REPORT OF THE TRUSTEES

RESERVES POLICY

The charity's reserves policy is to accumulate unrestricted funds sufficient to sustain all the activities of the charity for at least a year.

Free reserves retained for use by the charity are deemed to be those that are readily realisable, other than funds which are restricted or designated for particular purposes.

The charity's free reserves at the year end amounted to £12,303, representing retained unrestricted income reserves.

RISK POLICY

The Trustees are responsible for the management of the risks faced by the charity. Risks are identified and assessed and controls are established throughout the year. A formal review of the charity's risk management process is undertaken on an annual basis.

The key controls used by the charity include formal agendas and minutes for all Trustee meetings, comprehensive planning, budgeting and accounting and clear authorisation and approval levels of all expenditure.

Through the risk management processes established, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. - make judgements and estimates that are reasonable and prudent; and
