**NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023**

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year ended 31 August 2023. The annual report serves the purposes of both a trustees' report, a strategic report and directors' report under company law.

The Trust currently operates four primary and seven secondary academies across the North East of England. Trust academies have a combined total of 7,239 on roll as per the October 2022 census (2021: 7,186). The Trust continues to work with other schools and Trusts that are interested in joining the Trust in 2024.

Structure, Governance and Management

Constitution

The Trust is a company limited by guarantee and an exempt charity. The Charitable Company's memorandum and articles of association are the primary governing documents of the Academy Trust. The governors act as trustees for charitable activities of North East Learning Trust are also the directors of the Charitable Company for the purposes of company law. The Charitable Company is now known as North East Learning Trust. North East Learning Trust is a multi-academy trust consisting of The Academy at Shotton Hall, Browney Primary Academy, Teesdale Academy, Easington Academy, Sacriston Academy, Diamond Hall Junior Academy, Ashington Academy, Bedlington Academy, Hermitage Academy, Rye Hills and Meadowdale Academy.

Details of the Trustees who served throughout the year except as noted are included in the Reference and Administrative Details on page 3.

Members' liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees Indemnities

Companies Act 2006 s236 requires disclosure concerning qualifying third-party indemnity provisions. As required in the Academy's Articles of Association indemnity insurance with Zurich has been taken out to cover the liability of Trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default, breach of trust or breach of duty of which they may be guilty in relation to the Trust. Provided that any such insurance shall not extend to any claim arising from any act or omission which the Trustees knew to be a breach of trust or breach of duty or which was committed by the Trustees in reckless disregard of whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Governors in their capacity as Trustees.

Method of recruitment and appointment or election of trustees

The Members of the Trust comprise the three signatories to the Memorandum and any person appointed under article 15A, provided that at any time the minimum number of members shall not be less than 3.

Details of the members and trustees of the board are shown in the Reference and Administration details. The members may appoint by ordinary resolution up to eight Trustees and the Trustees may appoint Co-opted Trustees. A 'Co-opted Trustee' means a person who is appointed to be a Trustee by being Co-opted by Trustees who have not themselves been so appointed. The total number of Trustees including the Chief Executive Officer who are employees of the Academy Trust shall not exceed one third of the total number of Trustees. The quorum for meetings of the Trustees will be three voting Trustees and the term of office for all Trustees will be four years, save that this time limit shall not apply to any post which is held ex-officio.

The Secretary of State may appoint such Additional Trustees as he thinks fit under Article 62, 62A, 62C or 68A. The Chairs of the Trustees will be elected at the first meeting of the academic year and must be ratified by members prior to taking up the position.

Policies and procedures adopted for the induction and training of governors

The Trust is fully committed to the development of effective governance and provide training to assist Trustees and LAC Governors in undertaking their role. A regular skills audit is carried out which enables the trust to ensure that Trustees and LAC Governors have the necessary skills and experience to carry out their governance roles. Trustees and LAC Governors are provided with regular statutory updates and also have access to the website and a Governor Hub to assist in their continuous professional development. Trustees and local academy governors are actively involved in governance reviews, to support the continued improvement and efficiency of the overarching governance structure.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

Organisational Structure

The management structure consists of five levels; the Member, The Board of Trustees, the Local Academy Councils, Executive Board of senior management and phase specific strategy groups.

Members

The Board of Trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the Trust by the use of performance figures, budgets and making strategic decisions regarding Trust development, capital expenditure and senior staff appointments.

The day to day operations of the Trust are delegated to the Chief Executive Officer (Accounting Officer) and Executive Board of senior management. The Trustees are responsible for the performance of each Academy within the Multi Academy Trust (MAT) however, a range of responsibilities may be delegated to Local Academy Councils (LAC). Local Academy Council's act as advisory body to the Board of Trustees, in respect of individual schools. The LAC fulfils its role through council meetings and school engagement visits to fulfil their responsibilities. All minutes are shared with Trustees to ensure effective oversight of school activities.

Trust Management Structure

Trust Board - Trustees

Terms of Reference

- Delivering the charitable objectives of the Trust.
- Leadership of the organisation and managing the charitable assets.
- Ensuring compliance with the Trust's duties under company law and charity law and agreements made with the DFE including the funding agreement.
- The determination and educational character and mission of the Trust.
- Ensuring the solvency of the Trust company and charity and safeguarding its assets and delivering its charitable outcomes.
- Ensuring the continued charitable status of the Trust.
- Setting key strategic objectives and targets and reviewing performance against these.
- Entering all contracts on behalf of the Trust.
- The approval of annual estimates of income and expenditure for the Trust at the beginning of the academic year.
- To authorise income and expenditure in line with the Scheme of Delegation.
- The appointment or dismissal of the CEO, Deputy CEO, Executive Principal, Principal and Finance Director. In the case of Principals representatives of the Local Academy Council may be involved.
- Intervening as appropriate in any Academy at risk of underperformance.
- Determination of the establishment, constitution, membership, proceedings and delegated powers and functions of the Local Academy Council and committees and their annual review and revision.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

Audit and Risk Committee

North East Learning Trust - Trustees

Terms of Reference

- Obtain appropriate external legal and other professional advice to fulfil its responsibility to the Trustees.
- Investigate on behalf of the Trustees anything that threatens or adversely affects the accomplishment of the charity's aims and objectives, its assets, the reliability of all records and information, and its compliance with all relevant laws, regulations, policies, and its governing instruments.
- Obtain, at the company's expense, outside legal or other professional advice on any matter within its terms of reference.

North East Learning Trust – Local Academy Council (LAC)

The levels of delegation are stipulated within the scheme of delegation available on the Trust website.

Where a school/Academy joins the MAT with an existing Interim Executive Board (IEB) this will continue as an Interim Academy Board (IAB). The Trustees and Executive Board will be responsible for determining the members of the IAB. A LAC will be formed at a time determined by the Trustees.

Where an Academy is deemed to be at risk of failing its pupils/students, the Trust will exercise the right to reconstitute the LAC and appoint the majority of its members to ensure that the identified weaknesses can be effectively addressed.

Arrangements for setting pay and remuneration of key management personnel

The Trustees have ultimate authority for setting pay and remuneration for all staff including key management personnel. No Trustee receives any pay or remuneration for discharging their duties as an officer to the company and therefore key management personnel consists of the Chief Executive Officer (CEO), Deputy CEO's, Heads of School and Business Support Services team.

The Trust follows the arrangements for pay and remuneration as set out in the School Teachers' pay and conditions document. This document forms the basis of our whole Trust pay policy which is supported by our performance review and appraisal policy. The scrutiny of setting the pay and remuneration for the key management personnel follows a robust formalised process.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

Related parties and other connected parties and organisations

The Trust does not work in federation with any other organisation. However, informal relationships with local schools, universities, Teaching School Hub alliance schools and businesses exist where these partnerships assist in the achievement of Trust objectives.

The Trust is working in partnership with East Durham College as joint sponsors of the Apollo Schools Trust, a separate entity that does not form part of the North East Learning Trust.

North East Learning Trust Engagement with employees (including disabled persons)

NELT recognises the importance of timely communication with all employees. From a strategic perspective the Executive Board meets on a weekly basis and key information is then communicated via a weekly meeting with all Heads to ensure key information cascades through weekly school briefings. The Executive Board holds a series of sub-group meetings that cover every aspect of business ensuring that strategic plan objectives run through all that we do, and that staff are kept informed about key developments that impact their day-to-day activity. At the end of every term the CEO writes to every member of staff and updates them on progress as well as taking the opportunity to thank them for their hard work during the period.

Full staff briefings take place every half term highlighting new and emerging information and setting the scene for the period. At each school there is a weekly meeting cycle that includes Senior Leadership Team, Heads of Department and most schools issue a weekly bulletin. At a Trust level teaching and learning leads meet to engage with one another and share best practice.

All staff are kept informed of our progress against targets, CPD takes place on a regular basis and feedback is provided on quality and standards. All schools carry out a regular PULSE staff survey which is operated independently by an external agent. The survey allows open and ongoing feedback and communication about a wide range of issues that impact employees.

NELT has a Trade Union recognition agreement and has positive and pro-active relationships with all recognised trade unions. Whilst on a formal basis a termly Joint Consultative Committee (JCC) takes place, chaired by the Director of Human Resources, there is regular more informal contact which allows any issues to be addressed in a timely manner. All human resources policies are consulted upon through the JCC. A comprehensive suite of HR Policies is reviewed on an annual basis to ensure that they remain compliant with all employment legislation.

The Recruitment and Selection policy sets out how the Trust ensures that all activity is in line with the Equality Act and KCSIE and all recruiting panels must have at least one member of staff who has completed Safer Recruitment Training. All vacancies are advertised across the Trust.

Recognising the pressures felt by all staff for a variety of reasons there is a Health and Wellbeing policy which incorporates a Workload Charter which addresses the key issue of workload. A new initiative this year is the introduction of a Wellbeing Day for all staff which encourages staff to take a day for themselves to engage in any activity that makes them feel better. All staff have access to an Employee Assistance Programme which is available 24/7. The programme, also available via an App provides a full range of support for employees and their immediate family, as well as providing a comprehensive list of health and wellbeing activities to help employees with both their physical and mental health. This facility has proved particularly useful during the cost-of-living crisis and the impact this has on families. In addition, a lifestyle benefits scheme has been introduced offering savings across a wide range of everyday services.

