### TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a trustees' report, and a directors' report and strategic report under company law.

The Academy Trust operates an academy for pupils aged 2 to 9 serving a catchment area to the west and south of Ampthill. It has a pupil capacity of 373 and had a roll of 328 in the school census on 6 October 2022.

### Structure, governance and management

#### a. Constitution

The Academy Trust is a company limited by guarantee and an exempt charity.

The charitable company's Memorandum of Association is the primary governing document of the Academy Trust.

The Governors of The Firs Lower School are also the directors of the charitable company for the purpose of company law.

The charitable company is known as The Firs Lower School.

### b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

#### c. Trustees' indemnities

In accordance with normal practice the Academy has purchased insurance to protect the Governors and officers from claims arising from negligent acts, errors or omissions whilst on Academy business. The cover under the policy is £5 million and in the period under review no sums were paid out.

### d. Method of recruitment and appointment or election of Trustees

The Governing Body comprises of 4 members, and 8 Trustees (1 of which is also a member as well as Vice Chair), 5 Trustees have been appointed by the board (3 are also co-opted parents), 1 elected parent, a staff member and the Headteacher. Additional Governors can be appointed under Article 62, 62A or 68A of the Articles of Association and further Governors under Article 63 or 68A.

The co-opted Governors are appointed by the Members of the Academy Trust. The Parent Governors are elected by the parent body of the School. The Staff Governors are elected by the School's staff. Individuals may request to join the Governing Body and the Members of the Academy Trust may decide to invite one of these individuals to join should a vacancy arise.

#### e. Policies adopted for the induction and training of Trustees

All Governors undertake training as appropriate to their work at the School. New Governors will be provided with an induction programme. A log is kept of all Governor training and reviewed on a regular basis at the full Governing Body meetings.

#### Structure, governance and management (continued)

The Governors, who are also the Charity Trustees, are responsible for the overall management and control of the School and meet at least three times a year. The work of reviewing and monitoring most policies is delegated to the members of the Committees as outlined below. They all work under the chairmanship of a Governor appointed at the first committee meeting in each academic year. Terms of reference of these committees are agreed annually at these meetings. The Clerk to the Governors co-ordinates the work of the Governors and their Committees, prepares agendas and papers and reviews matters arising. The Business Manager prepares the accounts on behalf of the Governors.

All Governors give their time to the role freely, no remuneration was paid to Governors, other than Staff Governors, and no expenses were paid in the period.

#### f. Organisational structure

The Governors determine the general policies of the School. The day to day running of the School is delegated to the Headteacher, supported by the Senior Leadership Team. The Headteacher undertakes the key leadership role overseeing educational, pastoral and administrative functions in consultation with the Senior Leadership Team, The day to day administration is undertaken within the policies and procedures approved by the Governors. Only significant expenditure decisions and major capital projects should be referred to the Governors for prior approval. The Headteacher, (who is the Accounting Officer) a Staff Trustee, attends all Governing Body meetings. The Assistant Headteacher, the Office Manager and the Business Manager are invited to attend subcommittee meetings as appropriate.

Associate Governors attend Governors meetings by nature of their role in the Academy but do not have any voting rights and are not full Governors nor therefore directors under the Companies Act, Members of the company or Trustees of the Academy Trust.

#### **Governor Committee Structure**

Each of the sub-committees can make recommendations that must be endorsed by the Full Governing Board. The Committees and the Full Board meet at least three times per year.

The Governing Body

The Governing Body will take a strategic role, act as a critical friend to the School and be accountable for its decisions. It will set the vision and key goals and agree, monitor and review policies, targets and priorities.

The duties of the governing Body are as follows:

- 1: The conduct of the school (i.e. ethos, appearance, attitudes, level of parental support etc.) is under the direction of the Governors. The Headteacher is responsible for the internal organisation and management of the school and the Governing Body has ultimate responsibility for the implementation of the curriculum and its delivery.
- 2. The Governors must try to ensure that the right provision is made for students with special educational needs
- 3. The Governors must have a policy on whether and how sex education should be provided at the school.
- 4. The Governors must decide how the school's delegated budget is spent, and ensure that accurate accounts are kept.
- 5. The Governors must approve the school's staffing structure. They can recommend dismissal of staff and should set out disciplinary rules and procedures. They can use their discretion over the award of incentive

allowances.

