# BARRICK TZ LIMITED STRATEGIC REPORT for the year ended 31 December 2020

The directors present their strategic report on Barrick TZ Limited (the "Company") for the year ended 31 December 2020.

#### Introduction

Barrick TZ Limited (formerly Acacia Mining plc), was incorporated on 12 January 2010. It is registered and domiciled in the United Kingdom with registered number 07123187. The address of its registered office is First Floor, 2 Savoy Court, London, England, WC2R 0EZ, United Kingdom. Barrick Gold Corporation ("Barrick" or "BGC") owns 100% of the shares of the Company and is the ultimate parent and controlling party of the Group.

The financial statements of the Company have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101).

#### Review of the business

The Company is the principal investment holding Company for the BGC Group's investments in Tanzania. The Company obtains funding from BGC, the ultimate parent company, as well as through investment income from its mining subsidiaries in Tanzania.

The Company made a loss for the year of US\$200.1 million (2019: loss of US\$92.5 million). The loss for the year was mainly due to an impairment of the investment in 1816962 Ontario Inc, the subsidiary which indirectly holds the Buzwagi mine in Tanzania, for US\$194.4 million. The mine is now nearing its end of life and the investment has been reduced to its recoverable amount, following a decision taken by management during 2020 not to continue to invest in this mine. Refer to note 9 of the financial statements for further information. In addition to this, a loss was incurred on the disposal of Acacia Exploration (Kenya) Ltd (US\$5.3 million). Refer to note 6 of the financial statements for further information.

On September 17, 2019, Barrick acquired all of the shares in the Company that it did not already own (36.1%) through a share-for-share exchange of 0.168 Barrick shares and any Exploration Special Dividends for each ordinary share of the Company. The Exploration Special Dividends and any deferred cash consideration dividends (if applicable) will be paid as a consequence of a sales process to realize value from the sale of certain Barrick TZ Limited exploration properties to be undertaken during the two-year period following closing. On December 3, 2020, the Directors of the Company declared the first interim Exploration Special Dividend of US\$0.0333 per share based on cash received and non-cash consideration that has been monetised, for payment to minority shareholders on 15 December 2020, of US\$4.9 million. Barrick waived its right to the dividend.

The Company has net current liabilities of US\$110.0 million (2019: US\$286.1 million) and shareholders' equity of US\$1.1 billion (2019: US\$1.3 billion). Included in current assets are related party receivables for US\$228.7 million (2019: \$50.0 million) and included in current liabilities are related party borrowings of US\$354.7 million (2019: US\$349.2 million) which are unsecured and repayable on demand. The Directors are confident that the Company will be able to continue operating on a going concern basis for the foreseeable future, based on a letter of support from the ultimate parent company, Barrick Gold Corporation, which will enable it to meet its capital expenditure and working capital requirements.

# BARRICK TZ LIMITED STRATEGIC REPORT

for the year ended 31 December 2020

### Principal risks and uncertainties

The Company's principal risks and uncertainties, such as financial, operational and compliance risks, are integrated with those of BGC and are not managed separately.

Assessment of the potential economic and non-economic consequences of risks is undertaken by BGC's business units and functions. Once identified, each principal risk and uncertainty is reviewed and monitored by relevant internal experts and by the BGC Executive Committee, the Board and the Audit & Risk Committee. Full details of BGC's risk factors and policies for financial risk management are discussed in its 2020 Annual Report which does not form part of this report.

# Covid-19 Outbreak

On 11 March 2020, the Covid-19 outbreak was declared a pandemic by the World Health Organization. The outbreak and efforts to contain it have had a significant effect on commodity prices and capital markets. Barrick Gold Corporation and its subsidiaries have adopted certain operating procedures to respond to Covid-19, and to date, the Group's operations have not been significantly impacted by the pandemic. Notwithstanding the proactive and considered actions taken to maintain a safe workplace, it is possible that in the future there will be negative impacts on our operations or supply chain and the pandemic may trigger actions such as reduced mining and production activities at our subsidiaries. This could have a material adverse effect on our cash flows, earnings, results of operations and financial position.

