Trustees' Report For the Year Ended 31 August 2021

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year ending 31 August 2021.

The Trust was established on 1 September 2011 and was originally known as Staffordshire University Academy Trust. During 2013/14 the Trust was encouraged actively by the Department for Education to sponsor schools in an Ofsted Category requiring a sponsor led academy solution.

At the end of June 2014 the company completed agreements with the Department for Education (DfE) to convert to a Multi-Academy Trust (MAT) enabling it to undertake the activities of additional academies. On 20th June 2014 the company changed its name from Staffordshire University Academy Trust to Staffordshire University Academies Trust.

On 1 September 2020 the Trust had 19 academies in the MAT. They were:

- Staffordshire University Academy: a 11-18 secondary school with 590 pupils on roll
- Moorgate Primary Academy: a 4-11 primary school with 270 pupils on roll
- John Wheeldon Primary Academy: a 4-11 primary school with 505 pupils on roll
- Perton Primary Academy: a 2-9 first school with 229 pupils on roll
- Littleton Green Community School: a 2-11 primary school with 367 pupils on roll
- Boney Hay Primary Academy: a 4-11 primary school with 177 pupils on roll
- Tynsel Parkes Primary Academy: a 3-9 first school with 145 pupils on roll
- St Edward's CE Academy Cheddleton: a 3-9 first school with 196 pupils on roll
- Charnwood Primary Academy: a 4-11 primary school with 198 pupils on roll
- St Peter's CE Academy: a 3-9 first school with 46 pupils on roll
- St Augustine's CE Academy: a 3-9 first school with 45 pupils on roll
- All Saints CE Academy: a 3-9 first school with 67 pupils on roll
- St Luke's CE Academy: a 4-11 primary school with 216 pupils on roll
- Horton St Michael's First School: a 5-9 with 66 pupils on roll
- All Saints Primary School: a 4-11 primary school with 67 pupils on roll
- St Leonard's First School: a 3-9 first school with 53 pupils on roll
- Dove First School: a 3-9 first school with 98 pupils on roll
- Church Eaton Primary School: a 4-11 primary school with 75 pupils on roll
- St Paul's First School: a 3-9 first school with 131 pupils on roll

Little Aston Primary School in Sutton Coldfield converted into SUAT on 1 December 2020 - a 4-11 primary school with 220 pupils on roll.

The Trust objectives, as set out in its Articles of Association, are:

- a) To advance the public benefit of education in the UK by establishing, maintaining, managing and developing schools offering a broad and balanced curriculum by providing full time or part time education for children of compulsory school age.
- b) To promote the benefit of the inhabitants of the area of where the academies are established and its surrounding area. The provision of facilities for recreation for individuals who have needs for such facilities by reason of their socioeconomic characteristics, in the interest of improving their quality of life.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management

a. Constitution

Staffordshire University Academies Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and Articles of Association are the primary governing documents of the Academy Trust.

The Trustees of Staffordshire University Academies Trust are also the Directors of the charitable company for the purposes of company law. The charitable company is known as Staffordshire University Academies Trust.

Details of the Directors / Trustees who served during the year are included in the Reference and Administrative Details.

As Directors / Trustees we have overall responsibility for ensuring that Staffordshire University Academies Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Trust Board has delegated the day-to-day responsibility to the Accounting Officer for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Staffordshire University Academies Trust and the Secretary of State for Education. The Accounting Officer is responsible for reporting to the Trust Board any material weaknesses or breakdowns in internal control.

b. Members' fiability

Each Member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a Member, or within one year after they cease to be a Member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a Member.

c. Trustees' indemnities

In accordance with normal commercial practice the Trust has purchased insurance to protect Directors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Trust business. The insurance provides cover up to £5,000,000 on any one claim.

d. Method of recruitment and appointment or election of Trustees

According to the Articles of Association, Staffordshire University, as sponsor, shall appoint up to 10 sponsor Trustees. It is itself a Member of the company. The Trustees may appoint co-opted Trustees. The Trustees are Directors of the charitable company for the purposes of the Companies Act 2006 and Trustees for the purposes of charity legislation.

The term of office for any Trustee shall be four years. Subject to remaining eligible to be a particular type of Trustee, any Trustee may be re-appointed or re-elected.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management (continued)

e. Policies adopted for the induction and training of Trustees

Training is provided by the CEO, the COO and the Clerk to the Board of Trustees, to new Trustees upon appointment. New Trustees are also made aware of the various commercially available training opportunities. The training and induction provided for new Trustees will depend on their existing experience. Where necessary induction will include training on educational, legal, property and financial matters. All new Trustees will be given the opportunity to tour the academies within the Trust and have the chance to meet with staff and pupils.

All Trustees are provided with copies of policies, procedures, minutes, strategic plans, accounts, budgets, plans and other documents they need to undertake their role as Trustees.

It is expected that only a very small number of new Directors / Trustees will be appointed each year. Any induction will be carried out informally and will be tailored to the specific individual.

f. Organisational structure

The Directors / Trustees are responsible for setting general policy, adopting an annual plan and budget, monitoring the Academies within the Multi Academy Trust ("MAT") by the use of budgets and data on pupil outcomes and making major decisions about the direction of the Trust and its Academies, capital expenditure and staff appointments.

The Trust Board should exercise its powers and functions with a view to fulfilling a largely strategic leadership role in the running of the MAT, addressing such matters as:

- Policy development and strategic planning, including target-setting to keep up momentum on school improvement in all Academies
- Ensuring compliance with legal requirements
- · Establishing and maintaining a transparent system of prudent and effective internal controls
- Management of the Academies' financial, human and other resources (in particular control over the spending identified in the academies' development plans)
- Monitoring performance and the achievement of objectives, and ensuring that plans for improvement are acted upon
- Helping the Academies be responsive to the needs of pupils and parents and stakeholders and making them more accountable through consultation and reporting
- Setting the Academies' standards of conduct and values
- Assessing and managing risk and ensuring sound management and administration of the Academies, and ensuring that leaders and managers are equipped with relevant skills and guidance
- · Staff and pupil well-being

The Staffordshire University Academies Trust has a Board of Directors/Trustees responsible for overseeing the strategic direction and performance of the Academies within the Trust. The Senior Leadership Teams in each of the Academies are responsible for the implementation of strategy and the day to day operations of the Academy and are accountable to the Trust through a Local Governing Body; called a Local Academy Council (LAC). Each Academy has a dedicated Education Improvement Partner (EIP), provided by SUAT, to support the delivery of the education aims and objectives.

For 2020/21 the Board of Trustees delegated the day to day responsibility to the Accounting Officer for ensuring financial controls conform to the requirements of both propriety and good financial management. The Accounting Officer, working with the Chief Operating Officer and each Academy's leaders, controls the Academies at an executive level implementing the policies laid down by the Trustees and reporting back to them.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management (continued)

The Accounting Officer is personally responsible to the Trust Board for:

- Ensuring regularity and propriety
- Prudent and economical administration
- Avoidance of waste and extravagance
- Efficient and effective use of available resources
- The strategic direction of SUAT and its Academies

Included in the responsibilities of the Accounting Officer is a duty to take appropriate action if the Trust Board, or the Chairman, is contemplating a course of action which he considers would infringe the requirements of propriety or regularity (including the provisions of the Funding Agreement, the SUAT Development Plan, or other documents setting out the financial duties of the Trust Board or of any other rules governing the conduct of the Body),or would not represent prudent or economical administration, or the efficient or effective discharge of the Trust Board's functions.

The LAC is responsible for the authorisation of spending in each Academy, within budgets agreed by the Trust Board, and the appointment of staff, though appointment panels may contain a Trustee. Some spending control is devolved to members of the Management Team of each individual Academy, with limits above which a Senior Leader must countersign. The Management Team of each Academy includes the Senior Leadership Team, senior Business Team staff, Subject Leaders, and Year or Phase Leaders. These managers are responsible for the day to day operation of the Academies, in particular organising the teaching staff, facilities and pupils.

The Chief Operating Officer is responsible, alongside each individual Academy's finance staff for:

- The day to day oversight of financial issues
- Contributing to the strategic planning of the Academies' finances linked to the SUAT Strategic Development Plan
- The management and strategic development of SUAT's financial position
- The maintenance of effective systems of internal control
- Ensuring that the annual accounts are properly presented and adequately supported by the books and records of each of the Academies
- Line management of SUAT's own business team

Trade union facility time

There were no employees in SUAT who were relevant Trade Union officials during the relevant period.

Connected Organisations

Staffordshire University acts as sponsor to the Staffordshire University Academies Trust. Where feasible and in the interests of both organisations, services and resources will be shared or organised on a joint basis, at cost.

The Education Department is a key strategic partner which helps to support the Trust's educational objectives. Academy Improvement activity is tailored to the needs of each Academy.

Examples of wider enrichment activity contributed by the sponsor, at no cost, include: university students working as ambassadors, visits by SUAT Academies to the university campus, provision of media and marketing expertise for the brand identity of the Trust and its Academies, HR support for leadership appointments, support from the sponsor's media team, subsidised places on courses, support for international links.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management (continued)

The object of this Trust is to enhance the quality of outcomes for the pupils within our Academies, and of the wider community, by working together to:

- · Improve teaching and learning
- · Improve teacher retention and recruitment
- Provide better quality training opportunities for all staff
- Improve outcomes for young people, in our communities, by offering a full range of learning opportunities
 across the 3-19 age range, to develop cross phase curricular developments and address personalisation,
 to enhance the quality of teaching and learning, for example, work with HPA, Pupil Premium, EAL and
 Special Needs pupils
- Address more effectively issues relating to families and communities, for example, work with vulnerable families and inclusion
- Tackle issues relating to attainment more effectively across the family of Academies by, for example, reducing underachievement in all groups of pupils
- Examine the potential to offer joint appointments across the MAT
- Achieve economies of scale in purchasing policy, for example, ICT procurement, ICT technical support, administrative supplies, web site support, HR services and maintenance work
- Achieve savings in planning and administrative time, and developing the potential for MAT administrative staff who can work with each Academy
- Enhance strategic planning across all phases
- · Seek to develop a shared sense of identity and a common sense of purpose
- Build capacity across all phases
- Join together to access extended services
- Improve further the transition of pupils between phases

Each Academy also collaborates with schools in their District and with other providers if appropriate, for example, Teaching School Alliances and School Direct clusters. The Academies in SUAT are themselves a Schools Direct cluster.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management (continued)

g. Arrangements for setting pay and remuneration of key management personnel

Decisions on pay are managed in a fair, just and transparent way. The aim of the Pay Policy, which is implemented in all Staffordshire University Academies Trust Academies (SUAT), is to:

- Maximise the quality of teaching and learning in the Academies
- Support the recruitment and retention of a high quality workforce
- Enable the Academies to recognise and reward staff appropriately for their contribution
- Help to ensure that decisions on pay are managed in a fair, just and transparent way

Pay decisions in SUAT are ratified by the Trust Board. The DfE "A guide to the law for School Governors" provides for certain issues to be delegated to committees (rather than be dealt with by the Trust Board), and in the case of pay the Trust Board of Staffordshire University Academies Trust delegates pay decisions on individual staff, in the Academies, to its Local Academy Councils, which are a committee of the Trust Board with fully delegated powers over pay decisions. The Principal will make recommendations to this committee, but the Trust Board will, if necessary, have the final decision on all matters relating to pay. The Trust Board decides the % overall direction of remuneration in relation to the annual cost of living pay rise for all staff. The Trust Board is also responsible for the SUAT Pay Policy, which is revised annually. Decisions on the pay of centrally employed staff are made by the Trust's Resources Committee.

When taking pay decisions, any LAC will have regard to the SUAT Pay Policy and to the individual's particular post within the staffing structure in their Academy. A copy of the staffing structure is attached to the pay policy in each Academy. The Chief Operating Officer keeps a central record of all of the Academies' staffing and pay structures.

All teachers employed in SUAT Academies are paid in accordance with the statutory provisions of the STPCD as updated from time to time. All support staff employed in SUAT Academies are paid in accordance with the scheme of conditions of service agreed by the National Joint Council for Local Government Services (referred to as the "Green Book").