- 6. Discipline: The Governors must approve the school behaviour policy and must hear any appeals by parents against exclusion.
- 7. The Governors control the use of premises outside school time and should periodically inspect the premises and keep the LEA informed as to the condition and state of repair under the terms of a 125 year lease
- 8. To agree constitutional matters including procedures where the Governing Body has discretion, as follows:
  - To recruit new members as vacancies arise and to appoint new governors where appropriate. To hold at least three Governing Body meetings a year;
  - To appoint or remove the Chair and Vice Chair;
  - To appoint or remove a Clerk to the Governing Body;
  - To establish the committees of the Governing Body and their terms of reference. To appoint the Chair of any committee;
  - To appoint or remove a Clerk to each committee. To suspend a Governor;
  - To decide which functions of the Governing Body will be delegated to committees, groups and individuals:
  - To receive reports from any individual or committee to whom a decision has been delegated and to consider whether any further action by the Governing Body is necessary;
  - To provide final approval of the budget plan as recommended by the Environment and Finance Sub-committee:
  - To review Health and Safety issues and recommendations referred to the Governing Body by the Environment and Finance sub-committee;
  - To review the delegation arrangements annually;
  - To agree, by early in the autumn term, the programme of work and calendar of meetings for the Governing Body and its committees for the school year, based on known cycles of school improvement, financial management, staffing issues and communicating with parents;
  - To monitor the progress of work being undertaken by committees and individuals;
  - To consider recommendations made by committees with regard to the working of the Governing Body;
  - To establish and keep under review, the Governing Body 'Protocols' and 'terms of reference'; To
    establish and keep under review arrangements for Governors' visits to school;
  - To oversee arrangements for Governor involvement in formulating and monitoring the School Development Plan, the Ofsted SEF and School Profile;
  - To conduct reviews of the performance of the Governing body using an appropriate 'Governor HealthCheck' process;
  - To make recommendations to the Governing Body to establish working parties where particular circumstances arise e.g. a joint committee to oversee a building project or a special committee to oversee an Ofsted inspection; and
  - To be available and respond to matters of particular difficulty, sensitivity or emergency and offer advice to the Headteacher.

The following Committees are sub-committees of the Governing Body.

### Environment and Finance committee

- To assist the decision making of the Governing Body, by enabling more detailed consideration to be given to the best means of fulfilling the Governing Body's responsibility to ensure sound management of the Academy's finances and resources, including proper planning, monitoring and probity.
- To make appropriate comments and recommendations on such matters to the Governing Body on a regular basis.

- To ensure that children's enjoyment of lessons is an integral part of all curriculum planning.
- To oversee the analysis annually of test data and pupil assessment and make recommendations to the Governing Body as appropriate.
- To ensure that all curricular improvements required by Ofsted are implemented. To review annually the School Prospectus.

(A Company Limited by Guarantee)

# TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

#### Structure, governance and management (continued)

- To review annually the School Profile.
- To make arrangements for the Governing Body to be represented at School Improvement discussions with the SIP and for reports to be received by the Governing Body.
- To oversee arrangements for individual Governors to take a leading role in specific areas of provision,
   e.g. SEND, Literacy, Numeracy and Curriculum Leadership Groups. To receive regular reports from them and advise the Governing Body.
- To oversee arrangements for educational visits, including the appointment of a named co-ordinator (EVC).

#### HR and Change Committee

- To draft and review annually the staffing structure, in consultation with the Headteacher and the Environment and Finance Committee.
- To oversee the selection and appointment procedure for all staff.
- To oversee and review termly, the school's safeguarding procedures, including the implementation of the Child Protection and Safer Recruiting policies.
- To establish and review a Performance Management policy for all staff. To oversee the process leading to staff reductions.
- To keep under review staff work/life balance, working conditions and well-being, including the monitoring
  of absence.
- To make recommendations on personnel related expenditure to the Environment and Finance Committee.
- To ensure that DfE regulatory and guidance documents are implemented appropriately in the school, with specific reference to the role assigned to the Governing Body.

#### Headteacher's Performance Review group

- To arrange to meet with the External Adviser and School Improvement Partner to discuss the Headteacher's performance targets.
- To decide, with the support of the External Adviser and School Improvement Partner, whether the targets have been met and to set new targets annually.
- To monitor through the year the performance of the Headteacher against the targets.
- To make recommendations to the Environment and Finance Committee in respect of awards for the successful meeting of targets set.

# g. Arrangements for setting pay and remuneration of key management personnel

The Governors of the Academy do not receive any remuneration in respect of their roles as Governors. Staff Governors are only remunerated as a result of their employment by the Academy Trust.

The Academy follows Bedford Borough's Pay Policy for support staff following national NJC and Senior Management pay grades and terms and conditions. For teachers and senior leaders the Academy follows the national pay scales and progression/increment policy linked to performance management.

Performance reviews are carried out by Adam Campbell, Headteacher and Kerry Mercer, Deputy Headteacher. Any changes in pay as a result of these reviews go to the HR and Change Committee. The Headteacher's performance is reviewed by the School Improvement Partner and recommendations are made by them to the Chair of Governors and presented to the HR and Change Committee.

