**Access Plymouth Limited (Registered number: 07695327)**

**Report of the Trustees**  
**For the Year Ended 30 June 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (as amended for accounting periods commencing from January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The Charity's Objects are specifically restricted to the provision or arrangements of transport for disabled, isolated and other persons requiring mobility assistance in Plymouth and its environs.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing aims and objectives and in planning the future objectives.

**Significant activities**

Access Plymouth Ltd is a Community Transport Association Charity set up to provide a transport solution for disabled, frail and elderly citizens in Plymouth.

It provides three main services which consist of a Community Car service, Shopmobility and a Dial a Ride service across the city. Clients must first register with the Charity and pay an annual membership fee for Shopmobility.

The Charity runs the Community Car service through a bank of eight voluntary drivers who use their own vehicles. This is a not for profit service and they are reimbursed for their fuel at a set rate of forty-five pence per mile. The clients telephone the office in order to book their journeys.

Shopmobility is part of a national scheme for the provision of both Mobility Scooters and powered wheelchairs to enable clients to access the city centre within the given boundaries. Clients are tested every twelve months to confirm that they are still able to comply with our safety standards. Manual wheelchairs are also available for daily or long-term hire.

Dial a Ride is the third service that the charity provides. Access Plymouth have a fleet of five minibuses, the drivers of which previously provided by a private contractor were taken onto the payroll from 1st September 2021. The charity administers the scheme through a computerised planning system manned by two-part time salaried planners. All users must register first. The buses cover the city providing transport from people's front doors to most destinations in the city. All the schemes are subsidised by Plymouth City Council and Citybus contributes to the Dial a Ride scheme.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

Access Plymouth runs different projects as shown in the accounts.

The main achievements of the charity are to provide a much-needed service to those who are unable to use public transport for various reasons. Also, to provide a social outlet for those who may live alone and feel isolated. Constantly our clients remind us that if it were not for our services some of them would not be able to leave their homes or benefit from socialising at all. Our staff and volunteers are well trained, compassionate people who always provide service with a smile and will go the extra mile to listen and help whenever possible. Access Plymouth is a dementia friendly environment; we are always working to comply with recommendations put forward to the charity to enable our clients to feel safe.

We continue to be affected by the pandemic. Numbers continue to increase but we are not back to pre-pandemic levels. There is still reticence to go out for unnecessary journeys and clubs etc. have not re-opened. However, we are still often oversubscribed as there is also a shortage of volunteer drivers as some have not returned to volunteering. We are continuing to appeal for drivers using social media, local newspapers and through small businesses etc. In April 2022 we increased prices on our services which we had not done for many years. We are also pursuing local radio, TV and other methods to apply for drivers.

We have updated our business plan to try and identify other areas outside the Dial A Ride service and the other current services that we run with a view to diversifying our income streams.

Demand for Transport to Health continues to increase and we are entering into negotiations with Derriford hospital to run a hospital bus specifically for Outpatients and those who struggle to afford taxi fares. We are also looking into opening a Shopmobility satellite there for people to hire scooters and wheelchairs to help them get around the hospital.

We are also in the early stages of working with Plymouth Argyle to run a bus service to Home Park on match days as disabled parking for cars is severely limited.

We have been successful in applying for funds to employ someone for 12 months as part of a scheme to support social enterprises and she will be supporting us on a temporary basis through improving publicity, extra office work and grant funding applications.

We have been successful in our bid for funding for a new minibus but problems with Brexit, Covid and the war in Ukraine have meant that delivery could be delayed by up to six months.

**Access Plymouth Limited (Registered number: 07695327)**

**Report of the Trustees**  
**For the Year Ended 30 June 2022**

**FINANCIAL REVIEW**

**Financial position**

Grants, charitable income and other income for the year are reported at £268,627 (2021: £308,358).

Resources expended during the year are reported at £284,801 (2021: £228,439).

A pension deficit provision of £153,158 was made in 2016-17. This requirement was due to the Pensions Act 2011 retrospectively amending the definition of a money purchase scheme. As a result, the scheme that the charity participated in had to be regarded as a defined benefit scheme. The scheme is a multi-employer pension scheme called Devon County Council Pension Fund. The fund managers wrote to the charity to inform us that our proportion of the fund deficit was £153,088, valued at 31 March 2016, which reflects the discounted value.

To avoid crystallising an immediate payment of our now apparent under-funding, we are participating in a recovery place to repay the deficit over 24 years. With effect from June 2014 the charity is making additional monthly repayments (previously £827 a month, increased to £857 per month from April 2021 and then to £889 per month from April 2022) and ordinary employer contributions to the fund.

