17.2 The Valuers shall be the accountants for the time being of the Company or, if they decline the instruction or if Shareholders holding more than 5% of the Shares having reasonable grounds to do so object to such appointment or if the Compulsory Transferor having reasonable grounds to do so objects to such appointment and undertakes to pay the costs of the independent firm of accountants, an independent firm of accountants jointly appointed by the Company and the Compulsory Transferor (as the case may be), or in the absence of agreement between the Company and the Compulsory Transferor on the identity of such firm within 10 Business Days of either of them serving details of a suggested firm on the other, an independent firm of accountants appointed by the President, for the time being, of the Institute of Chartered Accountants in England and Wales (in each case acting as an expert and not as an arbitrator).

17.3 The Valuers shall be requested to determine the Fair Value within 20 Business Days of their appointment and to notify the Company and the Compulsory Transferor in writing of their determination.

17.4 The Fair Value for each Deemed Transfer Share shall be the price per share determined by the Valuers on the following bases and assumptions:

- (a) valuing each Deemed Transfer Share as a proportion of the total value of all the issued Ordinary Shares in the capital of the Company without any premium or discount being attributable to the percentage of the Ordinary Shares in issue in the capital of the Company which they represent or, save as agreed otherwise between the Company and the Compulsory Transferor (as the case may be), for the rights or restrictions applying to the Deemed Transfer Shares;
- (b) if the Company is then carrying on business as a going concern, on the assumption that it will continue to do so;

 - (e) the sale is taking place on the date the Valuers were requested to determine the Fair Value; and
 - (f) taking into account any other factors that the Valuers reasonably believes should be taken into account.
- 17.5 The Company and the Compulsory Transferor are entitled to make written submissions to the Valuers and will provide the Valuers with such assistance and documents as the Valuers reasonably require for the purpose of reaching a decision, subject to the Valuers agreeing to give such confidentiality undertakings as the Company and the Compulsory Transferor may reasonably require.
- 17.6 To the extent not provided for by this Article 17, the Valuers may, in their reasonable discretion, determine such other procedures to assist with the valuation as they consider just or appropriate.
- 17.7 The Valuers shall act as expert and not as arbitrator and their written determination shall be final and binding on the Shareholders (in the absence of manifest error or fraud).
- 17.8 The Company and the Compulsory Transferor shall each bear its own costs in relation to the reference to the Valuers. The Valuers' fees and costs properly incurred by them in arriving at their valuation shall be borne equally by the Company and the Compulsory Transferor or, if the Valuers shall direct that they shall be borne in different proportions, in such proportions.
- 18 Tag along
- 18.1 Except in the case of transfers pursuant to Article 15,16 or 19, if Shareholders (the Proposed Transferors) propose to transfer any Shares (the Proposed Transfer), in one transaction or a series of related transactions, which would, if carried out, result in any person (other than a person who holds a Controlling Interest in the Company at that time or a Connected Person of such a person) (the Proposed Purchaser) and any person Acting in Concert with the Proposed Purchaser, acquiring a Controlling Interest in the Company, subject to the rights of Shareholders to acquire the relevant Shares under Article 14 (if applicable) having been exhausted, the following provisions of this Article 18 shall apply.
- 18.2 The Proposed Transferors may not transfer any of their Shares or any interest in them unless, at least 21 days before the date of the agreement to transfer, the Proposed Purchaser shall have made a written irrevocable offer (a Tag Offer) to the other Shareholders (each, an Offeree) to purchase each of the Offeree's Shares for a consideration equal to the same price per Share (and otherwise on the same terms, save that no Offeree shall be obliged to give any representations, warranties or indemnities save as referred to in Article 13.5) as the proposed sale of Shares by the Proposed Transferors provided that
- (a) if the consideration for the purchase of the Shares of the Proposed Transferors is not all in cash, the Board acting reasonably shall value the consideration per Share in cash and the Tag Offer must include such cash consideration as the consideration per Share at which the Proposed Purchaser will be obliged to purchase the Shares of any Offeree who accepts the Tag Offer; and
 - (b) if the consideration for the purchase of the Shares of the Proposed Transferors is less than the highest price per Share offered or paid by the Proposed Purchaser, or any person Acting in Concert with the Proposed Purchaser, in the Proposed Transfer or in any related previous transaction in the six months preceding the date of the Proposed Transfer, such higher price shall be substituted for the price proposed to

be paid in the Tag Offer and the provisions set out in paragraph (a) above shall apply to the calculation of such price if the consideration in any previous transaction was not wholly in cash.