#### Objectives and activities (continued)

#### c. Public benefit

In setting the Academy's objectives and planning its activities, the Governing Body have given careful consideration to the Charity Commission's general guidance on public benefit. The Academy Trust's object is specifically restricted to the following:

- To advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, continuing, managing and developing a school offering a broad and balanced curriculum.
- To promote for the benefit of the inhabitants of Ampthill and the surrounding area the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social welfare and with the object of improving the condition of life of the said inhabitants.

#### Strategic report

#### Achievements and performance

#### a. Key performance indicators

#### The Curriculum and standards

### I Intent

- 1. The Firs has always ensured that the curriculum is designed to meet the needs of all learners including the most able and vulnerable learners (including SEND and disadvantaged pupils) with the following key drivers agreed by all stakeholders:
  - a. To develop our children's view of themselves as successful learners and to help them to develop stamina and robustness in embracing challenge.
  - b. To inculcate our agreed values in our children and develop key personal skills to enhance teamwork, communication skills, independence and confidence.
  - c. To ensure that children develop a sound grasp in all the key aspects on literacy and numeracy, with a passionate focus on all children being fluent readers who take a pleasure in reading.
  - d. To help children to see themselves as successful writers by providing an appropriate and exciting range of purposeful writing opportunities that develop their skills and inspire them to write.
  - e. To encourage mathematical thinking, so that children can talk about their learning, demonstrating a good level of maths fluency and independently finding ways to record.
  - f. To cover all aspects of the curriculum in a stimulating way, by giving children a rich and varied range of experiences, including the use of IT resources.
  - g. To make sure that all our children develop an appreciation of the natural world, the threats it faces and the need for care and stewardship.
- 2. The school ethos promotes equal opportunities, high expectations and positive attitudes to learning as embodied by our 'Growth Mindset' learning culture. (Monitoring data)
- 3. The curriculum provides imaginative & stimulating learning opportunities that ensure pupils experience and have the opportunity to value music, artists, stories etc. including those from different times and places to support the delivery of the 'cultural capital' we wish children to experience. The Redborne Upper School Sports Partnership has contributed very successfully to the curricular and extra-curricular provision for pupils. (Photographic evidence on website and Sports Premium Review 19/20, 20/21 and 21/22). Visitors, themed days / weeks provide memorable and enjoyable experiences that make learning a joyful and enriching experience. (Photographic evidence).
- 4. There is a passionate focus on working to ensure all children read fluently and at an age appropriate level or beyond, which is greatly supported by the RWI literacy programme, that provides a rigorous and

#### Strategic report (continued)

#### Achievements and performance (continued)

- carefully sequenced approach. This focus leads to very good outcomes for learners. (See monitoring data and SEF Section B3).
- 5. The school curriculum is designed to ensure the coverage of the national curriculum, with additional elements such as Forest Schools and Eco themed work and additional enrichment aspects such as the Grafham Water Residential visit in Y4 and drama productions (to support statement b and f).
- 6. Between September 18 and summer 20, a sharper focus on the key determining factors behind the design of our curriculum in first Science then the foundation subjects was undertaken. There is now a clear picture of what we want the 'intent' to be, and the review of each area of the curriculum has ensured that we can more effectively achieve the highly successful outcomes desired for our learners. (See SDP 20/21, and Firs Scheme of Work.

#### Il Implementation

- 7. The school sets out clear guidelines to staff to reinforce and make explicit to all, the agreed vision for approaches to teaching in the school and the expected standards we expect to maintain. (20/21 and 21/22 SDP and 'Expected Practice Guide').
- 8. Teachers' good subject knowledge, careful planning and use of strategies to include, challenge and engage all pupils, ensure a good pace of learning.
- 9. The focus has been on supporting subject leaders with appropriate professional development in order for them to be able to carry out their role effectively determining the strengths and areas for improvement in each subject area.
- 10. Teachers' good knowledge of the National curriculum ensures accurate and effective coverage. (Long Term and Medium term planning records)
- 11. Subject matter including learning objectives and success criteria, are used successfully and presented clearly, to communicate to children the key facts and skills involved in an aspect of learning and how to achieve well. (Monitoring evidence)