# Section 172(1) statement

Section 172 of the Companies Act 2006 requires the directors of the Company to act in the way they consider, in good faith, would most likely promote the success of the Company for the benefit of its members as a whole. In doing this, section 172 also requires the directors to have regard, amongst other matters, to the interests of wider stakeholders; including, for example, employees, suppliers, customers and others. In discharging their section 172 duties, the directors do this.

The views of, and the impact of, the Company's activities on its stakeholders are an important consideration for the directors when making relevant decisions specific to the Company. More generally, however, the size and spread of both our stakeholders and the Barrick Group means, in practice, that stakeholder engagement best takes place at an operational or group level.

# **Key performance indicators**

The Company's directors are of the opinion that there are no meaningful financial or non-financial key performance indicators that would be necessary or appropriate for an understanding of the development, performance or position of the Company's activities.

The report was approved by the Board and signed on its behalf by:

James Ferguson

Director

19 November 2021

The directors present their report together with the audited financial statements for the year ended 31 December 2020.

#### Results and dividends

The statement of comprehensive income is set out on page 13 and shows the loss for the year.

The Company made a loss for the year of US\$200.1 million (2019: loss of US\$92.5 million). Dividends of US\$4.9 million were paid during the year (2019: US\$nil) with proceeds from the sale of exploration properties.

# **Principal activities**

Barrick TZ Limited was incorporated in England and Wales on 12 January 2010. It is registered and domiciled in the United Kingdom with registered number 07123187. The address of its registered office is First Floor, 2 Savoy Court, London, England, WC2R 0EZ, United Kingdom. Barrick Gold Corporation ("BGC") owns 100% of the shares of the Company.

The Company is the principal investment holding Company for the BGC Group's investments in Tanzania. The Company obtains funding from BGC, the ultimate parent company, as well as through investment income from its mining subsidiaries in Tanzania.

Disposal of Acacia Exploration (Kenya) Ltd to Shanta Gold

In February 2020, Barrick Gold Corporation announced it had entered into an agreement with Shanta Gold for Barrick TZ Limited to dispose of its wholly-owned subsidiary Acacia Exploration (Kenya) Ltd, which owns the West Kenya exploration project (the "Project"). Completion of the disposal of Acacia Exploration (Kenya) Ltd to Shanta Gold occurred on August 19, 2020. Barrick TZ Limited received \$7.0 million cash consideration, 54,650,211 shares in Shanta Gold and a 2% NSR royalty relating to the Project.

The cash consideration received, together with the cash proceeds from any monetisation of the non-cash consideration, were paid on a pro rata basis to Scheme Shareholders on the terms described in the Scheme Document. Refer to the section below for further details.

Acacia Exploration Properties Special Dividend

As discussed in the section above, Barrick Gold Corporation agreed to undertake a sales process to realise value for the Sale Exploration Properties and to pay, on or before 31 December in the relevant year, the Net Proceeds of any sale of Sale Exploration Properties to Scheme Shareholders on a pro rata basis by reference to their shareholdings at the Scheme Record Time (the Acacia Exploration Properties Special Dividend).

# **Principal activities (continued)**

Acacia Exploration Properties Special Dividend (continued)

Further to announcements made by Barrick on 10 February 2020 and 19 August 2020 in respect of the disposal of Acacia Exploration (Kenya) Ltd to Shanta Gold (the Kenyan Exploration Sale), and in accordance with its commitments under the Scheme Document, the Board of Directors of the Company declared the Acacia Exploration Properties Special Dividend of US\$0.0333 per share held in Acacia Mining plc at the Scheme Record Time on 3 December 2020, and paid US\$4.9 million to minority shareholders on 15 December 2020, in respect of Net Proceeds received to date (US\$13.8 million). Barrick waived its right to the dividend.

#### Charitable donations

The Company made no charitable nor political contributions during the year.

#### **Directors**

The directors of the Company who were in office during the year and up to the date of signing the financial statements were:

Stephen Galbraith
James Ferguson (Appointed 30 November 2020)
Graham Shuttleworth
Martin Welsh

# Corporate governance

Barrick TZ Limited is committed to the highest level of integrity in all its business dealings and to maintaining a high standard of corporate governance.