The Board of SUAT, through the Academy Principals and LACs, consults staff and unions on this policy and review it each year, or when other changes occur to:

- a) The School Teachers' Pay and Conditions Document, to ensure that it reflects the latest legal position. The pay policy complies with the current School Teachers' Pay and Conditions Document and the accompanying statutory guidance. It is used in conjunction with them, but, in the event of any inadvertent contradictions, the Document and guidance take precedence.
- b) The scheme of conditions of service agreed by the National Joint Council for Local Government Services (referred to as the "Green Book" in this policy), as adopted and applied by SUAT Academies.

The Trust Board has adopted, wherever practicable, the County Council's Framework of Support Staff Profiles to ensure that the requirements of the Single Status Agreement 1997 are met. The Trust Board has delegated the power to determine the job description and person specifications within the Framework, that match the duties and responsibilities covered by positions within the support staffing structure for an individual Academy, to the LAC of that Academy. The pay and grading of support staff, attached to the Framework, is the single status pay and grading structure agreed by Staffordshire County Council from 1 April 2008.

In terms of the remuneration of the Chief Executive, the Trust Board recognises that the removal of a CEO is costly in terms of the instability it engenders in the organisation along with any termination payments and costs associated with hiring a new CEO. While this is often a result of poor recruitment, it could also be caused by the Trust Board not having established clear expectations for the CEO from the outset or regularly evaluating the CEO's performance.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management (continued)

The Trust Board recognises that they have solid business reasons for undertaking an annual CEO evaluation. Apart from helping the Trustees to meet their responsibilities, the regular evaluation of the CEO's performance brings benefits that include:

- Aligning the strategic direction set by the Board with the CEO's capabilities
- Promoting better board and CEO relations to ensure an appropriate and productive collaboration
- Allowing the Board to have greater objectivity about CEO remuneration
- Setting an example of accountability for the MAT as a whole signaling that performance management is a core culture of the Trust
- Encouraging the CEO's personal development
- Providing an early warning system for possible problems

The Trust Board accepts its responsibility to ensure that a CEO performance review happens, since the Board has the ultimate responsibility for the strategy and performance of the Trust. The Board exercises this responsibility through the CEO, who is entrusted with SUAT's day-to-day management, within the guidelines and direction set by the Board. As such, a unique relationship exists between the CEO and the Board. The evaluation of CEO performance strengthens this relationship. Therefore, SUAT's CEO evaluation process, and the attendant remuneration decision, is built around a number of leading practice principles.

These principles are that any CEO evaluation must:

- Align CEO performance with the objectives of the Trust
- Be based on clear expectations developed and agreed in advance with the CEO
- Have a clear, transparent and agreed link between performance outcomes and remuneration
- Encourage the CEO to set developmental goals and plans and provide specific direction as necessary from the outcomes of the evaluation process
- Be conducted in a manner conducive to ongoing good governance
- · Be tailored to the specific needs of SUAT
- Comply with relevant standards for accountability and communication of the results for the Trust

Adopting a more formalised, structured approach to the CEO evaluation and remuneration, gives the Board of SUAT a greater likelihood of not only optimising their relationship with the CEO, but also improving the overall performance of the Trust.

The Trust Board believes that it is important that salaries:

- Can be justified and are in the best interests of the charity
- Reflect the individual's responsibilities
- Demonstrate value for money

The Trust Board ensure that its decisions about levels of executive pay follow a robust evidence-based process and are reflective of the individual's role and responsibilities. The CEO is not involved in deciding his own remuneration. The Board ensures that it discharges its responsibilities effectively and is confident that its approach to pay is transparent, proportionate and justifiable based on evidence using the following criteria:

- The academic performance in the MAT's academies
- The degree of educational challenge across the Academies
- The degree of financial challenge
- Broader factors, for example, MAT growth
- The experience of the individual
- · Comparability with other Trusts of similar size, complexity and geographical spread

i. Related parties and other Connected Charities and Organisations

The key questions for SUAT in relation to connected party transactions are:

- Would it be deemed contentious by the ESFA?
- Is it within the market norms?
- If details of the transaction were in the public domain would they be newsworthy?

The Academies Handbook states that a Trust must pay no more than 'cost' for goods or services provided to it, including from individuals or organisations connected to the Academy Trust. In respect of individuals working for the Trust it is more difficult to determine whether there is an element of profit for those individuals providing services rather than actual products. The Trust has decided that a good way to review whether the charge is acceptable is to assess the cost in respect of what the Trust would pay for that person if the Trust were employing them.

In order to manage conflicts of interest and maintain confidence in the Trust's use of public money the Audit and Risk Committee examines a list of the top suppliers annually, on behalf of the Trustees. This also ensures that potential conflicts of interest are adequately managed and that the risk of not observing 'at cost' requirements is identified and mitigated.

The Academies Handbook defines 'connected parties' as:

- · Members or trustees of the academy trust
- Individuals or organisations related to a member or trustee of the academy trust. For these purposes
 the following persons are related to a member, or trustee:
 - o a relative of the member or trustee. A relative is defined as a close member of the family, or member of the same household, who may be expected to influence, or be influenced by, the person. This includes, but is not limited to, a child, parent, spouse or civil partner
 - o an individual or organisation carrying on business in partnership with the member, trustee or a relative of the member or trustee
 - o a company in which a member or the relative of a member (taken separately or together), and/or a trustee or the relative of a trustee (taken separately or together), holds more than 20% of the share capital or is 53 entitled to exercise more than 20% of the voting power at any general meeting of that company
 - o an organisation controlled by a member or the relative of a member (acting separately or together), and/or a trustee or the relative of a trustee (acting separately or together). For these purposes an organisation is controlled by an individual or organisation if that individual or organisation can secure that the affairs of the body are conducted in accordance with the individual's or organisation's wishes
- Any individual or organisation given the right under the trust's articles of association to appoint a member or trustee of the academy trust; or any body connected to such individual or organisation
- Any individual or organisation recognised by the Secretary of State as a sponsor of the academy trust;
 or any body connected to such individual or organisation.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management (continued)

j. Engagement with employees (including disabled persons)

The Trust's engagement with employees is based on the GC100 Guidance. Trustees have a range of strategies that they adopt in order to help them embed section 172 in their decision making.

- Strategy: there are regular meetings of the Academy Principals, the Members meet annually with the
 Trustees to consider strategy, all staff are invited to the annual conference, there are staff members on
 the Local Academy Councils, there are regular meetings of the business teams, the MAT Executive
 meet weekly.
- Training: there are training courses on induction to the Board in the context of their wider duties and responsibilities.
- Information: there are a variety of policies and processes in place that help to disseminate information to Trustees in order that they can carry out their role and satisfy the duty.
- Policies and process: SUAT has put in place policies and processes appropriate to support the company's operating strategy and to support its goals in the light of the section 172 duty.
- Engagement: the Trust Board regularly consider what should be the company's approach to
 engagement with employees. There is a termly meeting with the Staffordshire Trades Unions.

k. Engagement with suppliers, customers and others in a business relationship with the academy trust

SUAT's key stakeholders are our pupils and their parents, who are at the heart of our purpose and work in service of our young people. We are focused on responding to the needs of, and building long-term relationships with, our communities. Other key stakeholders are the producers and suppliers who we purchase goods and services from, and the communities in which we operate.

We work closely with producers and our supply chain. The Trust's Audit and Risk Committee monitors this aspect of the Trust's work.

The Company has taken measures to prevent modern slavery and human trafficking in its business and supply chains, working alongside the sponsor, Staffordshire University. SUAT seeks to make information available to financial stakeholders as part of information provided about and by the MAT. This includes contact details should stakeholders wish to discuss anything directly. Directors receive regular financial updates.

SUAT's Trustees take all reasonable steps to minimise any detrimental impact the Company's operations may have on the environment. The Company also supports a range of charitable and community activity, based on stakeholder input and coordinated through the Academies.

SUAT aims to conduct all its business relationships with integrity and courtesy, and scrupulously to honour every business agreement. The MAT Executive Team briefs Trustees on any potential impacts and risks for stakeholders including our suppliers, the community and environment and how they are to be managed. The Directors take these factors into account before making a final decision which together they believe is in the best interests of the Company and its stakeholders.

I. Related parties and other Connected Charities and Organisations

The key questions for SUAT in relation to connected party transactions are:

- Would it be deemed contentious by the ESFA?
- Is it within the market norms?
- If details of the transaction were in the public domain would they be newsworthy?

The Academies Financial Handbook states that a Trust must pay no more than 'cost' for goods or services provided to it, including from individuals or organisations connected to the Academy Trust. In respect of individuals working for the Trust it is more difficult to determine whether there is an element of profit for those individuals providing services rather than actual products. The Trust has decided that a good way to review whether the charge is acceptable is to assess the cost in respect of what the Trust would pay for that person if the Trust were employing them.

In order to manage conflicts of interest and maintain confidence in the Trust's use of public money the Audit Committee examines a list of the top suppliers annually, on behalf of the Trustees. This also ensures that potential conflicts of interest are adequately managed and that the risk of not observing 'at cost' requirements is identified and mitigated.

The Academies Financial Handbook defines 'connected parties' as:

- Any Member or Trustee of the Academy Trust
- Any individual or organisation connected to a member of the Academy Trust
- Any individual or organisation that is given the right under SUAT's Articles of Association to appoint a Member or Trustee of the Academy Trust or anybody related to such individual or organisation
- Any individual or organisation that is recognised by the Secretary of State

Trustees' Report (continued)
For the Year Ended 31 August 2021

Structure, governance and management (continued)

m. Objectives and activities

The Trust's aspirations are reflected in the culture and ethos of the Academies, in the way in which our communities are built upon sensitivity, tolerance and the appreciation of difference; at the heart of our work is the education of the young people in our care. There is a whole Trust ethos based on Rights, Respect and Responsibility.

Our commitment is to raising standards. In each of our Academies we are committed to, year on year, improvements in the outcomes for our young people. Despite the impact on data of the pandemic our Academies most recent data demonstrates that pupils' achievement and progress is improving because since the end of lockdown teaching is being carefully personalised to meet their needs. Our Academies are making good use of the catch-up funding.

We are committed to providing a stimulating, varied and broad education, in line with any recent DfE guidance and our schools have responded well to planning for the new EYFS curriculum. Our Academies offer a wide range of extra activities as well as good academic standards and the vast majority of our Academies are Forest Schools. We want our pupils to be genuinely involved in the life of our Academies, participating in decisions, interested in their learning and valuing the opportunities they have had. We are proud of their achievements, the quality of our teaching and the pastoral care we provide. We are also proud of the way in which all of our Academies responded to the need for Remote Learning during the lockdowns.

We want our young people to leave our Academies with ambition, an appetite for learning and the confidence to encounter the challenges and changes that will inevitably face them.

Staffordshire University Academies Trust has set itself four core objectives:

- Support our academies, staff and pupils in their journey to sustained outstanding performance through partnership, support and collaboration.
- Understand our communities in order to maximise our potential to raise aspirations and outcomes for our staff and pupils.
- Aspire to a sustainable future for our academies so that outstanding achievement and progress can be secured for generations of pupils.
- Train and support all staff so that they can be inspirational leaders and outstanding practitioners, within
 a planned framework of support for their well-being.

Our mission is to enable our children, young people and their families to report that Staffordshire is a great place to live, play, learn and achieve in; a place where they feel safe and can lead healthy lives and a place that offers them a successful future.

Our vision is to achieve better outcomes for all of our children and young people by providing an outstanding inclusive learning experience.

At the same time, we seek to realise the values upon which SUAT is founded. In order to do this, we will:

- Be non-selective and operate a truly comprehensive admissions system
- Build our partnership on mutual respect and trust
- Encourage a climate of openness and honesty
- Seek to engage effectively and inclusively with our local communities
- Welcome and support innovation
- Have high expectations of all young people and one another
- Recognise that effective partnership working is the responsibility of all to sustain and nurture and is not reliant upon individuals
- · Seek to recognise the distinctive ethos and celebrate the traditions of all of the Academies in the MAT

Trustees' Report (continued)
For the Year Ended 31 August 2021

a. Objects and aims

The principle object and activity of the company is the operation of Staffordshire University Academies Trust to advance, for the public benefit, education for pupils of different abilities between the ages of 2 and 19.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives. In accordance with the Articles of Association the company has adopted a "Scheme of Government" approved by the Secretary of State for Education. The Scheme of Government specifies, amongst other things, the basis for admitting pupils to the Academies in the Trust, the catchment areas from which the pupils are drawn, and that the curriculum should comply with the substance of the national curriculum.

