TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2021

The Trustees present their annual report together with the financial statements and auditors' report of the academy trust for the year 1 September 2020 to 31 August 2021. The annual report serves the purposes of both a Trustees' report and a Directors' report under company law.

Blessed Christopher Wharton Catholic Academy Trust is part of the Diocese of Leeds and is under the guidance of the Bishop of Leeds and works closely with the Chief Operating Officer for the Diocese, the Diocesan Education Office and all Catholic schools and academies within the Diocese. Each academy within the trust works closely with neighbouring schools and local Parishes and communities, as well as with the Local Authority of Bradford, following the Academy Trust's principle of solidarity: "Our schools, not my school".

The academy trust presently operates 15 Catholic primary academies in the area of Keighley and Bradford. Its academies have a current combined pupil capacity of 3,743 and had a roll of 3,724 in the school census during May 2021. According to the Diocesan plan 'Building the Future' it is scheduled to include any Catholic school in Bradford and Keighley as and when their Governing Bodies choose to convert, and their conversion is approved by the Diocese of Leeds Trustees.

Providing Catholic schools is integral to the life of the Catholic Church and drawing inspiration from the vision articulated by the Holy See in the year 2000, that 'Catholic education demands to be clothed in fresh garments', as a Multi Academy Trust within the Diocese of Leeds, the Academy Trust is committed to renewal and excellence in Catholic schooling.

Structure, governance and management

a. Constitution

The Academy Trust is a charitable company limited by guarantee and an exempt charity.

The charitable company's memorandum and articles of association, dated 2 June 2014 are the primary governing documents of the Academy Trust.

The Trustees of Blessed Christopher Wharton Catholic Academy Trust are also the directors of the charitable company for the purposes of company law.

The charitable company is known as Blessed Christopher Wharton Catholic Academy Trust.

Details of the Trustees who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

b. Members' liability

Each member of the academy trust undertakes to contribute to the assets of the academy trust in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

FOR THE YEAR ENDED 31 AUGUST 2021

Structure, governance and management (continued)

c. Trustees' indemnities

In accordance with normal commercial practice, the academy trust has purchased insurance to protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business. The insurance provides cover up to £5,000,000 on any one claim and the cost for the period ended 31 August 2021 was £329. The cost of this insurance is included in the total cost of insurance.

d. Method of recruitment and appointment or election of Trustees

The members' aim is to recruit responsible people as Trustees who are actively interested in the Academy Trust and can give the necessary time commitment. The members recruit Trustees through the Diocese of Leeds Education Office. The number of Trustees should not be less than three but shall not be subject to any maximum. The members may also appoint staff Trustees through such process as they may determine, provided that the total number of Trustees (including Executive Heads of Schools) who are employees of the Academy Trust does not exceed one third of the total number of Trustees. There must be a minimum of two parent Trustees unless there are Academy Councils which include at least two parent members. The parent Trustees shall be elected by the Trustees. A parent Trustee must be a parent of a pupil at the Academy Trust at the time the parent Trustee is elected. The Trustees may appoint up to one co opted Trustee. The term of office for any Trustee shall be four years, save that this time shall not apply to any post which is held ex officio. New Trustees are given the appropriate level of training to carry out their responsibilities.

e. Policies adopted for the induction and training of Trustees

All new Trustees participate in an induction programme and are given an induction pack which provides a wide range of information and guidance relating to the governance of the Academy Trust. The Chair of Trustees is responsible for arranging a programme of Trustee training. Typically this is provided internally by Academy Trust staff but complementary outside resources are used where this is considered appropriate.

f. Organisational structure

The Trustees hold at least one meeting every school term. The Trustees determine the general policy of the Academy Trust in relation to the constituent academies. The principle of subsidiarity means that decisions are taken at the most appropriate level. This is detailed in the Trust 'Matrix of Responsibilities' (Financial Handbook). No one involved in the Academy Trust Members, Trustees, staff, parents and young people has the right to disregard the good of any constituent academy while promoting the good of their own. All involved have the duty to recognise the complementary responsibilities to be undertaken within the Academy Trust. At the heart of the Church's social teaching is the duty to care for others.