# Limited liability of company officers

As permitted by the Companies Act 2006, the Company has purchased a qualifying third party indemnity insurance cover for the directors and officers of the Company against liabilities in relation to the Company, which was in force for the full year and to the date of this report.

## Going concern

The going concern basis has been adopted in preparing the financial statements. The directors have no reason to believe that the Company will not be a going concern in the foreseeable future, based on a letter of support from the ultimate parent company, Barrick Gold Corporation.

# **Directors' responsibilities statement**

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

# Directors' responsibilities statement (continued)

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law).

Under company law, directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- · make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

# **Directors' confirmations**

In the case of each director in office at the date the directors' report is approved:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

# Capital risk management

The Company's capital risk and financial risks and uncertainties including the exposure to price, credit risk, liquidity risk and cash flow risks, are integrated with those of BGC and are not managed separately. BGC's objectives, policies and processes for managing capital, and principal risks and uncertainties, are discussed in their 2020 Annual Report which does not form part of this report.

# **Future developments**

We expect the Company to continue to provide support to companies in the Barrick TZ Limited Group. We also expect to complete the sale of exploration assets.

## Subsequent events

Other than described in Note 17 to the financial statements there has not been any matter or circumstance that has arisen since the end of the financial year that has significantly affected, or may significantly affect, the operations of the Company, the results of those operations, or the state of affairs of the Company in future financial years.

# Independent auditors

The current directors have taken all the steps that they ought to have taken to make themselves aware of any information needed by the Company's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

PricewaterhouseCoopers LLP have been re-appointed as auditors of the Company for 2021.

On behalf of the Board

James Ferguson

Director

19 November 2021

# **BARRICK TZ LIMITED**

# Independent auditors' report to the members of Barrick TZ Limited for the year ended 31 December 2020

# Report on the audit of the financial statements

### **Opinion**

In our opinion, Barrick TZ Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the statement of financial position as at 31 December 2020; the statement of comprehensive income and statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

# **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

## Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

# BARRICK TZ LIMITED Independent Auditors' Report for the year ended 31 December 2020

# Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Report of the Directors, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

# Strategic Report and Report of the directors

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Report of the Directors for the year ended 31 December 2020 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Report of the Directors.

# Responsibilities for the financial statements and the audit Responsibilities of the directors for the financial statements

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

# BARRICK TZ LIMITED Independent Auditors' Report for the year ended 31 December 2020

### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to UK company law and UK tax legislation, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting of inappropriate journal entries or application of management bias in areas of judgement or estimate. Audit procedures performed by the engagement team included:

- enquiry of management as to known or suspected instances of non-compliance with laws and regulations and fraud;
- challenging assumptions and judgements made by management in respect of key accounting estimates and judgements; and
- testing journal entries, in particular any journal entries posted involving unusual account combinations.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

# Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

# BARRICK TZ LIMITED Independent Auditors' Report for the year ended 31 December 2020

# Other required reporting Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Simon Morley (Senior Statutory Auditor)

Other reserves arose in 2010 as part of the pre-IPO reorganisation in which share premium was eliminated to create other reserves.

Notes on pages 16 to 25 form part of these financial statements.

# **BARRICK TZ LIMITED** NOTES TO THE FINANCIAL STATEMENTS

# for the year ended 31 December 2020

### Nature of operations

Barrick TZ Limited was incorporated in England and Wales on 12 January 2010 and re-registered as a public limited company on 12 March 2010 under the Companies Act 2006. It is registered and domiciled in the United Kingdom with registered number 07123187. On 24 March 2010 the Company's shares were admitted to the Official List of the United Kingdom Listing Authority ("UKLA") and to trading on the Main Market of the London Stock Exchange, hereafter referred to as the Initial Public Offering ("IPO"). The address of its registered office is First Floor, 2 Savoy Court, London, England, WC2R 0EZ, United Kingdom. Barrick Gold Corporation ("BGC") owned approximately 63.9% of the shares of the Company, until the acquisition of all shares by Barrick Gold Corporation on 17 September 2019, and the Company changed its name to Barrick TZ Limited.

