#### TRUSTEES' REPORT

#### **31 DECEMBER 2017**

The Trustees present their report and financial statements for the year to 31 December 2017. The report has been prepared in accordance with Part 8 of the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), effective from accounting periods commencing 1 January 2016 or later. The information on page 1 forms part of this report. The company was incorporated on 29 September 2011.

#### Objectives and activities

The objects of the charity as set out in its governing documents are:

- a) The advancement of learning and education in particular at Westminster School; and
- b) Such other exclusively charitable purposes as the Trustees may in their absolute discretion determine

The charity primarily achieves these objectives through the provision of grants to Westminster School.

#### Appointment and training of trustees

Trustees are appointed to the Charity Board by the shareholder and/or existing Trustees through a nomination and election process. A list of Trustees who served throughout the period is provided on page 1. Trustee training is provided by the charity's advisors and other training organisations as required. Trustees are encouraged to attend appropriate external training courses / seminars to enhance their expertise. The trustees are aware of the The Charity Governance Code published in 2017 which sets out the principles and recommended practice for good governance within the sector. The Charity is reviewing its current governance arrangements against the principles within the code and will address any issues raised where required in the 2018 accounts.

#### **Public benefit**

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning future activities.

#### Risk management

The Board regularly assesses the risks to which the charity is exposed, agrees how best those risks may be mitigated and takes the appropriate action to manage them. These risks are both financial and operational and the review ensures that appropriate mitigating action is taken to address these risks. The main risks are associated with the effective management of the charity cash assets and the recipient organisations' use of grants awarded. These risks are addressed by the Trustees by their close and active involvement in the monitoring process relating to funding and through regular reviews and meetings with the charity's appointed bankers and professional advisors.

#### TRUSTEES' REPORT (CONTINUED)

#### **31 DECEMBER 2017**

#### Grant making policy

The primary beneficiary of grants from the Foundation is Westminster School ('the School'). The Foundation's grant making procedure is as follows:

- 1) Applications will be received from the School (and, if the Board sees fit, any other charitable bodies as appropriate);
- 2) Applications are considered once a year (or more often if the Board sees fit) and are reviewed to determine whether they sit within either the criteria set by the Board or the restrictions set by the donor;
- 3) Awards are given on the basis of merit and a programme of follow up will be agreed with the recipient in accordance with Charity Commission guidelines;
- Reporting received will be scrutinised and a summary report included annually within the Directors' Report and Accounts.

#### Review of activities and future developments

In 2017, applications were made by the School for a grant towards the Westminster School Bursary programme. This was approved, utilising funds received from July 2016 through July 2017.

The costs incurred in the management of the charity consisted of bank fees; fees for the preparation and Independent Examination of the charity's accounts; and legal fees relating to secretarial services.

Over the next 12 months, the School projects that their fundraising priorities will focus on the Westminster School Bursary programme. The Westminster School Bursary programme allows the School to continue its policy of needs-blind admission and currently raises roughly £0.4m annually to fund existing bursary places. The Foundation intends to support the School in this fundraising.

#### Financial review

For the year to 31 December 2017 there was a decrease in total incoming resources from £123,678 to £30,755. Total resources expended increased from £58,074 to £122,086 this year.

Total funds held at 31 December 2017 were £37,236 (2016: £128,567) and consist of restricted funds of £8,008 (2016: £3,508), unrestricted funds of £29,227 (2016: £125,058) and share capital of £1 (2016: £1).

The Board believes that the funds are sufficient to enable the Foundation to meet its obligations for the foreseeable future and meet the desired reserves policy (see below).

#### TRUSTEES' REPORT (CONTINUED)

#### **31 DECEMBER 2017**

#### Reserves policy

End of year surpluses are added to reserves until such time as the School requires financial support for a project. Trustees decide upon the level of support, taking account of both the needs of the School and the reserves available.

#### Trustees' responsibilities statement

The Trustees (who are also the directors of The Westminster School Foundation (UK) for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including income and expenditure, of the charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice (Accounting and Reporting by Charities) (the Charities SORP);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the Trustees have taken advantage of the small companies' exemptions provided under section 415A of the Companies Act 2006.

# INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE WESTMINSTER SCHOOL FOUNDATION (UK) LIMITED

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2017, which are set out on pages 6 to 13.

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the charitable company's trustees as a body in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

#### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act;
- 2. the accounts do not accord with those records: or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Westminster School Foundation (UK) Limited is a company limited by shares and incorporated in England and Wales. Its registered address is: Third Floor, 20 Old Bailey, London, EC4M 7AN. Its registered number is 07791948.

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the accounts are laid out below.

#### Basis of preparation

These accounts have been prepared for the year to 31 December 2017.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant accounting policies below or the notes to these accounts.

These financial statements have been prepared in accordance with Accounting and Reporting by Charities Statement of recommended practice (SORP) applicable to charities preparing their financial statements in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland and the requirements of the Companies Act 2006 and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts are presented in sterling and are rounded to the nearest pound.

#### Critical accounting estimates and areas of judgement

Preparation of the accounts requires the trustees and management to make significant judgements and estimates.

No significant judgements or estimates have been used in the preparation of these accounts.

#### Assessment of going concern

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The trustees have made this assessment in respect to a period of one year from the date of approval of these accounts.

The charity has sufficient cash to pay its liabilities as they fall due and has the expectation of further cash receipts from gift aid claims and further unrestricted donations over the coming year. The most significant areas of judgement that affect items in the accounts are detailed above. With regard to the next accounting period, the year ending 31 December 2018, the most significant areas that affect the carrying value of the assets held by the charity are the interest rates applied to cash at bank.

#### Incoming resources

Incoming resources represent the total income receivable during the period and principally comprises donations receivable. Expenses donated or paid for by donors are included as a gift in kind and included as both income and expenditure in the Statement of Financial Activities.

#### PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

#### **31 DECEMBER 2017**

They have been discounted to the present value of the future cash receipt where such discounting is material. Income has been accrued to the extent that it is probable that it will be received.

#### Cash at bank and in hand

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition. Deposits for more than three months but less than one year have been disclosed as short term deposits. Cash placed on deposit for more than one year is disclosed as a fixed asset investment.

#### Creditors and provisions

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the charity anticipates it will pay to settle the debt. They have been discounted to the present value of the future cash payment where such discounting is material.

#### **Fund accounting**