The main objectives of the Trust during the period ended 31 August 2021 are summarised below. The Trust seeks to ensure that all pupils aim to maximise their attainment by:

- Developing a culture based on high expectations for both academic success and behaviour that supports learning and improvements to pupil progress for all groups of pupils
- Creating a set of values and norms which every member of the Academies communities' must espouse and uphold
- Maximising the use of teaching time, for example, by cutting out the minutes that are wasted by low level disruption and poor lesson transitions
- Focussing on the basics particularly literacy and numeracy
- Preparing pupils to live in the digital age
- Achieving high levels of consistency; our pedagogy, classroom routines and behaviour policies are apparent throughout the Academies
- Seeking to reward effort as well as achievement
- Celebrating and developing resilience
- Systematically cultivating aspiration through the use of visits and role models
- Seeking to promote Fundamental British Values
- Adhering to Best Practice in relation to all aspects of Safeguarding

Trustees' Report (continued) For the Year Ended 31 August 2021

(continued)

b. Objectives, strategies and activities

With regards to achievement and progress the principal objectives for the year have been to:

- · Improve teaching and learning and assessment
- Respond to the demands created by the pandemic
- Improve levels of progress, achievement and attendance in all groups of pupils
- Review the curriculum in light of national changes to education policy
- Close identified gaps between disadvantaged and other groups of pupils
- Secure effective senior leadership and local governance
- Improve the extent and quality of pupil, parent and community engagement
- Support our young people's health and mental well-being
- Support schools in helping pupils to mitigate the impact of the pandemic on their attainment and progress

It is the primary concern of each Academy within the Trust to improve the standard of education provided within a safe and supportive environment.

With regards to organisational structures the key objectives for the year have been:

To continue to consolidate the integration of the Academies that joined SUAT in academic year 2020 / 2021

- To develop effective Due Diligence processes for the admission of new Academies into the Trust, strengthening the scrutiny of property related issues and school finance in general
- To strengthen further the link with the sponsor's Education Department
- To further develop teams of staff across the MAT
- To prepare for impending Ofsted inspections at individual Academy and MAT level
- To support the development of SUAT's own business team
- To develop a clear structure within the MAT's central team of staff
- To develop the Trust as the Connected MAT, and appoint a new post as Digital Lead for Teaching and Learning
- To start the process of linking the pupils in our Academies
- To strengthen the MAT's media profile
- To redevelop our 21 web sites

The synergy between the Academies, their wider partners and the university sponsor is leading to an increasing range of learning opportunities, improved practices and economies of scale as the Trust developed during 2020/21 and beyond.

Strategies to effect the objectives during the accounting period included:

- Support for the evolution of leadership structures at all levels at the secondary academy
- Support for the restructure of the support staff in a number of Academies
- Further development of our School Direct Cluster based at Perton Primary Academy
- Support for the new Headteachers at All Saints Primary School, Bednall and St Luke's Primary Academy
- Support with the Ofsted Action Plan at All Saints Primary School, Bednall
- Support with the restructure of governance and teaching staff structures at All Saints Primary School, Bednall
- The development and monitoring of Academy Development Plans aligned to the Trust's Objectives
- The support of EIPs in all Academies to audit existing performance against Trust objectives and support the implementation of the Academy Development Plans accordingly
- The introduction of strengthened Connected CPD provision across SUAT Academies
- · Fostering of new community links and greater engagement with outside agencies
- The further development of links with Teaching School Hubs, external CPD providers and with the

Trustees' Report (continued) For the Year Ended 31 August 2021

(continued)

sponsor

- The further development of the MAT-wide post of Director of Learning and School Improvement
- The creation of the post of SUAT's Digital Lead for Teaching and Learning
- To complete a restructure of SUAT's central team of staff
- Support for all Academies during the Covid-19 pandemic

The Trust's aspirations are reflected in the culture and ethos of the academies, in the way in which our communities are built upon sensitivity, tolerance and the appreciation of difference; at the heart of our work is the education of the young people in our care.

c. Public benefit

The Trustees have complied with the duty in Section 17 of the Charities Act 2011, to have due regard to public benefit guidance published by the Charity Commission in exercising their powers or duties. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set. The Trust has provided a fully comprehensive education to all pupils in its care. It fully complies with all statutory guidance and seeks to widen educational objectives via a strong community role and links with its university sponsor.

There have been a significant number of activities undertaken by the Academies in the Trust during the relevant financial period to further its charitable purposes for the public benefit. We feel that we make an outstanding contribution to community cohesion and the promotion of Fundamental British Values. The Trust seeks at all times to involve the academy workforces and pupil bodies in the promotion of community cohesion.

We are using the curriculum teaching and learning techniques as a tool in building community cohesion and promoting and consolidating Fundamental British Values. Within the taught curriculum each Academy's pupils learn about national, regional, ethnic and religious cultures, Fundamental British Values, the connections between them and between the UK and the wider world and they explore the concept of community cohesion and the different forces that bring about change in communities over time. Examples of this include:

- Opportunities across the curriculum to promote shared values and help pupils to value difference and challenge prejudice, discrimination and stereotyping
- Underpinned by strong local partnerships, multicultural elements of the curriculum are delivered through the Performing and Expressive Arts and by very strong links with other local schools and our global links, enhanced by the sponsor
- Our Citizenship work addresses the strand "Identity and Diversity: Living Together in the UK"
- We also have a full programme of educational visits, which increase pupils' understanding of
 community and diversity, for example, geography students study the different socio economic
 characteristics of residential areas. We have links with various and diverse places of worship in each
 locality. In the specialist subjects pupils study ethnic art and music, attend dance classes and African
 drumming workshops
- We provide support for pupils for whom English is an additional language; we seek to remove barriers to effective learning and enable pupils to be integrated so that they can achieve the highest possible standards. We hold assemblies that involve the local and wider community. We raise significant amounts of money and/or gifts for diverse organisations
- Our comprehensive use of data enables us to identify and tackle underperformance and we have effective policies and procedures in place to deal with discrimination, bullying and harassment; it is not tolerated
- We have worked hard to develop good partnership activities with parents and the wider community.
 The shared use of our facilities in our Academies provides a means for our pupils to interact, as do the numerous opportunities for meaningful intercultural activities such as sport, drama, music, festivals, volunteering activities and trips

Trustees' Report (continued)
For the Year Ended 31 August 2021

(continued)

Examples include:

- A programme of links through our extensive out-of-school learning programmes and work based learning opportunities
- The Principals meet with relevant District and County Councillors and with the local MPs
- The Academies work closely with the police and Community Police Officers, PCT and religious groups in their catchments
- · Our Academies invite theatre groups to visit and they visit multi ethnic events at Staffordshire University
- Trips to art galleries, media events, theatres, music concerts and dance festivals
- We participate in each community's Christmas and Arts Festivals
- We have developed a termly podcast compiled by pupils and staff in our Academies

The Academies of the Staffordshire University Academies Trust teach pupils in the 2 – 19 age range. In 2020 / 2021 pupils were admitted by adhering to the SUAT Admissions Policy. Pupils were admitted in the following order:

1. Children in Care and children who ceased to be in care because they were adopted (or became subject to a residence order or special guardianship order).

Children who satisfy both of the following tests:

Test 1: the child is distinguished from the great majority of other applicants either on their own medical grounds or by other exceptional circumstances.

Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This report must clearly justify, for health reasons only, why it is better for the child's health to attend the preferred SUAT Academy rather than any other school.

Exceptional circumstances must relate to the choice of school and the individual child, i.e. the circumstances of the child, not the economic or social circumstances of the parent/carer. They should be supported by a professional report (obtained by the applicant and provided at the point of application), e.g. social worker. This report must clearly justify why it is better for the child to attend the preferred SUAT Academy rather than any other school.

Test 2: the child would suffer hardship if they were unable to attend that SUAT Academy.

Hardship means severe suffering of any kind, not merely difficulty or inconvenience, which is likely to be experienced as a result of the child attending a different school. Applicants must provide detailed information about both the type and severity of any likely hardship at the time of application.

- 2. Children who have an elder sibling in attendance at that SUAT Academy (or in the case of the infant's Academy, the affiliated Junior Academy) and who will still be attending the Academy at the proposed admission date; (For admission purposes, a brother or sister is a child who lives at the same address and either: have one or both natural parents in common; are related by a parents marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.)
- 3. Children living within the catchment area of that SUAT Academies
- 4. Other children arranged in order of priority according to how near their home addresses are to the main gate of the SUAT Academy, determined by a straight-line measurement as calculated by the Local Authority's Geographical Information System

Trustees' Report (continued)
For the Year Ended 31 August 2021

(continued)

Where it is not possible to accommodate all children applying for places within a particular category then places will be allocated in accordance with the remaining criteria. If for instance, all the catchment area children cannot be accommodated at the Academy, children who are resident within the catchment area will be arranged in order of priority according to the remaining criteria.

Post Balance Sheet Events

It is with the deepest regret that on 23 September 2021, the Trust's CEO and Accounting Officer, Mr Keith Hollins, suddenly passed away. The Board appointed the COO, Mrs Rachel Bailye, as Interim CEO and Accounting Officer whilst it considers its options for strategic leadership in the future in partnership with the Regional School Commissioner and the Lichfield Diocease.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Strategic report

Achievements and performance

Almost annual changes to the curriculum, the examination system and the Ofsted inspection framework, in all phases, present ever greater challenges to performance and achievement. In 2020-2021 there was also the repeat of the very significant additional challenge presented by the impact of the Covid-19 pandemic on the national assessment systems.

The summer 2021 GCSE, AS and A level exam series was cancelled in order to help fight the spread of the coronavirus (COVID-19). Pupils due to sit the exams were awarded a grade based on Teacher Assessed Grades (TAGs).

The staff at Staffordshire University Academy used their professional experience to make a fair and objective judgement of the work that pupils submitted for assessment. They took into account the full range of available evidence when they graded pupils - including non-exam assessment; the results of any homework assignments, in-class assignments and/or timed exams; and any other existing records of student performance over the course of study. The evidence for each pupil's TAGs were moderated through various stages within the academy. The Academy Principal signed a declaration confirming that the teacher assessment grades were a true representation of their pupils' performance, before checking the data for accuracy, and submitting it to the exam board.

At Staffordshire University Academy the exam boards moderated samples of work across three subjects to determine the accuracy of grading. All samples were deemed to be accurate and no further quality assurance was required.

As 2019 was the last series of external examinations, this is the data set that has been used to compare this year's results through TAGs. Achievements at Key Stage 4 and 5 are as follows:

Staffordshire University Academy

Sixth Form

The grades students have been awarded this year have been produced through a combination of centre assessed grades, produced by the academy, and an external moderation process conducted by the exam boards. There were 20 students in this cohort with 7 boys and 13 girls.

Academic (A Level)

- 100% pass rate A* E (2019 80% pass rate A* E)
- The average grade that students have achieved (APS score) academic is: 32.89 (2019 22.65) This is equivalent to an average grade of a C+ (2019 D-)

Applied General (BTEC and OCR Cambridge Technical)

- 100% pass rate D*- Pass (2019 100%)
- The average grade that students have achieved is 30.20 equivalent to a Distinction- (D-) (2019 Distinction)

Destinations

7 students have been offered a place at their first choice for university. 2 students have been accepted on full time apprenticeships and 11 students have gained full time employment.