Staff with disabilities and underlying health conditions are supported and any member of staff who requires reasonable adjustments to remain in work is treated sensitively and compassionately. Staff are supported both locally and by the Trust's HR & Health & Safety Managers to ensure staff can remain in work.

The HR Team lead on the management of all people matters across the Trust and this enables a fair and consistent approach.

Engagement with supplier, customers and others in a business relationship with the Trust

The Trust continues to develop strong and sustainable relationships with both our preferred and approved suppliers to improve the overall quality of supply and services from our suppliers. This engagement has been maintained throughout the year in the form of communications and letters outlining the trust position on procurement rules, supply, local school information, new initiatives and key changes to policy or systems.

The students are at the centre of our culture and our engagement with children, families and agencies that support the education of our students is at the forefront of our daily operations, to ensure Every child experiences excellence every day. Academies are transparent and continually collaborate with parents and guardians to monitor student progress and feedback which is essential

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

to each school's improvement strategy. The Trustees receive regular reporting on student progress, outcomes and student related strategic initiatives throughout the year. The Trustees closely monitor the metrics and engage with the Executive board to understand performance levels. This is also reflected at the relevant Local Academy Council level.

The Trust recognised the key importance of supplier engagement to aid the procurement process and has continued to invest in systems, and resources utilising frameworks and networking groups to improve procurement management.

The Trust continued to work with suppliers and review procurement procedures to refine and develop supply chains and preferred supplier relationships. To support suppliers, the Trust ensures prompt payment in accordance with agreed payment terms. The Trust has many commercial stakeholders including sporting community groups, hire/lettings customers and North East SCITT customers. During the year new systems for advertising and administering community lettings have been established to further improve access and efficiency. In addition, improvements to safeguarding reporting measure have been communicated to suppliers, contractors and other visitors to school sites to further strengthen safeguarding procedures in line Keeping Children safe in education policy guidance (KCSIE).

As part of the work of the NELT Institute and engagement with Opportunity North East, the Trust remains heavily engaged with school improvement and development throughout the North East and beyond, supporting individuals, MATs and schools, which is key to the further development of educational standards in the region as we deliver our wider responsibilities as system leaders.

Objectives and activities

Objects and aims

The principal objective and activity of the charitable trust is the furtherance of Education in the North East of England, specifically establishing, developing, maintaining and managing its academies, offering broad provision from Early years through to Sixth form. The Trust's object ("the Object") is specifically restricted to the following: to advance for the public benefit education in the United Kingdom, in particular, but without prejudice to the generality of the foregoing by establishing maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum. The Academy Trust shall ensure that the broad and balanced curriculum includes English, Mathematics and Science and shall make provision for the teaching of religious education. The Academy Trust shall ensure that the Trust complies with any guidance issued by the Secretary of State from time to time to ensure that pupils take part in assessments and in teacher assessments of pupils' performance as they apply to maintained schools. In respect of all key stages the Academy Trust will submit the Trust to monitoring and moderation of its assessment arrangements as prescribed by the Secretary of State.

Objectives, strategies and activities

The vision of the North East Learning Trust is that every child experiences excellence every day. The Trust is founded on deeply held principles that every child has the right to an excellent education and all Academies within the Trust are committed to:

- Pursuing excellence
- Encouraging all young people to aim high and make the most of their talents
- Providing an education that enables every young person to achieve their full potential and learn with confidence
- Providing a safe environment where young people are cared for
- Creating a healthy, happy, well-disciplined and supportive environment which promotes an independent work ethic and a love of learning
- Engendering respect for individuality and difference
- Nurturing a sense of social responsibility and spiritual and personal development
- Fostering integrity, resilience, creativity, good manners and sensitivity to the needs of others.

During the year the Trust has further developed seven strategic objectives to unify the Trusts vision and ethos, which clearly defines the trusts overarching strategy, underpinning development and improvement plans at all levels.

One Trust, One Vision

Where every child experiences excellence everyday

The Trustees are responsible for the overall strategy and the Executive board are accountable for the delivery of the seven overarching strategic objectives, which are fully embedded top down, in all strategic and operational planning, providing full clarity of the trust's strategic direction.

Our Trust covers multiple local authority areas, teaches children from ages 2 to 18 and supports schools in extremely difficult and challenging circumstances – each of these aspects brings with them their own unique challenges. Despite these challenges, we continue to see the huge impact of the wide reaching and rapid school improvements that our Trust model brings about. However, we remain clear sighted as to the challenges that lie ahead as we grow.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

Streamlined energy and carbon reporting

UK Greenhouse gas emissions and energy use data	2022/23	2021/22
Energy consumption used to calculate emissions (kWh)	8,811,032	9,155,294
Scope 1 emissions in metric tonnes CO2e		
Gas consumption	1,123.21	1,184.27
Owned transport – mini-buses	95.46	74.24
Total Scope 1	1,218.67	1,258.51
Scope 2 emissions in metric tonnes CO2e		
Purchased electricity	612.34	615.17
Scope 3 emissions in metric tonnes CO2e		
Business travel in employee owned vehicles	21.28	21.28
Total gross emissions in metric tonnes CO2e	1,852.28	1,895.0
Intensity ratio Tonnes CO2e per pupil	0.26	0.26

The Trust have adopted the 2020 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol – Corporate Standard and have used the 2022 UK Government's Conversion Factors for Company Reporting.

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO2e per pupil, the recommended ratio for the sector. During the year robust energy reporting has been introduced to monitor the impacts of energy use in order to control costs and emission. This review has considered all plant, systems and school operating times to ensure sites are managed as effectively as possible. During the year capital investment in alternative ventilation systems has improved energy consumption and removed inefficient systems. The Trust continues to utilise technology to reduce vehicle usage and minimise travel between sites, in addition the Trust continues to operate photovoltaic panels and biomass installations to minimise our carbon footprint where possible. The trust has introduced and continued to champion carbon reduction, climate change initiatives trust wide from both an operational and school centric initiatives.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our Aims and Objectives and in planning our future activities. The Trust has provided a fully comprehensive education to all students in its care. It fully complies with all statutory guidance and seeks to support its wider educational objectives via a strong community role. The Teaching School Hub also contributes to the next generation of teachers, which has created greater opportunity for adults training in the Northeast of England, in addition to the sector research and development for the benefit of all. Our schools continue to support learning in the community by helping parents to provide extra help and improve their child's learning and development.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

STRATEGIC REPORT

The main objectives and performance of the Trust during the year ended 31st August 2023 are summarised in the following table.

Objective	Performance
High Quality and Inclusive Education	<ul style="list-style-type: none"> a) Primaries <ul style="list-style-type: none"> • Maintained a 'Good' grading with Meadowdale Academy • Strong outcomes achieved in 2023 b) Secondaries <ul style="list-style-type: none"> • Outcomes in 2023 at KS4 and KS5 were exceptionally pleasing, we saw significant progress in all of our schools within the Trust. Key indicators across the Trust were above national averages in all key areas and above LA averages within the region. • Continued development and sharing of a world class, evidence based, knowledge rich curriculum.
Assurance and Compliance	<ul style="list-style-type: none"> • Governance and financial management have been strengthened further, through continued professional development and training. • The appointment of Quality Assurance lead.
Resource Management	<ul style="list-style-type: none"> • A culture of well-being is evident throughout NELT for staff and students alike. • Schools and our students have reaped the benefits of our strong covid offer throughout the pandemic and have ensured that barriers have been removed and success achieved. • Further utilisation of DfE procurement framework to minimise exposure to inflationary risk and reduce energy costs.
Governance and leadership	<ul style="list-style-type: none"> • All professionals within the Trust are supported by the NELT Institute to ensure clear career pathways, leadership develop programmes and evidence informed practice. • Establishment of new leadership structures have increased efficiency to day to day operations, creating capacity and supporting further growth opportunities.
Our People	<ul style="list-style-type: none"> • The central services team has continued to develop to meet increasing needs and further improve efficient working practice to support all staff. • Trust level School Improvement teams continue to expand and develop, reflecting the growing size of the Trust.
Strategic Improvement	<ul style="list-style-type: none"> • We have continued to develop our ITT offer to ensure there is a pipeline of high-quality new entrants to the Trust and wider schools' community. • We have continued to utilise our dual roles as a Teaching School Hub and Research School to assist other schools and Trusts on their school improvement journey utilising evidence informed approaches. • The Teaching School, SCITT and Research School continue to impact positively. • The Research School has been reaccredited for a further three years by the EEF. • Continued development of in house bespoke MIS systems and promotion of office 365 application to improve access to information and streamline reporting and data capture processes. • Establishment of analytical tools to support behaviour, progress and staff deployment.
Environment and Facilities	<ul style="list-style-type: none"> • We are continuing to innovate and develop our in-house IT Infrastructure to better meet the needs of schools in a fiscally responsible manner. • Asset capture exercise was commission during the year to further inform future budgets and good estates management. • A full review IT technology, devices and infrastructure has been undertaken to inform the future IT strategy and future lifecycle needs.

