, must retire at the next annual general meeting and is not taken into accounts in determining, the one third of the directors who retire by rotation at each Annual General Meeting.

The board must hold an annual general meeting each year and no more than fifteen months may elapse between successive annual general meetings.

Statement of Trustee's Responsibilities

The Trustees (who are also Directors of Emmanuel Community Projects Limited for the purposes of Company Law) are responsible for preparing the Trustees' Annual Report and the Financial Statements in accordance with Applicable Law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Statement of Trustees' Responsibilities - *continued*

Company law requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable company for that period. In preparing these financial statements the Trustees are required to:-

1. Select suitable accounting policies and then apply them consistently;
2. Observe the methods and principles in the Charities SORP;
3. Make judgements and estimates that are reasonable and prudent;
4. State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
5. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation

The Trustees are also responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Objectives and Activities

In setting objectives and planning activities the Directors have given careful consideration to the Charity Commission's general guidance on public benefit

The charity's objects are, for the benefit of the public, to advance education in particular:-

1. To act as a resource for young people up to the age of 18 years living in Duffield, Derbyshire, and the surrounding area by providing advice and assistance and organising programmes of physical, educational and other activities as a means of:-
 - a) Advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals.
 - b) Advancing education
2. To promote for the benefit of the inhabitants of Duffield, Derbyshire, and the surrounding area the provision of facilities for education, recreation or other leisure time occupation for individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social welfare and with the object of improving the condition of life of the said inhabitants
3. The relief of financial hardship by such means as the trustees from time to time determine including by the provision of grants or loans.
- 4 The provision and management of a not for profit minibus, for the use of the local community
5. To promote such other charitable purposes as the trustees may from time to time determine.

The Trustees must use the income and may use the capital of the charity in promoting the Objects.

The charity aims to give young people the best start in life through the operation of a youth group and the provision of education and leisure activities in a relaxed environment.

The public benefit of these activities i.e. the increased access to affordable, local and flexible provision of activities for young people is established around a core belief that through the development of skills and capabilities, young people will be able to participate in society as independent, mature and responsible individuals.

Report of the Trustees for the Year Ended 31st December 2012

Achievements and Performance

The focus of the charity's activities in the current year remained the programme of youth orientated events and activities based at the "Massive" Drop-In Youth Club based in Duffield, Derbyshire.

These activities which encompassed canoeing trips, paintballing, art projects, bowling events and trips to Alton Towers benefit young people by developing their self-confidence and social skills alongside practical life skills. The charity welcomes all young people from the local area regardless of personal background, faith, gender or personal circumstances. The trustee's believe as well that this philosophy of openness to all enriches everyone through the sharing of skills, aptitudes and life experiences of our young people and volunteers.

ECP seeks to reduce social isolation for people living alone in the village by organising a range of accessible activities. These include community lunches, cream teas, film club and short outings. There are also occasional individual home visits.

Following the purchase of a mini-bus for £24,000 towards the end of the year the charity is also set to operate a bus sharing scheme with various user groups in and around the Belper and Duffield area. The charity owns and manages the 17 seater mini-bus for the benefit of the local community under the "Share-a-Bus Scheme".

Financial Review

The third year of operation has seen the charity develop and consolidate its services.

The Balance Sheet on pages 13 and 14 indicate that on the 31st December 2012 total funds of the charity were £34,256 (2011: £8,492). This was represented by tangible fixed assets of £24,917 (2011: £1,586) following the purchase of a mini-bus in the year and net current assets of £9,339 (2011: £6,906). Unrestricted funds of £33,831 (2011: £7,403) and restricted reserves of £425 (2011: £1,089) represents the reserves available to the charity to fulfil its existing commitments over the medium term and also to finance the expected growth in activity.

Operationally, good progress has been made during the year. The Statement of Financial Activities on page 11 and 12 indicate that total resources expended for the period ended 31st December 2012 was £21,166 (2011: £13,744) with total income generated of £46,930 (2011: £17,231). £44,863 (2011: £16,831) of the incoming resources relates to grants and donations. The charity is currently reliant upon donations and grants to fund its activities (although it will be making efforts to become less reliant on these donations and grants in the medium term which should lead to greater independent sustainability with less reliance on donations).

Expenditure on the provision of the youth centre activities at a cost of £17,852 (2011: £13,744) represents the only significant expenditure of the charity other than the purchase of the mini-bus for £24,000 in 2012 which has already been referred to above.

Emmanuel Community Projects Limited ***(A Company Limited by Guarantee)***

Report of the Trustees for the Year Ended 31st December 2012

Financial Review - continued

Emmanuel Community Projects Limited has required significant financial support whilst it establishes itself and the service it offers are still reliant on funding from donations and grants. Every effort will be made to secure a renewal of this funding through demonstrating excellent service and demand.