#### III Impact

- 12. Standards in literacy lessons are good overall. Conclusions from monitoring in 21/22 indicated that tasks were varied and pitched appropriately and that in writing lessons, children were engaged by stimulating factors such as linking to their own everyday experiences in Y1, in the fairy tale writing in Y2, the development of a dragon theme and the designing a tree-house work in Y3 and Iron Man and Leon and The Space Between inspired writing in Y4. In these lessons there was good evidence of a development of children's knowledge and skills. Work on enhancing the provision for handwriting and spelling has been interrupted by Covid disruption and will continue next year. In addition, disruption caused by Covid has had a considerable impact on standards. There will therefore be a major focus on enhancing writing outcomes next year.
- 13. Covid has led to a reduction in the numbers of children achieving GDS in reading. In addition classroom observation, along with discussions with teachers, pupils and our SIP, indicates that there needs to be a focus on enhancing the provision for teaching reading in KS2, for children beyond RWI, to motivate children to read, to increase progress in fluency and in the development of comprehension skills. We feel that we can learn from the benefits we have seen in the highly structured RWI programme and we wish to use this as a model for further enhancing our approach to reading in KS2.
- 14. Standards in numeracy are good. Children were engaged in a diverse range of activities and they demonstrated a good grasp of related knowledge and skills. Where practice was best, equipment was used effectively to support learning and to provide strong visual images / practical demonstrations of key concepts. (For example bead bars and counting sticks being used very effectively in oral mental starters). There was a very good progression of skills seen and support / challenge was effective in the majority of lessons seen. Improvement was seen in the delivery of the oral mental starter (Monitoring evidence). Improvement was seen in ensuring consistently high standards in planning. Despite the interruption caused by Covid, the number of pupils attaining expected levels has not been greatly affected, although numbers at GDS are below the school's average and this will be a focus next year. (See point 10 below

and SDP 22/23)

- 15. YR pupils achieved well in 17/18:
  - % Achieving a GLD 76% 2018
- 16. In 18/19 the YR cohort had a larger number of pupils than normal for The Firs with emotional, social and communication issues (see 18/19 Baseline) but with close and appropriate support, achieved well given the context of these issues:
  - % Achieving a GLD 70%
  - % Expected+ Reading 81%, Writing 74%, Numbers 78%, SSM 83%
- 17. YR pupils achieved well in 21/22:
  - % Achieving a GLD 75% 2022
- 18. Children have achieved very highly in the Y1 Phonics over the last three years:
  - In 2018 96% passed, (letter from Nick Gibb indicating school was in top 7% of schools) and 96% again in 2019
  - In 2022 91% passed (despite the impact of Covid) and if 2 pupils who joined the school in the summer term with very few sounds known are removed from the data, the outcome would have been 94%).
- 19. Children have achieved well at the end of KS1 over the last few years, with a dip in 2022 linked with Covid disruption:

		% Exped	% Expected ★			
Subject	2018	2019	2022	National 2019		
Reading	77%	82%	75%	75%		
Writing	70%	79%	56%	69%		
Maths	77%	84%	79%	76%		

20. The cohort in 2018 contained a larger number of pupils than normal for The Firs with emotional, social and behavioural issues but made good progress despite this. In 2019 the %Expected or better is well above National in all areas.

		% GDS		
Subject	2018	2019	2022	National 2019
Reading	37%	46%	33%	25%
Writing	12%	30%	2%	15%
Maths	28%	39%	21%	22%

- 21. Appropriate Induction arrangements from our pre school The Saplings and other local settings, ensure children in Pine (YR) settle in quickly, feel safe and secure in school and make good progress with their learning. (Parent Forum feedback).
- 22. Other internal arrangements ensure a smooth transition to the next year group. In Y4, a careful transition programme is designed to familiarise children with the middle school and to help prepare them for the change. (FARM transition arrangements).
- 23. Pupil's work is of a good quality and demonstrates that children persevere with tasks and make good progress in lessons. (Monitoring data)
  - In science, there was growing evidence of progress over time, as illustrated by the achievement of the Primary Science Quality Mark, with an increase in the quality and quantity of work produced. There was also growing evidence of appropriate challenge in science, despite interruptions due to Covid. Work in 22/23 will include refining approaches to the provision of challenge in Y1, developing opportunities for children to experience science capital across the school and developing more consistent approaches to the use of scientific vocabulary. (SDP 22/23).
- 24. The 2022 parent questionnaire indicated that most parents (85%) felt that their child did well at the Firs and very few (3%) disagreed.

#### b. Going concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies and in guidance from the Financial Reporting Council.

#### Financial review

The Academy had a satisfactory financial period to 31 August 2022 with a total income of £1,539,727 and expenditure of £1,713,155 and a net profit of £2,558,628. There is a brought forward deficit arising on the restricted funds amounting to £889,723 but this includes pension adjustments of £1,019,000 arising from the LGPS pension actuarial valuation. This year the restricted funds has a surplus of £73,937.

Most of the Academy Trust's income is obtained from the Department of Education via the Education and Skills Funding Agency in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the Department of Education during the period ended 31 August 2022 and the associated expenditure are shown as Restricted Funds in the Statement of Financial Activities and the grants received are detailed in note 4 to the financial statements.

Any surplus funds are swept nightly into a Liquidity Select bank account earning interest. No further Investment activities are undertaken.

Throughout the year there were a number of areas that the Governors considered/ratified, as follows:

A review of our reserves and a decision made about what investment could be made towards 2 CIF bids, one for electrical work and the other for new windows.

Continued to review the Finance Risk Assessment and register in light of the challenges faced by continued Covid absences and increased costs due to inflation, energy prices and forecasted pay increases.