Using the collective strength and resources of the Trust and our wider role regionally as a Research School, Teaching School Hub and School centred Initial Teacher Training we will continue to share our evidence-based school improvement skills both inside and outside of the Trust. Building on our successful work with over 400 schools regionally, we will grow our capacity to support others. We will constantly refine our offer in line with the latest research to provide an ever evolving and trusted regional resource for school-led professional learning and development across the Northeast.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

North East SCITT

The SCITT, rated as Outstanding by Ofsted in 2015, continues to be a success. Outcomes remain strong for the 2022/23 cohort. Of the 63 trainees that were recommended for QTS in June 2023, 100% were successfully awarded and passed. Nearly all trainees have also gone on to secure employment despite a very challenging labour market for primary trainees.

NELT is now the designated Associate College for the north for the National Institute of Teaching (NIOT), the DfE national flagship organisation for teacher development. With that, and moving forward for academic year 2023-24, the SCITT has entered a partnership with the NIOT as the awarding body of QTS to NE SCITT trainees. The ITT programme follows a national delivery model, but with regional personalisation opportunities to suit the needs of NE SCITT trainees and the needs of schools in the NE region, which we know so well.

NELT Institute

The role of the Teaching School Hub has been integral to the development and advancement of the Institute. We are currently a delivery partner for both the NIOT and Teach First, delivering the Early Career Framework to 341 Early Career Teachers across the region. The quality of delivery has been very strong, and we have plans in place to secure further strengthen delivery and scale it up in the coming year. The Hub is also offering five of the seven new National Professional Qualifications to schools across the region; we are a delivery partner with both Teach First and NIOT. Recruitment for the NPQs in Senior Leadership, Leading Behaviour and Culture, Leading Teacher Development, Leading Teaching and Leading Literacy has been very positive. We had a total of 101 NPQ participants complete the programmes last year and we have already met our DfE recruitment figures for the academic year.

As a Hub, we will also continue to act as an appropriate body to provide this service to schools in the region and to confirm the fidelity of ECT support and provision in schools. We currently have 224 ECTs who we are working with in this capacity this year, compared to 82 last year. We are a delivery partner with both Teach First and NIOT. In our Teaching School Hub capacity, we now have sole responsibility for acting as Appropriate Body for the Durham region. In addition, we have been successful again in securing the DfE tender for delivering online subject knowledge enhancement courses for a wide variety of subjects. The delivery of these programmes has been particularly successful with 33 participants enrolling on SKE programmes last academic year.

During the year we have recently undergone the Teaching School Hub re-designation process and we await to hear the results from the tendering process.

The Research School has had a busy and successful year, including the development and delivery of a range of programmes. These include the Shine Project entitled 'Fluency for All' which has secured the Trust a £100,000 grant to cover delivery costs. This was successfully trialled at Easington Academy last year before rolling out across the NE to 25 schools over a three year period.

In addition the DfE Early Pipeline Project which comes with a £20,000 grant focuses on cognitive science, specifically KS3 English and poetry based in order to develop teacher cognitive science knowledge and application in the classroom. This project involves working with six schools across the NE and each school receives £3000 remuneration for working with us.

Finally, the Literacy Intervention Project which we have also successfully secured with the DfE with £300,000 delivery costs attached will be spanning across Middlesbrough and Hartlepool with a total of 33 primary schools and five secondary schools involved.

Resource Management

During the year every school has benefited from further investment in facilities and technology utilising DfE School Condition Allocation and Devolved Formula Capital funding ensuring all schools compliance needs, lifecycle and facility/technology enhancements needs are met, to maintain an excellent learning environment for both students and staff.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

Our people

Plans are in place for a NELT in-house leadership development programme including middle and senior leaders and headteachers. This is designed to produce the next generation of NELT leaders and will be written and delivered by existing NELT staff from September 2024.

Achievements and Performance KPI's

Academy	Join Date	Ofsted grade at join date	Latest Ofsted Grade
Ashington Academy (11-18)	12/11/2017	Inadequate	Good
Bedlington Academy (11-18)	01/04/2018	Inadequate	Good
Browney Academy (4-11)	01/03/2014	Good	Good
Diamond Hall Junior Academy (7-11)	01/10/2017	Good	Good
Easington Academy (11-16)	01/03/2017	Good	Good
Sacriston Academy (3-11)	01/09/2017	Inadequate	Good
The Academy at Shotton Hall (11-16)	Lead School	Outstanding	Outstanding
Teesdale Academy (11-18)	01/09/2016	Requires Improvement	Outstanding
Hermitage Academy (11-18)	01/09/2019	Inadequate	Not yet inspected
Rye Hills Academy (11-16)	01/06/2021	Inadequate	Not yet inspected
Meadowdale Academy (2-11)	01/06/2022	Good	Good

100% of our primaries with an Ofsted category following conversion or transfer are now 'good' and of the 7 secondary schools with an Ofsted category following conversion or transfer to the Trust (2022 – 7), there are 5 (2022 - 5) academies that are 'good' or better which equates to 71% (2021 – 71%), with 2 schools not yet inspected since transfer to the Trust. One inspection took place during 2022/23 and Meadowdale Academy retained their 'Good' grade, rated as good in all areas.

Significant development and improvement for all academies has continued and has been the main priority throughout this year. Individual published school performance data and Trust aggregated data (*including schools within the Trust for 3 years or more) is as follows:

KS2 PRIMARY & EARLY YEARS

		Browney	Diamond Hall	Meadowdale	Sacriston	TRUST AVERAGE	NATIONAL

Published data for 2022-23 will contain the results for schools who have been in the Trust for 3 years or more. As such, published data will show a Trust A8 of 50 and a Trust P8 of +0.23.

KS5 SECONDARY

We have four Sixth Forms across the trust at Ashington Academy, Bedlington Academy, Hermitage Academy and Teesdale School. The sixth form provision at Ashington and Bedlington is combined into one sixth form known as Northumberland East Sixth Form Academy (NE6.) All our Sixth Forms are small academic provisions that provide expert classroom teaching and brilliant pastoral support so that our students experience excellence every day.

Nationally, post-16 outcomes dropped significantly this year to bring them back in line with pre-pandemic levels following two years of teacher and centre assessed grades and one year of generous grade boundaries. This summer saw the last cohort of students complete A-Levels who did not sit GCSEs due to the pandemic. As a result of this, no progress scores have been reported nationally this year.

Across NELT, sixth form performance has remained strong with A Level performance close to national and Applied General (AG) performance above national in most schools. Outcomes are forecast to increase in 2023/24 summer examinations.

Destinations are strong across all Sixth Forms with less than 1% of students classed as NEET, whom remain supported by NELT and all of which are expected to secure destinations soon. Increasing numbers of students across NELT are applying to Russell Group universities, some of the most competitive in the country.

**NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023**

Going concern

After making appropriate enquiries the board of trustees has a reasonable expectation that NELT has adequate resource to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing financial statements. Further information regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Medium to long term financial planning remains a concern due to the ongoing strain on budgets into 2023/24 and ongoing uncertainty with global economic conditions affecting inflation and energy markets. The trust is committed to long term planning and ensuring budgets remain sustainable with available resources.

Promoting the success of the company

General confirmation of Trustees and Executive duties

The North East Learning Trust members, trustees and executive board under the regulation of the ESFA and charity commission has a clear framework for determining the matters within its remit and has approved terms of reference within the scheme of delegation. The scheme of delegation establishes clear financial and strategic thresholds which determine delegation to the executive and identify matters requiring board consideration and approval. More information on trust policies and procedures can be found on the Trust website. When making decisions, each trustee ensures that he/she acts in the way he/she considers, in good faith and most likely promote the trusts vision and values and achieve its charitable purpose. Trustees have shown a commitment to the Nolan Principles and sector trust requirements regarding probity, propriety and regularity in signing a role description and in doing so have regard (among other matters) to:

The likely consequences of any decision in the long term

The trustees and executive board understand the sector and local community's we operate in, including the challenges of best supporting children and families with the greatest needs. Based on the trusts deeply held principle that "every child has the right to an excellent education". The strategies set by the board have significantly improved the progress and outcomes of children in the areas of the Northeast in which we operate in. The Trusts year on year improvement in student outcomes has been recognised by the Department for Education and Regional Schools Commissioner with further schools being supported by the Trust and joining the "NELT family of schools."

The financial medium-term plan shows growth in pupil numbers and through effective curriculum planning and financial management decisions, the trust continues to deliver favourable budgets, despite continuing economic uncertainty. All budget areas are under review to ensure the Trust can continue to meet the demands of the sector cost pressures and work to identify efficiency savings through rationalisation of supply vendors, asset improvement, new initiatives and management control are expected to provide levels of reserves that offer both security and opportunity for school improvement.

Below, we outline some of the strategic decisions made by the board over the year, explain how the trustees and executive have engaged with, or in relation to, the different key stakeholder groups and how stakeholder interests were considered over the course of decision-making:

The interests of the company's employees

The trustees and executive board recognise that our employees are fundamental and at the heart of our success and are key achieving our vision. The success of our trust depends on attracting, retaining and motivating employees. From ensuring that we remain a responsible employer, from pay and benefits to our health, safety and workplace environment, the trustees and executive factor the implications of decisions on employees and the wider workforce, where relevant and feasible.

