The SchoolsCompany Trust
(A Company Limited by Guarantee)

Trustee's Report
For the Year Ended 31 August 2021

The trustee presents the annual report together with the audited financial statements of the company for the 1 September 2020 to 31 August 2021. The Annual report serves the purposes of both a trustee's report and a directors' report under company law. The trustee confirms that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

The company has, in the past, operated as a multi-academy trust, and as an exempt charity was regulated by the Education & Skills Funding Agency ("ESFA"). Following a difficult period during 2017 and 2018, whilst under the management of the then executive team, the company was subject to an ESFA investigation into the conduct of the former trustees which had resulted in the loss of public funds. The academies the company was responsible for were re-brokered with the final academies transferred out of the trust on 1 November 2018, as shown in more detail in the 2019 financial statements.

The intention is for the company to be dissolved in due course, however this is pending whilst the company attempts to recover the lost public funds. With the company no longer responsible for any academies, the ESFA has ceased to be the regulator, and the company therefore applied for and successfully gained charitable status with the Charity Commission from 1 October 2020, charity reference number 1192198. A grant funding agreement is in place with the Department for Education to ensure the company has sufficient funds to operate whilst the investigation continues.

Objectives and activities

a. Policies and objectives

The charitable company's objects are restricted to advance for the public benefit education in the United Kingdom.

In setting objectives and planning for activities, the trustee has given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies and activities for achieving objectives

During the year the charitable company has continued its investigations into the activities of some of the former directors who were in place during the period 2015 – 2018. This investigation is ongoing.

Achievements and performance

a. Main achievements of the company

As part of the ongoing investigations, which continue to be extensive, in February 2021 legal action in the High Court was commenced against four former Trustees and against a company owned by one of the former Trustees. This legal action is continuing.

Financial review

a. Going concern

Due to the funding agreement in place with the Department for Education, the trustee has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future, despite the net liability position shown by the Statement of financial position. However, the intention remains to wind the charitable company up as soon as this becomes feasible, and the trustee believes this may be achievable within twelve months of the approval of these financial statements, but is subject to the legal action currently being pursued. For this reason, the financial statements are not prepared on a going concern basis (see accounting policy 2.2 for further details).

The SchoolsCompany Trust
(A Company Limited by Guarantee)

Trustee's Report (continued)
For the Year Ended 31 August 2021

b. Reserves policy

Due to the nature of the charitable company it does not have a formal reserves policy. The charitable company does not have any free reserves and has an overall deficit of £2.67m as shown on the Statement of financial position.

This relates almost entirely to recoverable deficit funding advanced by the ESFA in previous years. The amount owed to the ESFA, £2.807m, is reflected in creditors and shown in note 12 to the financial statements. Whilst investigations into the conduct of the previous board of trustees are on-going, the ESFA continues to explore whether the debt the charitable company owes is recoverable by them, and therefore to be prudent the liability continues to be recognised.

Structure, governance and management

a. Constitution

The SchoolsCompany Trust is registered as a charitable company limited by guarantee and was set up by a Trust deed.

b. Methods of appointment or election of trustee

The management of the company is the responsibility of the trustee who was elected and co-opted under the terms of the Trust deed.

c. Trustees during the year

The following trustees served and resigned during the year:

Angela Barry (resigned 3 November 2020)
Nikki King (resigned 5 November 2020)
Rupert Gather (resigned 3 November 2020)
Richard McDonnell (resigned 3 November 2020)
Steve Ward (resigned 3 November 2020)
Tom Maddison (resigned 3 November 2020)

The above were all appointed during the 2017-18 year to serve as an interim board of trustees to ensure the efficient transfer of the company's assets and academies. Following the successful completion of this task and the registration of the company as a registered charity in October 2020, each of these directors subsequently resigned.

David Knight, who had previously been involved advising the trustees and liaising closely with the ESFA, was appointed as a trustee on 3 November 2020 and became the sole trustee following the resignation of the individuals listed above.

Plans for future periods

The legal action referred to above will continue until it is concluded. Following this, it is the intention that the Trust will be wound up.

Members' liability

The Members of the company guarantee to contribute an amount not exceeding £10 to the assets of the company in the event of winding up.

Disclosure of information to auditors

The trustee has, at the time when this Trustee's Report is approved, confirmed that:

- so far as that trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that trustee has taken all the steps that ought to have been taken as a trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Statement of trustee's responsibilities
For the Year Ended 31 August 2021

The trustee (who is also the director of the company for the purposes of company law) is responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustee to prepare financial statements for each financial year. Under company law, the trustee must not approve the financial statements unless satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustee is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to ensure that the financial statements comply with the Companies Act 2006. The trustee is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the trustee:

David Knight
Trustee

Date: 19/05/2022

The SchoolsCompany Trust
(A Company Limited by Guarantee)

Independent Auditors' Report to the Members of The SchoolsCompany Trust

Opinion

We have audited the financial statements of The SchoolsCompany Trust (the 'charitable company') for the year ended 31 August 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - financial statements prepared on a basis other than going concern

We draw attention to note 2.2 in the financial statements, which explains that the trustee has concluded that the going concern basis is not appropriate because the charitable company may be dissolved in the coming twelve months. Since adequate disclosures have been included in the financial statements our opinion is not modified in respect of this matter.

Our responsibilities and the responsibilities of the trustee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The trustee is responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustee's Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustee's Report has been prepared in accordance with applicable legal requirements.

