# Report of the trustees for the year ended 31st October 2019

The trustees present their annual directors' report and financial statements of the charity for the year ended 31<sup>st</sup> October 2019 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

# **Objectives and activities**

The purposes of the charity are to provide an inclusive, tenant needs-led, high quality accommodation and support service to vulnerable adults that enable them to achieve their full potential and promote social inclusion.

The main activities are as a Registered Social Landlord (RSL) to provide specialist accommodation and preventative and enabling support to people with mental health conditions, learning disabilities and Autistic Spectrum Disorders (ASD), including those with a dual diagnosis which may include substance use.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities, and setting the policies for the year.

The charity furthers its charitable purposes for the public benefit through our charity's purposes as set out in the objects contained in the company's memorandum of association are to:

To carry on for the benefit of the community the business of providing social housing and any associated amenities, services, advice or assistance for persons:

- ~ in necessitous circumstances upon terms appropriate to their means;
- ~ for whom it would be charitable to provide housing.

To promote or carry out any other charitable purpose that can be carried out by a company registered as a social landlord with the tenant services authority or such similar authority from time to time.

The aims of Blue Pits Housing Action are:

- ~ To provide high quality accommodation which meets the needs of vulnerable people
- ~ To improve the overall health and wellbeing of vulnerable people with complex mental health needs, including those with a dual diagnosis.
- ~ To enable people to develop and maintain the skills and competencies they need to return to, or remain, living independently in their own home.
- ~ To minimise the need for secondary health and social care provision.

~ To promote integration and reintegration among socially excluded groups and those leaving institutions of confinement.

Blue Pits Housing Action meets these aims through providing supported living and home care services to 24 tenants supported under our contract "Provision of Mental Health Housing Related Support and Accommodation Service". This is a partnership contract initially awarded by Rochdale Borough Council in April 2016 for 2 years and has now been extended into its third year.

In addition, we provide supported living and homecare services to a further 19 clients who receive individually assessed and funded bespoke support (funded by Rochdale BC Adult Care team).

# A review of our achievements and performance

The focus for the organisation over the last year has been on improving quality and reviewing all policies and procedures to ensure continuing compliance with the Care Quality Commission's fundamental standards and adherence to their Key Lines of Enquiry. In this regard, Blue Pits Housing underwent its first CQC inspection in August 2017 and all of its inspection areas (key lines of enquiry) were found to be 'Good' giving an overall 'Good' rating. The anticipated further inspection did not take place in the Summer/Autumn of 2019. And it is now expected to take place in Spring 2020.

Our partnership with Making Space (a national charity providing health and social care services) and Next Step Supported Housing (a local independent housing and support provider) is now in its fourth year. We are hopeful that it will be extended to a fifth year by Rochdale Borough Council Adult Care Team.

This continues to be a positive collaborative relationship that has enabled staff and service users from all three organisations to benefit from joined up management and support. Staff members are now able to access training provided by all three organisations, and service user activities and support groups are open to all service users across the partnership, with a focus on building community assets and supporting social inclusion amongst people living in the boroughs of Rochdale, Heywood and Middleton.

# **Dunsterville House**

This Georgian building provides accommodation via 8 self contained flats with 24 hour overarching support. The project continues to be the preferred model of support and accommodation for people with learning disabilities and mental health conditions.

# GM Learning Disability and Autism Ethical Purchasing System

We successfully tendered to be included in this Agreement under the Greater Manchester Health and Social Care Partnership to deliver services for people with learning disabilities and/or autism, who require care and/or support services in the community of Greater Manchester. The contract Term is 11/09/2017 to 10/09/2022 (five years) with the option to extend for a further 2 years thereafter. This will allow us to look at developing services within the Greater Manchester areas. In addition to the 8 tenants living at Dunsterville House, we have successfully tendered for the provision of housing and support services to a further four individually funded homecare/outreach

tenants. This brings the number of service users to 47 (24 block contracted tenants and 24 'spot purchased' services). Our local reputation is positive and is continually growing. Feedback from Stakeholders, family and carers sought and received in June 2019 was positive.

#### Financial review

The accounts up to October 2019 showed a surplus of £54,728 compared with October 2018 when the accounts showed a deficit of £13,265

#### **Principal Funding Sources**

In addition to the subcontracting arrangement with Making Space, BPHA continues to be supported by two statutory funding streams via Rochdale Borough Council for both its support (Adult Care) and housing management (Revenues and Benefits) services.

# Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the charity, have kept a prudent amount available as reserve funds in an interest bearing deposit account.

# Reserves policy and going concern

The balance held in unrestricted reserves at 31<sup>st</sup> October 2019 was £208,179 of which £203,842 are free reserves, after allowing for funds tied up in tangible fixed assets.

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

The Charity's main source of income is housing benefit and adult care funding. The Trustees consider that it is appropriate to prepare the accounts on a going concern basis and, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease.