The need to foster the company's business relationships with suppliers, customers and others

Delivering our vision requires strong mutually beneficial relationships with parents/carers, local/central government, community leaders, suppliers, alliance schools and customers.

Moreover, the trustees and executive receive information updates on a variety of topics that indicate and inform how these stakeholders have been engaged. These range from information provided from procurement function (on contract performance, renewal and future planning) to information provided by the head of finance (on creditor payments, due diligence for future sponsorship and re-brokerage).

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

The impact of the company's operations on the community and the environment

This aspect is inherent in our strategic ambitions, most notably on our ambitions to improve the outcomes of students and have a relentless focus on children. As such, the board receives information on all phases in our academies and then specific groups of students (e.g. primary, secondary and post 16 split between sex, deprivation and English as an additional language etc.). The trust board moreover delegates close scrutiny in these area to academy councils who hold local leaders to account playing a key role in the drive for continuous school improvement.

The desirability of the company maintaining a reputation for high standards of business conduct

NELT aims to support children across the north of England and schools nationally in a way that at all times supports the requirements of regularity, probity and propriety. The board continuously reviews and approves clear frameworks, such as expectations for learning policy, remote learning policy, code of conduct, specific ESFA publications and letters, and its modern slavery statements, to ensure that its high standards are maintained both internally and wider. This, complemented by the ways the board is informed and monitors regularity, probity and propriety help assure its decisions it makes and way its acts promotes high standards of business conduct.

The need to act fairly as between members of the company

Members, Trustees and the executive consider which course of action best enables delivery of our strategy through the long-term, taking into consideration at all times the impact on children. In doing so, our trustees and executive act fairly and promote the highest standards of integrity. Members of the Trust receive copies of meeting minutes and all associated papers for them to feel comfortable with the current situation and strategic direction of the Trust Furthermore, members are invited to every Board meeting, typically one Member attends at least three of the meetings within the year.

The board recognises that it has an important role in assessing and monitoring that our desired culture is embedded in the values, attitudes and behaviours we demonstrate, including in our activities and stakeholder relationships. The board has established the Nolan Principles for people in public office as primary to NELT's core values.

Financial Review

During the year ending 31st August 2023 total income of £55,354k (2022: £51,224k) represents an increase in income due to a full year of income from Meadowdale Academy and additional grant income. The majority of the Trust income is obtained from the DFE in the form of recurrent grants, made up of General Annual Grant £42,948k (2022: £40,973k), Other DFE Grants of £7,115k (2022: £5,354k), includes covid related funding of £549k (2022: 373k) and Teaching School grants of £1,255k (2022: £1,288k), the use of which is restricted for particular purposes. Such grants and all associated expenditure are shown as restricted funds in the statement of financial activities for the year ended 31st August 2023.

During the year additional government grants were received, the Mainstream School Allocation Grant (MSAG) of £629k provided much needed funding to meet the increasing pressures of inflation, cost of living and other economic factors.

The increase in the total expenditure to £57,273k (2022: £55,366k) is mainly due to the addition of Meadowdale Academy, in addition to significant increases in pay, inflation on goods and services and the continued global impact on energy costs. The excess of income over expenditure for the year (excluding fixed assets and in year transfers) was £581k, compared to prior year net expenditure (2022: £1,452k). During the year transfers to capital reserves of £1,989k (2022: £171k), has reduced reserves to £6,422k (2022: £7,296k). Available reserves of £6,422k (2022: £7,296k) being restricted reserve of £400k (2022: £1,874k) and unrestricted reserve of £6,022k (2022: £5,422k). The net expenditure including fixed assets and transfers in is £1,919k (2022: £4,142k).

Net current assets are £10,005k (2022: £9,305k), which largely reflects the increase in cash balances held, which remain favourable at £12,339k (2022: £11,448k).

The Trust recognises that the defined benefit pensions scheme deficit represents a significant potential liability. However, the Trust considers that as each individual academy is able to meet its pension contributions for the foreseeable future, the risk from this liability is reduced. The liability does not have an immediate cash flow impact and is linked to future contributions.

**NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023**

The North East Learning Trust

The central trust headquarters continues to develop Trust policy and established process to maximise opportunities for all schools through effective financial management and pursuing new funding opportunities, in addition to improvements to support the integration of future new schools. The Trust commitment to furtherance of education and growth and has resulted in invested in trust wide capacity to ensure growth is underpinned by strategic development ensuring all schools reach their potential in terms of academic performance, excellent facilities and sustainable financial resources.

NELT Institute

During the year the Trust has further developed Research School and Teaching School Hub activity providing additional income of £1,255k (2022: £1,288k) including North East SCITT income, resulting in a surplus of £159k (2022: £151k).

North East SCITT

The SCITT, rated as Outstanding by Ofsted in 2015, continues to be a success and generated additional income of £631k (2022: £648k). ITT recruitment remains a significant risk both locally and nationally, however levels have remained consistent with last year.

The Trust Scheme of delegation and Finance Manual sets out the key financial responsibilities and policies including: delegation of spending, capitalisation limit, purchasing procedures including procurement regulations and systems of internal control. During the year many changes have been made as the Trust continues to develop policies and procedures appropriate for the size and composition of the Trust. All expenditure of the Academy Trust is made in line with this manual as and such, supports the provision of Education of all students on roll.

Financial and risk management objectives and policies

The Trust aims to minimise exposure to fluctuations in the value of financial instruments. A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The exposure to credit risk and bad debts are kept to a minimum as there is a relatively low level of exposure to debtors at any time during the year.

The Trust does, like many other institutions, have an ongoing liability in respect of defined benefit pension schemes relating to some of their employees. More information can be found regarding this in the relevant note to the accounts.

In managing the risk relating to the liability of the defined benefit pension schemes, the Trust includes employer contributions in the budgets and cash flow forecasts at the contribution rate set out at the triennial review of each scheme. Sensitivity analysis is undertaken to estimate any adverse changes in contribution rate.

Reserves policy

Trustees and the executive board review the reserve levels throughout the year based upon monthly and year-end financial reports. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the type of reserves. The Trust intends to invest in further facility additions and further refurbishment schemes and continues to develop a long-term IT and asset replacement strategy. It is clear for most Trust academies that significant IT lifecycle replacement is needed in the next short to medium term and our Victorian buildings need extensive roof replacement.

A long-term pension deficit exists at 31 August 2023 of £1,912k (2022: £5,108k).

The level of free reserves at the year ended 31 August 2023 was £6,422k (2022: £7,296), of which a reserve of £400k (2022: £1,874k) is restricted and £6,022k (2022: £5,422k) is unrestricted. These are funds which are available for furtherance of the educational charitable objectives. Fixed asset reserves of £94,758k (2022: £95,325) include £3,458k unspent reserves representing transfer to capital ringfenced for capital lifecycle plans.

The Trust target minimum reserves are 8% of total forecast annual income (excluding capital and transfers), current reserves are 12% (2022: 14%) which includes contingency to support inflation uncertainty, Trust development, new school transfers and lifecycle refresh of assets and facilities. Individual academies are expected to produce at least a break even budget each year with a surplus of 2% of GAG income targeted.

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

Investment policy

The investment policy aims to manage cash balances to provide daily working capital requirements. In addition, the Trust aims to invest surplus cash funds to optimise returns, while ensuring the investment instruments are such that there is no risk to the loss of these cash funds, taking a risk averse approach. No cash deposits existed at the year end, however following the rapid growth of schools joining the trust and a degree of uncertainty regarding their budgets and available reserves following transfer, combined with long-term capital income pressures there is an expectation that reserves will be invested in asset condition and lifecycle during 2023/24 and any remaining funds will be invested in line with the Trust articles.

Principal risks and uncertainties

The principal risks and uncertainties continue to arise from the rapid pace of change in the educational landscapes and the development of the Academies framework. In curricular terms we have adopted a working brief and are ensuring we respond quickly and flexibly. The most significant areas of concern arise from ongoing national changes to school funding as all schools are unclear as to how government funding will meet current and future inflationary pressures.

The Trusts growth strategy requires an ongoing commitment to capacity and efficiency to ensure successful growth delivers economy and improved performance to all Trust schools. The Trust continues to seek DfE capacity funding to support future development as well as continually reviewing budgets and value for money for the benefit of all schools. External grant funding opportunities are actively sourced to support all Trust schools, particularly for Trust Schools that at the point of transfer had financial difficulties, to help financial recovery. The medium-term plan continues to identify areas of financial risk for which there are robust plans in action to remedy the overall trust financial position.

The Trust has produced a risk register in order to formally identify the major risks to which the Trust is exposed. A number of systems to assess risks that the school faces, especially in operational areas (e.g. in relation to teaching, health and safety, bullying and educational visits) have already been introduced and furthermore, appropriate arrangements (e.g. a regular and thorough lesson observation programme; safer recruitment; vetting of visitors and staff supervision procedures) are firmly in place to minimise risk. This includes an effective system of internal financial controls. Where significant financial risk remains, adequate insurance cover is in place.