Key Stage Outcomes in the Primary Sector

Due to the Covid-19 pandemic the DfE did not ask primary schools for any Key Stage 2 academic data for the year 2020 / 2021.

a. Key performance indicators

Financial Key Performance Indicators include comparison to actual v budget, salary cost to income, ability to set a balanced budget. Compliance with SUAT Financial Regulations Manual and internal financial controls. Compliance with SORP and FRS 102. Effectiveness of the structure and function of governance at all levels in the Trust. Accuracy of year end management accounts and annual financial statements for the year. Reviewing cash flow to look for trends and show sustainability.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Strategic report (continued)

Achievements and performance (continued)

b. Going concern

After making appropriate enquiries, the Trust Board expects that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

c. Promoting the success of the company

The Trustees recognise that as company directors they must act in a way most likely to promote the success of the company. The Trust Board of SUAT does this by:

- Being aware of any likely long term consequences to any decision being made
- Taking into account the interests of the employees
- Fostering a positive business environment which extends to relationships with suppliers and all stakeholders
- Recognising that there is a moral imperative to understand the impact of the company's operations on the communities of the various Academies and to the environment
- Insisting that the company maintains a reputation for high standards of business conduct

In this way the MAT seeks to enhance the values-based culture that we are building across our company. Our purpose is not to provide a set of rules that covers every situation or challenge that SUAT may face, but to serve as a daily guide for the employees who are putting our values into action. Our people should understand what integrity, excellence, teamwork, and commitment mean to us and how we use these values to make sound, ethical decisions in the best interests of all stakeholders.

When we all work to understand the SUAT vision and values and guide our individual behaviour by them, we protect one of our greatest assets—our reputation. Every decision we make, every action we take, can affect employee morale, the way our communities perceive our company and the sustainable improvements that we achieve. We will continue to develop and prosper only if we keep that reputation intact.

Measures taken to improve energy efficiency

The Trust is very aware of its moral responsibility to reduce the amount of carbon emitted by all of our activities.

In doing so we are aiming to

- Reduce energy and resource use.
- Become more competitive and bring in new customers
- Meet stakeholder requests for information on our carbon emissions
- Understand the contribution our business is making to climate change and reduce it

SUAT has used verifiable data where reasonably practicable supplemented by meter data, invoices or annual statements from suppliers. The work completed by our Operations Manager is designed to increase awareness of energy costs within our Academies, by providing them with data to inform adoption of energy efficiency measures and to help them to reduce their impact on climate change. It also allows the Executive Team to provide greater transparency for the Trust Board and other stakeholders.

In assessing whether the 40,000 kWh threshold has been met, SUAT has considered, as a minimum, all the energy from gas, electricity and transport fuel usage in the UK that we are responsible for.

Trustees' Report (continued) For the Year Ended 31 August 2021

Strategic report (continued)

Achievements and performance (continued)

Our methodology is not complex as that would be too difficult to calculate for a business of this nature; it is, however, effective and accurate.

Gas - gas bills to determine usage

Electricity - electricity to determine usage

Mileage - claims forms.

In our calculations we convert kWh to kg of carbon released by our gas and electricity usage based on Greenhouse gas reporting conversion factors used by the Department for Business, Energy and Industrial Strategy.

For our vehicle use our carbon dioxide emissions are measured by weight, in grammes (g) and calculated by how much Co2 is emitted from the exhaust pipe per the distance driven, measured in kilometres (km).

For 2020-2021 our emissions were as follows:

- Gas based on the calculation that gas generation produces 0.5 kg of Co2 per kwh our Trust used 5,114,207kwh of gas which emitted 2,414,053 kgs of CO2
- Electricity based on the calculation that electricity generation produces 0.281 kg of Co2 per kwh our Trust used 1,532,338 kwh of electricity which emitted 429,831 kgs of Co2
- Transport our vehicles travelled 12769 kms and emitted 2,353,614 units of Co2

Measures taken across the Trust to reduce energy consumption include:

- We have installed smart meters
- We have increased the use of video conferencing for staff CPD, to reduce the need for travel between sites
- We have replaced windows, roofs and roof insulation in some of our Academies
- We have installed much improved insulation where appropriate
- We have invested over £300,000 in new roofs and windows
- We have installed modern boilers in some Academies investing over £60,000
- We had a successful bid of £114,000 for a grant to replace an oil fired boiler with a ground source heat pump
- We have installed motion sensors in some Academies
- Some of our Academies have gained revenue savings by investing in Salix loans for energy efficiency projects as well as reducing carbon emissions and improving the learning environment
- Staff have been encouraged to not light empty rooms or areas where daylight is sufficient
- Everyone is encouraged to turn off lights when leaving a room; this could reduce lighting costs by up to
- We have fitted energy saving lightbulbs
- Pupils are encouraged to be 'energy monitors' to inspect rooms and switch off lights at the end of lessons and break times
- We have a programme of installing LED lights
- Staff are strongly advised that when the heating is on keep windows and doors closed
- If it gets too hot, they adjust the thermostat or individual radiator controls instead of opening windows and losing heat
- Heating in all Academies is adjusted so that it's not coming on too early or turning off too late
- Temperatures have been reduced in classrooms
- Many meetings have been conducted in Teams to reduce the necessity for travel

We want our Academies to operate as efficiently as possible so that we can focus the majority of our resources on educating our pupils.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Strategic report (continued)

Achievements and performance (continued)

d. Financial review

Most of the Trust's income is obtained from the Education and Skills Funding Agency (ESFA) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2021 and the associated expenditure are shown as restricted funds in the statement of financial activities.

For the year ended 31 August 2021 total incoming resources of £26,997,436 and total expenditure of £24,583,134 resulted in a surplus of £2,414,302.

At 31 August 2021 the net book value of fixed assets totalled £49,049,170. This included £47,497,083 for the land & buildings, £347,863 for computer equipment, £1,183,217 for furniture & equipment and £21,008 for the motor vehicles.

The cash flow statement shows net funds have increased from £4,194,558 at 31 August 2020 to £4,531,136 at 31 August 2021.

Restricted income fund at 31 August 2021 is £1,227,066, pension reserve is £15,030,000 deficit and unrestricted income fund is £2,881,165.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Strategic report (continued)

a. Reserves policy

Purpose

The purpose of the Reserves Policy for Staffordshire University Academies Trust (SUAT) is to ensure the stability of the Trust's organisational operations, to protect it so that it has the ability to adjust quickly to financial circumstances, such as large unbudgeted expenditure, cyclical maintenance and working capital. In setting its Reserves Policy the Trustees have regard to both the needs of today's pupils as well as the ability of the Trust to implement future strategy.

Definitions and goals

Restricted General Reserves

Restricted reserves are represented by the main income for SUAT which is the general Annual Grant (GAG) and other grant contributions or donations that are received for a specific project or purpose. These funds are restricted for the use according to the funding agreements or donors' instructions.

SUAT's regular review of the level of Restricted General Funds forms an integral part of the review of reserves. There is no restriction on GAG carry forward. These funds can be utilised on the majority of constituent academies costs in future years. The review will encompass the nature of the income and expenditure streams, the need to match income with the commitments and the nature of reserves. The level of reserves will be determined by SUAT annually and can fluctuate depending on operational needs.

The Trustees have determined that SUAT should aim to have a minimum of £500,000 held in restricted reserves. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants, to aid cash flow, curriculum investment, expansion, make provision for future uncertainties in income and expenditure and provide a cushion to deal with unexpected emergencies, urgent maintenance and capital projects.

All reserves are reported and reviewed regularly by the Audit Committee. Expenditure from reserves must be approved by the Trust Board or the Chair (to their authorised limit).

Unrestricted Funds

These are made up of SUAT's activities for generating funds, investment income and other donations which are expendable at the discretion of the Trustees in furtherance to achieve the objectives of SUAT.

SUAT is confident that it will meet the required pension contributions from its projected income without significantly impacting on its planned level of charitable activity. It continues to calculate its 'free' or general unrestricted reserves without setting aside designated reserves to cover pension liability.

These funds are reviewed regularly by SUAT and its Audit and Risk Committee. Unrestricted funds are obtained through one off donations and are generally built up over time from fund generating activities and investments. Unrestricted Funds may be considered to cover a future deficit in restricted funds.

The Trustees have determined that SUAT should aim to have a minimum of £500,000 held in unrestricted reserves.

Designated Funds

These are unrestricted funds that have been allocated by SUAT for a particular purpose.

These funds are reviewed regularly and proved by SUAT and its Audit and Risk Committee; they are obtained by designating funds from the unrestricted funds.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Use of Reserves

1. Identification of appropriate use of reserves

SUAT and relevant staff (CEO / COO) will identify the need for access to reserve funds and confirm that the use is consistent with the purpose of the reserves as described in this policy. This step requires the analysis of the reason for any shortfall, the availability of any other sources of funds and an evaluation of the time period that the funds will be required and replenished.

2. Authorisation of the use of reserves

Use reserves of any kind will be authorised by SUAT Trust Board or its Resources Committee at the next available meeting. Approval should be noted in the minutes. The Chair of the Board is authorised to make decisions, in consultation with the CEO and COO, about the use of reserves to a limit of £25.000.

3. Relationship between constituent academies

The level of reserves built up from constituent Academies will ordinarily be considered to be their reserves. For the purpose of Trust Policy and consolidated financial statements reserves will be considered at an aggregated level.

4. Reporting and monitoring

The Trust Board and/or the Chair are responsible for ensuring that the funds are maintained and used only as prescribed in this policy. Upon approval of the use of these funds, the Trust will maintain a record of the use of the funds. The Audit and Risk Committee Committee will regularly monitor the progress of reserves.

Where three year financial forecasts indicate that an Academy will fall below the expected level of reserve, the Trust will intervene on a tiered basis in proportion to the scale of the issue in order to regain financial management in line with this policy.

Where Academies hold reserves substantially in excess of the target they will be expected to use these reserves in an appropriate and timely manner to enhance the outcome and experiences of pupil in the academy at the time.

At 31 August 2021 unrestricted general funds amounted to £2,881,165 (2020: £2,856,393), restricted general funds (excluding pension reserve) amounted to £1,227,066 (2020: £721,694), resulting in at total revenue funds carried forward of £4,108,231 (2020: £3,578,087),

No steps have been required as the Trust has maintained at least the minimum level of reserves required throughout the year.

Trustees' Report (continued) For the Year Ended 31 August 2021

b. Investment policy

The current policy is to only invest in risk free deposit accounts.

In essence the Staffordshire University Academies Trust (SUAT) Investment Strategy is:

- Regularly monitor cash flow and current account balances to ensure immediate financial commitments
 can be met (payroll and payment runs) and that the current account has adequate balances to meet
 forthcoming commitments. In practice a working balance of around £500,000 is likely to be maintained.
- 2. SUAT will seek to avoid its current account going overdrawn.
- 3. Identify funds surplus to immediate cash requirements and transfer to a fixed term deposit account or 32-day notice base linked account bearing a higher interest rate. Funds can be invested over a range of terms from 6 weeks up to 3 years, although investments for longer than 12 months are unlikely without specific permission of the Board.
- Develop a layered fund strategy across differing terms to provide a more structured deposit strategy with regular maturities throughout the year.
- 5. Periodically (at least annually) the Audit and Risk Committee will review interest rates and compare with other investment opportunities.
- 6. SUAT's current policy is to only invest in risk free deposit accounts.
- 7. Treasury management will be authorised as detailed by the Scheme of Delegation.

Trustees' Report (continued)
For the Year Ended 31 August 2021

c. Principal risks and uncertainties

The MAT has undertaken further work during the period to develop and embed the system of internal control, including financial, operational and risk management which is designed to protect the Trust's assets and reputation. The Trust has a very comprehensive Finance Manual.

Based on its mission, the Board, SUAT's Executive Team and each Academy's Senior Leadership Team undertake a termly comprehensive review of the risks to which the Academies are exposed. They identify systems and procedures, including specific preventable actions which should mitigate any potential impact on the Academies. The internal controls are then implemented and the subsequent year's appraisal will review their effectiveness and progress against risk mitigation actions. In addition to the annual review, the Board and Sponsor will also consider any risks which may arise as a result of any new area of work being undertaken by the MAT. In 2020-2021 this included the risks associated with the pandemic.

The purpose of the financial regulation system for SUAT is to ensure that the Trust maintains and develops systems of financial control that will comply with requirements, both of propriety and of good financial management. It is essential that these systems operate properly to meet the requirements of the funding agreement with the Department for Education.