Reviewed the budget against teacher headcount and falling pupil numbers.

Discussed and changed charging structure for Kids Club / Saplings / lettings and school meals to reflect the increased costs that we face.

The completed Internal Scrutiny report was received by the Governors in July 2022, and recommendations were discussed.

Received various policies in line with the E&F policy review structure.

The Governors considered the top 10 Governors musts at the June 2022 E&F.meeting

The final forecast for the year ended 31 August 2022 was reviewed in detail within the Environment and Finance Committee 5 July 2022 along with a 3 year budget plan going forward.

The principal risks and uncertainties going forward are that there will be insufficient funding to cover the increased costs that we are forecasting. These increased costs include, inflation, energy costs, teachers' pay increases and NJC pay increases. To manage these risks we will take a cautious approach to expenditure and will discuss and review any employee changes or employee recruitment. We will ensure that purchases are

#### Strategic report (continued)

made considering best value for money. We have a school energy reduction plan outlining steps we are taking to reduce our energy consumption.

The Firs Lower School PTFA continues to support the school by raising money throughout the year by holding various fundraising events. The school then makes requests to the PTFA to support specific purchases or projects. The School Business Manager will continue to ask for funding from various external organisation to contribute towards school projects, the current project being the development of The Saplings outdoor area.

The negative financial impact of Covid on the year ending 31 August 2022 was predominantly due to increased staff absence levels. This has resulted in an increase in cost for cover and supply staff.

#### a. Reserves policy

The level of reserves held takes into account the nature of income and expenditure streams, the need to match them with commitments, including future capital projects, and the nature of reserves. This applies particularly to funds earmarked for future capital projects. The level of reserves will be kept under review by the Governors. The Governors have the reserves policy as a standing item within the Environment and Finance Committee. Reserves at the end of the period 31 August 2022 were £2,558,628 comprising £73,937 of restricted general funds, £188,501 of unrestricted general funds and £2,296,190 of restricted fixed asset fund.

The restricted funds will be spent in accordance with the terms of the particular grants or funding received. Unrestricted funds are for use of the general purpose of the Academy and future capital projects, at the discretion of the Governors.

At 31 August 2022 the total funds comprised:

Unrestricted		188,501
Restricted:	Fixed asset funds	2,296,190
	Pension reserve	NIL
	Other	73,937

2,558,628

#### b. Investment policy

The School's Investment Strategy is:

- 1. Regularly monitor cash flow and current/fund account balances to ensure immediate financial commitments can be met (payroll and payments runs) and that the accounts have adequate balances to meet forthcoming commitments.
- 2. Funds surplus to immediate cash requirements (set at £10k) are transferred nightly to the School's liquidity deposit account bearing a higher interest rate.
- 3. Periodically review interest rates and compare with other investment opportunities.
- 4. The School's current policy is to only invest funds in risk free and immediately accessible deposit accounts.

Any change in policy requires the approval of Governors via the E&F committee.

# TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

#### c. Principal risks and uncertainties

The Governors conduct an annual review of the major financial risks to which the Academy Trust is exposed.

The Governors are responsible for oversight of the financial risks faced by the School. Detailed considerations of risk are delegated to the Headteacher and School Business Manager. Risks were identified, assessed and controls established throughout the period with 3 reviews being submitted to the Environment and Finance Committee in October 2021, February 2022 and May 2022. The Governors were satisfied that the actions agreed to mitigate these risks gave assurance that they could be adequately managed.

The major financial risks identified by the Trust for over the period September 2021 to August 2022 were:

- Risk that in year budget for 22/23 & 23/24 will be in deficit due to reduced pupil numbers.
- Risk that the budget will be in deficit for the current year.
- Risk that we will have a loss of income for Kids' Club fees due to Covid 19 closures going forward.
- Risk that Preschool could go into deficit in year due to the loss of fee paying income due to Covid closure.
- Risk that there will be no additional funding to support with increased energy costs.
- Risk of unauthorised access to systems (cyber fraud).
- Risk of inflation increases.

Risk is managed under the headings of strategic and reputational risks, operational risks, compliance risks and financial risks as recommended by the DfE's Academy Financial Handbook. Through the risk management processes that are formalised by the School, the Governors are satisfied that the major finance risks identified will be adequately mitigated where necessary. It is recognised that systems can only provide reasonable, but not absolute, assurance that major risks will be adequately managed.

#### d. Financial risk management objectives and policies

The financial risks the Academy faces are mitigated by the fact that they relate largely to bank balances, cash and trade creditors, with limited trade (and other) debtors.

#### Fundraising

The school does not use any external fundraisers. All fundraising is undertaken by The Parent Teacher Association.