The ongoing uncertainty regarding school operation during the current cost of living and economic crisis has demanded constant re-assessment of risk, business continuity procedures, training and how school resources are effectively invested. The Trust remains diligent and committed to ensure our schools remain a safe environment for staff and children, whilst we continue to invest in condition assessments to improve facilities in accordance with the good estates management (GEM) guidance. The Trust commissioned RAAC surveys in 2022 and although there were no identified risks, the Trust remains diligent for all building condition matters given the ageing estate inherited through school transfers.

ITT recruitment of the next generation of teachers remains a risk due to the national shortage of new teachers to the profession, the Trust is committed to working with its partners to increase the profile of ITT and ensure future recruitment is maximised, through the continued delivery of skills, knowledge, and experience programme (SKE).

Fundraising

The academy trust carries out a limited amount of fundraising, mindful of the communities within which it operates. In the circumstances when fundraising is undertaken, systems and controls are in place to separate and protect funds. The trust is mindful of its responsibilities under the Charities (Protection and Social Investment) Act 2016 and legal rules, and ensures all activities are agreed and monitored at Senior Leadership Team level in compliance with relevant legal rules. Recognised standards are applied to ensure that fundraising is open, honest and respectful, protecting the public from undue pressure to donate. Complaints are handled and monitored through the Trust's complaints procedure. The Trust does not utilise the services of a professional fundraiser.

Funds Held as Custodian Trustee on Behalf of Others

There are no funds held as Custodian Trustee on behalf of others.

Plans for Future Periods

The Trust is committed to the furtherance of our wider school improvement work, bringing all school improvement elements together including ITT, Research School, National Teaching Schools and a wide network of senior national leaders of education to offer high quality professional development and school improvement to all of the schools we work with, inside and outside of the Trust.

The Trust is committed to the continual improvement of teaching and learning raising standards in conjunction with DfE and the Ofsted framework, but ultimately is focused on the high-quality provision and best possible outcomes for our children. Continual

NORTH EAST LEARNING TRUST
TRUSTEES' REPORT
Year ended 31 August 2023

improvement and innovation of working practices to support efficient workings practices for the benefit of both teaching and nonteaching, promoting wellbeing and embracing new ideas.

Delivery of all seven strategic aims and objectives and commitment to continual improvement across all schools and strategic areas.

The Trust is focused on the emerging risks affecting long term sustainability, due to the current economic crisis. Maintaining approved reserve levels and ensuring all opportunities for smarter working and efficiency savings are reviewed to ensure the Trust remains competitive and capable of meeting the needs of our staff and students.

The Trustees are committed to the growth strategy and are focused on the development of best practice within all Trust schools, for the benefit of the wider trust. The Trustees are committed to raising the profile and standards of all Trust schools in order to increase pupil numbers and improve learning outcomes. The Trust is in discussion with potential new schools to join the NELT family of schools and continues to work with DfE and other schools for future Trust growth opportunities.

Looking forward, we are clear that our growth strategy means that we have to continually review and renew the way we operate to ensure we retain a laser like focus on our children and the outcomes and opportunities they deserve at every stage of their school lives. Ensuring they can progress successfully to the next phase of their lives fulfilling their potential as well as aspiring to good jobs that will support themselves and their families in the future is something we work to deliver for all of our children and young people.

Employee Consultation and Disabled Employees

The Trust is committed to supporting and promoting equality and diversity in all its practices and activities. We aim to establish a culture that is free from discrimination and based upon the values of dignity, courtesy, and respect. The Trust recognises the rights of all who work or learn in its' academies to be treated in accordance with these values.

We do not tolerate harassment of any kind.

Through our policies and working practices we aim to ensure that all staff are welcome within our community and do not face discrimination about any aspect of their identity.

The Trust considers all applications from disabled persons and guarantees an interview if essential criteria are met. Where an existing employee discloses a disability, reasonable adjustments will always be explored to ensure that employment within the Trust can continue.

The Trust's policy is to provide training and career development opportunities, when required to meet the needs of all employees.

The Trust works with employee trade unions and professional associations across all of its academies and engages in consultation, as required, to ensure that any aspect impacting employees, including financial and economic factors, are discussed, conveyed and consulted upon in a timely manner.

Auditors

Trustees will undertake a tender for external audit services for 2023/24.

Statement as to disclosure of information to auditors

The Trustees have confirmed that, as far as they are aware, there is no relevant information of which the auditors are unaware. Each of the Trustees have confirmed that they have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

The Trustees' report is approved by order of the board of trustees and the strategic report (included therein) is approved by the board of trustees in their capacity as the directors at a meeting on 19th December 2023 and is signed on its behalf by:

Maggie Saxton
Chair

**NORTH EAST LEARNING TRUST
GOVERNANCE STATEMENT
Year ended 31 August 2023**

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that the North East Learning Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can only provide reasonable not absolute assurance against material misstatement or loss. As Trustees, we have reviewed and taken account of the guidance in the DFE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated day-to-day responsibility to the Chief Executive Officer (CEO), as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between the North East Learning Trust and the Secretary of State for Education. The CEO as the Accounting Officer is also responsible for reporting to the Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees responsibilities. The Trustees have formally met 6 out of 6 planned times during the year, the Audit and Risk committee met twice, and Local Academy Councils (LAC) met three times to ensure planning, support and oversight was carried out at a local school level. The Board of Trustees have exercised effective oversight throughout the year and maintained regular engagement with the Executive Board and LAC utilising information shared on Governors' HUB, LAC minutes and specific updates throughout the year. The Trustees have utilised information from the Schools Financial Benchmarking website to compare spending with other schools which enabled Trustees to consider their comparative performance and identify areas to improve efficiency. Trustees have completed a self-evaluation questionnaire and attended governance improvement sessions, to identify training needs and areas of improvement. Attendance during the year at meetings of the Trustees was as follows:

Governor	Meetings Attended	Out of a Possible
Mrs L Powell	6	6
Mrs M Saxton	6	6
Mrs S McDonnell	3	6
Mr D Gibson	0	1
Mrs S Mason	3	6
Mrs A Moon	6	6
Major J Bartlett	5	6
Mrs S Duncan	4	6
Mrs J Cook	5	6
Mr B Stepheson	3	3

Trustees also participate in activities across the Trust including academy visits, dealing with appeals and complaints in line with Trust policy. Trustees undertake lead governance roles covering, safeguarding, primary curriculum, secondary curriculum, attendance, etc...

All Trustees complete a declaration of interest form at the beginning of each academic year and are asked to declare any interests or conflicts of interest before the start of each meeting.

Governance review

The governance manager continually reviews policy updates, governance structure and scheme of delegation, to confirm that they are 'fit for purpose'. The Trust has reviewed the website compliance assessment undertaken by the Executive board as part the annual independent governance checks during the year.

During the year the Trust continued to develop governance to establish any improvement to further embed good practice consistently throughout the Trust. The ongoing development of LAC's continues ensuring they undertake their responsibilities for the review of academy performance as defined by the scheme of delegation. Trustees are kept well apprised of school performance and review by LACs at committee meetings. Trustees are mindful of the need to increase leadership and support functions in line with Trust growth and are satisfied that appropriate action has been taken to minimise areas of risk and build on resource and expertise in key areas to facilitate Trust development. Trustees have received timely information regarding the development and progress at all schools, with particular scrutiny of new schools and the challenges they face in the early phase of joining the Trust. As well as receiving information from the CEO and Deputy CEO, a programme of presentations is delivered at Trustee meetings to provide progress updates of specific Academy performance and improvement. Trustees are confident that future financial forecasts are strong which will allow the Executive Board to implement improvement plans that will aim to increase student numbers and academic results for students.

**NORTH EAST LEARNING TRUST
GOVERNANCE STATEMENT
Year ended 31 August 2023**

During the year Trustees have been engaged in a risk questionnaire to support the implementation of a new risk management software system, which help disseminate and maintain the risk control framework across the trust. Trustees, headteachers and trust central staff undertook a MAT assurance questionnaire. This led to the completion of a Trust self-evaluation document written against the DfE's Trust quality descriptors. This in turn has informed our strategic plan for continual growth and excellence. In addition Trustees will commission an independent governance review with the Trust internal scrutineer, to further appraise the boards effectiveness.

Audit and Risk Committee

The Audit and Risk committee is made up of 4 trustees and one member and is authorised to:

- obtain appropriate external legal and other professional advice to fulfil its responsibility to the Trustees.
- investigate on behalf of the Trustees anything that threatens or adversely affects the accomplishment of the charity's aims and objectives, its assets, the reliability of all records and information, and its compliance with all relevant laws, regulations, policies, and its governing instruments.
- obtain, at the company's expense, outside legal or other professional advice on any matter within its terms of reference.

