TRUSTEES' REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2021

The Trustees present their annual report together with the financial statements of the Company for the year 1 October 2020 to 30 September 2021. The annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The Charity's objects are to foster and promote community participation in healthy recreation for the benefit of the inhabitants of Uckfield, East Sussex and the surrounding districts by the provision of facilities and coaching of trampoline, gymnastics, Double Mini Trampoline (DMT) and tumbling and the provision of these for all ages and abilities. The policies adopted in furtherance of these objects are the provision of trampoline, gymnastics, DMT and tumbling classes for all ages and abilities, the provision of appropriate facilities and the sale of relevant merchandise. There has been no change in these during the period.

The Charity is responsible for all the activities that take place at Fun Abounds Trampoline Centre and provides services to all. These include recreational and competitive trampoline, gymnastics, tumbling and DMT sessions for children and adults, supervised play sessions, fun sessions for pre-school and school age children, individual needs sessions and exclusive sessions for several care homes for adults with disabilities. Additionally, during the day several schools attend for lessons including two local special schools with children from all Key Stages.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Activities undertaken to achieve objectives

The Centre is fully accessible, with a hoist to enable wheelchair users to access the trampolines and service users from local adult care homes are benefitting from this also. The Centre is hired out exclusively to two groups of adults with autism and challenging behaviour unable to attend other leisure facilities, therefore these groups are able to access a sport they would not otherwise be able to do.

Supervised play sessions are offered to school age children on Saturdays and throughout the school holidays and often to local youth groups including Cubs, Brownies, Girl Guides, church youth groups, a Buddy Scheme, Kangaroos and a group of Looked After Children. Hundreds of children have attended birthday parties at the Centre.

The Centre is home to the competitive section of the Sky High Trampoline Gymnastics Academy, which now has over 250 members taking part in recreational activities and 90 competitive members from the area, competing in trampoline, DMT and tumbling; currently boasting 10 National level performers, being one of the most highly regarded elite Clubs in the country.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2021

Objectives and activities (continued)

c. Main activities undertaken to further the Company's purposes for the public benefit

The benefits to the community can be seen in so many areas. Children make friends in a safe environment, committed to building self-confidence, self-esteem, accessible to all with numerous health benefits such as improved co-ordination, balance, fitness, mobility strength to name but a few. It has been a refuge for several and it has seen many people, young and older, grow, develop, increase in confidence and shine. It has enabled many people to take on roles they never imagined they would and it has provided a career pathway for numerous young people, including school leavers without any previous employment.

Achievements and performance

a. Main achievements of the Company

Sky High Trampoline Gymnastics Academy ran programmes across trampoline, gymnastics, DMT and tumbling during the 2020/2021 financial year, although in a much reduced way because of Covid-19 restrictions. Volunteers are a huge part of the Charity and have supported Sky High across all areas of its work and we are very grateful for their knowledge, experience and enthusiasm. Their roles vary from judging to helping in the café and during the year, donated hundreds of hours of their time to help Sky High achieve its mission. The Company has also employed one coaching apprentice in co-operation with Coach Core, Active Sussex and Lifetime Training under the government's apprenticeship scheme.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The coronavirus pandemic has been the biggest challenge the Company has ever dealt with having seen the Centre closed for five months and operating at limited capacity for the remaining seven months of this financial year. This has had an obvious effect on its income. The Company has been able to benefit from the Coronavirus Job Retention Scheme to retain staff, Local Authority discretionary grants devolved from central government and emergency Covid grant funding from Sport England. This in addition to the fundraising and so many of the members continuing to pay their monthly fees, has enabled the Company to keep its finances on track. With the previously revised structure in place, the Trustees are confident the Company will remain financially viable for the long term.

Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The reserves policy is to hold 3 months of operating costs to ensure the Company can continue to provide services during periods of inconsistent funding. This amount is currently estimated at £75,000. The current amount of free reserves is negative £11,852 which falls short of the desired policy level. The Company is investigating ways to bring the current free reserves level in line with the policy.

Responsibilities and basis of report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2021**

1. General information

Sky High Trampoline Gymnastics Academy is a company limited by guarantee (08470223), registered in England and Wales. The registered office address is 52 New Town, Uckfield, East Sussex, TN22 5DE. The members of the company are the Trustees named on within the Trustees' report. In the event of the company being wound up, the liability in respect of the guarantee is limited to £10 per member of the company.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Sky High Trampoline Gymnastics Academy meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The financial statements have been prepared on a going concern basis for the reasons explained in more detail within the Trustees' Report.

2.3 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the Company's accounting policies.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Company which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

SKY HIGH TRAMPOLINE GYMNASTICS ACADEMY
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2021**

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the statement of financial activities as the related expenditure is incurred.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £300 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Fixtures and fittings	- Over 10 years
-----------------------	-----------------

2.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

SKY HIGH TRAMPOLINE GYMNASTICS ACADEMY
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2021**

2. Accounting policies (continued)

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

2.11 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Pensions

The Company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Company to the fund in respect of the year.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