The Trust complies with the principles of financial control outlined in the Academies Guidance published by the Department for Education. The Financial Regulations will provide detailed information on the Trust's accounting procedures.

The SUAT Board is responsible for ensuring that adequate internal controls are in place. Some of these controls are undertaken by the Trust Board itself. In practice, these are applied through the MAT Executive team, subcommittees to SUAT Board, Academy Principals and Local Academy Councils to ensure that the risks of error or fraudulent activity are minimised.

To ensure this the Trust Board will consider:

- Staff expertise
- Segregation of duties
- Documentation
- Register of business interests
- Financial Accounting systems and records

This manual is to be read by all staff involved with financial systems viz.

- 1. Directors / Trustees
- 2. Chief Executive Officer
- 3. Academy Principals
- 4. Academy Deputy Principals and Heads of School
- 5. Academy Assistant Principals
- 6. Chief Operating Officer
- 7. Finance Director
- 8. Finance Support staff
- 9. The Chairs of the Local Academy Councils (LAC)
- 10. Operations Manager

The Local Academy Council under the guidance of Trust Board will provide a framework of accountability for within their Academy.

Staffordshire University Academies Trust regularly monitors and reviews the Risk Register which includes the following risks and actions required to manage risk:

Failure to ensure that the financial systems of the MAT are suitable and maintained	Regular review of Systems by Finance Officer and CFO. Weekly meeting of CEO and COO. Termly review by Audit Committee. Internal Audit review termly.
Failure to ensure that an adequate Disaster Recovery Plan is in place in relation to the MAT's financial systems	Regular review of Disaster Recovery Plan by Audit Committee. Weekly meeting of CEO and COO.

During the year 2020-2021 the Trust has had a separate assessment of risk linked to the Covid pandemic. The Operations Manager has produced detailed guidance at all times and the Academies have adhered to guidance published by Public Health England, Staffordshire County Council and the Department for Education.

Organisation

The Trust has defined the responsibilities of each person involved in the administration of Trust finances to avoid the duplication or omission of functions and to provide a framework of accountability for Trustees and staff. The financial reporting structure is as follows:

The Trust Board

The Trust Board has overall responsibility for the administration of the Trust's finances. The Chief Executive Officer acts as Accounting Officer. The Board of Trustees formally delegates the day to day financial management of the budget and the responsibilities of the Accounting Officer to the Chief Executive Officer of SUAT. The CEO is supported in this task by the Finance Director, the Operations Manager and a team of Finance Assistants.

The financial responsibilities of The Board include:

- Ensuring the grant from the ESFA is used only for the purposes intended
- Approval of the annual budget for both the Trust and its Academies
- Appointment of SUAT's Central Staff and the Academy Principals
- Setting the terms of reference for the Board, its Committees and the LACs
- Approval for applications for business/credit cards
- Appointment of independent Auditors
- Approval for Bank Account
- Oversight of the Risk Register
- Strategic planning of resources

The Risk Management Strategy aims to ensure that the Trust complies with risk management best practice and with the requirements of both the Turnbull Guidance and the HM Treasury guidance contained in publication "Management of Risk – Principles and Concepts". At The Trust risk management is embedded in our on-going risk management processes. This enables us to succeed in our aim which is to achieve an acceptable level of comfort using the available resource and for the Board to be able to report sound arrangements in annual accounts.

Trustees' Report (continued) For the Year Ended 31 August 2021

The current processes and responsibilities for risk management in Staffordshire University Academies Trust can be summarised as:

- The Board acknowledges responsibility for the system of internal control
- · An on-going process is in place for identifying, evaluating and managing all significant risks
- An annual process is in place for reviewing the effectiveness of the system of internal control
- There is a system in place to deal with internal control aspects of any significant issues disclosed in the annual report and accounts

In assessing what constitutes a sound system of internal control the Board gives consideration to:

- The nature and extent of the risks facing the Trust
- The extent and categories of risk which it regards as acceptable
- The likelihood of the risks concerned materialising
- The Trust's ability to reduce the incidence and impact of the risks that do materialise

The objectives for managing risk across the Academies in The Trust are:

- To comply with risk management best practice, including the Turnbull guidelines
- To ensure risks facing the Trust are identified and appropriately documented
- To provide assurance to the Board that risks are being adequately controlled, or identify areas for improvement
- To ensure action is taken appropriately in relation to accepting, mitigating, avoiding and transferring risks

The Trust's Risk Management strategy aims to:

- Outline the roles and responsibilities for risk management.
- Identify risk management processes to ensure that all risks are appropriately identified, controlled and monitored
- Ensure appropriate levels of awareness throughout the academies in the Trust

The Accounting Officer has overall responsibility for risk management and has lead responsibility for risk management processes and the Trust-wide Risk Register. This responsibility includes:

- Monitoring the performance of risk management processes
- Ensuring that appropriate controls are in place to manage identified risks
- Preparation of periodic reports to the Board.

The Risk Register is formally reviewed each half term by the Chief Operating Officer and the Accounting Officer. A Risk Management Plan is submitted termly to the Board.

The approach to risk management is linked to the MAT's strategic aims and objectives. These have been set and agreed with the Board and can be summarised, in our context, as:

- High achievement and high value added
- Outstanding leadership and management
- Outstanding infrastructure
- Financial efficiency and excellent value for money
- Inspiring and supportive culture
- Strong community and stakeholder partnerships

The structure and organisation of the MAT's Risk Register follows the above structure to ensure that all significant objectives and activities have been identified and the risks associated with each area have been identified.

The SUAT Intervention Strategy is compiled within the compass of the 'risk cycle' as identified within the Risk

Trustees' Report (continued)
For the Year Ended 31 August 2021

Register.

The Intervention Strategy is designed to complement our Risk Strategy which is premised around the framework of Risk Management.

- Risk governance sets the tone and culture
- Risk assessment to identify new and changing risk landscape
- Risk quantification and aggregation enables prioritisation
- Monitoring and reporting of performance
- · Risk and control optimisation framework of controls to optimise cost / benefit

For the purposes of this Intervention Strategy the Trust will define its Operational Risk Appetite (ORA) as "the amount and type of risk that the MAT is prepared to seek, accept or tolerate". The MAT has adopted a robust risk management framework and Intervention Strategy. We are seeking to put in place a holistic risk management approach across the organisation. The challenge is how to make incremental improvements that have high value but low impact.

We recognise that an element of risk (innovation) is good for the further development of the MAT but understand that the risk needs to be properly controlled and regulated. In simple terms, expressing ORA is a question of defining what is acceptable to the Trust and what is not. This will be achieved within both the Risk Management and Intervention Strategies by deciding, for each type of risk, what is acceptable, what is unacceptable, and the parameters of the area between those two i.e. what is tolerable.

In order to ensure effective monitoring and governance, the risk appetite, and attendant intervention strategies, will incorporate a balanced mix of both quantitative and qualitative measures.

Quantitative Measures – income, expenditure, student numbers

Qualitative Measures - reputation, press relations, management effort

This approach will be applied across the full range of operational risk framework components (including risk and control self-assessment and scenario analysis) and will provide us with a clear indication of proportional response to the perceived materiality of the associated risk. Specifying a timeframe for resolution will emphasise the perceived urgency and significance of the underlying issue. This will promote a consistent understanding, of risk, across the MAT.

From the perspective of SUAT as a business there are a number of benefits to be accrued by defining ORA and our intervention strategies as this will:

- Enable the Board to exercise appropriate oversight and corporate governance by defining the nature and level of risks it considers acceptable (and unacceptable) and thus setting boundaries for future activities and behaviours
- Provide a means of expressing the Senior Leadership Teams' attitude to risk, which can then be communicated throughout the academies as part of promoting a risk aware culture
- Establish a framework for decision making (which risks can be accepted/retained, which risks should be
 mitigated and by how much) which ensures an appropriate balance between being risk seeking and risk
 averse
- Improve the allocation of risk management resources by bringing focus to higher priority issues
- Ensure an enhanced view of risk expenditure so that the costs of risk do not exceed the benefits
- Align strategic goals and operational activities through optimising the balance between the development
 of the Trust and the related risks inherent in pursuing those goals. This will enable the strategy to be put
 into effect
- Encourage more conscious and effective risk management practices

Trustees' Report (continued) For the Year Ended 31 August 2021

1. Government funding

The Trust has considerable reliance on continued government funding through the ESFA. In 2020/21, the majority of the Trust's revenue was ultimately public funded and this level of requirement is expected to continue. There can be no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

This risk is mitigated in a number of ways:

- · Funding is derived through a number of direct and indirect contractual arrangements
- By ensuring the Trust is rigorous in delivering high quality education and training
- Considerable focus and investment is placed on maintaining and managing key relationships with the ESFA

2. Maintain adequate funding of pension liabilities

The financial statements report the share of the Local Government Pension Scheme deficit on the Trust's balance sheet in line with the requirements of FRS 102. The details of the deficit and contribution rates for future years have been outlined in the Financial Review.

The Trustees believe that resources are deployed efficiently and effectively providing good value for money. Evidence to support this belief includes:

- Outcomes for groups and individuals generally show a trend of improvement; we are improving our ability to deploy resources to achieve positive outcomes for all groups of pupils
- The good overall condition of the site and buildings
- . The programme of buildings refurbishment undertaken as part of a detailed Asset Management Plan
- The increasing level of investment in equipment and resources
- A very successful SRMA audit in 2020-2021

Strengths of leadership and management in providing value for money include:

- Adherence to DfE financial standards
- Our Chief Operating Officer is a member of the Local Academy Council in two of the Academies, the
 CEO is a member of the Local Academy Council in two Academies, the Director of Learning is a
 member of the LAC in four Academies, the Operations Manager is a member of a LAC in two
 Academies; this provides a link between our financial processes and our ability to ensure that learning
 resources are sufficient to meet the demands of the curriculum and its organisation. The Accounting
 Officer is a former Head of a converter Academy, former Executive Principal of three other High
 Schools and a former National Leader of Education. He is also CEO of the MAT.
- Adherence to Best Value principles in contracting

Further evidence of effective leadership of financial activity includes:

- Significant investment in learning resources and in the Trust's real estate
- The Academies have maintained a balanced budget
- Favourable Internal and External audit reports
- Documented processes of budget allocation

Our planning for improvement aims to ensure that the human and physical resources of the Academies are adequate and able to support our priorities. In procedural and structural terms strengths include:

- Significant investment in a programme of staff learning, partly through the Trust's link with the
 Education Department at Staffordshire University, membership of the National College and also in our
 use of the Apprenticeship Levy. The Trust is a professional learning community.
- The allocation of funding to all departments requires them to build this spending into their Development

Trustees' Report (continued) For the Year Ended 31 August 2021

- Plans and provide evidence of improved outcomes.
- Allocation of capitation follows a set formula.
- Teaching staffing expenditure, as the highest percentage area of the budget, is closely monitored to
 ensure that provision matches timetabled demand with no overcapacity.
- Benchmarking exercises show that our overheads on premises and administration are well below the
 averages allowing staffing resources to be focussed on teaching and education support staff.
 Remodelling the workforce went beyond the tasks of the workforce agreement to provide better value
 and focus more staff on areas of expertise.

d. Continue of information and training for people who became disabled

At Staffordshire University Academies Trust (SUAT) we are committed to ensuring equality of opportunity for pupils with disabilities in relation to education and associated services, staff with disabilities in relation to employment rights, conditions and opportunities and all parents and members of the local community with disabilities in relation to additional services offered by or at our academies. The Trust is committed to ensuring that disabled people are afforded equality of opportunity in respect of entering and continuing employment with us. By 'employment', we mean all stages from recruitment and selection, terms and conditions of employment, access to training and career development, and, eventually, exit.

We aim to develop a culture of inclusion and diversity in which people feel confident about disclosing their disabilities in the certain knowledge that they will receive a positive and supportive response which facilitates their full participation in the full range of activities offered by our academies.

In particular, the achievement and participation of pupils and pupils with disabilities is monitored and we use this data to raise standards and ensure inclusive teaching.