The Company is the principal investment holding company for the BGC Group's investments in Tanzania. The Company obtains funding from BGC, the ultimate parent company, as well as through investment income from its mining subsidiaries in Tanzania.

## Significant accounting policies

# Basis of preparation

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The financial statements of Barrick TZ Limited ("the Company") have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101). The financial statements have been prepared under the historical cost convention, and in accordance with the Companies Act 2006 as applicable to companies using FRS 101.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- Paragraphs 45(b) and 46 to 52 of IFRS 2, 'Share-based payment' (details of the number and weighted average exercise prices of share options, and how the fair value of goods or services received was determined).
- IFRS 7, 'Financial instruments: Disclosures'.
- Paragraphs 91 to 99 of IFRS 13, 'Fair value measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities).
- Paragraph 38 of IAS 1, 'Presentation of financial statements' comparative information requirements in respect of:

  - Paragraph 79(a)(iv) of IAS 1; Paragraph 73(e) of IAS 16, 'Property, plant and equipment'; and Paragraph 118(e) of IAS 38, 'Intangible assets' (reconciliations between the carrying amount at the beginning and end of the period).
- The following paragraphs of IAS 1, 'Presentation of financial statements':
  - 10(d) (statement of cash flows);
  - 16 (statement of compliance with all IFRS);
  - 38A (requirement for minimum of two primary statements, including cash flow statements);
  - 38B-D (additional comparative information);
  - 111 (statement of cash flows information); and
  - 134-136 (capital management disclosures).
- IAS 7. 'Statement of cash flows'.
- Paragraphs 30 and 31 of IAS 8, 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective).
- Paragraph 17 of IAS 24, 'Related party disclosures' (key management compensation).
- The requirements in IAS 24, 'Related party disclosures', to disclose related party transactions entered into between two or more members of a group.

#### 2 Significant accounting policies (continued)

## Basis of preparation (continued)

The going concern basis has been adopted in preparing the financial statements. The directors have no reason to believe that the Company will not be a going concern in the foreseeable future based on a letter of support from the ultimate parent company, Barrick Gold Corporation.

There are no amendments to accounting standards, or IFRIC interpretations that are effective for the year ended 31 December 2020 that had a material impact on the Company's financial statements.

The Company is a wholly owned subsidiary of its ultimate parent, Barrick Gold Corporation. It is included in the consolidated financial statements of Barrick Gold Corporation, which are publicly available. Therefore, the Company is exempt, by virtue of section 401 of the Companies Act 2006, from the requirement to prepare consolidated financial statements.

These financial statements are separate financial statements. The financial statements have been prepared under the historical cost convention. The following principles have been applied:

#### Functional and presentation currency

The Company financial statements are presented in United States dollars ("US\$") and all values are rounded to the nearest thousand US dollars except when otherwise indicated.

The Company's transactions are denominated in a number of different currencies (primarily US dollars and UK pounds sterling). The Company has liabilities that are primarily denominated in US dollars. The US dollar is the Company's functional currency, as well as the Company's presentation currency. Transactions in currencies other than the US dollar are translated at the exchange rates as at the date of transaction. Monetary assets and liabilities denominated in currencies other than the US dollar are translated to US dollars at year-end exchange rates. All differences that arise are recorded in the statement of comprehensive income. Non-monetary assets measured at historical cost in a currency other than US dollars are translated using the exchange rates at the date of the initial transactions. Where non-monetary assets are measured at fair value in a currency other than US dollars they are translated into US dollars using the exchange rates on the date when the fair value was determined.

## Finance income and finance expense

Interest income is recognised on a time-proportion basis using the effective interest method. When a receivable is impaired, the Company reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate of the instrument, and continues unwinding the discount as interest income.

#### Financial instruments

The Company classifies its financial assets in the following measurement categories: those to be measured subsequently at fair value (either through OCI or through profit or loss); and those to be measured at amortised cost.

The classification depends on the purpose for which the financial assets were acquired i.e. the entity's business model for managing the financial assets and/or the contractual cash flow characteristics of the financial asset.