#### Risk management

The Trustees identify the major risks to which the charity is exposed each financial year when preparing and updating the strategic plan, in particular those related to the operations and finances of the charity. The Trustees then review any major risks which have been identified and establish systems to mitigate those risks. The charity is satisfied that the systems are in place to mitigate their exposure to the major risks which have been so far identified and reviewed.

# **Plans for Future Periods**

As a Registered Provider of Social Housing, Blue Pits Housing Action has adopted a lease model for acquiring properties and does not own any housing stock. Future plans will include buying property suitable for supported living tenancies. The changing needs of our tenants have been taken into consideration on the choice of housing stock to invest in, this being single storey flat and bungalow accommodation.

The increased demand for high quality accommodation, evidenced by the number of referrals received into the service, (and in addition to buying single storey accommodation), has led to the potential lease of studio flats in a two storey block in Belfield, Rochdale. The leasing of this block will support the more immediate needs for suitable accommodation for our client group.

BPHA continues to provide placement opportunities for intermediate and final year social work students for both Uclan and Salford Universities. Compliments have been received from Uclan University on the "incredibly supportive learning environment the organisation provides for all our students".

Our focus will continue to be on improving quality and reviewing all policies and procedures to ensure compliance with the Care Quality Commission's fundamental standards and adherence to their Key Lines of Enquiry.

# **Added Value projects**

# **Community Garden**

The development of the community garden and food growing project at Dunsterville House has been supported by a successful Awards for All grant application. The organisation received £10000 from this grant maker, in addition to a £2000 Living Well grant and a £470 Rochdale Township grant.

The benefits of this will be to enhance the grounds and immediate environment for the satisfaction of the tenants. This project will also provide social and therapeutic horticultural sessions to promote the physical health and mental wellbeing of the people we support.

The grant awards have been used to pay for specialist horticultural support, the planting of bulbs, trees and a small raised vegetable bed, the purchase of a greenhouse, and the building of paths, seating areas and fences.

#### **Unit 8, The Landings**

BPHA agreed to lease the former "Landing Crafts" (Unit 8, The Landings, 157 Oldham Rd, Rochdale) from mid-March 2019. The space was formerly used to offer therapeutic arts and craft sessions to Adults at Risk, living in Rochdale and its boroughs.

The proposed beneficiaries were consulted on the refurbishment and planned use of the space and session ideas included; functional skills, arts, crafts, relaxation, therapies, staff meetings, donation of space for other groups in exchange for their specialist services (to benefit our tenants) etc.

It is anticipated that the Unit will be completed and in use, carrying out these sessions in Spring 2020.

# Structure, governance and management

Blue Pits Housing Action is a company limited by guarantee governed by its Memorandum and Articles of Association dated 27<sup>th</sup> October 2011. It is registered as a charity with the Charity Commission and is constituted under a trust deed dated 21<sup>st</sup> October 2013.

### **Appointment of trustees**

As set out in the Articles of Association trustees are elected annually by the members of the charitable company attending the Annual General meeting and serve for a period of one year.

At the October 2019 Annual General Meeting, Mr. Philip Traynor was elected as Chair following his nomination.

# Trustee induction and training

Provided for all trustees as appropriate.

# Organisation

The board of trustees administers the charity. The board normally meets four times a year. A Chief Executive is appointed by the trustees to manage the day-to-day operations of the charity.

# Related parties and co-operation with other organisations

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee or senior manager with any service providers must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. During the year a van costing £1,625 was purchased from the son of Dorothy Lynn Collins, Senior Manager. This was agreed unanimously by the trustees.

### Trustees responsibilities in relation to the financial statements

The charity trustees (who are also the directors of Blue Pits Housing Action for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board of trustees on 12<sup>th</sup> March 2020

Philip Traynor Acting Chair

# Independent examiner's report to the trustees of BLUE PITS HOUSING ACTION

I report on the accounts of the company for the year ended 31<sup>st</sup> October 2019, which are set out on pages 8 to 17.

# Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of The Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

# Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

# Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, ; and
  - with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

#### Notes to the accounts

#### 1. Accounting policies

#### (a) Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16th July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

#### (b) Funds structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There is 1 restricted fund.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Further details of each fund are disclosed in note 17.

#### (c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

# (d) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

#### (e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

#### (f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination ad legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on type of expense. The allocation of support and governance costs is analysed in note 8.

#### (g) Costs of raising funds

The costs of raising funds consists of Dunsterville House costs.

#### (h) Charitable Activities

Costs of charitable activities include governance costs and an apportionment of support costs as shown in note 7.

#### (i) Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged on the following basis:

Computers
Refurbishment of Leased Property

33.33% on cost 25% on cost

#### (j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their varying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

#### (k) Pensions

The charity currently administers contributions to a pension scheme on behalf of individuals. The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions.

#### (I) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### (m) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### 2. Related party transactions and trustees' expenses and remuneration

The trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2018: £nil). Expenses paid to the trustees in the year totalled £nil (2018: £nil).

A van costing £1,625 was purchased from Matthew Collins, the son of Dorothy Lynn Collins who is a senior manager. This was agreed unanimously by the trustees.