We make reasonable adjustments in relation to teaching and learning and wider aspects of academy life to make sure that the educational environment is as accessible as possible. Our Academies use their accessibility planning duty to ensure that there is a rolling programme of improvements over time in relation to access to the curriculum, access to information for both pupils and their parents and access to all of our academies buildings, their facilities and amenities for all.

We foster a positive response to disability among all members of our academies' communities and seek to eliminate bullying, harassment or the less favourable treatment of people with disabilities wherever and whenever it is likely to occur. At SUAT, we believe that diversity is a strength, which should be respected and celebrated by all those who learn in, work in, and visit our communities. In making this assertion, we subscribe to the social model of disability.

SUAT recognises that pupils with a disability may face a range of barriers and discrimination. We will, wherever possible, endeavour to remove any barriers to disabled pupils, even if this means treating the student more favourably. We do not tolerate discrimination or bullying on the grounds of disability. This is included in our Antibullying and Equal Opportunities Policies.

SUAT encourages positive attitudes towards people with disabilities. Our staff are aware of our disabled pupils' needs and make adjustments to their resources and teaching styles of these pupils wherever required.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Fundraising

The Trustees have overall responsibility and accountability for SUAT's charitable status and this includes its fundraising. They recognise that they have a key role to play in setting the Trust's approach to raising funds, in making sure that it is followed in practice and that it reflects SUAT's values.

The Trustees' oversight of its charitable fundraising is designed to protect the Trust's reputation and to encourage public trust and confidence in the Trust. This includes following the law and recognised standards, protecting the Trust from undue risk, and showing respect for donors, supporters and the public.

The Trust Board has Trustees who possess the appropriate skills and abilities.

The Trust Board delegates day to day activities, and their management, to the Principals of the SUAT academies and their Local Academy Councils. They do not delegate their ultimate responsibility. SUAT's systems and processes allow the Trustees:

- to hold the Academy Principals and Local Academy Councils to account for how they carry out their role
- access to the right information and advice, to the appropriate level of detail, and in the best format
- to be assured that fundraising is compliant with the fundraising approach that SUAT has set, meeting the standards required by the Trustee's duties, and wider law and best practice

The Trust has systems in place to oversee the Academies' fundraising so that Trustees can be satisfied that it is, and remains, in SUAT's best interests.

The SUAT Finance Team ensures that there is strong management of SUAT"s assets and resources so that the Trustees can meet their legal trustee duty to act in the charity's best interests and protect it from undue risk.

The Trustees do not carry out the fundraising themselves. Therefore, they have delegated the day to day management of fundraising to the SUAT academies. Effective systems are in place so that:

- delegation is clearly documented, understood and implemented
- clear reporting procedures are in place
- there are checks that the delegated authority is exercised properly

The work of the fundraising volunteers is overseen by the Academy Principals. This is so that they:

- are clear about what they are supposed to do
- are aware of the rules and boundaries within which they must work
- work safely
- know what to do if there's a problem
- know what they need to report and who they report to

The Trustees recognise that they have a duty to manage and protect the Trust's reputation and other assets from undue risk. There are effective systems in place to identify the reputational risks that the Trust may face in its fundraising and to plan for their management.

Trustees' Report (continued)
For the Year Ended 31 August 2021

Plans for future periods

The Trust will support all of its Academies as they strengthen further the Recovery Curriculum following the Covd-19 pandemic. The Trust will continue striving to improve the levels of progress and attainment of all groups of pupils in all tiers and will continue its efforts to ensure its pupils maximise their progress and attainment. The Trust will also attempt to increase its recruitment up to the PAN, accepting transfers from other schools and Academies into all years where possible.

The Trust aims in the future to provide the opportunity for all pupils to experience an education that is fit for purpose. To achieve this, we draw up a community development plan, based on an identification and analysis of need. The plan's aim is to establish ways to benefit the wider community (from links with mainly local secondary and primary schools) and direct access to our facilities, curricular materials and the expertise of all of our employees.

The key aims and key objectives of the Trust in the immediate short term are:

- Continue to improve progress and attainment for all groups of pupils, within the context of the Recovery Curriculum following the Academies' closures due to the Covid-19 pandemic
- Develop further our blended learning approach to support home learning as and when necessary
- Reduction of in-Academy variation in pupils' progress across all groups but paying particular attention to vulnerable groups, SEND students and those with high IDACI scores (Income Deprivation Affecting Children Index)
- To further develop all pupils' capacity to become independent learners
- As part of the Behaviour for Learning System develop a more comprehensive rewards system and ensure consistent application
- To further develop strategies which encourage respect for other people and cultures and which promote community cohesion and Fundamental British Values
- · To review and refine pupil support structures to support both academic standards and wellbeing
- Develop monitoring and coaching systems to enhance further the role of teachers and mentors to support learning; strengthen further the link with Staffordshire University Education Department
- To continue to develop pedagogy and AFL
- To further develop and embed effective assessment across all subjects in response to assessment without levels agenda
- Further develop the role of staff with regards to improving the progress made by pupils, defining alternative curriculum direction, learning & teaching and behaviour. Further increase the breadth and range of curricular and extra-curricular opportunity to better meet the needs of the total pupil body in order to facilitate participation, progression, high achievement and improved wellbeing
- Develop community links and marketing strategies to increase the numbers on roll up to PAN
- Ensure the careful management of the budget to provide value for money
- To develop stimulating curricula in all Academies in order to better prepare pupils for the demands of the fourth industrial revolution

These will be achieved by the rigorous Quality Assurance of the Trust's Strategic Plan and the individual Academy Development Plans.

Across our family of schools, leadership and management are improving and increasingly effective. There is an emphasis on distributed and connected leadership using a robust line management system and staff are given responsibility for identifying issues and providing solutions but are also responsible for outcomes. The Senior Leadership Teams, focus their work on academy improvement and strategic developments. We also have additional capacity created by the MAT leadership arrangement and the work of the Director of Learning and School Improvement and the team of Education Improvement Partners. The MAT leadership structure has benefited the Academies in a number of significant ways:

 Increased status and influence for the Academies, working in partnership at local, regional and national level

Trustees' Report (continued)
For the Year Ended 31 August 2021

Plans for future periods (continued)

- A strengthened role for the members of the LACs in the strategic planning within the Academies
- A strengthened role, and career progression, for key non teaching staff in the leadership and management of the Academies in the Trust
- A powerful learning opportunity for some staff
- Career progression and important professional development with the evolution of a new structure throughout the MAT for both teaching and support staff
- It promotes a broader perspective within our leadership teams giving them the chance to work across twelve Academies, more as the Trust grows
- It has strengthened strategic and operational roles for staff at all levels
- It has increased contact through the tiers and has strengthened collaboration
- Strengthens internal system of self-review driving up standards still further
- Allows us to work with, manage and search out change
- Allows the MAT to distribute leadership and power, and improve teamwork and morale as a way of sharing vision and values
- Allows the CEO to be a 'resource investigator', investigating new initiatives and making use of the resultant funding; resources are a key driver in school improvement.
- Creates additional capacity for lesson observation and self-review through the use of the EIPs
- Focus on vision and strategy so that we get strategy and policy right

Funds held as custodian on behalf of others

Staffordshire University Academy were holding funds of £nil which related to monies collected for charities but not yet paid over.

Disclosure of information to auditors

Muy wan!

In so far as the Trustees are aware:

There is no relevant audit information of which the charitable company's auditors are unaware;

The Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Auditors

The auditors are willing to continue in office and a resolution to re-appoint Dains LLP will be proposed at the annual general meeting.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 3 December 2021 and signed on its behalf by:

Mary Walker Chair of Trustees

Governance Statement

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Staffordshire University Academies Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Chief Executive Officer, as Accounting Officer, for ensuring financial controls conform to the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Staffordshire University Academies Trust and the Secretary of State for Education. The CEO is also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees Responsibilities. The full Board of Trustees has formally met 4 times during the year. The pandemic had no impact on the structure or functioning of the Trust Board. The CEO continued to meet with the Chair of the Trust Board on a fortnightly basis, socially distanced. Some Trustees attended by Teams due to the Covid-19 pandemic.

Attendance during the year at meetings of the board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
James Capper	3	4
Roger Williams	3	4
Keith Hollins, Chief Executive Officer and	d 4	4
Accounting Officer		
Mary Walker, Chair of Trustees	4	4
Martin Jones	3	4
Jeremy Mellor	3	4
Trudy Pyatt	1	4
Gaye Blake-Roberts	4	4
Judith Wyman	4	4
Lynsay Jennings	4	4

The governors reviewed their performance at a meeting in July 2021.

The board has met less than six times a year but they maintain an effective oversight of funds through monthly management accounts and through the sub-committees of the Trust Board.

Additionally, SUAT has three committees which are sub-committees of the Trust Board. Attendance at meetings was as follows:

Audit Committee

Governance Statement (continued)

Review of value for money

As Accounting Officer, the Chief Executive has responsibility for ensuring that the Trust delivers good value in the use of public resources. The Accounting Officer understands that Value for Money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

During the year the CEO / Accounting Officer has delivered improved Value for Money by ensuring that the Trust delivers:

- Improving educational results for all groups of pupils. SUAT has supported school improvement for our
 pupils in order to raise their attainment and aspirations. SUAT is committed to supporting our pupils
 achieving their full potential through academic achievement, extra-curricular opportunities and extended
 learning to develop the whole person to help prepare them for higher education, further training or work.
 There has clearly been an impact caused by the pandemic.
- Ensuring that the Trust's response to the Covid-19 pandemic was measured, detailed and timely
- A robust tracking system for monitoring achievement
- Continual examination of how looking at how data can inform staff in order for them to support and extend the learning of the students
- A system where all our teams are focusing on the pupils' learning needs and encourage innovation and creativity to meet those needs
- A differentiated curriculum in order to make the most appropriate use of resources to meet pupils' needs
- A comprehensive pupil support service and specialist learning provision. Pupils benefit from one to one
 mentoring, small group work, external educational provision, where appropriate, and our experienced
 teams work with pupils to support their individual needs
- Rewards for excellence and encouragement for positive behaviour through our rewards schemes. We celebrate achievement and encourage pupils to try new activities to develop their confidence and leadership skills
- Ensuring that where possible additional needs of individual pupils are met and appropriate resources (staff and equipment) are made available such as one to one support or stretch and challenge for the HPA pupils
- By recognising the fact that Pupil Premium and vulnerable pupils are not a homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment take these groups and individual needs fully into account
- We use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the
 first instance. We also use high quality interventions with proven evidence of impact to assist our pupils
 who need additional support in a time limited way
- · We use the Pupil Premium for all year groups, not just those taking examinations at the end of the year
- Our key principles are that achievement for all pupils, including those from disadvantaged backgrounds, is best fostered in schools with an ethos of high expectations, where high quality teaching and learning is at the heart of all we do. To this end our curricula are designed and regularly reviewe to ensure that they meet the needs of all groups of pupils so that teaching and learning in the classroom is the main focus for raising achievement for all pupils
- Allocating well trained staff to teach intervention groups to improve numeracy and literacy
- Using attainment and progress data frequently to check whether interventions or techniques are working
 and making adjustments accordingly, rather than just using the data retrospectively to see if something
 has worked
- Making sure that our support staff, particularly Teaching Assistants, are highly trained and understand
 their role in helping pupils to achieve systematically focusing on giving pupils clear, useful feedback
 about their work, and ways that they can improve
- We ensure that class and subject teachers know which pupils are eligible for the Pupil Premium so that they can take responsibility for accelerating their progress
- We have a clear policy on spending the Pupil Premium, agreed by governors and publicised on each Academy's website, to provide well-targeted support to improve attendance, behaviour or links with families where these are barriers to a pupil's learning
- We have adopted a clear and robust performance management system for all staff, which included discussions about pupils eligible for the Pupil Premium in performance management meetings
- Our senior staff, Education Improvement Partners, Local Academy Council Members and governors are

Governance Statement (continued)

Review of value for money (continued)

- thoroughly involved in the decision making and evaluation process
- We are able, through careful monitoring and evaluation, to demonstrate the impact of each aspect of our spending on the outcomes for our pupils, across the SUAT
- The Partnership arrangement with the Education Department at Staffordshire University provides Value for Money by enhancing the quality of outcomes for the pupils within our academies by working together to improve teaching and learning and providing better quality training opportunities for all staff
- Provided a massive amount of support to Academies in response to the Covid-19 pandemic

In addition, we are seeking to effect Value for Money by:

- Examining the potential to offer joint appointments across the MAT; in this respect we appointed an ICT Director who works for both SUAT and Staffordshire University Academy
- Achieving economies of scale in purchasing policy, for example, ICT procurement, ICT technical support administrative supplies, maintenance work, cleaning and catering, grounds maintenance
- Achieving savings in planning and administrative time, and developing the potential for MAT
 administrative staff who can work with each Academy. Our Finance Assistants each have a case load of
 Academies.
- Enhancing strategic planning across all phases and Academies
- Joining together to access extended services, for example, support through consultants for staff and pupil well being
- Providing ICT back up through a service level agreement between providers and SUAT
- Providing support for web sites in the Academies by negotiating a favourable SLA with a provider

SUAT has dedicated Audit and Risk and Resources Committees, who are responsible for determining SUAT's financial priorities linking this to the long term vision, the Trust's Strategic Development and Business Plans and directions given by the Board. Advised by the Accounting Officer the Board have a strong oversight of the financial management of SUAT; and robust internal systems and controls are in place.