#### Plans for future periods

The Governors intend to continue their current strategies of improving the School's reputation by aiming to provide excellent education for all students. Achieving high standards in academic results is a constant aim whilst maintaining the breadth and depth of the wider curriculum, to develop the whole child. The Headteacher and Senior Leadership Team continue to review the curriculum and standards in teaching and learning, to ensure that the education provided remains appropriate for our students' development.

Our future plans are financed from income direct from the ESFA, related to student numbers and other factors. Governors will ensure funding is invested appropriately for the next generation of students as they have done in the past for current students. Maintaining, and where necessary, developing the fabric of the facilities and updating internal fixture and fittings with sustainability and the environment in mind. The development and growth of The Saplings preschool is central to our strategy to ensure an outstanding provision for 2 -9 year olds. The school has also been able to extend its availability of wrap around care with provision available from 7.50am to 6pm for 2-9 year olds. This will be a great help to the increasing number of working parents.

# TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

#### Funds held as custodian on behalf of others

No such funds are held by The Firs Lower School.

#### Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

#### **Auditors**

The auditor, MHA Macintyre Hudson, has indicated its willingness to continue in office. The Governors will propose a motion re-appointing the auditor at a meeting of the Governors.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on and signed on its behalf by:

Mr John Ashley Chair of Trustees

Date: 15/12/22.

#### **GOVERNANCE STATEMENT**

#### Scope of responsibility

As Governors, we acknowledge we have overall responsibility for ensuring that The Firs Lower School has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Governing Body, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Governing Body has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Firs Lower School and the Secretary of State for Education. They are also responsible for reporting to the Governing Body any material weaknesses or breakdowns in internal control.

#### **Conflicts of interest**

The Firs Lower School Academy trusts has a number of processed in place to manage conflicts of interest. These include maintaining an up-to-date and complete register of interests, a six monthly declaration is completed and kept on file, and governors are also asked to verbally declare any conflicts of interest at the start of every committee meeting which are recorded in meeting minutes.

#### Governance reviews:

The committee reviews the "must haves" on an annual basis and reviews the risk register at least three times a year.

The Governors undertook a Governing Body Health Check using a check list as a process of self- valuation

The Environment and Finance Committee is a sub-committee of the main Governing Board. Its purpose is to:

- Assist the decision making of the Governing Body, by enabling more detailed consideration to be given to
  the best means of fulfilling the Governing Body's responsibility to ensure sound management of the
  Academy's finances and resources, including proper planning, monitoring and probity.
- Make appropriate comments and recommendations on such matters to the Governing Body on a regular basis.

### **GOVERNANCE STATEMENT (CONTINUED)**

#### Governance (continued)

The Environment and Finance Committee is a sub-committee of the main board of trustees. Its purpose is to: Review the financial position of the school through cash flow, income and expenditure reports. Assess current and possible future risks and discuss how to manage these. Discussions about strategies for improving the schools financial position as well as the planning of any future projects including how these will be funded also take place. Health and safety and property concerns are also discussed as well as E&F policies.

Attendance during the year at meetings was as follows:

Katherine Jukes also attended all 6 of the E&F meetings in her role as School Business Manager

#### Review of value for money

As accounting officer, the Headteacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the Academy Trust has delivered improved value for money during the year by:

- The Governing Body is accountable for the way in which the school's resources are allocated to meet the objectives set out in the school's development plan. Governors need to secure the best possible outcome for pupils, in the most efficient and effective way, at a reasonable cost. This will support the schools efforts to continuously improve standards achieved and services provided.
- Governors and school leaders have adhered to the purchasing procedures which are laid down in The Firs Lower School Finance Manual. Goods and services have been obtained which provide "value for money" in terms of the school purchasing what it needs in the correct quantity, the appropriate quality and at the time the best price possible.
- The Governors reviewed its preschool, Kids Club, Holiday Club and lettings Charges. The schools
  charges were bench marked against a number of local providers and it was decided to increase
  fees in line with inflation and energy cost increases.
- Multiple quotations gained and benchmarked for larger purchases in line with the requirements set out in our finance manual.
- The school has implemented parent pay across all its income collection arear which ensures prompt and complete cash collection.

#### **GOVERNANCE STATEMENT (CONTINUED)**

#### The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Firs Lower School Academy Trust for the period 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

#### Capacity to handle risk

The board of trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

#### The risk and control framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- e comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Governing Body;
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines; and
- · identification and management of risks.

The Board of Trustees has decided not to appoint an internal auditor. However, the Governing Body have appointed Mr Gareth Jones a member and previous Chair of Governors, a Trustee, to carry out a programme of internal checks.