Overall, the accounts reflect a deficit for the year of £16,174 (2021: £79,919 surplus).

**Principal funding sources**

Plymouth City Council continue to be our main source of funding and without their support Access Plymouth Ltd would not exist. We are also very grateful for the support of Citybus and Drake Circus.

**Reserves policy**

We as a charity have always kept funds in reserve, mainly to cover ourselves in event of redundancies or emergencies at any given time.

Following the need to reflect the pension deficit owed within the accounts, the reserves have been depleted and are now £74,021 as at 30 June 2022 (2021: £90,195). Without the provision the reserves would be £173,481.

Current reserves are therefore too low and to increase them we intend to expand services next year and continue to apply for more grant funding.

The key objective for the reserves policy is to return the charity to positive reserves at which point a formal review of its policy will be undertaken by the trustees.

**Access Plymouth Limited (Registered number: 07695327)**

**Report of the Trustees**  
**For the Year Ended 30 June 2022**

**Going concern**

As set out in the accounting policies in note 1 to the financial statements, the accounts have been prepared on the going concern basis i.e. on the basis that the charity will continue in operational existence for the foreseeable future being at least twelve months from the date of signing the financial statements.

We acknowledge that the significant pension deficit makes the balance sheet look as if the charity is in poor financial health. However, it should be highlighted that a pension fund deficit is a long-term position which may change if the contribution rate is increased, investments perform better or any other assumptions such as retirement age of the members of the scheme change. A pension fund deficit is an actuarial estimate, not an actual liability. In addition, we would highlight that Plymouth City Council act as our guarantor for the fund and, therefore, should the charity not be able to meet the pension fund liabilities they would be required to do so,

As trustees we feel it is more important to consider the total contributions agreed to be repaid by the charity in the coming years as this will have an immediate budgetary effect. We have therefore considered the repayments due for the coming year, likely to be in the region of £10,800 and have considered these within the budget. This, along with the reduction of costs following a review of expenses in the year, suggests that the charity can continue for at least the following twelve months.

The unrestricted funds at 31 March 2022 stand at only £74,021. This has arisen following the need to reflect the pension deficit in full during 2016-17. The total provision is £99,459 as at 30 June 2022 (2021: £109,789) and had this not been included then the reserves would be £173,481.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

Access Plymouth, as a registered charity, takes the form of a limited company governed by its memorandum and articles of association, it was incorporated 6 July 2011 and registered as a charity on 26 August 2011.

**Recruitment and appointment of new trustees**

It was agreed at the meeting of the Directors on the 2<sup>nd</sup> September 2013 that in accordance with the articles of association of Access Plymouth Ltd, the board consists of members and the directors. Any member of the company can apply to join the committee whence they would be nominated and seconded by the existing members. The directors are the trustees of the company.

**Access Plymouth Limited (Registered number: 07695327)**

**Report of the Trustees**  
**For the Year Ended 30 June 2022**

The trustees have complied with their duty in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission. This report is prepared in accordance with the small company regime Section 419 (2) of the Companies Act 2006.

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The trustees (who are also the directors of Access Plymouth Limited for the purposes of company law are responsible for preparing the report of the trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom generally accepted accounting practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charitable company's state of affairs and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to;

- select suitable accounting policies and apply them consistently
- observe the methods and principles in the charity SORP
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

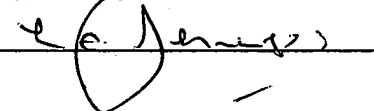

In so far as the trustees are aware;

- there is no relevant audit information of which the charitable company's auditors are unaware
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are of that information.

**AUDITORS (Independent Examiners)**

The independent examiners, Devon Audit Partnership will be proposed for re-appointment at the forth coming Annual General Meeting.

Approved by order of the board of trustees on 1.2.23 (Date) and signed on its behalf by;

 - Trustee

**Independent Examiner's Report on the Accounts to the Members of Access Plymouth Limited**  
**Year ended 30 June 2022**

**Company Number: 07695327**  
**Charity Number: 1143569**

I report to the charity trustees on my examination of the accounts of Access Plymouth Limited for the year ended 30 June 2022.