The Board are committed to their roles and understand their responsibilities; the terms of reference for all committees are reviewed and approved annually. All new Board Members receive a comprehensive induction from the CEO, the Chief Operating Officer and the Clerk to the Trust Board.

The budgets for each Academy are approved annually by the Trust Board. All relevant staff involved in the preparation of the budget, and all financial reports, are mindful of the need to balance the budget against income to ensure the Academies and SUAT remain 'going concerns'. The committees meet termly to review our financial position, to receive reports from the Finance Director, the Operations Manager and the Accounting Officer, and to challenge decisions. The Finance controls are reviewed annually. SUAT's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability.

SUAT academies takes a prudent approach to expenditure. As approximately 70 - 80% of budget is spent on staffing, each Academy's staffing structure is reviewed annually to ensure that it is fit for purpose and can adapt and respond to support the successful attainment of the objectives within the academy's development plan.

Contracts and services are regularly appraised and renegotiated when appropriate to ensure value for money. The Academies obtain three quotes for all purchases over £1,000 unless there is only a sole supplier available. The tendering process is used for all purchases over £10,000. Budget holders actively look for best value and this is overseen by the Operations Manager and the Finance Director. The SUAT teams always assess the cost and benefits of various options before making a decision to ensure the right option for the longer term. SUAT uses compliant frameworks where appropriate, including tender processes to achieve best value for higher value procurement. On smaller value procurement, our Budget Holders are continuously looking for the most competitive deals using various procurement tools such as internet shopping, advice from other schools and economies of scale. We have a member of the MAT team, the Operations Manager, who specifically deals with procurement and is constantly checking for best value.

Governance Statement (continued)

Review of value for money (continued)

SUAT has a cycle of review for its on-going services from external organisations to ensure those services continue to meet the needs of the Academies, are the best available to us at that time, and offer good value for money. Tender exercises are regularly undertaken to ensure that high value contracts are assessed against the marketplace on a regular basis to ensure that long term contracts (3 to 5 years) remain competitive.

A proactive approach is taken towards preparing funding bids and generating revenue streams in order to maximise income generation. The academies explore every opportunity to generate income through hire of the academy facilities.

A monthly cash flow forecast ensures that all surplus cash balances are invested in interest bearing accounts to maximise interest earning potential.

SUAT has a comprehensive Risk Register in place, which is reviewed annually by the Members, Senior Leadership Team and termly by the Audit and Risk Committee. Risk Reports are presently termly to the Board. The SUAT Academies have Business Continuity and Disaster Recovery Management procedures in place and also have procedures covering the recovery of the financial accounting system. SUAT tests these procedures at regular intervals and records areas where the procedures are not sufficiently robust.

Monthly budget monitoring reports are produced by the finance team. These reports are reviewed by the CEO, Finance Director and the Principal / Local Academy Council of each Academy. Remedial action is taken to address any significant variances that may have an impact on the budget out-turn

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

Capacity to handle risk

The Trust Board has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the year ending 31 August 2021 and up to the date of approval of the Annual Report and financial statements. This process is regularly reviewed by the Board of Trustees.

The risk and control framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- regular reviews by the Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- · setting targets to measure financial and other performance
- · clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties
- identification and management of risks

Governance Statement (continued)

The risk and control framework (continued)

The Board of Trustees has decided to buy-in an internal audit service from Staffordshire County Council

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint an internal auditor; this has been Staffordshire County Council's Internal Audit team. Their role included giving advice on financial matters and performing a range of checks on SUAT's financial systems. On a termly basis they report to the Board of Trustees on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities. The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems. In particular, the checks carried out in the current period included:

- Financial Management
- Income
- Purchases
- Debit Cards
- Inventory
- Payroll
- Data Protection
- Health & Safety

Examples of areas for improvement are:

- In limited cases the insurance limit for cash on site has been exceeded and income has not been banked in line with Financial Regulations
- Lettings Agreements
- The inventory record is not yet accurate enough in some Academies

The internal auditors ensured that we were carrying out processes in line with our policies. Their reports were delivered on time and included their audit opinion of adequate assurance for all of the checks carried out; this was then reported to the Audit and Risk Committee.

In 2020/2021 SUAT maintained its extra layer of internal audit. These are rigorous audits carried out on the Academies' HR and finance functions, by our Finance Director and Operations Manager. This team of staff audit the following:

On Site Visit Checks:

- Personnel Files
- Payroll & Travel and Expense Forms
- Credit Card Statement
- Safe
- Tin
- Cash
- Parent Pay
- Petty Cash
- Procurement Sample Checks
- Budget Approval

Central checks carried out by Central Finance Team:

- Virement Approvals
- Credit Card Statement Signed by Budget Holder
- Paying In Slips Signed by 2 people
- Paying In Slips cash does not exceed £1,000
- VAT on Sales Invoices
- Charges & Remissions published on website
- Petty Cash Transaction do not exceed £15
- Sample Payroll Checks Including paid weeks and holiday overtime
- Governance Including record of attendance & pecuniary interests published on website

Governance Statement (continued)

The risk and control framework (continued)

- Aged Creditors Review
- Aged Debtors Review

Personnel Files

Select random sample of workforce.

Paper or electronic files should contain:

- Advert
- Job Profile
- Application Form
- Recruitment Monitoring Form
- Qualifications (Copies of Certificates)
- Reference Requests Forms
- Right to Work
- DBS including Identification Evidence
- PEAQ Form
- Appointment Letter
- Contract
- Annual Salary Letters
- Safeguarding Level 1
- Keeping Children Safe in Education
- Childcare Disqualification Declaration
- Variations (if any)
- Termination (if applicable)

Payroll and Travel & Expenses Forms

Select a random month to sample.

Each form should contain:

- Accurate Information
- VAT Receipts
- Authorised
- Signed by relevant people

Credit Card Statements

Select a random month to sample.

Each credit card folder should contain:

- Invoices
- Credit Card Statement including POIN number

 Signed by Budget Holder

Check POIN on PSF to ensure all details have been entered correctly:

- Invoice Date
- Period
- Supplier Name
- Description
- Net
- VAT
- Gross

Safe

Check safe and ensure:

- Limit does not exceed £1,000
- Safe is fitted in the correct way Bolted to floor
- Keys are held by Principal and Office Manager

Governance Statement (continued)

The risk and control framework (continued)

Tin

Check tin and ensure:

- Limit does not exceed £250
- Tin is kept in a lockable place with limited access
- Keys are held by Principal and Office Manager

Cash

- All cash has been receipted using sequentially numbered receipt book
- Receipts include date, amount, description, method (cash or cheque)
- Counted, checked and signed by 2 people
- Cash is held in a secure lockable place
- Cash is banked at least once a month
- Cash should not exceed £1,000 in the safe or £250 in a lockable tin

Parent Pay

Select a random sample of payment items set up on Parent Pay.

- Review:
- Accurate details
- Correct VAT rates
- Aged Debts

Petty Cash

- Review Petty Cash reconciliation
- Balance does not exceed £50 on site
- Purchases do not exceed £15
- VAT Receipts

Procurement Sample Checks

Select a random sample from PSF and review:

- £1,000 £2,500 2 written quotes
- £2,500 £30,000 3 written guotes
- £30,000 £50,000 3 formal tenders

Budget Approval

- Check Budget on BPS
- Check Budget has been approved in minutes

Review of effectiveness

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the Finance Director and the Operations Manager
- the work of the internal Auditor;
- the work of the external Auditor;
- the financial management and governance self-assessment processes with the Trust;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Statement on Regularity, Propriety and Compliance

As Accounting Officer of Staffordshire University Academies Trust I have considered my responsibility to notify the academy trust Board of Trustees and the Education and Skills Funding Agency of material irregularity, impropriety and non compliance with ESFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregularity or improper use of funds by the Academy Trust, or material non compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

Rachel Bailye

Accounting Officer
Date: 3 December 2021

Statement of Trustees' responsibilities For the Year Ended 31 August 2021

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

select suitable accounting policies and then apply them consistently;

observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;

make judgments and accounting estimates that are reasonable and prudent;

state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Trustees and signed on its behalf by:

Mary Walker Chair of Trustees

Independent Auditors' Report on the financial statements to the Members of Staffordshire University Academies Trust

Opinion

We have audited the financial statements of Staffordshire University Academies Trust (the 'academy trust') for the year ended 31 August 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy trust's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Independent Auditors' Report on the financial statements to the Members of Staffordshire University Academies Trust (continued)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the academy trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy trust or to cease operations, or have no realistic alternative but to do so.

Independent Auditors' Report on the financial statements to the Members of Staffordshire University Academies Trust (continued)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the senior statutory auditor ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the academy trust through discussions with directors and other management, and from our commercial knowledge and experience of the education sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the academy trust, including the financial reporting legislation, Companies Act 2006, taxation legislation, anti-bribery, employment, and environmental and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the academy trust's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in note 2 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- · reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with HMRC, relevant regulators and the academy trust's legal advisors.

Independent Auditors' Report on the financial statements to the Members of Staffordshire University Academies Trust (continued)

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the academy trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy trust's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

Independent Reporting Accountant's Assurance Report on Regularity to Staffordshire University Academies Trust and the Education & Skills Funding Agency

In accordance with the terms of our engagement letter dated 21 September 2018 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Staffordshire University Academies Trust during the year 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Staffordshire University Academies Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Staffordshire University Academies Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Staffordshire University Academies Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Staffordshire University Academies Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Staffordshire University Academies Trust's funding agreement with the Secretary of State for Education dated 30 June 2014 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

Independent Reporting Accountant's Assurance Report on Regularity to Staffordshire University Academies Trust and the Education & Skills Funding Agency (continued)

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements
For the Year Ended 31 August 2021

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Staffordhire University Academies Trust meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Notes to the Financial Statements For the Year Ended 31 August 2021

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the Statement of Financial Activities in the year in which it is receivable (where there are no performance-related conditions) where receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy trust has provided the goods or services.

Transfer on conversion

Where assets and liabilities are received by the academy trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the Balance Sheet at the point when the risks and rewards of ownership pass to the academy trust. An equal amount of income is recognised as a transfer on conversion within 'Income from Donations and Capital Grants' to the net assets received.

Donated fixed assets (excluding transfers on conversion or into the academy trust)

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

Notes to the Financial Statements For the Year Ended 31 August 2021

1. Accounting policies (continued)

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Tangible fixed assets

Tangible fixed assets costing £1,000 or more are capitalised and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities incorporating income and expenditure account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following basis:

Long term leasehold property
Long term leasehold land

- 2% straight line

Long term leasehold land Furniture and equipment

0.8% straight line15% & 25% straight line

Motor vehicles

- 25% straight line

Computer equipment

- 33.3% straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment looses are recognised in the Statement of financial activities incorporating income and expenditure account.