Attendance during the year at meetings of the Trustees was as follows:

Governor	Meetings Attended	Out of a Possible
Mrs L Powell	0	2
Mrs M Saxton	2	2
Mrs S McDonnell	1	2
Mrs Barbara Waugh	1	2
Mrs S Mason	1	2
Major J Bartlett	2	2

All members, trustees and staff are directed to co-operate with any request made by the Audit and Risk Committee. A new internal scrutineer has been appointed following a recent tender award process, the revised audit programme has been agreed and the report The Committee also reviewed and agreed the terms of reference as follows:

Financial Reporting

- To review and where necessary to challenge the actions and judgements of Trust and Academy governance and management in relation to financial reporting, accounting policies, budgets, unusual transactions, disclosures, audit adjustments and statutory compliance.

Internal Control and Risk Management

- To advise the Trust Board and Accounting Officer on the adequacy of and effectiveness of controls.
- To monitor and review the integrity of the Trust's internal financial controls, including procedures to detect and prevent fraud and impropriety and those to identify, assess and manage risk.

Including:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by Executive Board and Trustees.
- review of financial performance reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes.
- setting targets to measure financial and other performance.
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties.
- identification and management of risks.
- Review and update of Finance policy and operational guides
- Review of risk register and determine areas of risk to consider in addition to that of the Executive board.

NORTH EAST LEARNING TRUST
GOVERNANCE STATEMENT
Year ended 31 August 2023

Internal Audit

- To decide how the Trust, obtain assurance that robust systems of internal controls and sound management are in place, through use of:
 - Internal Audit from central Finance on individual schools
 - Internal Audit service provided by (audit firm)
 - Independent reviews by suitably qualified providers
- To monitor and review all internal audit reports and management responses to any audit issues raised.
- To assess the effectiveness of the audit cycle at the end of it cycle.

External Audit

- To recommend the appointment, re-appointment or removal of external auditor and oversee the Trust's relations with them; to approve the terms of engagement and fee.
- To discuss with the external auditor, before the audit commences. The nature and scope of the audit
- To review with the external auditor, the findings of their work, including any major issues arising and their resolution, key accounting judgements and level of errors identified during the audit.
- To assess the effectiveness of the audit cycle at the end of it cycle.
- To oversee the Trust's need for impartiality by the external auditor with reference to their non-audit services, to ensure objectivity is not impaired through their delivery.

Review of value for Money

As accounting officer, the chief executive officer has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

Further standardisation through effective establishment of curriculum subject directors, embedding best practice as a Trust Must, has removed duplication of effort, improved efficiency and reduced.

Value for money in the current climate has been challenging due to inflation impacting all commodities and supplies, however despite this pressure the trustees are satisfied local management of resources and project delivery has realised effective decision making to achieve deliverables and significant improvements to school facilities. During the year significant time has been allocated to procurement and management of energy, paper supply and catering supplies.

Further standardisation of Trust academy contracts for supplies and services to limit the number suppliers to provide a Trust catalogue of approved items, which allows more effective management of supply chains maximising value for money. The central Finance function negotiates contracts on behalf of the Trust enabling us to secure greater value for money through the increased purchasing power and reduced administration at local academies.

Capacity investment in resources has helped support continued management of effective operations and innovation, through succession planning and development of staff, providing estates resource, management of administration, executive board growth, quality assurance, IT restructure and IT solutions development. This investment is an enabler for continued development of operations, improved assurance and innovation. IT solutions development is dramatically improving report administration time and quality of information for Trustees, Executive board and the wider staff population for monitoring attendance, behaviour, performance and other data analytics.

Procurement of new systems including IT servers and HR/payroll systems have provided value for money through successful tender and successful implantation due to be complete spring 2024, will realise significant efficiencies trust wide, reducing administration, improving control checks and in respect of current problematic servers, new replacement will avoid significant disruption costs.

The Trust continues to use both national (Crown Commercial Services) and local authority frameworks for the procurement of IT equipment and licensing and multi-function print devices. It is anticipated that we will see significant savings utilising new CCS frameworks for utilities, agency staff and recruitment costs over the next year.

**NORTH EAST LEARNING TRUST
GOVERNANCE STATEMENT
Year ended 31 August 2023**

Development and delivery of central services continues to support and allow schools to concentrate on local school activity, with understanding all insurances, compliance subscriptions and policy matters are complied with in addition to sourcing and maximising value for money through economies of scale. The Trust is committed to the continual improvement of teaching and learning raising standards in conjunction with DfE and the Ofsted framework, but ultimately is focused on the best possible provision and outcomes for our children.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of North East Learning Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in North East Learning Trust for the year ended 31 August 2023 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Trustees review the key risks of North East Learning Trust on an on-going basis to minimise any potential risk together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Trustees are aware of the view that there is a formal on-going process for identifying, evaluating and managing North East Learning Trust significant risks that has been in place for the year ending 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Trustees.

Managing Conflicts of Interest

Annually all members and trustees formally declare any interests, which is maintained and shared on the Trust website. Any matters or relationships that give rise to any actual or perceived conflicts of interest are reviewed, discussed and managed/approved by the board. Operationally conflicts are avoided through best practice and control measures, such as new supplier forms that seek to identify any potential conflicts or related parties.

The risk and control framework

North East Learning Trust system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Local Academy Council
- regular reviews by the Finance and Premises committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties
- identification and management of risks

The Trustees have considered the need for a specific internal audit function and following a tender exercise has appointed Veritau to provide separate assurance engagements to complete a range of checks on the Academy Trust's financial systems. Internal assurance reports will be reported to the Trustees on the operation of the systems of control and on the discharge of the Trust's financial responsibilities.

The audit committee commissioned two audit engagements during the year with the Trusts appointed internal scrutiny provider covering key financial controls and payroll. The outcome of the internal audits provided for the 2022/23 academic year are below:

Key financial controls – There is a generally sound system of governance, risk management and control in place which provides reasonable assurance that internal controls are operating effectively. Two low risk and two medium risk recommendations were raised, with moderate remedial action required, these have been addressed by management.

Payroll - A sound system of governance, risk management and control exist providing substantial assurance that internal controls are operating effectively and being consistently applied to support the achievement of objectives in the area audited. One low-risk remedial action was recommended and has been addressed by management.

NORTH EAST LEARNING TRUST
GOVERNANCE STATEMENT
Year ended 31 August 2023

The Annual internal scrutiny report reported to the board of trustees, through the audit committee on the operation of the systems of control and on the discharge of the board of trustee's financial responsibilities. The report rates the level of internal assurance for each internal audit undertaken.

Review of effectiveness

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- The work of the internal reviewer
- The work of the external auditor
- The financial management and governance self-assessment process
- The work of the Head of Finance within the Academy Trust who has responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Premises Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place. Approved by order of the members of the Trustees on 19th December 2023 and signed on its behalf by:

Maggie Saxton

Lesley Powell
Accounting Officer

NORTH EAST LEARNING TRUST
STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE
Year ended 31 August 2023

As accounting officer of North East Learning Trust I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency ('ESFA') of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academy Trust Handbook 2022.

I confirm that no instances of material, irregular, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Mrs Lesley Powell
Accounting officer

NORTH EAST LEARNING TRUST
STATEMENT OF TRUSTEES' RESPONSIBILITIES
Year ended 31 August 2023

The trustees (who act as trustees for charitable activities of North East Learning Trust and are also the directors of the Charitable Company for the purposes of company law) are responsible for preparing the Trustees' Report (including the Strategic Report) and the financial statements in accordance with the Academies Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charitable Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and Academies Accounts Direction 2022-23;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charitable Company's transactions and disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the Charitable Company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board on 19th December 2023 and signed on its behalf by:

Maggie Saxton
Chair

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
NORTH EAST LEARNING TRUST
Year ended 31 August 2023**

Opinion

We have audited the financial statements of North East Learning Trust (the "charitable company") for the year ended 31 August 2023 which comprise Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice), and the Academies Accounts Direction issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Academies Accounts Direction issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
NORTH EAST LEARNING TRUST
Year ended 31 August 2023**

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report and the Strategic Report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report or the Strategic Report included within the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' responsibilities, the trustees (who act as trustees for the charitable activities of the charitable company are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
NORTH EAST LEARNING TRUST
Year ended 31 August 2023**

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory framework that the charitable company operates in and how the charitable company is complying with the legal and regulatory framework;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, Charities SORP (FRS 102), Companies Act 2006, Education and Skills Funding Agency's Academy Trust Handbook and Academies Accounts Direction. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing the financial statements including the Trustees' Report.

The most significant laws and regulations that have an indirect impact on the financial statements are those in relation to the Education Inspection Framework under the Education Act 2005 (as amended), Keeping Children Safe in Education under the Education Act 2002, the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018. We performed audit procedures to inquire of management and those charged with governance whether the charitable company is in compliance with these law and regulations and inspected correspondence with regulatory authorities.

The audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments, evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business, and challenging judgments and estimates.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

1 STATEMENT OF ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

General Information

North East Learning Trust is a Charitable Company (the 'Academy Trust'). The address of the Trust's principal place of business is set out in the 'Company Information' pages. The nature of the Academy Trust's operations set out in the Trustees' Report.

Basis of Preparation

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

North East Learning Trust meets the definition of a public benefit entity under FRS 102 and has therefore applied the relevant public benefit requirements of FRS 102. The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been applied consistently applied, in dealing with items which are considered material in relation to the financial statements, to all the years presented, unless otherwise stated.

