Notes to the Abbreviated Accounts
for the Year Ended 30 June 2014

1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

The financial statements have been prepared on a going concern basis. There is a deficit of current liabilities over current assets of £24,982 (2013 : £21,249). However, the creditors have confirmed that continued financial support will be forthcoming for the foreseeable future. For this reason, the going concern basis is considered appropriate.

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