Notes to the Financial Statements For the Year Ended 31 August 2021

1. Accounting policies (continued)

1.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.8 Liabilities

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.9 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 14. Prepayments are not financial instruments. Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 16 and 17. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Notes to the Financial Statements For the Year Ended 31 August 2021

1. Accounting policies (continued)

1.11 Pensions

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Notes to the Financial Statements For the Year Ended 31 August 2021

1. Accounting policies (continued)

1.12 Conversion to an academy trust

The conversion from a state maintained school to an academy trust involved the transfer of identifiable assets and liabilities and the operation of the school for £NIL consideration. The substance of the transfer is that of a gift and it has been accounted for on that basis as set out below

The assets and liabilities transferred on conversion from Little Aston Primary School to the academy trust have been valued at their fair value. The fair value has been derived based on that of equivalent items. The amounts have been recognised under the appropriate Balance Sheet categories, with a corresponding amount recognised in Income from Donations and Capital Grants in the Statement of Financial Activities and analysed under unrestricted funds, restricted general funds and restricted fixed asset funds.

Leasehold land and buildings

On the transfer date of 1 December 2020, land and buildings have been transferred on a 125 year lease from Staffordshire County Council. The value is based upon the valuation provided by FHP Property Consultants under the depreciated replacement cost for specialised assets as set out in Financial Reporting Standard 102 (section 17). The school site has been credited as a donation in the Restricted Fixed Asset Fund column of the Statement of Financial Activities and included within tangible fixed assets on the balance sheet.

Local Government Pension Scheme (LGPS) deficit

The obligation relating to the employees in the LGPS scheme that were transferred as part of the conversion from the maintained schools were transferred to Staffordshire University Academies Trust on 1 December 2020. The deficit on the Local Government Pension Scheme has been debited as a donation in the Restricted General Funds column of the Statement of Financial Activities and included within the LGPS liability on the balance sheet.

Cash

Cash balances at 1 December 2020 in respect of the maintained schools and school funds were transferred to Staffordshire University Academies Trust. These cash balances have been credited as a donation in the Statement of Financial Activities under the Unrestricted Fund column and included within the cash and bank balances on the balance sheet.

Further details of the transaction are set out in note 25.

1.13 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the academy trust does not have control over the charitable application of the funds. The funds received and paid and any balanced held are disclosed in note 32.

1.14 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

Notes to the Financial Statements For the Year Ended 31 August 2021

1. Accounting policies (continued)

1.15 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

The Academy has been eligible to claim from the government support schemes in response to the Covid-19 outbreak. The Trust furloughed certain staff under the government Coronavirus Job Retention Scheme. The funding received of £15,630 relates to claims made in respect of the year.

The Trust received £295,716 of funding for catch-up premium and costs incurred in respect of this funding totalled £295,716.

Notes to the Financial Statements For the Year Ended 31 August 2021

3. Funding for Academy's educational operations (continued)

*Following the reclassification in the Academies Accounts Direction 2020/21 of some grants received from the Department of Education and ESFA, the academy trust's funding for Pupil premium, Teachers pension grant, Early year funding and PE grant are no longer reported under the Other DfE Group grants heading, but as separate lines under the Other DfE/ESFA grants heading. The prior year numbers have been reclassified.

Early years funding had previously been shown in DfE/ESFA grants, in the current year this funding is show within other goverance grant. The prior year numbers have been reclassified.

b. Non-statutory/non-contractual staff severance payments

Included in staff restructuring costs are non-statutory/non-contractual severance payments totalling £10,839 (2020: £30,000). Individually the payments were £6,904, £3,046 and £888.

Notes to the Financial Statements For the Year Ended 31 August 2021

9. Staff (continued)

c. Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2021 No.	2020 N o.
Teachers	183	181
Administration and support	367	364
Management	54	44
	604	589
	=	

d. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2021 No.	2020 No.
In the band £60,001 - £70,000	9	6
In the band £70,001 - £80,000	-	2
In the band £80,001 - £90,000	1	-
In the band £90,001 - £100,000	2	2
In the band £120,001 - £130,000	-	1
In the band £130,001 - £140,000	1	-

e. Key management personnel

The key management personnel of the academy trust comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy trust was £367,721 (2020 - £252,284).

Notes to the Financial Statements For the Year Ended 31 August 2021

10. Central services

The academy trust has provided the following central services to its academies during the year:

- Human Resources
- Financial Services
- Legal Services
- Education Support Services
- Purchasing & Procurement Services
- Facilities
- Audit Services
- Insurance
- Communication Services
- ICT Technical Support & Helpdesk
- Marketing Services
- Health & Safety

The academy trust charges for these services on the following basis:

The trust charges for these services based on 5% of GAG income.

The actual amounts charged during the year were as follows:

	2021	2020
	£	£
Staffordshire University Academy	173,380	173,558
Moorgate Primary Academy	56,418	<i>55,746</i>
John Wheeldon Primary Academy	95,060	94,541
Littleton Green Community School	73,332	74,387
Boney Hay Primary Academy	37,826	39,524
Tynsel Parkes Primary Academy	30,155	29,189
St Edward's CE Academy Cheddleton	36,813	37,301
Perton Primary Academy	42,965	42,239
All Saints CE Academy	17,831	15,461
Charnwood Primary Academy	42,201	39,916
St Augustine's CE Academy	12,879	12,436
St Peter's CE Academy	12,814	12,676
St Luke's CE Academy	40,500	38,938
Horton St. Michael's First School & Nursery	16,288	16,084
Dove CE Academy	23,415	19,513
Church Eaton Primary School	19,315	15,662
St Paul's CE (CV) First School	26,553	22,837
All Saints CE Primary School	16,986	13,104
St Leonards CofE First School	14,534	10,152
Little Aston Primary Academy	30,596	-
Total	819,861	763,264

Notes to the Financial Statements For the Year Ended 31 August 2021

11. Trustees' remuneration and expenses

One or more Trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Trustees' remuneration and other benefits was as follows:

		2021	2020
		£	£
Keith Hollins	Remuneration	135,000 -	125,000 -
		140,000	130,000
	Pension contributions paid	N/a	N/a

During the year ended 31 August 2021, expenses totalling £1,092 were reimbursed or paid directly to 1 Trustee (2020 - £1,795 to 1 Trustee).

12. Trustees' and Officers' insurance

The academy trust has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

The specific purposes for which the funds are to be applied are as follows:

Unrestricted General Funds

This fund represents those resources which may be used towards meeting any of the chartiable objects of the academy trust at the discretion of the trustees.

Restricted General Funds

This fund represents grants received for the academy trust's operational activities and development.

Pension reserve

This fund represents the academy trust's share of the pension liability arising on the LGPS pension fund.

Restricted Fixed Asset Fund

This fund relates to grant funding received by the ESFA to carry out works of a capital nature and also the donation of leasehold land, buildings and playing fields from the local authority on a 125 year lease and a small amount of capital expenditure from GAG and other sources of income.

25. Conversion to an academy trust

On 1 December 2020 Little Aston Primary School converted to academy trust status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to Staffordshire University Academies Trust from Staffordshire County Council for £NIL consideration.

The transfer has been accounted for as a combination that is in substance a gift. The assets and liabilities transferred were valued at their fair value and recognised in the Balance Sheet under the appropriate heading with a corresponding net amount recognised as a net gain in the Statement of Financial Activities as Income from Donations and Capital Grants - transfer from local authority on conversion

The following table sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the Statement of Financial Activities.

Tangible fixed assets	Unrestricted funds £	Restricted funds £	Restricted fixed asset funds £	Total funds £
Leasehold land and buildings	-	-	3,065,000	3,065,000
Current assets				
Cash - representing budget surplus/ (deficit) on LA funds	99,094	-	-	99,094
Cash - representing budget surplus on other school funds	83,129	-	-	83,129
LGPS pension (deficit)	-	(222,000)	-	(222,000)
Net assets/(liabilities)	182,223	(222,000)	3,065,000	3,025,223

The above net assets include £182,223 that were transferred as cash.

The leasehold rights to the school's playing fields were transferred to Staffordhsire University Academies Trust from Staffordshire County Council for £nil consideration. The basis for this valuation is detailed in the accounting policies note 1.

The LGPS pension deficit represents the deficit at 1 December 2020 in respect of employees of maintained schools and have transferred to the multi academy trust. The basis for this valuation is detailed in note 1 and note 28.

Acquisition of tangible fixed assets	238,992	-

Notes to the Financial Statements For the Year Ended 31 August 2021

27. Pension commitments

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Staffordshire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £351,774 were payable to the schemes at 31 August 2021 (2020 - £309,049) and are included within creditors.

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £1,986,925 (2020 - £1,749,378)

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Notes to the Financial Statements For the Year Ended 31 August 2021

27. Pension commitments (continued)

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £1,355,000 (2020 - £1,181,000), of which employer's contributions totalled £1,101,000 (2020 - £952,000) and employees' contributions totalled £254,000 (2020 - £229,000). The agreed contribution rates for future years are 23.6 per cent for employers and 5.5-12.5% per cent for employees.

As described in note 2 the LGPS obligation relates to the employees of the academy trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions

	2021 %	2020 %
	70	70
Rate of increase in salaries	3.30	2.60
Rate of increase for pensions in payment/inflation	2.90	2.20
Discount rate for scheme liabilities	1.65	1.70
Inflation assumption (CPI)	2.90	2.20
Commutation of pensions to lump sums - pre April 2008	50.00	50.00
Commutation of pensions to lump sums - post April 2008	75.00	75.00

Notes to the Financial Statements For the Year Ended 31 August 2021

27. Pension commitments (continued)

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2021 Years	2020 Years
Retiring today		
Males	21.4	21.2
Females	24.0	23.6
Retiring in 20 years		
Males	22.5	22.1
Females	25.7	25.0
Sensitivity analysis		
	2021 £000	2020 £000
Discount rate +0.1%	(759)	(558)
Discount rate -0.1%	759	558
Mortality assumption - 1 year increase	1,155	817
Mortality assumption - 1 year decrease	(1,155)	(817)
CPI rate +0.1%	666	483
CPI rate -0.1%	(666)	(483)
Salary rate +0.1%	81	65
Salary rate -0.1%	(81)	(65)
Share of scheme assets		
The academy trust's share of the assets in the scheme was:		
	2021 £	2020 £
Equities	9,838,000	6,660,000
Debt instruments	2,633,000	1,959,000
Property	970,000	784,000
Cash and other liquid assets	415,000	392,000
Total market value of assets	13,856,000	9,795,000

The actual return on scheme assets was £2,037,000 (2020 - £58,000).

Notes to the Financial Statements For the Year Ended 31 August 2021

	2021	2020
	£	£
At 1 September	9,795,000	7,907,000
Transfer in of schools joining the trust	604,000	947,000
Interest income	185,000	176,000
Actuarial gains/(losses)	2,037,000	(302,000)
Employer contributions	1,101,000	949,000
Employee contributions	254,000	228,000
Benefits paid	(120,000)	(110,000)
At 31 August	13,856,000	9,795,000

Notes to the Financial Statements For the Year Ended 31 August 2021

28. Operating lease commitments

At 31 August 2021 the academy trust had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2021 £	2020 £
Not later than 1 year	22,481	34,397
Later than 1 year and not later than 5 years	3,229	14,431
	25,710	48,828

29. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

30. Related party transactions

Owing to the nature of the academy trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

During the year the Trust purchased tuition and education improvement services, learning resources and governance reviews from Staffordshire University totalling £14,204 (2020: £13,841), the amount outstanding in creditors at the year end was £Nil (2020: £1,800). The trust also made sales during the year to Staffordshire University totalling £31,020 (2020: £7,817), the amount outstanding in debtors at the year end was £9,250 (2020: £4,457). In entering into the transactions the trust has complied with the requirements of the Academies Financial Handbook 2020.

T Ward, spouse of K Hollins, a trustee during the year, is employed by the academy trust as a Director of learning and school improvement. T Ward is paid within the normal pay scale for her role and received no special treatment as a result of her relationship to a trustee.

31. Agency arrangements

The academy trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting year end 31 August 2021 the trust received £3,952 and disbursed £8,783 from the fund. An amount of £251 is included in other creditors relating to undistributed funds that is being carried forward for distribution in 2021/2022.