The SchoolsCompany Trust
(A Company Limited by Guarantee)

Independent Auditors' Report to the Members of The SchoolsCompany Trust (continued)

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustee's Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustee's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustee were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustee's Report and from the requirement to prepare a Strategic Report.

Responsibilities of the trustee

As explained more fully in the Trustee's responsibilities statement, the trustee (who is also the director of the charitable company for the purposes of company law) is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustee are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustee either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

How the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- we identified the laws and regulations applicable to the charitable company through discussions with management, and from our commercial knowledge and experience of the charity sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the accounts or the operations of the charitable company, including the Charity SORP and the Companies Act 2006;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting correspondence; and
- identified laws and regulations were communicated within the audit team and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charitable company's accounts to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and

The SchoolsCompany Trust
(A Company Limited by Guarantee)

Independent Auditors' Report to the Members of The SchoolsCompany Trust (continued)

- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in the accounting policies were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading minutes of meetings of those charged with governance; and
- enquiring of management and representatives of the trustee as to actual and potential litigation and claims.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

The SchoolsCompany Trust
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2021

1. General information

The charitable company is a company limited by guarantee, registered in England and Wales. Its registered office is 12th Floor, 6 New Street Square, London, United Kingdom, EC4A 3BF.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The SchoolsCompany Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The trustee has assessed whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. Such an assessment is usually made in respect of a period of at least one year from the date of authorisation for issue of the financial statements.

Due to the funding agreement in place with the Department for Education, the trustee has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future, despite the net liability position shown by the Statement of financial position. However, the intention remains to wind the charitable company up as soon as this becomes feasible, and the trustee believes this may be achievable within twelve months of the approval of these financial statements, but is subject to the legal action currently being pursued. The accounts have therefore not been prepared on a going concern basis. Any monies recovered during the investigation, together with any available cash at bank, will be used to repay the loan owed to the Education & Skills Funding Agency (ESFA), shown in note 12.

2.3 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

The SchoolsCompany Trust
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2021

2. Accounting policies (continued)

2.5 Tangible fixed assets and depreciation

Tangible fixed assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Furniture and equipment	-	20%
Computer equipment	-	33%

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.9 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.10 Pensions

The charitable company does not have an active pension scheme. The amount charged to the Statement of financial activities during the prior period of £11k relates to Teachers' Pension Scheme employer contributions relating to the period July 2016 to August 2017 which had not been made previously in error.

The SchoolsCompany Trust
(A Company Limited by Guarantee)

Notes to the Financial Statements
For the Year Ended 31 August 2021

2. Accounting policies (continued)

2.11 Fund accounting

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

3. Income from charitable activities

	Restricted funds 2021 £000	Total funds 2021 £000	<i>Total funds 2020 £000</i>
Grant funding	659	659	220
<i>Analysis of 2020 total by fund</i>	220	220	

4. Analysis of expenditure on charitable activities

Summary by fund type

	Restricted funds 2021 £000	Total funds 2021 £000	<i>Total funds 2020 £000</i>
Charitable activities	562	562	172
<i>Analysis of 2020 total by fund</i>	172	172	

The expenditure on charitable activities relates to operating costs incurred by the company in respect of the continuing operation of the company during the on-going investigation.

5. Analysis of expenditure by activities

	Direct costs 2021 £000	Support costs 2021 £000	Total funds 2021 £000	<i>Total funds 2020 £000</i>

12. Statement of funds

Statement of funds - current year

	Balance at 1 September 2020 £000	Income £000	Expenditure £000	Balance at 31 August 2021 £000
Restricted funds				
General Annual Grant (GAG)	(2,823)	-	-	(2,823)
Other DfE/ESFA grants	54	659	(561)	152
	<u>(2,769)</u>	<u>659</u>	<u>(561)</u>	<u>(2,671)</u>
Restricted fixed asset funds				
Fixed assets	<u>2</u>	<u>-</u>	<u>(1)</u>	<u>1</u>
Total Restricted funds	<u><u>(2,767)</u></u>	<u><u>659</u></u>	<u><u>(562)</u></u>	<u><u>(2,670)</u></u>

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant (GAG) was the main source of funding received by the company when it operated as an educational multi-academy trust. This deficit is linked to the other loan balance due to the ESFA, as disclosed in Note 12.

The other DfE/ESFA grants fund comprises government grant income from the Department for Education and the ESFA.

The restricted fixed asset fund is used to keep track of assets that have been funded by government grants.

	<u>(2,711)</u>	<u>301</u>	<u>(2,410)</u>

17. Operating lease commitments

The company had no commitments under non-cancellable operating leases at 31 August 2021.

18. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

19. Related party transactions

During the year, the charitable company incurred management 'turnaround director' fees of £99,000 and recharged expenses of £42 with Integrity Management (Management Consultancy) Ltd. Mr. D. Knight, the trustee, is the sole director of this company and is named as a person of significant control on the company's record at Companies House.

Mr. Knight did not become a trustee of The SchoolsCompany Trust until 3 November 2020, during the period covered by these financial statements, but in the interests of transparency the charitable company paid £39,683 to Integrity Management (Management Consultancy) Ltd during the prior year.

In accordance with the Grant Funding Agreement in place with the Department for Education, the payment of these fees and expenses have been approved by the Charity Commission.

20. Controlling party

During the year the charitable company was run by the trustees on a day to day basis. Since the changes to trustees in November 2020, the day to day management has been the responsibility of the sole trustee, David Knight.

The controlling parties are deemed to be the three members: Ms. N. King, Mr. G. Pocock and Mrs. R. Barnfield.