The Heads of Schools are appointed by the Trust Board and are responsible for the day to day running of each Academy, supported by senior staff. Apart from the Executive Headteachers, the Trust Board is also responsible for appointing Headteachers, Heads of School and Deputy Heads. Governance of each academy is via the Academy Council, which consists of a majority of Academy Councillors (appointed by the Bishop), parent and staff Trustees elected from their number, as outlined in the scheme of delegation. The policies of the Academy Trust and Academy Councils outline how these responsibilities are operated.

g. Arrangements for setting pay and remuneration of key management personnel

The Trustees' are responsible for reviewing the performance of Academy Executive Headteachers of Schools including Headteachers and recommending incremental scale point rises to the full Academy Trust Board within the parameters of the agreed head teacher pay scales. The Headteachers are responsible for reviewing the performance of Deputies and Assistant Headteachers within their agreed pay scales. The Academy Trust Board sets and reviews the remuneration for the Chief Financial Officer using the benchmark of other similar academy trusts.

Structure, governance and management (continued)

i. Engagement with employees (including disabled persons)

Employees have been consulted on issues of concern to them by means of regular consultative committee and staff meetings and have been kept informed on specific matters directly by management. The Academy Trust carries out exit interviews for all staff leaving the organisation and has adopted a procedure of upward feedback for senior management and the Trustees.

The Academy Trust has implemented a number of detailed policies in relation to all aspects of personnel matters including:

- Equal opportunities policy
- Volunteers' policy
- Health & safety policy

In accordance with the Academy Trust's equal opportunities policy, the Academy Trust has long-established fair employment practices in the recruitment, selection, retention and training of disabled staff.

Full details of these policies are available from the Academy Trust's offices.

Objectives and activities

a. Objects and aims

The Academy Trust aims 'to provide and promote excellent Catholic education, enabling everyone to reach their full potential in union with God' through its members academies and wider Academy Trust Board to the young people and families within the area covered by the Academy Trust and within the Diocese of Leeds.

The published mission of the Academy Trust is: 'with Jesus Christ at the centre of our life, we will provide Catholic schools open to all who want to share our educational goals inspired by Christian principles. We will offer the highest possible standards of education in which faith, culture and life are united in harmony. For the common good, we will work in partnership and trust with each other, with families, our communities and with all involved in the mission of education. We will encourage and empower children and young people to recognise and realise their God given potential, providing them with opportunities to develop harmoniously their physical, moral, intellectual and spiritual gifts. We will help them to aspire to a sense of personal dignity and responsibility, to learn the correct use of freedom, and to participate actively in their communities. Guided by the Holy Spirit, we will teach Gospel values, as together we celebrate and live our call to follow Christ the teacher in self giving love and service'.

The academies within the Academy Trust therefore work together to develop this provision. These objects and aims are outlined in the Articles of Association, Schemes of Delegation and the School Development Plans for each Academy. The Headteachers meet every half term to discuss and implement the Academy Trust's Development Plan. The financial current and projected position is reported through the Academy Trust Finance and Resources Committee, Academy Trust Audit Committee and Academy Trust Board. (From June2021 the Finance and Resources Committee and Audit Committee merged to become one Committee). The Academy Trust Board is committed to maintaining and developing a systematic provision of employee information, through approved Academy Trust policies, appropriate consultation for change, consistent advice from the Academy Trust central office, thereby achieving a common awareness of the Academy Trust's overall performance.

Objectives and activities (continued)

c. Public benefit

In line with the policy of the Catholic Church the academies offer an education to the whole local community; encouraging good educational standards and an engagement with the wider community.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Strategic report

Achievements and performance

a. Key performance indicators

The achievements and performance of the Academy Trust are summarised as follows:

- the Trust has specific KPI's aligned to all Trust Committee business
- measures of progress exceed national expectations of floor targets
- all schools are full to capacity or over subscribed
- the trust is financially stable
- strong central finance and business function is in place ensuring strategic direction. The central Trust Team
 capacity continues to develop in conjunction with the number of schools joining
- developments are ongoing to ensure the best possible Catholic education for all our pupils
- robust staff structures in place across all schools with an effective CPD programme

b. Going concern

After making appropriate enquiries, the board of Trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

As stated in note 24 in the event of Academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education.

Strategic report (continued)

Financial review

a. Financial review

The majority of the Academy Trust's income is obtained from the Education and Skills Funding Agency (ESFA) in the form of the General Annual Grant (GAG) and it also receives other grants such as pupil premium, the use of which is restricted to particular purposes. The grants received from the ESFA and other sources during the year ended 31 August 2021 and the associated expenditure are shown as restricted funds in the statement of financial activities.

