NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

1. Principal accounting policies

Basis of preparation

These financial statements have been prepared on a going concern basis under the historic cost convention and in accordance with the Companies Act 2006 and United Kingdom Accounting Standards, in particular, Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

FRS 101 sets out a reduced disclosure framework that addresses the financial reporting requirements of and disclosure exemptions available in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted IFRS. Amendments are made to the requirements of IFRS where necessary so as to comply with the Companies Act 2006.

The Company, as a qualifying entity, is a member of a group where the parent of that group, being Capital & Counties Properties PLC, prepares publicly available consolidated financial statements that are intended to give a true and fair view and the Company is included in the consolidation. Details of where the 2018 Annual Report & Accounts of Capital & Counties Properties PLC can be obtained are disclosed in note 3.

The Directors of the Company have taken advantage of the following disclosure exemptions available under FRS 101:

- The requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 'Presentation of Financial Statements';
- The requirements of IAS 7 'Statement of Cash Flows';
- The requirements of paragraphs 30 and 31 of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'; and
- The requirements in IAS 24 'Related Party Disclosures' to disclose related party transactions entered into between two or more members of a group.

The Directors have notified the shareholder of the Company in writing about the use of disclosure exemptions in these financial statements and the shareholder does not object.

New standards and interpretations

No new accounting standards and interpretations that are effective for the year ended 31 December 2018 have had a material impact on the financial statements.

The principal accounting policies which have been adopted and consistently applied in the preparation of the financial statements are set out below.

Amounts owing from group undertakings

Amounts owing from group undertakings are recognised at fair value and subsequently measured at amortised cost until settled. These balances are assessed annually for impairment in accordance with 'IFRS 9' Financial Instruments using the expected credit loss model. If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the original impairment was recognised, the impairment reversed is recognised in the income statement on a basis consistent with the original charge.
