KCS COALITION

Report of the Trustees for the Year Ended 31 March 2019

In 2018-19 Keeping Children Safe strengthened the safeguarding capacity of organisations across 53 countries and almost all regions. Twelve new members joined the network including organisations from a number of new sectors such as donor organisations and the first KCS corporate member.

In addition, KCS launched a new strategic plan to build on this progress and continue to develop our programmes and expertise. Aims for 2019 - 2020 include:

To develop new research partnerships to build the evidence base on child safeguarding, including proactively investigating potential and emerging child safeguarding risks with the aim of identifying or even stopping abuses before they begin. We will establish a new independent committee of child safeguarding experts to ensure rigorous scrutiny of the standards and programmatic work.

To scale up our capacity strengthening programme and invest in network support, including collaborating on new guidance, technical advice, opportunities for networking and sharing best practice, including sector and context specific support.

We will build staff and network capacity in each region and extend our services to the widest range of organisations, including small, resource-poor organisations and forge partnerships with child rights and survivors' organisations to ensure children's rights and voices inform all that we do.

We will step up our ground-breaking campaigns to change the systems and confront the institutions that are failing to protect children from abuse and continue to work with international agencies and governments to ensure that safeguarding remains high on their agendas.

I look forward to reporting on our progress and continued development of our programmes in 2019 /20.

Sarah Blakemore
Chief Executive

OBJECTIVES AND ACTIVITIES

Objectives and aims

Who we are and what we do

Keeping Children Safe is a membership network of organisations working together to increase safeguards offered to children. There are currently 75 members from across the world.

Our activities are designed to build the capacity of organisations and people to protect and safeguard the children they work with or with whom they come into contact. Organisations that adopt our standards and implement them fully, are safer places for children. Their operations, activities and people work to the Do No Harm principle, preventing the abuse and exploitation of children and ensuring that they report on children who are at risk and children who have been subjected to violence.

Vision

Keeping Children Safe's vision is for all children to have a safe and healthy development into adulthood.

Mission

Keeping Children Safe's mission is to work with organisations to safeguard children globally from all forms of exploitation, abuse and violations of their rights. We advocate for the universal adoption and monitoring of international standards on safeguarding, build the capacity of organisations to safeguard children and work to advance a global movement of organisations committed to ensure that their staff, operations and programmes do no harm to children.

Objectives

- 1: International standards on safeguarding children are universally upheld and monitored.
- 2: Organisations have the technical capacity to safeguard children.
- 3: A global movement of organisations commits at the highest levels to ensure their staff, operations and programmes do no harm to children.

OBJECTIVES AND ACTIVITIES

Public benefit

Our strategic plan is developed to ensure we provide public benefit and achieve our objectives as set out in our governing document. The KCS Board of Trustees regularly monitors and reviews the success of the organisation in delivering its objectives which are:

- 1) To prevent the abuse of children, protect the rights and dignity of victims /survivors and help bring their abusers to justice, by advocating for all organisations to be held to account against tough international child safeguarding standards
- 2) To research, collate and create child safeguarding best practices; develop specialised knowledge and training; and integrate safeguarding across all types and sizes of organisations
- 3) To strengthen and grow KCS's international safeguarding network by recruiting and engaging organisations committed to upholding and championing International Child Safeguarding Standards.

The Trustees confirm, in the light of the guidance contained in the Charity Commission's general guidance on public benefit, that these aims fully meet the public benefit test and that all the activities of the charity, described in this report of the Trustees, are undertaken in pursuit of these aims.

ACHIEVEMENT AND PERFORMANCE

Key achievements for the year

Aim 1: International Standards on Safeguarding Children are Universally Upheld and Monitored

Strategy 1: Advocate for all organisations to adopt and implement international standards on child safeguarding.

KCS launched the Safeguarding Children in Conflict and Crisis campaign which calls for:

- All organisations to safeguard children in line with international standards
- Donors to insist that the organisations and initiatives they fund implement robust child safeguarding measures
- World leaders to champion the safety of children at the highest levels by tabling a UN Resolution on child safeguarding.

Responding to allegations of abuse by Peacekeepers

• KCS co-led a panel on the principal elements of a survivor /victim-centred approach to investigations of sexual exploitation, abuse and harassment in the humanitarian sector, with a specific focus on survivor /victim and witness protection during investigative processes at the Joint Meeting of Investigatory Bodies of CEB and IASC on Preventing Sexual Exploitation, Abuse and Harassment in the Humanitarian Sector, in Geneva in November

• At the 'Liechtenstein Accountability Retreat', chaired by the Minister of Foreign Affairs of Liechtenstein, KCS co-led a session on survivor-centred approaches. The one-day retreat provided a multi-stakeholder space to identify best practices, lessons learned and recommendations in the promotion of accountability and to reflect on the role that victims have, and should play, in the development and delivery of accountability mechanisms. The primary goal of the retreat was to hold open, out-of-the-box discussions to develop ideas for alternative accountability mechanisms, both where the established criminal justice mechanisms are not available and where complementary mechanisms are needed

• In September, KCS briefed the United Nations Security Council on the rights of victims, at the invitation of the United States. Prior to that the CEO led a breakfast briefing at the UK Mission for Security Council Advisers from a number of states

• Keeping Children Safe supported the Uruguayan Army, Navy and Air Force to develop a Child Safeguarding Policy and procedures, in partnership with the Ministry of Defence and the Foreign and Commonwealth Office. A successful funding bid to UNICEF Uruguay of 66K USD will allow KCS to support the implementation of these policies and hold a regional event on child safeguarding in peacekeeping.

