BRIT ADHESIVES LTD

Notes to the Financial Statements

for the Period Ended 30 November 2022

1. Accounting policies

These financial statements have been prepared in accordance with the provisions of Section 1A (Small Entities) of Financial Reporting Standard 102

Turnover policy

Turnover represents the invoices value of goods and services supplied by the company, net of value added tax and trade discount.

Tangible fixed assets and depreciation policy

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives. Plant and Machinery straight line 25% Fixtures and Fittings straight line 25% Equipment straight line 50%

Valuation and information policy

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell (net realisable value). Costs, which comprise direct production costs, are based on the method most appropriate to the type of inventory class, but usually on a first-in-first-out basis. Overheads are charged to profit or loss as incurred. Net realisable value is based on the estimated selling price less any estimated completion or selling costs. When stocks are sold, the carrying amount of those stocks is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of stocks to net realisable value and all losses of stocks are recognised as an expense in the period in which the write-down or loss occurs. The amount of any reversal of any write-down of stocks is recognised as a reduction in the amount of stocks recognised as an expense in the period in which the reversal occurs.