This option has been chosen because Gareth Jones is qualified accountant regulated by the FCA who acts as an independent, trusted 'critical friend'. Gareth Jones also has a good knowledge of The Firs Lower School gained through his former role as chair of governors. Gareth Jones was also happy to provide this service on a voluntary basis.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. In particular, the checks carried out in the current period included:

- Cash and Bank
- Procurement
- Monthly financial Closedown
- Payroll and HR
- Efficiency, funding and budgets
- Fraud, theft and bribery
- Safeguarding and Whistleblowing
- Management information and reports
- Data and IT issues

### (A Company Limited by Guarantee)

### **GOVERNANCE STATEMENT (CONTINUED)**

#### The risk and control framework (continued)

- Premises Issues
- Business Continuity Plans/Disaster Recovery

On an annual basis, the internal auditor documents a report to the E & F board of trustees, on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities. On an annual basis the internal auditor prepares a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

#### **Review of effectiveness**

As Accounting Officer, the HeadTeacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the financial management and governance self-assessment process or the school resource management self-assessment tool;
- the work of the Senior Leadership Team within the Academy who have responsibility for the development and maintenance of the internal control framework:
- the work of the external auditors;

correspondence from ESFA e.g. FNtl/Ntl and 'minded to' letters.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the committee and a plan to address recommendations and ensure continuous improvement of the system is in place.

#### STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of The Firs Lower School I have considered my responsibility to notify the Academy Trust's Governing Body and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy, under the funding agreement in place between the Academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2021.

I confirm that I and the Academy Trust's Governing Body are able to identify any material irregular or improper use of all funds by the Academy, or material non-compliance with the terms and conditions of funding under the Academy's funding agreement and the Academies Financial Handbook 2021.

I confirm that the following instances of material irregularity, impropriety or funding non-compliance discovered to date have been notified to the board of Trustees and ESFA. If any instances are identified after the date of this statement, these will be notified to the board of Trustees and ESFA:

#### Matter 1 - External audit oversight

During the year, the Academy Trust failed to comply with section 4.17 of the Academies Financial Handbook in respect of minuting the consideration of reappointment of the auditors along with the basis of the decision made.

#### Matter 2 - Gifts made by the Academy Trust

The Academy Trust may have failed to comply with section 5.32 of the Academies Financial Handbook. During the year, the Academy Trust made a gift to a member of staff who left the school, for which no documentation could be provided, for a sum of £20. No conclusions could be drawn of whether the expenditure incurred adheres to the Academies Financial Handbook.

#### Matter 3 - Monitoring the budget

During the year, the Academy Trust failed to comply with section 2.21 of the Academies Financial Handbook in respect of including all relevant information in the management accounts. The monthly management accounts were prepared throughout the year ended 31 August 2022; however, they did not include the necessary requirement of a balance sheet.

### Matter 4 - Register of Pecuniary interests

During the year, the Academy Trust failed to comply with section 2.50 of the Academies Financial Handbook in respect of publishing an up to date register of relevant business and pecuniary interests to their website.

# STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

# INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE FIRS LOWER SCHOOL

#### **Opinion**

We have audited the financial statements of The Firs Lower School (the 'academy') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

# INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE FIRS LOWER SCHOOL (CONTINUED)

#### Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the Strategic Report and the Directors Report) for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Strategic Report and the Directors Report have been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

# INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE FIRS LOWER SCHOOL (CONTINUED)

#### **Responsibilities of Trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims:
- Enquiry of entity staff to identify any instances of non-compliance with laws and regulations;
- Performing audit work over the risk of management override of controls, including testing of journal; entries and other adjustments for appropriateness and reviewing accounting estimates for bias;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing internal audit reports;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <a href="www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our Auditors' Report.

# INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE FIRS LOWER SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 3 November 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Firs Lower School during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Firs Lower School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The Firs Lower School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Firs Lower School and ESFA, for our work, for this report, or for the conclusion we have formed.

# Respective responsibilities of The Firs Lower School's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of The Firs Lower School's funding agreement with the Secretary of State for Education dated January 2012 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

# INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE FIRS LOWER SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

#### **Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

The work undertaken to draw out conclusion includes:

- reviewing the Minutes if the meetings of the Governing Body and other evidence made available to us, relevant to our consideration of regularity;
- a review of the objectives and activities of the Academy, with reference to the income streams and other information available to us as auditors of the Academy;
- testing of a sample of payroll payments to staff;
- testing of a sample of payments to suppliers and other third parties;
- consideration of governance issues and;
- evaluating the internal control procedures and reporting lines, testing as appropriate and making appropriate enquiries of the Accounting Officer.

# INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE FIRS LOWER SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

#### Conclusion

In the course of our work, except for the matters listed below nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

#### Matter 1 - External audit oversight

During the year, the Academy Trust failed to comply with section 4.17 of the Academies Financial Handbook in respect of minuting the consideration of reappointment of the auditors along with the basis of the decision made.