Strategy 2: Collect and publish data and evidence on the prevalence of child abuse within organisations, as well as evidence of the trajectory from safeguarding intervention to impact on children.

KCS has developed a Monitoring, Evaluation and Learning (MEL) plan and assorted data collection systems.

Strategy 3: Seek to influence donors so that they require that the organisations they fund, adopt and implement child-safeguarding standards.

- KCS CEO delivered a keynote speech at the DFID Safeguarding Summit
- KCS continues to provide support on child safeguarding to the grantees of the Oak Foundation
- KCS continues to provide support on child safeguarding to USAID
- KCS has developed a safeguarding due diligence process for DFID against its safeguarding standards, including creating tools and building the capacity of staff. Central assurance assessments have been carried out by KCS of 16 international organisations supported by DFID
- KCS continues to provide ongoing advice and support to DFID as it develops its safeguarding work.

ACHIEVEMENT AND PERFORMANCE

Aim 2: Organisations Have the Technical Capacity to Safeguard Children

Strategy 1: Expand the range of training and capacity building services, make them available to the widest possible range of organisations and implement a rigorous monitoring, evaluation and learning process to assess programme effectiveness and impact.

During 2018-2019, Keeping Children Safe (KCS) continued to expand its capacity building programme, both geographically and across sectors. Geographically, KCS strengthened the safeguarding capacity of organisations across 53 countries, covering North, Central and South America, Europe, Africa, Asia and Oceania. Continent-wise, KCS has supported organisations in a third of all African countries. The overwhelming number of organisations supported by KCS were non-UK registered. KCS also increased the depth of its support within a select number of countries, supporting a greater number of organisations in the Brazil, India, Guatemala, Mexico and the United States. Although KCS has its origins in the international development and humanitarian relief sectors, KCS continued to extend its support to organisations outside of these sectors. During 2018 -19, KCS engaged with an increasing number of foundations, such as Comic Relief USA, the Lego Foundation, the Laureus Foundation and the Mastercard Foundation, among others. KCS also supported the safeguarding capacity of a number of private sector organisations. KCS was also asked during the year to brief two of the leading law firms in London specialising in legal support to charities. Finally, 2018 - 19 has also seen an increasing demand for KCS's Certification based on our Standards.

As we enter fiscal year 2019 - 20, KCS already has a working portfolio of nearly 50 projects at various stages of development, with requests for support coming in regularly from organisations on a monthly basis.

Strategy 2: Create regional hubs with partner organisations around the world, building the capacity of organisations to deliver high quality services and engage in advocacy and research.

- CONACMI, (KCS's Central America Regional Hub) conducted a meeting in Guatemala with Miriam Camas to present the work and the process of supporting the Mexican grantees in order to seek opportunities to replicate the process in Guatemala in the final quarter of 2018
- CONACMI conducted introductory child safeguarding session in Guatemala for the local Oak grantees to present the work and the process of supporting the Mexican grantees in order to seek opportunities to replicate the process in Guatemala
- CONACMI has supported and provided online technical assistance for 17 Mexican Grantees.

Strategy 3: Establish a Quality Assurance Unit to carry out Safeguarding Audits and investigations, as well as lead on developing the Keeping Children Safe certification programme.

Certification

- KCS has been providing ongoing support regarding Level 2 Certification for American School in Japan
- KCS carried out Level 1 Certification process for Mary's Meals for four country offices (Kenya, Liberia, Malawi and Zambia)
- Mary's Meals has undergone the Certification Level 1 process and has been provided with an action plan to address gaps
- Tearfund started the Level 1 Certification process
- Save the Children Spain applied to undergo Level 1 Certification
- Compassion International started Level 1 Certification process for all 26 offices.

Aim 3: A Global Movement of Organisations Commits at the Highest Levels to Ensure Their Staff, Operations and Programmes Do No Harm to Children

KCS COALITION

Report of the Trustees for the Year Ended 31 March 2019

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of KCS Coalition for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Knox Cropper LLP, were appointed as the charity's auditors during the year and have expressed their willingness to continue in that capacity.

Approved by order of the board of trustees on 10 September 2019 and signed on its behalf by:

S Smith - Trustee

Report of the Independent Auditors to the Members of KCS Coalition

Opinion

We have audited the financial statements of KCS Coalition (the 'charitable company') for the year ended 31 March 2019 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Report of the Independent Auditors to the Members of KCS COALITION

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Year Ended 31 March 2019

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going Concern

After reviewing the charity's forecasts and projections, the trustees' have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

Expenditure is allocated between Cost of Generating Funds, Charitable Activities and Governance Costs on an actual basis where possible. Where actual allocation is not possible, apportionments are made based principally on employee time. The policy of apportionment is consistently applied year on year although the specific bases adopted will vary year on year with changing circumstances.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
