Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

the Security Trustee may, by notice to any Charging Company, convert the floating charge created under this deed into a fixed charge as regards those assets which it specifies in the notice.

3.6 Automatic Conversion of Floating Charge

- (a) Subject to paragraph (b) below, if:

- (b) For each Excluded Property, each relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition within fourteen days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant Excluded Property) and, in respect of each Excluded Property which provides that the relevant third party will not unreasonably withhold its consent to charging, to use all reasonable endeavours to obtain that consent as soon as possible and to keep the Security Trustee informed of the progress of its negotiations.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Property shall stand charged to the Security Trustee under clause 3.1 (Fixed Charges) and the provisions of clause 4 (Further Assurance) and clause 6.2 (Perfection of Property Security) shall apply. - (b) For each Excluded Intellectual Property, each relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition

within fourteen days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant Excluded Intellectual Property) and, in respect of any licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use its reasonable endeavours to obtain such consent as soon as possible and to keep the Security Trustee informed of the progress of its negotiations.

- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Intellectual Property shall stand charged to the Security Trustee under clause 3.1 (Fixed Charges) and the provisions of clause 4 (Further Assurance) and clause 11.2 (Perfection of Intellectual Property Security) shall apply. If required by the Security Trustee, at any time following receipt of that waiver or consent, the relevant Charging Company will forthwith execute a valid fixed charge or legal assignment in such form and substance as the Security Trustee shall reasonably require.

- (a) There shall be excluded from the security assignment created by clause 3.2 (Security Assignment) and from the operation of clause 4 (Further Assurance) any Assigned Agreements which either precludes absolutely or conditionally (including requiring the consent of any third party) that Charging Company from creating any security over its interest in that Assigned Agreement (each an "**Excluded Assigned Agreement**") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Assigned Agreement, each relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition within fourteen days of the date of this deed and, shall use its reasonable endeavours to obtain such consent as soon as possible and to keep the Security Trustee informed of the progress of its negotiations.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Assigned Agreement shall stand charged to the Security Trustee under clause 3.2 (Security Assignment) and the provisions of clause 4 (Further Assurance). If required by the Security Trustee, at any time following receipt of that waiver or consent, the relevant Charging Company will forthwith execute a valid fixed charge or legal assignment in such form and substance as the Security Trustee shall reasonably require.

4. **FURTHER ASSURANCE**

- (a) Each Charging Company shall promptly (and at its own expense) do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Trustee may reasonably specify (and in such form as the Security Trustee may reasonably require in favour of the Security Trustee or its nominee(s)):

5.4 Power to Remedy

If a Charging Company fails to comply with any undertaking given in this deed and that failure is not remedied to the satisfaction of the Security Trustee (acting reasonably) within ten Business Days of the Security Trustee providing written notification to the relevant Charging Company that remedy is required, it will allow (and irrevocably authorises) the Security Trustee, or any Delegate, to take any action on behalf of that Charging Company which is necessary to ensure that those covenants are complied with.

- (b) use reasonable endeavours to procure that each counterparty promptly acknowledges that notice by countersigning a copy of it and delivering that copy to the Security Trustee.

14. ATTORNEY

Each Charging Company, by way of security, irrevocably and severally appoints the Security Trustee, each Receiver, each Delegate and any person nominated for the purpose by the Security Trustee or any Receiver or Delegate (in writing and signed by an officer of the Security Trustee or Receiver or Delegate) as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed to execute, deliver and perfect any deed, agreement or other instrument and to do any act or thing:

- (a) which that Charging Company is required to do (but has not done) under the terms of any Finance Document; and/or
- (b) which is solely for the purpose of enabling the exercise of any rights or powers conferred on the Security Trustee, any Receiver or any Delegate by any Finance Document or by law,

and each Charging Company covenants with any such attorney to ratify and confirm all such acts or things made, done or executed by that attorney.

15. ENFORCEMENT

15.1 Exercise of Enforcement Powers

At any time after an Enforcement Date has occurred:

- (a) the Security created by or pursuant to this deed is immediately enforceable;
- (b) the Security Trustee may enforce all or any part of the Security and take possession of and hold, sell or otherwise dispose and/or deal with all or any part of

the Charged Property as the Majority Lenders shall instruct or, in the absence of any such instructions, as the Security Trustee considers in its discretion to be appropriate; and

- (c) the Security Trustee may exercise the power of sale and all other rights and powers conferred by this deed or by statute (as varied or extended by this deed) on the Security Trustee or on a Receiver, irrespective of whether the Security Trustee has taken possession or appointed a Receiver of the Charged Property.