### Matter 2 - Gifts made by the Academy Trust

The Academy Trust may have failed to comply with section 5.32 of the Academies Financial Handbook. During the year, the Academy Trust made a gift to a member of staff who left the school, for which no documentation could be provided, for a sum of £20. No conclusions could be drawn of whether the expenditure incurred adheres to the Academies Financial Handbook.

#### Matter 3 - Monitoring the budget

During the year, the Academy Trust failed to comply with section 2.21 of the Academies Financial Handbook in respect of including all relevant information in the management accounts. The monthly management accounts were prepared throughout the year ended 31 August 2022; however, they did not include the necessary requirement of a balance sheet.

### Matter 4 - Register of Pecuniary interests

During the year, the Academy Trust failed to comply with section 2.50 of the Academies Financial Handbook in respect of publishing an up to date register of relevant business and pecuniary interests to their website.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

#### 1. Accounting policies

The Firs Lower School is a private company limited by guarantee, incorporated in England. Its registered number and address of registered office are detailed on page 1. The nature of the academy trust's operations and principal activity are detailed in the Trustees' Report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

The financial statements are prepared in £ sterling, rounded to the nearest £1.

#### 1.1 Basis of preparation of financial statements

The financial statements of the Academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

#### 1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

(A Company Limited by Guarantee)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

## 1. Accounting policies (continued)

#### 1.3 Income

All incoming resources are recognised when the Academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

#### Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

#### Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

#### Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy has provided the goods or services.

## Donated goods, facilities and services

The value of donated services and gifts in kind provided to the Academy Trust are recognised at their open market value in the period in which they are receivable as incoming resources, where the benefit to the Academy Trust can be reliably measured. An equivalent amount is included as expenditure under the relevant heading in the Statement of Financial Activities incorporating Income and Expenditure Account, except where the gift in kind was a fixed asset in which case the amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's policies.

## 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

#### 1. Accounting policies (continued)

#### 1.4 Expenditure (continued)

#### Charitable activities

These are costs incurred on the Academy's educational operations, including support costs and costs relating to the governance of the Academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

#### 1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

#### 1.6 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### 1.7 Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

(A Company Limited by Guarantee)

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

## 1. Accounting policies (continued)

#### 1.7 Tangible fixed assets (continued)

Depreciation is provided on the following bases:

Leasehold land Leasehold buildings Furniture and equipment Plant and machinery Building improvements

- over the term of the 125 year leaseover 50 years on a straight line basis
- 12.5% per annum on a straight line basis
  12.5% per annum on a straight line basis
- 2-5% per annum on a straight line basis

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Land is depreciated as held under a long term lease.

## 1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### 1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### 1.10 Liabilities

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

(A Company Limited by Guarantee)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

## 1. Accounting policies (continued)

#### 1.11 Financial instruments

The Academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15. Prepayments are not financial instruments. Amounts due to the Academy's wholly owned subsidiary are held at face value less any impairment.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the Academy's wholly owned subsidiary are held at face value less any impairment.

## 1.12 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

#### 1.13 Pensions

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

(A Company Limited by Guarantee)

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

#### 1. Accounting policies (continued)

#### 1.14 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

#### 2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

#### Critical areas of judgment:

The judgments that have had a significant effect on amounts recognised in the Financial Statements are those concerning the choice of depreciation policies and asset lives.

#### 13. Trustees' and Officers' insurance

The Academy has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

The General Annual Grant (GAG) must be used for the normal running costs of the Academy.

The other restricted funds relate to various school and educational activities which are not funded by the General Annual Grant. This includes items such as school trips for which income received is used to cover costs in association with these activities. Unrestricted funds are used for charitable purposes at the discretion of the Trustees.

The restricted fixed asset fund was funded predominantly by the funds inherited on coversion from the Central Bedfordshire local authority following the transfer of the land and buildings. The fund represents the net book value of capitalised fixed assets and unspent capital funds of £nil (2021: £nil).

## 24. Pension commitments

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Central Bedfordshire Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year,

## **Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

#### 24. Pension commitments (continued)

#### Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the year amounted to £87,380 (2021 - £117,745).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy has set out above the information available on the scheme.

#### **Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £114,000 (2021 - £113,000), of which employer's contributions totalled £92,000 (2021 - £91,000) and employees' contributions totalled £ 23,000 (2021 - £22,000). The agreed contribution rates for future years are 23.3 per cent for employers and 5.5 - 12.5 per cent for employees.

As described in note the LGPS obligation relates to the employees of the Academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

## 27. Related party transactions

Owing to the nature of the Academy and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

The wife of the Trustee John Ashley is employed by the Academy as a Teaching Assistant:

- As a member of staff, this individual is remunerated by the Academy and their remuneration is in line with all other members of staff of a similar grade. The remuneration of all staff is discussed by the Trustees as a body but Mr J Ashley is not involved in the discussions relating to the remuneration of his wife.

No further related party transactions took place in the period other than certain Trustees' remuneration and expenses already disclosed in note 12.