- 18.3 The Tag Offer shall be made by written notice (an Offer Notice), which will be open for acceptance by the Offerees for not less than 20 days and, if accepted, the sale of all of the Offeree's Shares shall be completed simultaneously with the completion of the sale of the Proposed Transferors' Shares to the Proposed Purchaser. The Offer Notice shall set out (i) the identity of the Proposed Purchaser, (ii) the purchase price (taking into account provisos (a) and (b) of Article 18.2) and other terms and conditions of payment, (iii) the proposed date of the transfer, and (iv) the number of Shares proposed to be purchased by the Proposed Purchaser from the Shareholders (provided that such offer must be for all Shares which are not then owned by the Proposed Purchaser and any persons acting in Concert with the Proposed Purchaser). If the Proposed Purchaser fails to make the Tag Offer to the Shareholders then, except where Article 19.5 applies, the Proposed Transferors shall not be entitled to complete the Proposed Transfer and the Company shall not register any transfer intended to effect the Proposed Transfer.

- 19.1 If the holders of at least 70% of the total issued Shares (the Dragging Shareholders) propose to sell their Shares (Proposed Sale), in one transaction or a series of related transactions, wholly in cash to a bona fide third party prospective purchaser (the Drag Purchaser) who is not a Connected Person to any of the Dragging Shareholders, subject to the rights of Shareholders to acquire the relevant Shares under Article 14 (if applicable) having been exhausted, the following provisions of this Article 19 shall apply. Each of the Dragging Shareholders shall be required to sell all the Shares held by them in the Proposed Sale.

- 19.2 The Dragging Shareholders may by written notice to the other Shareholders (the Dragged Shareholders) require each of the Dragged Shareholders to sell all of its Shares at the same price per Share and otherwise on the same terms as the Dragging Shareholders (the Drag Along Option) (save that no Dragged Shareholder shall be obliged to give any representations, warranties or indemnities save referred to in Article 13.5) to the Drag Purchaser simultaneously with completion of the sale of the Dragging Shareholders' Shares to the Drag Purchaser provided that:

- (a) if the consideration for the purchase of the Shares of the Dragging Shareholders is not all in cash, the Board acting reasonably shall value the consideration per Share in cash and the Drag-Along Option must include such cash consideration as the consideration per Share at which the Drag Purchaser will be obliged to purchase the Shares of any Dragged Shareholder; and
- (b) If the consideration for the purchase of the Shares of the Dragging Shareholders is less than the highest price per Share offered or paid by the Drag Purchaser, or any person Acting in Concert with the Drag Purchaser, in the Proposed Transfer or in any related previous transaction in the six months preceding the date of the Proposed Transfer, such higher price shall be substituted for the price proposed to be paid in the Drag-Along Option and the provisions set out in paragraph (a) above shall apply to the calculation of such price if the consideration in any previous transaction was not wholly in cash.

- 19.3 Written notice from the Dragging Shareholders under Article 19.2 (Drag Along Notice) shall oblige each of the Dragged Shareholders to deliver up to the Drag Purchaser within 14 days from the date of such notice an executed transfer of its Shares and the certificates for the same and to sign and execute all other relevant documents in connection with the sale against payment of the price for their Shares. Such Drag Along Notice shall specify (i) that the Dragged Shareholder is required to transfer all its Shares pursuant

to this Article 19, (ii) the person to whom the Shares are to be transferred, (iii) the consideration payable for the Shares, and (iv) the proposed date of the transfer.

