**PART 2 – CONSULTATION WITH STAKEHOLDERS** – Please indicate who the company's stakeholders are; how the stakeholders have been consulted, and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

Our main stakeholders are the young people we train, either online across the UK or in classroom-based environments in Nottinghamshire. We also work closely with other not-for-profits and local community groups in and around Nottinghamshire.

We have consulted with our 'online' community and a number of local community groups. Each group has significantly impacted our projects' direction, ensuring we only develop new projects against actual needs. Our annual consultation with our online community enables us to set objectives and targets for the year ahead. This online questionnaire asks our beneficiaries to offer feedback on the services they accessed and what they would like going forward.

We got feedback from 136 of our stakeholders in early 2023; this set our focus on areas that our stakeholders showed the most interest in, namely the provision of our drop-in service webinars where our service users get to ask specific questions around issues they are having or things they are trying to achieve on the platform.