During the year incoming resources totaled £17,816,076 (2020 - £8,662,895) which did not cover the outgoing resources of £20,116,053 (2020 - £11,330,684) resulting in a net deficit of £2,299,977 (2020 - £2,667,789).

There was a gain on the local government pension fund of £358,000 (2020 - £171,000 loss), giving a net movement in funds deficit for the year of £1,941,977 (2020 - £2,838,789).

The unrestricted fund surplus for the year was £649,149 (2020 - £199,892), and the restricted funds deficit for the year was £2,591,126 (2020 - £3,038,681).

The net book value of fixed assets was £3,925,870 (2020 - £2,835,736) as at 31 August 2021. These assets were exclusively for providing educational and support services to the Academy Trust.

b. Reserves policy

The Trustees review the level of reserves annually. Unrestricted funds have been accumulated to a level which is considered sufficient to meet unexpected expenditure and may also be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Unrestricted funds, restricted general funds and restricted fixed asset funds carried forward were £1,404,726 (2020 - £755,577), £Nil (2020 - £Nil) and £4,123,950 (2020 - £2,996,076) respectively. There is no restriction of the amount of GAG that may be carried forward, however the surplus must continue to be used to meet the normal running costs of the Academy Trust.

The Trustees are of the opinion that there is adequate working capital in the form of net current assets amounting to £1,602,806 (2020 - £915,917).

The inherited Local Government Pension Scheme liability on conversion is being repaid over a period of 20 years. See note 24

c. Investment policy

The Academy Trust's funds are generally held in a low risk interest bearing bank current account. The Academy Trust also has the power to delegate the management of investments to a financial expert, under constant review and instruction of the Trustees, for any funds not immediately required, with the object of maximising returns on surplus funds.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

d. Principal risks and uncertainties

The Trustees have examined the major risks that the Academy Trust faces each financial year when preparing and updating the strategic plan. The Academy Trust has developed systems to monitor and control these risks to mitigate any impact that they may have on the Academy Trust in the future. The finance committee and audit committee has approved the risk register which contains timely actions and allocates responsibilities which are reviewed as appropriate. These are mainly uncertainties which are subjective in nature and difficult to quantify. The following key risks have been identified:

Government Funding

-The Academy Trust has considerable reliance on continued government funding through the DfE/ESFA and local authority, which represented the majority of total revenue for the period. There is little reassurance that government policy and funding levels will increase or even continue at existing levels in future years. To mitigate this risk, the Academy Trust aims to further develop new income streams such as additional hiring of facilities, to continue to deliver efficiencies and value for money in its operations, and to ensure all DfE/ESFA funding opportunities are identified

Estate

The size, age and condition of the school buildings represent a risk of unforeseen and significant maintenance and renewal expenditure. To mitigate this risk, effective preventative maintenance programmes are in place.

Fundraising

The Trust does not currently engage with any commercial participators or professional fundraisers or actively make approaches to the general public for donations.

Fundraising in schools is through sponsored events mainly to raise funds for other charities and voluntary contributions from parents and organisations such as PTA which is monitored by the Trustees. In addition, the Trust applies for the various grants available from the DfE.

Plans for future periods

The Academy Trust's key plans for the future are:

- To continue to protect against any unforeseen impacts by operating at a surplus, whilst prioritising maximum resources to ensure excellent teaching and learning of pupils
- To expand the Trust throughout the Bradford and Keighley Catholic Schools
- To bring the Catholic Schools Partnership/Teaching School Alliance into the BCWCAT as an integral resource of the Trust
- To develop its resilience through a proper programme of succession planning for all senior leaders

Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit
 information and to establish that the auditors are aware of that information.

GOVERNANCE STATEMENT

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Blessed Christopher Wharton Catholic Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of Trustees has delegated the day-to-day responsibility to the Chief Executive Officer, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Blessed Christopher Wharton Catholic Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The board of Trustees has formally met 8 times during the year.

