The security constituted by this deed shall be in addition to, and independent of, any other security or guarantee that the Security Trustee may hold for any of the Secured Liabilities at any time. No prior security held by any Secured Party over the whole or any part of the Secured Assets shall merge in the security created by this deed.

29.2 Continuing security

The security constituted by this deed shall remain in full force and effect as a continuing security for the Secured Liabilities, despite any settlement of account, or intermediate payment, or other matter or thing, unless and until the Security Trustee discharges this deed in writing.

Any release, discharge or settlement between the Borrower and the Security Trustee shall be deemed conditional on no payment or security received by the Security Trustee in respect of the Secured Liabilities being avoided, reduced or ordered to be refunded pursuant to any law relating to insolvency, bankruptcy, winding-up, administration, receivership or otherwise. Despite any such release, discharge or settlement:

- (a) the Security Trustee or its nominee may retain this deed and the security created by or pursuant to it, including all certificates and documents relating to the whole or any part of the Secured Assets, for any period that the Security Trustee deems necessary to provide the Security Trustee with security against any such avoidance, reduction or order for refund; and
- (b) the Security Trustee may recover the value or amount of such security or payment from the Borrower subsequently as if the release, discharge or settlement had not occurred.

29.4 Certificates

A certificate or determination by the Security Trustee as to any amount for the time being due to it from the Borrower under a Finance Document shall be, in the absence of any manifest error, conclusive evidence of the amount due.
