FINANCIAL REVIEW

Going concern

Having substantially fulfilled the strategic aim of 2018/19 and 2019/20, which was to meet the obligations of established project commitments, Nectar Trust aimed to continue to reassess its strategic priorities. However, as of late March 2020, the world suffered the global Covid-19 pandemic, which impact our ability to raise funds and generate new projects proposals. The Trustees have met regularly to take stock of the situation, leading to only one on-going project commitment being met in 2020 towards Maison Du Dialogue, but otherwise activity has been minimal. The Trustees are due to meet in the first quarter of 2021/21 to assess the future, as the global lockdown starts to ease.

On the subject of Covid-19, the charity has not benefited from any Government schemes, such as furlough or interest free loans.

The trustees consider the charity as a going concern.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation has been provided on all tangible fixed assets at the following rates on the net book value of assets at the beginning of the financial year.

Depreciation is provided at the following annual rates:

Fixtures and fittings 25% on net book value

Computer equipment 33% on net book value

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Foreign currencies

The charity's functional and presentation currency is pound sterling. Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are recognised in the SOFA.

**Notes to the Financial Statements - continued
for the Year Ended 31 March 2020**

1. ACCOUNTING POLICIES - continued

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic Financial instruments, include trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

Creditors

Creditors and provisions are recognised when the charity has present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Going Concern Covid-19

As the charity does not have any employees and the charity operations is mainly to make donations to specific organisations. The Coronavirus pandemic therefore did not have any impact on the operations and financial position of the charity.

There are no other going concern issues in the opinion of the trustees. The trustees are confident that they have sufficient resources for the operations of charity for the next 12 months.