15.2 **Appointment of Receiver or Administrator**

- (a) Subject to paragraphs (d) and (e) below, if:

- (i) an Enforcement Date has occurred; or
- (ii) so requested by the relevant Charging Company,

the Security Trustee may by writing under hand appoint any person (or persons) to be a Receiver of all or any part of the Charged Property of the Charging Companies.

- (b) Section 109(1) of the Law of Property Act 1925 shall not apply to this deed.
- (c) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created by this deed.
- (d) The Security Trustee shall be entitled to appoint a Receiver save to the extent prohibited by section 72A of the Insolvency Act 1986.
- (e) A Receiver may not be appointed solely by reason of the obtaining of a moratorium under section 1A of the Insolvency Act 1986 in relation to a Charging Company, or anything done with a view to obtaining such a moratorium.

15.3 **Appropriation**

- (a) In this deed, "**financial collateral**" has the meaning given to that term in the Financial Collateral Arrangements (No. 2) Regulations 2003.
- (b) If an Enforcement Date has occurred the Security Trustee may appropriate all or part of the financial collateral in or towards satisfaction of the Secured Obligations.
- (c) The Security Trustee must attribute a value to the appropriated financial collateral in a commercially reasonable manner. For this purpose, the Security Trustee will value the financial collateral as follows:
 - (i) in the case of cash, by reference to its face value received by the Security Trustee;
 - (ii) in the case of credit claims, by reference to the amount actually recovered by the Security Trustee; and
 - (iii) in the case of financial instruments, by reference to such public indices, valuations or other matters as the Security Trustee may reasonably decide.
- (d) Where the Security Trustee exercises its rights of appropriation and the value of the financial collateral appropriated differs from the amount of the Secured Obligations, as the case may be, either:

- (i) the Security Trustee must account to the Charging Companies for the amount by which the value of the appropriated financial collateral exceeds the Secured Obligations; or
- (ii) the Charging Companies will remain liable to the Secured Parties for any amount whereby the value of the appropriated financial collateral is less than the Secured Obligations.

16. EXTENSION AND VARIATION OF STATUTORY POWERS

16.1 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by statute shall apply to the security created by this deed, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers conferred by statute and those contained in this deed, those contained in this deed shall prevail.

16.2 Section 101 LPA Powers

The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 shall arise on the date of this deed and for that purpose the Secured Obligations are deemed to have fallen due on the date of this deed.

16.3 Powers of Leasing

The Security Trustee may lease, make agreements for leases at a premium or otherwise, accept surrenders of leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925.

16.4 Restrictions Disapplied

The restrictions on the consolidation of mortgages and on exercise of the power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the security constituted by this deed.

17. STATUS, POWERS, REMOVAL AND REMUNERATION OF RECEIVER

17.1 Receiver as Agent

Each Receiver shall be the agent of the relevant Charging Company which shall be solely responsible for his or her acts or defaults, and for his or her remuneration and expenses, and be liable on any agreements or engagements made or entered into by him. The Security Trustee will not be responsible for any misconduct, negligence or default of a Receiver.

17.2 Powers of Receiver

Each Receiver appointed under this deed shall have all the powers conferred from time to time on receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this deed), so that the powers set out in schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any liquidation of the relevant Charging Company, each Receiver shall have power to:

- (a) develop, reconstruct, amalgamate or diversify any part of the business of the relevant Charging Company;
- (b) enter into or cancel any contracts on any terms or conditions;

- (c) incur any liability on any terms, whether secured or unsecured, and whether to rank for payment in priority to this security or not;
- (d) let or lease or concur in letting or leasing, and vary the terms of, determine, surrender leases or tenancies of, or grant options and licences over, or otherwise deal with, all or any of the Charged Property, without being responsible for loss or damage;
- (e) establish subsidiaries to acquire interests in any of the Charged Property and/or arrange for those subsidiaries to trade or cease to trade and acquire any of the Charged Property on any terms and conditions;
- (f) make and effect all repairs, renewals and improvements to any of the Charged Property and maintain, renew, take out or increase insurances;
- (g) exercise all voting and other rights attaching to the Investments and stocks, shares and other securities owned by the relevant Charging Company and comprised in the Charged Property;
- (h) redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Charging Company and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
- (i) appoint and discharge officers and others for any of the purposes of this deed and/or to guard or protect the Charged Property upon terms as to remuneration or otherwise as he may think fit;
- (j) settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the relevant Charging Company or relating to any of the Charged Property;
- (k) implement or continue the development of (and obtain all consents required in connection therewith) and/or complete any buildings or structures on any Property comprised in the Charged Property;
- (l) purchase or acquire any land or any interest in or right over land;
- (m) exercise on behalf of the relevant Charging Company all the powers conferred on a landlord or a tenant by any legislation from time to time in force in any relevant jurisdiction relating to rents or agriculture in respect of any part of the Property; and
- (n) do all other acts and things (including signing and executing all documents and deeds) as the Receiver considers to be incidental or conducive to any of the matters or powers in this clause 17.2, or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Property, and use the name of the relevant Charging Company for all such purposes,

and in each case may use the name of the relevant Charging Company and exercise the relevant power in any manner which he may think fit.