The Dragging Shareholders may serve further Drag Along Notices following the lapse of any particular Drag Along Notice.
- 19.5 Provided that the Drag Purchaser is ready, willing and able to complete the sale of the Dragged Shareholders' Shares on the completion date determined in accordance with this Article 19, the requirement for a mandatory offer under Article 18 shall not apply to any transfer of Shares to a Drag Purchaser (or as they may direct) pursuant to a sale for which a Drag Along Notice has been duly served.
- 19.6 On the completion date, each Dragged Shareholder shall deliver stock transfer forms for its respective Shares, together with the relevant share certificate (or a suitable indemnity for any lost share certificate) to the Company and, against delivery of such documents, the Company shall pay such Dragged Shareholder, on behalf of the Drag Purchaser, the amounts they are due to the extent that the Drag Purchaser has put the Company in the requisite funds. The Company's receipt for the price shall be a good discharge to the Drag Purchaser. The Company shall hold the amounts due to each Dragged Shareholder in trust for each Dragged Shareholder without any obligation to pay interest.
- 19.7 To the extent that the Drag Purchaser has not, on the completion date, put the Company in funds to pay the consideration due, each Dragged Shareholder shall be entitled to the return of the stock transfer form and share certificate (or suitable indemnity) for its relevant Shares and the Dragged Shareholders shall have no further obligations under this Article in respect of their Shares.
- 19.8 Following the issue of a Drag Along Notice, on any person becoming a Shareholder of the Company pursuant to the exercise of a pre-existing option to acquire Shares or on the conversion of any convertible security of the Company (a New Shareholder), a Drag Along Notice shall be deemed to have been served on the New Shareholder on the same terms as the previous Drag Along Notice. The New Shareholder shall then be bound to sell and transfer all Shares acquired by him to the Drag Purchaser (or as the Drag Purchaser may direct) and the provisions of this Article 19 shall apply with the necessary changes to the New Shareholder, except that completion of the sale of the Shares shall take place immediately on the Drag Along Notice being deemed served on the New Shareholder.

- (a) each relevant officer of the Company shall be indemnified out of the Company's assets against all costs, charges, losses, expenses and liabilities incurred by him as a relevant officer in the actual or purported execution and/or discharge of his duties, or in relation to them, including (in each case) any liability incurred by him in defending any civil or criminal proceedings, in which judgment is given in his favour or in which he is acquitted or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part or in connection with any application in which the court grants him, in his capacity as a relevant officer, relief from liability for negligence, default, breach of duty or breach of trust in relation to the Company's affairs; and
- (b) the Company may provide any relevant officer with funds to meet expenditure incurred or to be incurred by him in connection with any proceedings or application referred to in Article 27.1(a) and otherwise may take action to enable any such relevant officer to avoid incurring such expenditure.

27.2 This Article does not authorise any indemnity which would be prohibited or rendered void by any provision of the Act or by any other provision of law.

27.3 The Directors may decide to purchase and maintain insurance, at the expense of the Company, for the benefit of any relevant officer in respect of any relevant loss.

27.4 In this Article:

- (b) a "relevant loss" means any loss or liability which has been or may be incurred by a relevant officer in connection with that relevant officer's duties or powers in relation to the Company.

28 Put Option

In the event that it is determined by the Future Fund (in its absolute discretion) that it would be prejudicial to the reputation of the Future Fund and/or the UK Government to continue holding any shares in the capital of the Company, the Future Fund shall have the option to require the Company to purchase all of the shares in the capital of the Company held by the Future Fund for an aggregate price of £1.00 at any time (the "Put Option"), provided that:

- (i) the Put Option shall be exercisable by notice in writing from the Future Fund to the Company, such notice being revocable only with the consent of the Board (acting in its absolute discretion) (the "Put Option Notice");
- (ii) the terms of the completion of the Put Option have been authorised by a resolution of the Company;
- (iii) completion of the Put Option shall take place as soon as reasonably practicable and in any event no later than 20 Business Days following the Company's receipt of the Put Option Notice; and each of the shareholders of the Company and the Company shall

execute, and the Company shall procure so far as it lies within its power to do so the execution of, all such documents and deeds and do all such acts and things as may be reasonably required from time to time to implement the Put Option and transfer the legal and beneficial ownership of the relevant shares being sold to the Company under this Article 28, including waiving any pre-emption rights relating to such transfer.

The specific rights of the Future Fund under these Articles cannot be amended without the prior written consent of the Future Fund