The financial statements are presented in sterling which is also the functional currency of the Academy Trust.

Monetary amounts in these financial statements are rounded to the nearest £1,000 except where otherwise indicated.

Going Concern

After reviewing financial and other information available, the trustees consider that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment, using cash flow forecasts that have been prepared in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Incoming resources

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

Capital grants are recognised in full and there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement when performance conditions are met and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Other income

Other income including hire of facilities is recognised in the period it is receivable and to the extent the goods have been provided or the completion of the service.

Transfer on conversion

Where assets and liabilities are received by the academy trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the academy trust. An equal amount of income is recognised as transfer on conversion within Donations and capital grant income to the net assets received.

Transfer of existing academies into the trust

The transfer of 1 school into the academy trust, involved the transfer of identifiable assets and liabilities and the operation of the school for £nil consideration. The substance of the transfer is that of a gift and it has been accounted for on that basis as set out below:

Net assets are received on the transfer of an existing academy into the trust, the transferred net assets are measured at fair value and recognised in the balance sheet in the appropriate categories, at the point when the risks and rewards of ownership pass to the trust, which is on signing of the transfer agreement with the transferring trust. An equal amount of income is recognised as a net gain in the financial activities for the Transfer of an existing academy into the trust within Donations and capital grant income. The amounts are recognised and analysed under unrestricted funds, restricted general funds and restricted fixed asset funds.

Interest receivable

Interest receivable is included in the Statement of Financial Activities on a receivable basis, and is stated inclusive of related tax credits.

Expenditure

All expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings, they have been allocated to each activity cost category on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Expenditure on raising funds includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities are costs incurred on the Academy Trust's educational operations and teaching schools, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Governors.

Restricted General funds are resources subject to specific restrictions imposed by funders or donors and include grants from the ESFA/DfE.

Restricted Fixed Assets Funds are resources which are to be applied to specific capital purposes imposed by the ESFA, where the asset acquired or created is held for a specific purpose.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

Building Schools for the Future

The Trust occupies a building (The Academy at Shotton Hall) which was procured by Durham Local Authority under the BSF programme as a Private Finance Initiative (PFI) project. The Academy pays revenue contributions in respect of Facilities Management. The BSF contract will expire in 2036. The Academy does not have any rights or obligations of ownership in respect of these assets, and therefore they are not included on the Trust's balance sheet. The revenue payment for service costs is recognised in the SOFA.

When the Trust procures and pays for additional furniture or equipment, or changes to the building, the costs are capitalised and depreciated in accordance with the Tangible Fixed Asset policy below.

Property subject to a Private Finance Initiative (PFI) arrangement

The Trust occupies a building (Bedlington Academy) which was procured under the ESFA PF2 programme which includes Land and Buildings of £15.4m which are maintained by a third party under a PFI agreement. The Trust has entered into a 25-year agreement with ESFA. Due to the nature of the asset and the terms of the agreement, the Trust has the rights and obligations which in substance give the Trust the right to use the asset. As such the trust recognises the building on the balance sheet at its fair value. Under the agreement there is no obligation to make a capital contribution in respect of the property.

Intangible Fixed Assets

Intangible assets costing £5,000 or more are capitalised and recognised when future economic benefits are probable, and the cost or value of the asset can be measured reliably. Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment.

Amortisation is provided on intangible fixed assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

- Purchased computer software 5 years

Tangible fixed assets

Tangible fixed assets costing £5,000 or more are capitalised at cost and are carried at cost, net of depreciation and any provision for impairment. Subsequent costs are capitalised only when it is probable that such costs will generate future economic benefit. All other costs of repair and maintenance are charged to the statement of financial activities as incurred.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where the related grants require the asset to be held for a specific purpose, they are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet, with this amount being reduced over the useful economic life of the related asset on a basis consistent with the depreciation policy.

Depreciation is provided on all tangible fixed assets other than freehold land, on a straight-line basis over its expected useful life dependant on the type of asset.

- Freehold buildings & Leasehold improvements 10 years – 50 years
- Leasehold buildings 25 years
- Fixtures, fittings and equipment 7 years
- ICT Hardware 5 years
- Motor vehicles 5 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Stock

Exercise books are valued at the lower of cost or net realisable value.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Operating leases

Rentals under operating leases are charged on a straight-line basis over the lease term.

Financial Instruments

The Academy Trust has chosen to adopt Sections 11 and 12 of FRS 102 in full in respect of financial instruments.

Financial assets and liabilities

Financial assets and financial liabilities are recognised when the Academy Trust becomes a party to the contractual provisions of the instrument.

Financial liabilities are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets measured at fair value through the profit or loss, which are initially measure at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. A financial asset or financial liability that is payable or receivable in one year is measured at the undiscounted amount expected to be received or paid net of impairment, unless it is a financing transaction.

Financial assets and financial liabilities are offset only when there is a current legally enforceable right to set off the recognised amounts and the intention to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

Derecognition of financial assets and liabilities

A financial asset is derecognised only when the contractual rights to cash flows expire or are settled, or substantially all the risks and rewards of ownership are transferred to another party, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party. A financial liability (or part thereof) is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Pensions benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS') which are multi-employer defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a projected unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently there is insufficient information to use defined benefit accounting, it is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

The LGPS is a funded scheme, and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected credit unit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised as other comprehensive income.

Actuarial gains and losses are recognised immediately as other comprehensive income. The LGPS assets are managed by the scheme trustees at scheme level, and the determination / allocation of assets to each individual employer in the scheme is managed by the scheme actuary. The assets are allocated to each employer for accounting purposes based on the valuation of the assets at the latest triennial valuation as adjusted for subsequent contributions received from the employer, asset returns and benefit payments made (either on a cash basis or actuarial basis).

The retirement benefit obligation recognised represents the deficit or surplus in the defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

Agency arrangements

The Academy Trust acts as an agent in distributing North East SCITT bursary funds from the Education Skills Funding Agency. Bursaries received from the Department for Education and subsequent disbursements to trainee teachers are excluded from the Statement of Financial Activities as the trust does not have control over the charitable application of the funds. The funds received and paid, and any balances held are disclosed in note 28.

The Academy Trust acts as an agent in distributing 16-19 bursary funds from the ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the Trust does not have control over the charitable application of the funds. The Trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit obligation depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 27, will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions obligation at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension obligation. Determining the existence of a minimum funding requirement for the Local Government Pension Scheme to be included in the asset ceiling in measuring and recognising a surplus in the scheme. This judgement is based on an assessment of the nature of the scheme as a statutory scheme and its inherent implied continuance as well as the operation of the primary and secondary contributions.

Depreciation - Depreciation is calculated so as to write off the cost of an asset, less its residual value, over the economic life of that asset. An estimate of the useful life of assets is detailed in the depreciation accounting policy. The value of depreciation charge during the year was £4,413k.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

Critical areas of judgement:

Land and buildings - certain Land and buildings are held under a 125-year lease from various Councils. These assets are included on the balance sheet of the Trust due to the significant risks and rewards of ownership belonging to the academy, the lease term being the major part of the economic life of the assets and the assets being of such a specialised nature that only the Trust could use them without major modification.

PFI arrangements

Management are required to make a judgement as to the appropriate accounting treatment and presentation of properties subject to PFI. They do this on a case-by-case basis with reference to the specific contracts in place.

The considerations include:

- Right to access/restrictions of use
- Risks of ownership
- Rewards of ownership
- Substance of transaction
- Any obligation to make capital contributions

FOR THE YEAR ENDED 31 AUGUST 2023**

b) Non statutory/non-contractual staff severance payments

The academy trust paid 33 severance payments in the year, disclosed in the following bands:

	2023
	No.
£0 - £25,000	30
£25,001 - £50,000	3
£50,001 - £100,000	-

Included in staff restructuring costs are special severance payments totalling £93k (2022: £330k).

Individually the payments were £4,715, £5,993, £6,370, £11,694, £13,163, £21,555, and £30,000.

No specific funding was received or receivable to support the restructuring payments in respect of the current or prior year.

c) Staff numbers

The average number of persons (including senior management team) employed by the Academy Trust during the year ended 31 August 2023 was as follows:

	2023	2022
	No.	No.
Teachers	467	463
Administration and support	529	539
Management	29	26
	<u>1,025</u>	<u>1,028</u>

d) Higher paid staff

The number of employees whose annual emoluments (excluding pension contributions) fell within the following bands was:

	2023	2022
	No.	No.
£60,001 - £70,000	29	19
£70,001 - £80,000	12	12
£80,001 - £90,000	8	-
£90,001 - £100,000	2	1

£150,001 - £160,000	-	-
£160,001 - £170,000	-	-
£170,001 - £180,000	-	1
£180,001 - £190,000	-	-
£190,001 - £200,000	1	-

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

e) Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 3. The total amount of employee benefits (including employer pension contributions and employer National Insurance contributions) received by key management personnel for their services to the academy trust was £861,690 (2022: £736,849).

10 CENTRAL SERVICES

The academy trust has provided the following central services to its academies during the year:

- Human Resources
- Financial Services
- Legal Services
- Education Support Services
- Marketing
- Estates and Health and Safety Management

The trust charges for these services on a combination of direct apportioned time and residual values are on a per pupil number basis.

