This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve.

Chiltern Vale Heath CIC was established in November 2010. The company was established to provide the residents of Dunstable, Houghton Regis and surrounding areas with locally developed health, social and community welfare services.

The company aims to benefit local patients, the wider community and providers of health, social and community services through the benefit of clinical treatment services, business support and clinical and educational services.

The company was established in particular to enable local GP practices to group together and provide innovative solutions to local health procurements led by Bedfordshire and Luton Primary Care Trusts, the Commissioners of Local Health Care. It has subsequently transpired that the procurements anticipated at the formation of the company have not been appropriate for the company and the company has remained dormant since formation.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The company's principal stakeholders are the residents of the community served and who are registered with local primary care practices.

The practices are required to organise individual patient involvement groups who are then in a position to provide a view on the priorities for local health development.

(If applicable, please just state "A social audit report covering these points is attached").

PART 3 – DIRECTORS' REMUNERATION – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes). If no remuneration was received you must state that "no remuneration was received" below.

PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION – Please insert full details of any transfers of assets other than for full consideration e.g. Donations to outside bodies. If this does not apply you must state that "no transfer of assets other than for full consideration has been made" below.