**Responsibilities and basis of report**

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

**Independent examiner's statement**

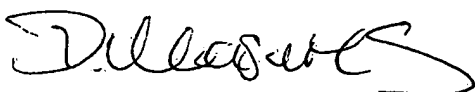

Access Plymouth Limited's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Chartered Institute of Public Finance and Accountancy, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

The Company is entitled to the exemption from the audit requirement contained within section 477 of the Companies Act 2006, for the year ending 30 June 2022. No members have required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Companies Act 2006. The directors acknowledge their responsibility for complying with the requirements of the Act with respect to accounting records and for the preparation of accounts.

These financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to charitable small companies.

The financial statements were approved by the Board of Trustees on 1<sup>st</sup> March 2023 and were signed on its behalf by:

Mrs L O Jennings - Trustee

Mrs J Donnelly - Trustee

Mr M Jennings - Trustee

## **Access Plymouth Limited**

### **Notes to the Financial Statements** **For the Year Ended 30 June 2022**

#### **1. ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

##### **Changes in accounting policies**

There have been no changes in accounting policies for this financial year.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity had entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Raising funds**

Raising funds includes all expenditure incurred by the charity to raise funds for its charitable purposes and includes costs of all fundraising activities, events and non-charitable trading.

##### **Charitable activities**

Charitable expenditure comprises those costs incurred by the Charity in the performance of its activities. It includes both costs that can be allocated to such activities and those of an indirect nature necessary to support them.

##### **Governance costs**

Governance costs comprises those costs incurred by the Charity in the performance of its activities. It includes both costs that can be allocated to such activities and those of an indirect nature necessary to support them.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates to write off each asset over its estimated useful life.

Improvements to property	- 20% on cost
Plant and machinery	- 33% on cost and 25% on cost.
Fixtures and fittings	- 33% on cost
Motor vehicles	- 25% on cost
Computer equipment	- 33% on cost

All classes of assets are held at cost and are reviewed annually for indicators of impairment.

##### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items.

##### **Debtors and Creditors**

Debtors and creditors are measured at the amount receivable or payable after any trade discounts

##### **Cash at Bank**

Cash at bank is measured at the cash amount of deposit.

##### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

## **Access Plymouth Limited**

### **Notes to the Financial Statements** **For the Year Ended 30 June 2022**

#### **1. ACCOUNTING POLICIES – continued**

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees

Restricted funds can only be used for restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Pension costs and other post-retirements benefits**

This is a multi-employer pension scheme and the scheme administrators have confirmed a detailed valuation has taken place and deficit has been reliably valued and discounted. Because of this the Charity has accounted for the scheme deficit with the full discounted provision will happen over the repayment period of 24 years on a year by year basis. This is in accordance with FRS 102 – Retirement Benefits.

##### **Donated goods**

The charity receives donated assets which it uses as assets in its business or sells as part of its trading activity. The value of the donation is recognised as income on donation based on its current realisable value.

The charity also has approximately 30 volunteers that contribute towards different activities carried out such as front reception desk cover, drivers and other general activities.

##### **Going concern**

The charity has low reserves at the year-end 30 June 2022 following the requirement to reflect the pension deficit in full within the 2016-17 accounts. The charity however remains a going concern as it can meet its liabilities as they arise through judicious management of cash flows and this is confirmed by the level of cash held at year end. Historically the business model has proven to be appropriate and hence based on budgets and forecasts the trustees consider there are no material uncertainties over going concern and there is a valid expectation that the charity will continue in operational existence for the foreseeable future (at least twelve months from the date of signing the financial statements). The financial statements have therefore been prepared on a going concern basis.

**13. PENSION COMMITMENTS**

As explained in the accounting policies (note 1), the Charity is participating in a recovery plan to eliminate its pension scheme deficit over a 24-year period. The Devon County Council Pension Fund has advised that the amount of employer debt within the scheme has been valued by actuaries to be £153,088 as at 31 March 2016.

The discounted value of the pension deficit of £153,088 was charged to the profit and loss at the beginning of 2016-17 and an equivalent provision created. Last year, the opening provision was £119,749. This, plus the unwinding of the provision for the year of £55, less contributions made of £10,014, left a balance at the year-end of £109,790. This year, there is a further unwinding of the provision of £50, less contributions of £10,380, leaving a balance at the year-end of £99,460.

The charity will continue to make payments under the repayment plan for the 24-year period and the discounted deficit provision will be unwound over the same period. This unwinding will be charged to the profit and loss account on a year by year basis. A formal repayment plan is in place and will be revised at the end of this period. This is in accordance with FRS 102.

**14. RELATED PARTY DISCLOSURES**

There were no related party transactions for the year ended 30 June 2022.