The overall financial performance of Emmanuel Community Projects Limited is satisfactory but there is no room for complacency. The efforts of the charity's team of staff and management in meeting its objectives and servicing the requirements of the community justifies, in the Trustees opinion, the managed risks of operating in what is an uncertain funding environment.

The excellence and high quality of Emmanuel Community Projects Limited's services should enable the organisation to compete for grant funds and payments for services from its service users which, in the Trustees opinion, will promote Emmanuel Community Projects Limited and assist its growth.

The Trustees are committed to progress the strategy to develop and grow the charity. The Trustees are confident that they are well placed to fulfil the objectives of the charity into the future.

Risk Management

The Trustees are continually reviewing the charity's policies, systems and seek to restrict in so far as reasonably possible, the risks to which the charity may be exposed to

As a charity providing care for young people, the trustees accept that the organisation is exposed to certain risks as part of carrying out these activities, for example death or injury to young people whilst attending charity events. The Trustees have put in place systems to seek to identify and assess the key risks that the charity faces and have put in place controls to seek to manage these risks. However, no control system can be infallible and in addition certain key risks remain. These include the generation of sufficient unrestricted funds, to ensure the financial sustainability of the charity's activities.

The Board and Trustees have considered the funding already in place and the long term viability of the organisation and consider that the organisation is viable for at least the next twelve months.

Emmanuel Community Projects Limited

(A Company Limited by Guarantee)

Report of the Trustees for the Year Ended 31st December 2012

Reserves Policy

The general fund represents the unrestricted funds arising from past operating results. The Trustees have established a reserves policy which aims to meet the needs of both current and future beneficiaries of the charity. The aim of the reserves policy is to hold adequate general funds to sustain charitable activities in the event of future income variation or increases in operational costs. It recognises the need to respond to changes to the major risks (outlined above) and to be able to meet the commitment of providing services to the young people of Duffield and the surrounding area of Derbyshire.

The Trustees have established a policy which seeks to maximise the level of free reserves of the charity (i.e. those unrestricted funds not committed or invested in tangible fixed assets). As a result the Trustees believe the charity would be able to continue the operations of the Charity in the event of a drop in donations while alternative sources of funding were considered.

The level of the general fund will be reviewed annually to reassess the risks and reflect changes in activities, obligations and funding levels. The Trustees consider that the balance of the general fund of £33,831 (2011: £7,403) is a reasonable level of free reserves at this time. The movements on unrestricted funds and details of restricted funds are set out in note 12 to the accounts. Restricted reserves of £425 (2011: £1,089) existed at the 31st December 2012.

Plans for the Future

The charity will continue to work with its strategic partners and the local authorities to provide high quality services for the young people of Duffield, to improve the sustainability of its services and to promote the involvement of more young people in all aspects of the charity's operations.

The charity will continue to ensure that staff have the qualifications and continuing professional developments they need to undertake their roles successfully.

Further work is planned on the development of the bus sharing scheme. The Trustees aim will be to develop and to enhance the service for the respective user groups.

Report of the Trustees for the Year Ended 31st December 2012

Employment Policy

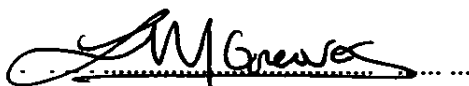

The charity is an equal opportunities employer and will apply objective criteria to assessment. It will ensure that no job applicant or employee receives less favourable treatment.

In addition, procedures are reviewed regularly to ensure that individuals are selected, promoted and treated on the basis of their merits and abilities. All employees will be helped and encouraged to develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the organisation.

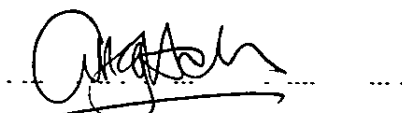

2 Staff (2011: 2) were employed during the period, mainly part time as helpers and organisers for the youth club. A structure is in place to encourage gathering and dissemination of information between staff and the trustees.

This Report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small entities.

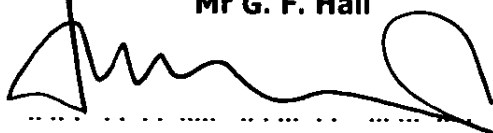

The Report was approved by the Board on 23/07/2013

Independent Examiner's Report to the Trustees of Emmanuel Community Projects Limited

I report on the accounts of the company for the year ended 31st December 2012 which are set out on pages 1 to 24.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- Follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and
- State whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 Which gives me reasonable cause to believe that, in any material respect, the requirements:
 - To keep accounting records in accordance with section 386 of the Companies Act 2006;
 - To prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

Have not been met; or

2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