17.3 **Removal of Receiver**

The Security Trustee may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new

Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

17.4 Remuneration of Receiver

The Security Trustee may from time to time fix the remuneration of any Receiver appointed by it. Sections 109(6) and (8) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this deed.

17.5 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this deed (unless the document appointing such Receiver states otherwise).

18. PROTECTION OF THIRD PARTIES

18.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Security Trustee, any Receiver or Delegate shall be obliged or concerned to enquire whether:

- (a) the right of the Security Trustee or any Receiver to exercise any of the powers conferred by this deed has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Secured Obligations remain outstanding or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

18.2 Receipt Conclusive

The receipt of the Security Trustee or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys or other consideration paid to or by the direction of the Security Trustee or any Receiver.

19. PROTECTION OF SECURITY TRUSTEE AND RECEIVER

19.1 Delegation

The Security Trustee may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this deed to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may in its absolute discretion think fit, provided that the Security Trustee provides written notice to the Borrower (such notice to include the identity of such delegate). The Security Trustee will not be liable or responsible to any Charging Company or any other person for any losses or liabilities arising from any act, default, omission or misconduct on the part of any Delegate or sub-delegate and shall not be responsible for supervising the acts of any such Delegate or sub-delegate.

19.2 No Liability

Neither the Security Trustee nor any Receiver or Delegate shall (either by reason of taking possession of the Charged Property or for any other reason and whether as mortgagee in possession or otherwise) be liable in respect of any of the Charged Property or for any costs, expenses, charges, losses, damages or liabilities which arise out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence or wilful default.

19.3 Possession of Charged Property

Without prejudice to clause 19.2 (No Liability), if the Security Trustee or any Delegate enters into possession of the Charged Property, it or he will not be liable to account as mortgagee in possession and may at any time at its or his discretion relinquish such possession.

20. APPLICATION OF ENFORCEMENT PROCEEDS

20.1 Order of Application

All proceeds of enforcement (whether cash or non-cash) received or recovered by the Security Trustee or any Receiver or Delegate pursuant to this deed shall (subject to the claims of any person having prior rights thereto) be applied in the order of priority set out in clause 10.2 (Application of monies on and after an Enforcement Date) of the Intercreditor Deed.

21. PROTECTION OF SECURITY

21.1 Continuing Security

This security is to be a continuing security notwithstanding any intermediate payment or settlement of all or any part of the Secured Obligations or any other matter or thing or any increase, update, extension, amendment or restatement of a Finance Document.

21.2 Other Security

- (a) This security is to be in addition to and shall neither be merged in nor in any way exclude or prejudice or be affected by any other security or other right which the Security Trustee or any other Secured Party may now or after the date of this deed hold for any of the Secured Obligations.
- (b) This security may be enforced against each Charging Company without first having recourse to any other rights of the Security Trustee or any other Secured Party.

21.3 Cumulative Powers

- (a) The powers which this deed confers on the Security Trustee, the other Secured Parties and any Receiver appointed under this deed are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate.
- (b) The Security Trustee, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever.
- (c) The respective powers of the Security Trustee, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

21.4 Amounts Avoided

If any amount paid by a Charging Company in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the relevant Charging Company or otherwise, then for the purposes of this deed that amount shall not be considered to have been paid.

21.5 Discharge Conditional

If any discharge, release or arrangement (whether in respect of the obligations of any Charging Company or in respect of any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Charging Company under this deed will continue or be reinstated as if the discharge, release or arrangement had not occurred.

21.6 Waiver of Defences

The obligations of each Charging Company under this deed will not be affected by an act, omission, matter or thing which, but for this provision, would reduce, release or prejudice any of its obligations under this deed (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any person;
- (b) the release of any person under the terms of any composition or arrangement;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

21.7 Non-competition

Until all amounts which may be or become payable in respect of the Secured Obligations have been irrevocably paid in full, no Charging Company will exercise any rights which it may have by reason of performance by it of its obligations under this deed or by reason of any amounts being payable, or liability arising under this deed:

- (a) to claim any right of indemnity or contribution in respect of any payment made or other satisfaction of that Charging Company's liability under this deed;
- (b) to take the benefit (whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Finance Documents; and/or
- (c) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

Each Charging Company shall hold any benefit, payment or distribution received by it contrary to this clause 21.7 (Non-competition) on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct for application in accordance with clause 20 (Application of Enforcement Proceeds).

