3 Progress report

Realisation of assets during the Administrations

- Prior to our appointment as joint liquidators of the Companies, Alistair Wardell and I were appointed as joint administrators on 4 November 2014. On 24 September 2015, I filed Form 2 34B notice of move from administration to creditors' voluntary liquidation at the Registrar of Companies. The administrations ended and we were appointed as joint liquidators.
- 3 2 The realisations during the administrations were

	Construction	Building
Work in Progress (WIP)	19,168	26,428
Book debts	262,030	164,017
Cash at bank	268,618	3,038
Miscellaneous refunds	<u> </u>	635
	549,816	194,118

Progress of the Liquidations

- 3 3 Asset realisations and payments to date are detailed in the attached receipts and payments accounts at Appendix A
- 3 4 Surplus funds from the administrations of £343,952 for Construction and £115,001 for Building were transferred to the liquidations

Trade debtors/Work in Progress (WIP)

- 3 5 I instructed quantity surveyors, Craigdam Services Limited (Craigdam), to assist me in the collection of book debts and WIP
- 3 6 Construction book debts totalling approximately £694,000 and WIP totalling approximately £98,000 were outstanding at the date of my appointment. Since the administration ended, a further £55,000 of WIP and £2,674 of book debts have been recovered
- 3 7 Building book debts totalling approximately £763,000 and WIP totalling approximately £449,000 were outstanding at the date of my appointment. Since the administration ended, a further £19,778 of book debts has been recovered.
- 3 8 I confirm that the debt collection process for the Companies has now been finalised and there will be no further realisations to be made in this respect.

Intercompany position

3 9 Following the consolidation of the group bank accounts, Building and Construction were both owed amounts by the other group companies. The recoverability of these debts is very complex due to counter claims, set offs and other legal issues. I sought direction from Counsel regarding the recoverability of the debts.

- 3 10 As mentioned in my proposals, in the weeks leading up to the appointment certain contracts were novated by Construction to another group company, ERH Communications Limited (Communications), for no consideration
- 3 11 I have recovered £200,000 from Communications as a settlement for the intercompany debt and I am continuing to pursue the directors for the contract novations of c£355,000

Liabilities

Secured creditors

3 12 The Royal Bank of Scotland plc (RBS) had a fixed and floating charge over the assets of the Companies created on 5 October 2012 At the date of our appointment however, RBS had no lending to the Companies

Preferential creditors

- 3 13 The only known preferential creditors are the former employees of Construction who were made redundant on or since 16 October 2014 Preferential claims are subject to a maximum limit set by the insolvency legislation
- 3 14 Preferential claims total £30,179 and were paid in full January 2016
- 3 15 There are no known preferential creditors in Building as all staff were employed by other group companies

Unsecured creditors

3 16 From the statements of affairs prepared by the directors, the unsecured creditors at the date of appointment were

Construction unsecured creditors	£
Subcontractors	2,958,813
Trade and Expense Creditors	227,233
HMRC – VAT	229,211
HMRC – PAYE/NI	55,404
Total	3,470,661
Building unsecured creditors	£
Building unsecured creditors	£
Subcontractors	49,638
Trade and Expense Creditors	179,641
HMRC – VAT	229,211
HMRC - PAYE/NI	85,763
Intercompany - ERH Construction Limited	2,861,076
Intercompany – ERH Holdings Limited	207,960
Total	3,613,289

3 17 Based on current estimates and anticipated future realisations, I anticipate a dividend to creditors of 2 to 5 pence in the pound for Building and up to 15 pence in the pound for Construction

4 Joint liquidators' remuneration and expenses

- 4.1 On 8 January 2015, the creditors resolved that we draw our remuneration by reference to our time costs and our pre-administration costs unpaid at the date of appointment can be ranked as an expense in the administrations
- Pre-appointment time costs of c£69,000 were written off as they were not considered to be wholly relating to the appointment process
- 4.3 Pre-administration costs of £5,766 for Building and £17,298 for Construction were paid during the administration. The pre-administration costs were in respect of assisting management in the preparation of placing the Companies into administration.

- 4 5 Background information regarding the fees of administrators can be found at www insolvency-practitioners org uk (navigate via 'Regulation and Guidance' to 'Creditors Guides to Fees') Alternatively, we will supply this information by post on request Time is charged in units of 6 minutes
- 4.6 Pursuant to rule 4.127(5A) of the Insolvency Rules 1986, this basis applies also in the liquidation
- 47 In addition, we have drawn expenses of £5 from the administration of Construction as indicated in Appendix A and have expenses in the liquidations of Construction and Building to take in due course, as set out in Appendix B