Attendance during the year at meetings of the board of Trustees was as follows:

| Trustee | Meetings attended | Out of a possible |
|---|-------------------|-------------------|
| Mr Joe McDonnell, Chair (appointed 21 September 2020) | 7 | 8 |
| Mr Paul Booth (resigned 15 December 2021) | 4 | 8 |
| Mrs Clare Bussingham | 7 | 8 |
| Mr Mark Dalton | 8 | 8 |
| Mr John Devlin (resigned 15 December 2021) | 7 | 8 |
| Mrs Roxanna Drake (appointed 19 November 2020) | 6 | 6 |
| Father Paul Grogan (appointed 24 November 2020) | 6 | 6 |
| Mr Jonathan Howell (appointed 6 October 2020, resigned 6 December 2021) | 3 | 7 |
| Prof Ray Lloyd (resigned 23 September 2020) | 0 | 0 |
| Mrs Sarah Martin (appointed 14 September 2021) | 0 | 0 |
| Dr Deirdre Naylor (resigned 28 February 2021) | 4 | 4 |
| Mrs Lynne Royle (resigned 18 March 2021) | 5 | 5 |
| Prof Paul Ryan (resigned 31 August 2021) | 7 | 8 |
| Mrs Elizabeth Snelling (resigned 31 August 2021) | 4 | 8 |
| Mrs Margaret Stichbury (resigned 19 October 2020) | 1 | 1 |
| Mgr Andrew Summersgill (resigned 18 December 2020) | 2 | 4 |

The Board of Trustees has an excellent range of skills to ensure they fulfil their roles and responsibilities effectively. The Trustees have plans in place to review their effectiveness via skills audits and Governing Body reviews. As part of their regular cycle of meetings, the Trustees review their strategic responsibilities for the continual development and improvement of the Academy Trust. As the Academy Trust expands, the Trustees recognise the importance of undertaking a skills audit to ascertain skills and experience, whilst identifying any training required.

GOVERNANCE STATEMENT (CONTINUED)

Governance (continued)

The Board of Trustees conducts much of its business through the sub-committee structure which includes the following:

- Standards its purpose being to review reports and make recommendations on the school's vision, ethos and
 values; curriculum strategy and programme; academies performance and public examination results; and staffing
 structure and quality of teaching
- Finance and Resources its purpose being to exercise the powers and duties of the Board of Trustees in respect of
 the financial administration, the review of HR policies and senior staff remuneration and related issues of the
 Academy Trust, except for those items specifically reserved for the Board of Trustees and those delegated to the
 Executive Head of Schools and other staff
- Audit its purpose being to ensure that the Academy Trust policies and procedures are adhered to by performing a programme of internal checks and document traces
- Performance Management to review the performance and pay of Head Teachers
- Head Teachers Group its purpose being to receive reports review, monitor compliance, and make
 recommendations on the school's vision, ethos and values; curriculum strategy and programme; academic
 performance and public examination results; and staffing structure and quality of teaching

Review of value for money

As Accounting Officer, the Chief Executive Officer has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year as follows:

The Trustees looked at value for money through improved purchasing of supplies and services, and obtaining best value through economies of scale. This has resulted in various contract renewals for goods and services, renegotiated with substantial discounts to benefit both schools already in the Academy Trust and those due to join during the next twelve months. A particular focus this year has been catering costs where a new three-year contract has been agreed that will result in significant savings in addition to a more effective service monitoring process that will improve food standards for all children. The Trust has also secured two further contracts relating to energy (gas and electricity) and IT support that will both create positive financial impacts for all primary schools both within the Trust and those due to join in the short term.

During 20/21 the Trust schools have continued to benefit from the catering contract that was negotiated last year and resulted in significant savings for the Trust. The contract includes a more effective service monitoring process that is helping to improve food standards for all children.

Within this year the Trust has also reviewed the HR provision provided to schools. It secured a renegotiated contract with the incumbent supplier to offer an extended service at a lower cost.

A new approach to IT support has been agreed by the Board. Services are to be brought in-house and will be implemented from September 2021 with the primary schools being supported by specialist IT staff from St Bede's and St Joseph's Catholic College. This allows an IT vision for all schools to be realised and at reduced cost. It is an exciting project that the Trust is looking forward to seeing come to fruition. It will benefit all schools significantly.

GOVERNANCE STATEMENT (CONTINUED)

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Blessed Christopher Wharton Catholic Academy Trust for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the year 1 September 2020 to 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Trustees.

The risk and control framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Trustees
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ Moorlands Learning Trust as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems as well as reviewing non-financial areas. The checks carried out in the current period included a review of governance and risk management.