21.8 Release of Right of Contribution

If any Charging Company (a "**Retiring Charging Company**") ceases to be a Charging Company in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Charging Company, then on the date such Charging Company ceases to be a Charging Company:

- (a) that Charging Company is released by each other Charging Company from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Charging Company arising by reason of the performance by any other Charging Company of its obligations under the Finance Documents; and
- (b) each other Charging Company waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Charging Company.

21.9 Subsequent Security - Ruling-off Accounts

If the Security Trustee or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property it may open a new account for the relevant Charging Company in its books. If it does not do so then (unless it gives express notice to the contrary to the relevant Charging Company), as from the time it receives that notice, all payments made by the relevant Charging Company to it shall (in the absence of any express appropriation to the contrary) be treated as having been credited to a new account of the relevant Charging Company and not as having been applied in reduction of the Secured Obligations.

21.10 Redemption of Prior Charges

- (a) The Security Trustee (acting on the instructions of the Majority Lenders) may, at any time after an Enforcement Date has occurred redeem any prior Security Interest on or relating to any of the Charged Property or procure the transfer of that Security Interest to itself, and may settle and pass the accounts of any person entitled to that prior Security Interest. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Charging Company. Each Charging Company will on demand pay to the Security Trustee all principal monies and interest and all losses incidental to any such redemption or transfer.
- (b) The Security Trustee (acting on the instructions of the Majority Lenders) may, at any time after a Project Enforcement Date has occurred redeem any prior Security Interest on or relating to any of the Charged Property of the relevant Charging Company or procure the transfer of that Security Interest to itself, and may settle and pass the accounts of any person entitled to that prior Security Interest. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Charging Company. The relevant Charging Company will on demand pay to the Security Trustee all principal monies and interest and all losses incidental to any such redemption or transfer.

22. SET-OFF

A Finance Party may set off any matured obligation due from an Obligor under the Finance Documents (to the extent beneficially owned by the Finance Party) against any matured obligation owed by the Finance Party to that Obligor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different

currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

23. CHANGES TO PARTIES

23.1 Assignment by the Security Trustee

The Security Trustee may at any time assign or otherwise transfer all or any part of its rights under this deed in accordance with the Finance Documents.

23.2 Changes to Parties

Each Charging Company authorises and agrees to changes to parties under clause 29 (Changes to the Lenders) and clause 30 (Changes to the Obligors) of the Facilities Agreement, and authorises the Security Trustee to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

23.3 Consent of Charging Companies

Each Charging Company consents to the accession to this deed of additional Charging Companies and agree that any such accession will in no way prejudice the Security granted by it, or affect the covenants given by it, in this deed.

24. CURRENCY

24.1 Conversion

All monies received or held by the Security Trustee or any Receiver under this deed may be converted into any other currency which the Security Trustee considers necessary to discharge any obligations and liabilities comprised in the Secured Obligations in that other currency at the Security Trustee's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

24.2 No Discharge

No payment to the Security Trustee (whether under any judgment or court order or otherwise) shall discharge any obligation or liability in respect of which it was made unless and until the Security Trustee has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Trustee shall have a further separate cause of action in relation to the shortfall and shall be entitled to enforce the security constituted by this deed to recover that amount.

25. MISCELLANEOUS

25.1 Invalidity of any Provision

If any provision of this deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

25.2 Counterparts

This deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this deed.

25.3 **Failure to Execute**

Failure by one or more parties ("**Non-Signatories**") to execute this deed on the date hereof will not invalidate the provisions of this deed as between the other parties who do execute this deed. Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

25.4 **Covenant to Release**

Once all the Secured Obligations have been paid in full and none of the Security Trustee nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any Obligor, the Security Trustee and each Secured Party shall, at the request and cost of each Obligor, take any action which is necessary to release the Charged Property from the security constituted by this deed.

26. **GOVERNING LAW AND JURISDICTION**

- (a) This deed and any dispute, controversy, proceedings or claims of whatever nature arising out of or in any way relating to this deed or its formation (including any non-contractual disputes or claims) shall be governed by and construed in accordance with English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence, validity or termination of this deed) (a "**Dispute**").
- (c) The parties to this deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

IN WITNESS whereof this deed has been duly executed and delivered on the above date first above written.