The actual amounts charged during the year were as follows:

	£'000	Total 2023 £'000	£'000	Total 2022 £'000
The Academy at Shotton Hall – Academy only	598		463

		<u>3,430</u>		<u>3,008</u>

11 TRUSTEES' REMUNERATION AND EXPENSES

The Chief Executive Officer (CEO) only receives remuneration in respect of services they provide undertaking the role of CEO and Accounting Officer, under their contract of employment and not in respect of their service as Trustee. Other Trustees' do not receive any payments from the Academy Trust in respect of their role as Trustee, other than expenses. The value of Trustees' remuneration paid to the Chief Executive Officer was £198,433 (2022: £174,208) and pension contributions paid in the year was £30,609 (2022: £41,252). The CEO is no longer a member of the Teachers' Pension Scheme, and the Academy Trust no longer pays employer pension contributions on behalf of the CEO.

During the year ended 31 August 2023 the trustees were reimbursed expenses relating to travel and subsistence expenses of £0 (2021: £0).

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

Related party transactions involving the trustees are set out in note 24.

12 TRUSTEES' AND OFFICERS' INSURANCE

In accordance with normal commercial practice the Academy Trust has purchased insurance to protect governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business. The insurance provides cover up to £5,000,000 on any one claim and the cost of this insurance is included in the total insurance cost.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

19 FUNDS (continued)

The specific purposes for which the funds carried forward are to be applied are as follows:

General Annual Grant must be used for the normal running costs of the Academy and the intention is to utilise remaining GAG for planned capital projects.

Restricted fixed asset funds represent the valuation of all Trust schools (excluding The Academy at Shotton Hall as PFI school) land and buildings as at the transfer date less accumulated depreciation. In addition during the year revenue reserve transfers to restricted fixed assets of £1,989k have been set aside for future anticipated capital expenditure.

Analysis of academies by fund balance

Fund Balance as at 31 August 2023 were allocated as follows:

	2023	2022
	£'000	£'000
The Academy at Shotton Hall	2,201	2,572
Teaching school	456	311
Shotton Hall SCITT	282	269
	<u>2,939</u>	<u>3,152</u>
Browney Primary Academy	115	57
Teesdale Academy	(567)	(299)
Easington Academy	748	1,030
Sacriston Academy	261	194
Diamond Hall Junior Academy	431	331
Ashington Academy	1,771	1,806
Bedlington Academy	4	(160)
Rye Hills Academy	(185)	(73)
Hermitage Academy	788	1,115
Meadowdale Academy	3	137
North East Learning Trust (central services)	114	6
Total before fixed assets and pension reserve	<u>6,422</u>	<u>7,296</u>
Restricted fixed asset fund	94,758	95,325
Pension reserve	<u>(1,912)</u>	<u>(5,108)</u>
Total	<u>99,268</u>	<u>97,513</u>

Schools in deficit, remain in financial recovery simply due to financial position inherited at the point of transfer. Teesdale Academy achieved Outstanding status post transfer, educational outcomes continue to improve, supported by consistent student number growth, however the school accommodation requires significant investment to improve and maintain school buildings and facilities. Rye Hills academy transferred to the Trust on 1 June 2021 and is showing signs of recovery through improved performance, student number growth and effective financial management.

Contracted for but not provided for in the financial statements	923	257

22 FINANCIAL COMMITMENTS

At 31 August the Academy Trust had annual financial commitments as follows:

	2023 £'000	2022 £'000	2023 £'000	2022 £'000
	Other	Other	Land & building	Land & building
Expiring within one year	92	92	591	504
Expiring within two and five years inclusive	368	368	1,986	1,937
Expiring in over five years	1,294	1,386	4,461	4,976
	1,754	1,846	7,038	7,417

One contract expires in 2036 and the other 2041.

The above is in relation to maintenance agreements (at Bedlington) and capital contributions in respect of the Shotton Hall property.

23 ULTIMATE CONTROLLING PARTY

The Academy is a charitable company limited by guarantee, has no share capital and is controlled by its members.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

24 RELATED PARTY TRANSACTIONS

During the year the Trust entered into transactions with Apollo Schools Trust. All transactions involving this organisation are conducted in accordance with the requirements of the AFH, and with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions. The following related party transactions took place in the financial period.

Apollo Schools Trust – a company in which North East Learning Trust is a sponsor and shares a common Chair:

Income related party transactions

During the year the Trust provided finance support to Apollo Schools Trust. The value of the transaction was £11k (2022: £11k).

Expenditure related party transactions

Apollo Schools Trust have provided specialist social, emotional and mental health (SEMH) alternative provision education, for a number of students, where educational needs are specifically tailored to support student wellbeing and outcomes. The total value of the transactions was £179k (2022: £170k). All charges were at cost charged under a service level agreement. At the year end the amount due from Apollo Schools Trust was £1k (2022: £11k).

In entering the transaction, the Academy Trust has complied with the requirements of the Academies Trust Handbook.

27 PENSIONS AND SIMILAR OBLIGATIONS

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Durham County Pension Fund (on behalf of the following Trust Academies Browney, Easington, Sacriston, Shotton Hall, Teesdale and Hermitage), Tyne and Wear Pension Fund (on behalf of the following Trust Academies Ashington, Bedlington, Meadowdale and Diamond Hall), Teesside Pension Fund (on behalf of Rye Hills Academy). Both principal pension schemes are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period 31 March 2020 and of the LGPS 31 March 2022.

There were no outstanding or prepaid contributions at the end of the financial period.

The LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the transfer in from another academy trust who were already members of the scheme and new employees who were eligible to and did join the Scheme whose cumulative retirement benefit was transferred to the Academy Trust in the year. The obligation in respect of employees who transferred represents their cumulative service to the date of transfer.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt-out of the TPS following enrolment. The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out below the information available on the scheme.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2023 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020 in accordance with The Public Service Pensions (Valuations and Employer Cost Cap) Directions 2023 and the Employer Contribution Rate was assessed using agreed assumptions in line with the Directions and was accepted at the original assessed rate as there was no cost control mechanism breach. The valuation report was published by the Department for Education on 26 October 2023. The key elements of the valuation and subsequent consultation are:

- Total scheme liabilities for service (the capital sum needed at 31 March 2020 to meet the stream of future cash flows in respect of benefits earned) of £262 billion
- Value of notional assets (estimated future contributions together with the proceeds from the notional investments held at the valuation date) of £222 billion
- Notional past service deficit of £39.8 billion (2016 £22 billion)
- Discount rate is 1.7% in excess of CPI (2016 2.4% in excess of CPI) (this change has had the greatest financial significance)

As a result of the valuation, new employer contribution rates have been set at 28.6% of pensionable pay from 1 April 2024 until 31 March 2027 (compared to 23.68% under the previous valuation including a 0.08% administration levy). The employer's pension costs paid to TPS in the period amounted to £4,943k (2022: £4,578k).

The TPS is a multi-employer pension plan and there is insufficient information to account for the scheme as a defined benefit plan, so it is accounted for as a defined contribution plan.

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the Year ended 31 August 2023 was £2,137k (2022: £1,885k) of which employer's contributions totalled £1,653k (2022: £1,460k) and employee's contributions totalled £484k (2022: £425k). The agreed contribution rates for future years vary between Pension fund from 15.8% to 25.2% for employers with annual additional contributions of £11k (2022: £19k) to fund the scheme deficit.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

Principal actuarial assumptions

 At 31 August	 26,439	 24,567

**NORTH EAST LEARNING TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

Reconciliation of pension assets and liabilities recognised in the balance sheet:

	2023	2022
	£000	£000
Fair value of employer assets	26,439	24,567
Present value of employer obligations	(27,426)	(29,675)
Asset ceiling adjustment	(925)	-
At 31 August	(1,912)	(5,108)

Asset Ceiling

The actuarial valuation of the LGPS Teesside Pension fund determined that the fair value of its pension plan assets outweighed the present value of the plan obligations at 31 August 2023 resulting in a pension asset. The actuary calculated the asset ceiling as the net present value of future service costs less net present value of future contributions over the future working lifetime period. In accordance with FRS102 the Trust has applied an asset ceiling reducing the carrying value of the pension asset in respect of the Teesside Pension fund to the recoverable amount of £50k, increasing the aggregated LGPS net pension liability recognised in the balance sheet. The pension asset ceiling adjustment has been recognised within other recognised gains and losses in the statement of financial activities.

28 AGENCY ARRANGEMENTS

The Academy Trust distributes North East SCITT (formerly Shotton Hall SCITT) bursary funds to trainee teachers as an agent for the Department for Education. During the year ending 31 August 2023 the Academy Trust received £423k (2022: £409k) and disbursed £406k (2022: £400k). The remaining balance has been deferred to the 23/24 bursary fund.

The Academy Trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period ending 31 August 2023 the trust received £56k (2022: £40k) and disbursed £40k (2022: £15k) from the fund. An amount of £120k (2022: £104k) is included in other creditors relating to undistributed funds that is repayable to ESFA.

29 MEMBERS LIABILITY

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for debts and liabilities contracted before he/she ceases to be a member.