#### a. Financial assets at amortised cost

The Company classifies its financial assets at amortised cost only if both of the following criteria are met (and they are not designated as FVTPL):

- The asset is held within a business model whose objective is to collect the contractual cash flows; and
- The contractual terms of the financial asset give rise to cash flows that are solely payments of principal and interest.

Subsequent to initial recognition these are measured at amortised cost using the effective interest method. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other (expenses)/income together with foreign exchange gains and losses.

# 2 Significant accounting policies (continued)

Financial instruments (continued)

# b. Financial assets at fair value through profit or loss

Financial assets that are held within a different business model other than 'hold to collect' or 'hold to collect and sell' and are categorised as fair value through profit or loss. The assets are subsequently measured at fair value with gains or losses recognised in profit or loss and presented net within other (expenses)/income in the period they arise. Fair values are determined by reference to active markets or using valuation techniques where no active market exists.

#### Financial liabilities

Other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

#### Investment in subsidiaries

Subsidiaries are entities to which the Company is exposed, or has the rights to variable returns from its involvement and has the ability to affect those returns through its power. Control exists when the Company has existing rights and the ability to direct relevant activities, exposure or rights to variable returns from its involvement and the ability to use its power to affect the amount of returns.

At each reporting date, an assessment is made to determine whether there are any indicators of impairment. Where an indicator of impairment exists, a formal estimate of the recoverable amount of the investment in a subsidiary is made, which is considered to be the higher of the fair value less costs to dispose and the value in use. Fair value is determined as the amount that would be obtained from the sale of the investment in an arm's length transaction between knowledgeable and willing parties. If the carrying amount of an investment exceeds the recoverable amount, a provision is recorded in the income statement to reflect the investment at the recoverable amount. Where an impairment charge has previously been recognised, an assessment is made at the end of each reporting period whether there is any indication that the impairment loss may no longer exist or may have decreased. If any such indication exists, an estimate of the recoverable amount is made. An impairment loss is reversed to the income statement to the extent that the increased carrying value of the investment in subsidiary does not exceed the original carrying value.

#### Taxes

## a. Current tax

Current tax is the tax expected to be payable on the taxable income for the year calculated using rates and laws that have been enacted or substantively enacted by the statement of financial position date. It includes adjustments for tax expected to be payable or recoverable in respect of previous periods.

#### b. Deferred tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. However, if the temporary difference arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit nor loss, it is not recognised. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the statement of financial position date and are expected to apply when the temporary differences reverses. Deferred income tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

## 3 Critical accounting estimates and judgements

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The critical judgements and estimates are:

- Whether to recognise a provision for accounts receivable and non-current receivables Notes 2, 10 and 11; and
- Review of investments in subsidiaries, the determination of whether these assets are impaired and the measurement of impairment charges or reversals – Notes 2 and 9.

|   | Closing balance            | 666 202                                  | 860 624                                  |

In accordance with IAS 36 "Impairment of assets", a review for impairment of long-lived assets is undertaken at any time an indicator of impairment is considered to exist. 1816962 Ontario Inc holds the investment in the Buzwagi mine in Tanzania, which has now reached the end of its economic mine life, following a decision taken by management during 2020 not to continue to invest in this mine. As a result, the Company has undertaken a carrying value assessment for the investment in this subsidiary. The assessment compared the recoverable amount of the cash generating unit ("CGU") to the carrying value of the investment. Given that the Buzwagi mine has now reached the end of its life and is moving into the closure phase in 2021, there is no further value expected to be recovered from this investment and, therefore, the recoverable amount of this asset has been reduced to zero and the investment has been impaired in full (US\$194.4 million).

No dividends were received from these investments in 2020 (2019: US\$nil).

# 9 Investment in subsidiaries (continued)

The Company holds the legal title to the following investments:

| Company                   | Principal activity | Country of incorporation | Registered office   | Equity interest 2020 | Equity interest 2019 |

<sup>1</sup> In August 2020, the disposal of Acacia Exploration (Kenya) Ltd to Shanta Gold was completed. Consideration included a 2% NSR royalty relating to the Project. This has been recognised as a contingent consideration with a fair value of US\$18 million.

The fair value of financial assets equals their carrying amount as they are repayable on demand.

