**Notes to the Abbreviated Accounts
for the Year Ended 30 June 2014**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover is accounted for as revenue when, and to the extent that, the company obtains a right to consideration in exchange for its performance of its obligations under the sales contract with the customer. The amount reported as revenue is the fair value of the right to consideration - usually the price specified in the contractual arrangement net of discounts and net of VAT, and after any allowance for credit risk and other uncertainties.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