During the next two academic terms (in academic year 2021/22) they have been asked to review the areas of Health and Safety and Data integrity.

On an annual basis, the internal auditor reports to the board of Trustees through the audit and risk committee on the operation of the systems of control and on the discharge of the Trustees' financial responsibilities and annually prepares an annual summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

GOVERNANCE STATEMENT (CONTINUED)

Review of effectiveness

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the senior management team within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the audit and risk committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of Blessed Christopher Wharton Catholic Academy Trust I have considered my responsibility to notify the Academy Trust board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the Academy Trust board of Trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2021

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF BLESSED CHRISTOPHER WHARTON CATHOLIC ACADEMY TRUST

Opinion

We have audited the financial statements of Blessed Christopher Wharton Catholic Academy Trust (the 'academy trust') for the year ended 31 August 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education & Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education & Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF BLESSED CHRISTOPHER WHARTON CATHOLIC ACADEMY TRUST (CONTINUED)

Other information

The other information comprises the information included in the Trustees' Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Trustees' Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report (incorporating the Strategic report and the Directors report) for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report and the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF BLESSED CHRISTOPHER WHARTON CATHOLIC ACADEMY TRUST (CONTINUED)

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the Charitable Company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charitable Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charitable Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- we identified the laws and regulations applicable to the academy trust through discussions with management, and from our knowledge and experience of the sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the accounts
 or the operations of the academy trust, including the Charities Act 2011 and the guidance issued by the ESFA;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting correspondence with the regulators; and
- identified laws and regulations were communicated within the audit team and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the academy trust's accounts to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

(A Company Limited by Guarantee)

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF BLESSED CHRISTOPHER WHARTON CATHOLIC ACADEMY TRUST (CONTINUED)

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in the
 accounting policies were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reviewing correspondence with regulators and reading minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation.? This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO BLESSED CHRISTOPHER WHARTON CATHOLIC ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 22 June 2021 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Blessed Christopher Wharton Catholic Academy Trust during the year 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Blessed Christopher Wharton Catholic Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Blessed Christopher Wharton Catholic Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Blessed Christopher Wharton Catholic Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Blessed Christopher Wharton Catholic Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Blessed Christopher Wharton Catholic Academy Trust's funding agreement with the Secretary of State for Education dated 24 June 2014 and the Academies Financial Handbook, extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- checking that the academy trust's activities are consistent with its framework and its charitable objectives;
- checking that the governors and key staff have disclosed their interest in related parties, discussing the same with management and reviewing transactions during the period for undisclosed related party transactions;
- checking that any related party transactions during the period are conducted at normal commercial rates;

(A Company Limited by Guarantee)

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO BLESSED CHRISTOPHER WHARTON CATHOLIC ACADEMY TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

- checking that academy trust expenditure is permitted by its funding agreement;
- checking that any borrowings entered into, including leases, are in accordance with the Academies Handbook;
- checking that any land and building transactions, especially disposals, are in line with the funding agreement and Academies Handbook.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies (continued)

1.3 Income (continued)

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

Transfer on conversion

Where assets and liabilities are received by the Academy Trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the Balance Sheet at the point when the risks and rewards of ownership pass to the Academy Trust. An equal amount of income is recognised as a transfer on conversion within 'Income from Donations and Capital Grants' to the net assets received.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Charitable activities

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

1. Accounting policies (continued)

1.6 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.7 Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Leasehold improvements

- 2% straight line basis

Furniture and equipment

- 5 - 10% reducing balance basis

Computer equipment

- 25% straight line basis

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.11 Provisions

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.12 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15. Prepayments are not financial instruments. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.13 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

1. Accounting policies (continued)

1.14 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.15 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

2. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The Academy Trust occupies land (including buildings) which are owned by its Diocese of Leeds Trustee. The Trustees are the providers of the Academies on the same basis as when the Academies were maintained schools. The Academy Trust occupies the land (and buildings) under a mere license. This continuing permission of their Trustees is pursuant to, and subject to, the Trustees' charitable objects, and is part of the Catholic Church's contribution since 1847 to provide State funded education in partnership with the State. The license delegates aspects of the management of the land (and buildings) to the Academy Trust for the time being, but does not vest any rights over the land in the Academy Trust. The Trustees have given an undertaking to the Secretary of State that they will not give the Academy Trust less than two years notice to terminate the occupation of the land (and buildings). Having considered the factual matrix under which the Academy Trust is occupying the land (and buildings) the Trustees have concluded that the value of the land and buildings occupied by the Academy Trust will not be recognised on the balance sheet of the Academy Trust. Any development would be undertaken only and in conjunction with the Diocesan Trustees.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

17. Statement of funds (continued)

The specific purposes for which the funds are to be applied are as follows:

Restricted general funds

The General Annual Grant (GAG) has been provided by the ESFA in order to fund the normal running costs of the academy trust. The carried forward balance will be applied in future years to enable the establishment of a minimum prudent level of reserves to manage risks and unforeseen costs.

