NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30 APRIL 2015

1. ACCOUNTING POLICIES (continued)

Financial instruments

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial hability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity

Going concern

At the balance sheet date the balance sheet shows a deficit of £4,822 (£2014 - £168 surplus)

In the director's opinion the company remains a going concern despite the net liability position due to the ongoing support of the company director. After the balance sheet date Lottery Grant money of £9,200 was receive by the company

The company runs 'Sticky Bits' a community café, which is run for the benefit of the lesbian, gay, bisexual and transgender community in Carlisle and surrounding area

During the year the café has

- 1 Provided a food and beverage service at an informal venue to encourage social interaction and networking between members of the community, thus helping to strengthen community spirit and awareness
- 2 The company also provided training courses in food hygiene and confidence building These courses will improve skill levels and encourage personal development of community members, leading to greater employability. There have been 8 people volunteering at the centre throughout the year. The community cafe is a safe space for people identifying as LGBT and is being used predominantly by this group. We run smaller groups that are specific to age and sexuality

The company's stakeholders are the members of the lesbian, gay, bisexual and transgender community in Carlisle and the surrounding area. The directors of the company have lived in and worked with the community for a number of years, and developed the business model for the shop based on their experience of talking to members of the community.

The cafe was set up after looking at consultation done by Cumbria County Council in 2011 and from findings from past health consultation

As a result of our own consultations during the year, we have recognised the need for more issue based discussion groups at the cafe and LGBTHQ centre. Funding has been applied for in order to make this possible.
