REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company, limited by guarantee, incorporated on 23 March 2010 and registered as a charity on 14th April 2011. The company is governed by its Articles of Association which set out the objects and powers of the charitable company. The directors have used powers granted to them in the Articles to make rules for its operations.

In the event of a winding up of the company, members are required to contribute an amount not exceeding £1.00.

Recruitment and appointment of new trustees

The directors of the charitable company ("the charity") are its trustees for the purposes of the charity law and throughout this report are collectively referred to as the directors. The directors serving during the year and since the year end are set out on page 1.

As set out in the articles of association, there should not be less than 3 directors or more than 15. At each annual general meeting, one third of the members shall retire from the office. Retiring directors are eligible for re-election.

All directors who give their time voluntarily, receive no benefits from the charity and are recruited from user groups and volunteers who have an interest in the welfare of the charity.

Organisational Structure

The work of the company and charity is overseen by a board of Trustees who meet every 3 months to provide a strategic direction and monitor and review the work of the charity.

During the year the board met formally on several occasions, as well as numerous ad-hoc and informal meetings. Board meetings include members of volunteers staff as appropriate.

The day-to-day running of the charity and local operations are carried out by volunteers, under the leadership of the chief executive Gurvinder Sandher, who regularly reports to the board and have delegated authority within terms approved by the trustees, for operational matters, including finance, health and safety, security and staff.

Related parties

Other related parties & charities include Cohesion Plus Kent, a company limited by guarantee where G Sandher serves as a director and member of the company.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The board has a formal, written policy of internal financial control procedures which will continue to be monitored and updated to cover new risk areas as and when they are identified.

KENT EQUALITY COHESION COUNCIL

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's purposes, as set out in the Articles of Association, are to :

- To work towards reducing inequality, eliminate discrimination, strengthen good relations between people, and promote human rights.
- To encourage and ensure compliance with equality legislation on age, disability, gender, gender reassignment, race, religion or belief, sexual orientation and the Human Rights Act.
- To promote and organise co-operation in the achievement of the above purposes and to that end to bring together in council representatives of the voluntary organisations and statutory authorities within the area of benefit.
- To promote Community Cohesion within the county of Kent.

Public benefit

How our activities deliver public benefit

In accordance with section 4 of the Charities Act 2006, the directors and trustees have due regard to the guidance published by the Charity Commission on the requirement that the objectives and work undertaken by the charity are in line with charitable objectives and do provide for benefit of the public.

The principal activity of the charity continued to be working towards the reduction of inequality, the elimination of discrimination and promotion of good relations between people with a view to strengthening community cohesion in the county of Kent. This was done through the organisation and delivery of community based arts activities, casework, public education and through partnership working with organisations from the statutory and voluntary sector. Board meetings are held regularly to deliver the following objectives:

- Strengthening good relations between people;
- Promotion of human rights and equality;
- Elimination of discrimination;
- Promotion of cohesion;
- Public education.

Volunteers

The trustees would like to express their thanks to the volunteers, who are an essential part of the charity's infrastructure and without whose support, the charity could not continue to operate. Trustees are aware of the Charity Commission guidance on this subject and confirm that they will read the PDF documents maintained on the Commission website.

Principal sources of funding

The principal funding sources for the Charity are currently by way of grant funding, service level agreements and project delivery.

The following organisations provided funding for the past year: Gravesham Borough Council, Dartford Borough Council, Kent County Council, Maidstone Borough Council, Cohesion Plus Kent, Involve Kent and Kent Community Foundation.

KENT EQUALITY COHESION COUNCIL

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

Principal sources of funding

The Charity has service level agreements with Gravesham Borough Council, Dartford Borough Council, Kent County Council and Maidstone Borough Council. The rest of the income is generated from short term project specific funding. The charity is constantly looking for more secure sources of funding.

Future developments

The charity will continue to seek long term funding from partners and also look at ways if securing additional income from business and private donations. None of this is entirely reliable or predictable. The Charity shall also work on becoming tender ready so that we are in a position to apply for small public sector contracts.

We are looking to continue working with our partners in the voluntary and statutory sector, to develop partnerships and make best use of our limited resources and where applicable to apply for joint contracts or deliver bigger projects.

For 2023/2024 the Charity will continue to work in partnership with organisations from the public and voluntary sector to deliver innovative events in North and West Kent which promote community cohesion and positive community relations. The Charity will also continue to provide support where applicable to victims of racial discrimination and harassment and act as a conduit between local community groups and public and voluntary sector partners. We shall also look to recruit more volunteers to help deliver some of our community projects. The Charity is also working on a number of funding applications both in partnership and on its own which would enable it to secure its short term finance.

All funds raised so far have been expended in pursuit of the Charity's objectives through paying staff salaries, activity costs and overheads.

FINANCIAL REVIEW

Reserves policy

The directors have reviewed the free level of reserves maintained, which are represented by unrestricted funds not committed or invested in tangible fixed assets. The aim is to maintain reserves at a level to ensure that there should not be a reduction in income that the service could continue for at least three months at current rates of expenditure.

The unrestricted reserves are £138,099 (2022: £132,521) which sufficiently covers the expenditure for next year.

The results for the year are set out on pages 8 to 16.

The charity is dependent entirely on voluntary donations and are grateful for the support given this year.

The income was £91,601 (2022 £118,481) which has decreased from last year.

Total expenditure also decreased in the year to 31 March 2023, to £86,023 (2022 £89,302) which reflects the costs from running the activities of the charity and the activities related to generating funds for the charity.

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31 MARCH 2023

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the report of the trustees and the financial statement in accordance with applicable law and United Kingdom accounting standards (United Kingdom generally accepted accounting practice).

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to :

- Select suitable accounting policies and then apply them consistently
- Observe the methods of principle in the charity SORP.
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF

KENT EQUALITY COHESION COUNCIL

Independent examiner's report to the trustees of Kent Equality Cohesion Council ('the Company')

I report to the trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

Responsibilities and basis of the report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) Accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
 - (2) The accounts do not accord with those records; or
 - (3) The accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached, other than the fact that no budgets in support of initial funding applications, nor any quarterly / annual / final reports to funders, nor listings of expenses vouchers submitted to funders to claim for specific reimbursement in respect of charitable activities, have been provided to the examiner upon request, which would have indicated the intended use of such funds. Thus apart from where a specific purpose, or restriction has been identified from our review of available support documentation, the bookkeeping and accounts have been prepared on the basis that all other grants are unrestricted and provided for utilisation in respect of all charitable activities and or related support costs. We have not been advised that any particular grant(s) have been provided solely for Core Funding (voluntary income). Should any of the original documentation not seen indicate otherwise, this could mean that the specific funds might not have been applied in accordance with the original purpose advised to funders, or in accordance with any quarterly or annual reports submitted to funders.