The Universal Infant Free School Meals (UIFSM) grant has been provided by the ESFA in order to fund school meals for pupils in reception, year 1 and year 2. All of the funds were used during the year and no balances were carried forwards to future years.

The Pupil Premium grant is funding received from the ESFA to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle the disadvantage reaches the pupils who need it most.

The Academy Conversion Funds represents funds inherited on conversion of schools into the academy trust and were used for the normal running costs of the academy trust.

Other ESFA grants are allocated against the particular purpose for which they are provided.

The restricted pension reserve represents the deficit on the 15 academies in the Academy Trust's share of the Local Government Pension Scheme as at 31 August 2021.

Restricted fixed asset funds

Transfer of fixed assets on conversion relates to the fair value applied to furniture and equipment on conversion from schools to an academy.

ESFA capital grants relate to expenditure incurred on leasehold improvements, and furniture and equipment.

Capital expenditure from GAG relates to capital expenditure spent out of GAG income and a transfer has been made during the year to cover these balances. The transfer was made as ESFA capital grant income is allocated against ongoing capital projects.

Unrestricted funds

Unrestricted funds relate to venue hire, before and after school clubs, and catering income, and may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2021.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

17. Statement of funds (continued)

Our Lady of Victories Catholic Primary Keighley, started 2020-21 with a deficit reserves position of £25k and the intention to clear this deficit through a leaner staffing structure. Whilst this structure was implemented, COVID continued to have a negative impact on the school by limiting the opportunities to create self-generated income and increasing staff absence; in turn increasing agency costs beyond budget expectations.

St Francis Catholic Primary School Bradford converted into the Trust in May 2020 with a deficit reserves balance and began the academic year 2020-21 with a deficit reserves position of £20k. Again, the school has been impacted financially throughout the year due to COVID. In particular staffing costs were considerably higher than expected as cover had to be provided due to illness, absence and the impact of COVID related changes to maternity leave policy.

The Academy Trust is taking the following action to return the academies to surplus:

Our Lady of Victories Catholic Primary School did finish 2020-21 with an in-year surplus of £23k which has almost returned the school to a surplus funds position. The school will continue to manage this situation during 2021-22 and ensure that the deficit of £2k is recovered by the end of the academic year.

St Francis' Catholic Primary School finished 2020-21 with an in-year surplus of £4k which has only partially offset the schools deficit position. The Trust is working with the school during 2021-22 to bring the school back to a surplus position.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

24. Pension commitments

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by West Yorkshire Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service
 to the effective date of £218,100 million and notional assets (estimated future contributions together with
 the notional investments held at the valuation date) of £196,100 million, giving a notional past service
 deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £1,269,761 (2020 - £798,076).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £954,000 (2020 - £554,000), of which employer's contributions totalled £711,000 (2020 - £410,000) and employees' contributions totalled £ 243,000 (2020 - £144,000). The agreed contribution rates for future years are 16.4 per cent for employers and 12.5 per cent for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of Academy Trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

27. Related party transactions

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest.

As explained in note 14, the Academy Trust's main buildings are owned by its Trustees who are The Diocese of Leeds, and are made available to Blessed Christopher Wharton Catholic Academies Trust without charge.

Diocese of Leeds - the members of Blessed Christopher Catholic Academy Trust are part of the Diocese of Leeds:

- The academy trust purchased services (for music/choir provision, school contribution and appeals) from the Diocese of Leeds totalling £112,592 (2020: £65,883) during the period. There were no amounts outstanding at 31 August 2021 (2020: £Nil)
- In entering into the transaction, the academy trust has complied with the requirements of the Academies
 Financial Handbook
- The element above £2,500 has been provided 'at no more than cost' and the Diocese of Leeds has provided
 a statement of assurance confirming this

All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.