# 11 Other receivables

| Indirect tax receivables              | 7       | 66     |
|---------------------------------------|---------|--------|
| Other receivables                     | 12 662  | 11 029 |
| Due from related parties <sup>1</sup> | 228 673 | 50 036 |
|                                       | 241 342 | 61 131 |

<sup>1</sup> The balance due from Acacia Exploration (Kenya) Ltd was settled as part of the sale of Acacia Exploration (Kenya) Ltd in 2020 (US\$38.6 million). The loan to BUK Holdco Ltd (refer to note 10) was partly repaid in 2020 and the funds received were placed in an interest-bearing deposit with the ultimate parent, BGC (US\$210 million).

The fair value of financial assets equals their carrying amount as they are repayable on demand.

#### 12 Other current liabilities

| Accrued expenses and taxes  | 192     | 639     |
|-----------------------------|---------|---------|
| Payables to related parties | 354 696 | 349 239 |
|                             | 354 888 | 349 878 |

The fair value of financial liabilities equals their carrying amount as they are repayable on demand.

<sup>1</sup> All authorised share capital was issued and fully paid

The nominal value of each Ordinary Share is 10 pence with total share capital of GBP41 million. No share movements have taken place in the current year.

## 14 Dividend

As described in the Scheme Document, Barrick agreed to undertake a sales process to realise value for the Sale Exploration Properties and to pay, on or before 31 December in the relevant year, the Net Proceeds of any sale of Sale Exploration Properties to Scheme Shareholders by means of a dividend on a pro rata basis by reference to their shareholdings at the Scheme Record Time (the Acacia Exploration Properties Special Dividend).

Further to announcements made by Barrick on 10 February 2020 and 19 August 2020 in respect of the disposal of Acacia Exploration (Kenya) Ltd to Shanta Gold (the Kenyan Exploration Sale), and in accordance with its commitments under the Scheme Document, the Board of Directors of the Company declared the Acacia Exploration Properties Special Dividend of US\$0.0333 per share held in Acacia Mining plc at the Scheme Record Time on 3 December 2020, and paid US\$4.9 million to minority shareholders on 15 December 2020, in respect of Net Proceeds received to date (US\$13.8 million). Barrick waived its right to the dividend.

## 15 Ultimate holding company

Barrick TZ Limited forms part of Barrick Gold Corporation, incorporated in Canada. The immediate shareholders are: Barrick International (Barbados) Corporation (43.8%), Barrick Gold Corporation (36.07%), PDG Sona (Cayman) Ltd (11.03%) and PDG (Barbados) Ltd (9.10%). The financial statements of Barrick Gold Corporation Group, in which the Company financial statements are consolidated in compliance with International Financial Reporting Standards, can be found at www.barrick.com. Barrick Gold Corporation's registered address is 161 Bay Street, Suite 3700, Toronto, Ontario M5J 2S1, Canada.

# 16 Commitments and contingencies

As at 31 December 2020, the Company was a defendant in a number of lawsuits. The plaintiffs are claiming damages and interest thereon for the alleged loss caused by various commercial/project disputes. At present, management considers the majority of cases to be without merit and, therefore, the likelihood of any material unfavourable outcome is remote and, therefore, no provision is required.

# 17 Subsequent events

Disposal of ABG Mali Exploration SARL

In Q1 2021, the Company completed the sale of an indirect subsidiary, BUK West Africa Limited, with its subsidiary, ABG Mali Exploration SARL, for consideration received of US\$1.5 million.

#### Disposal of royalty receivable

In August 2020, Barrick TZ Limited received a 2% NSR royalty relating to the West Kenya exploration project as part of the proceeds for the sale of Acacia Exploration (Kenya) Limited. In Q4 2021, the royalty was sold for proceeds of US\$11.75 million.

Income tax assessment on sale of Acacia Exploration (Kenya) Ltd

In Q4 2021, the Kenyan Revenue Authority ("KRA") has issued an income tax assessment in respect of the sale of Acacia Exploration (Kenya) Limited, where they have assessed tax payable on the transaction of US\$12.75 million. Management consider that there is no merit in the assessment and will vigorously challenge the matter. No provision has been established for this matter.
