NOTES TO THE ABBREVIATED ACCOUNTS for the year ended 30 November 2014

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The accounts have been prepared in accordance with applicable accounting standards. The principal accounting policies adopted in the preparation of the financial statements are set out below.

At the balance sheet date the company had net current liabilities of £16,753 (2013 - £15,971) and total net liabilities of £366 (2013 - total net assets of £561). Included in creditors due with one year is a director's loan of £19,821 (2013 - £15,213). The director has expressed their willingness to support the company as necessary and along with the forecasted future profitable trade the business is considered a going concern. The accounts and financial statements have therefore been prepared on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover comprises the value of sales (net of value added tax) of services provided in the normal course of business.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Motor vehicles - 25% on cost

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.
