5. Summary of the initial proposals and reasons for proposing a revision

5.1 I have detailed below a summary of the original Proposal which was approved subject to modifications.

In order to achieve the purpose of the Administration, the Joint Administrators formally propose to creditors that:

- the Joint Administrators continue to manage the business, affairs and property of the Company in order to achieve the purpose of the Administration, in particular that:

- (i) they investigate and, if appropriate, pursue any claims that the Company may have against any person, firm or company, whether in contract or otherwise, including any officer or former officer of the Company; and
 - (ii) they do all such things and generally exercise all their powers as Joint Administrators as they consider desirable or expedient at their discretion in order to achieve the purpose of the Administration or protect and preserve the assets of the Company or maximise the realisations of those assets, or of any purpose incidental to these activities.
 - the Joint Administrators, where applicable, make distributions to any secured or preferential creditors in accordance with Paragraph 65 of Schedule B1 of the Act. Further, they may make a distribution to unsecured creditors, having first sought the court's permission in accordance with Paragraph 65(3) of Schedule B1 of the Act where necessary.
 - the Joint Administrators end the Administration in one of the following ways, appropriate to the circumstances of the case at the time:
 - (i) in the event that the Joint Administrators think that a distribution will be made to unsecured creditors (and they have not sought the court's permission, and are otherwise unable, to pay the distribution whilst the Company is in Administration), they shall send to the registrar of companies notice to move the Company from Administration to Creditors' Voluntary Liquidation. In such circumstances, Andrew Andronikou and Chris Newell will be appointed Joint Liquidators and will be authorised to act either jointly or separately in undertaking their duties as Liquidator. Creditors may nominate a different person or persons as the proposed liquidator or liquidators in accordance with Paragraph 83(7)(a) of Schedule B1 of the Act and Rule 3.60(6)(b) of the Rules, but they must make the nomination or nominations at any time after they receive the Statement of Proposals, but before it is approved. Information about the process of approval of the Statement of Proposals is set out at Section 8; or
 - (ii) however, in the unlikely event that there is no remaining property that might permit a distribution to the Company's creditors, they shall file a notice of dissolution of the Company pursuant to Paragraph 84 of Schedule B1 of the Act; or
 - (iii) alternatively, and should there be no likely funds to distribute to unsecured creditors, the Joint Administrators may seek to place the Company into Compulsory Liquidation in order to bring proceedings that only a Liquidator may commence for the benefit of the estate. In such circumstances, Andrew Andronikou and Chris Newell may ask the court that they be appointed Joint Liquidators, to act either jointly or separately in undertaking their duties as Liquidators.
- 5.2 A revision to the original proposals is proposed that the Company exit the Administration via a Company Voluntary Arrangement ('CVA') with Andrew Andronikou and Chris Newell appointed as Joint Supervisors of the Company.

6. Details of the proposed revision and its impact upon creditors

6.1 It is proposed that the resolutions detailed below are to be revised;

Original proposals to be revised

- in the event that the Joint Administrators think that a distribution will be made to unsecured creditors (and they have not sought the court's permission, and are otherwise unable, to pay the distribution whilst the Company is in Administration), they shall send to the registrar of companies notice to move the Company from Administration to Creditors' Voluntary Liquidation. In such circumstances, Andrew Andronikou and Chris Newell will be appointed Joint Liquidators and will be authorised to act either jointly or separately in undertaking their duties as Liquidator. Creditors may nominate a different person or persons as the proposed liquidator or liquidators in accordance with Paragraph 83(7)(a) of Schedule B1 of the Act and Rule 3.60(6)(b) of the Rules, but they must make the nomination or nominations at any time after they receive the Statement of Proposals, but before it is approved.

Proposed revision ('the Revision')

- the Joint Administrators exit the Administration by preparing a CVA proposal *for consideration for the creditors in order to distribute the funds held and return the Company to the Director and shareholders*. The proposed Supervisors of the CVA will be Andrew Andronikou and Chris Newell.
- however, in the event that the proposed CVA is rejected and the Joint Administrators think that a distribution will be made to unsecured creditors (and they have not sought the court's permission, and are otherwise unable, to pay the distribution whilst the Company is in Administration), they shall send to the registrar of companies notice to move the Company from Administration to Creditors' Voluntary Liquidation. In such circumstances, Andrew Andronikou and Chris Newell will be appointed Joint Liquidators and will be authorised to act either jointly or separately in undertaking their duties as Liquidator. Creditors may nominate a different person or persons as the proposed liquidator or liquidators in accordance with Paragraph 83(7)(a) of Schedule B1 of the Act and Rule 3.60(6)(b) of the Rules, but they must make the nomination or nominations at any time after they receive the Statement of Proposals, but before it is approved.

7. Information for creditors

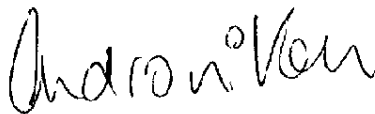

7.1 *The basis of the proposed CVA will be to distribute the funds currently held in the administration totalling approximately £1,344,784.00. Please note an approximate figure has been provided here in GBP as we currently hold funds in GBP, EUR and USD, which will be exchanged to GBP in order to pay future dividends.*

7.2 It is also proposed that certain potential claims will be assigned back to the director once the Company exits via CVA to pursue in the Company's name. Further details of this will be provided in the CVA document.

8. Deemed consent procedure

- 8.1 The Joint Administrators are convening a decision procedure by means of a deemed consent procedure. Please note that if you agree with the proposed decision, you do not need to take any action. Attached at Appendix I is the notice of deemed consent out the following proposed decision;
- The Joint Administrators proposed revision be approved.
- 8.2 In respect of the decision proposed above, if less than 10% in value of creditors (who would be entitled to vote were taken) ("the Threshold") object to it in accordance with the procedure set out below, the creditors are to be treated as having made the proposed decision. Otherwise, the creditors are to be treated as not having made such decision and if a decision about that matter is again sought from the creditors, it must be sought using a qualifying decision procedure as defined by the Insolvency Act 1986.
- 8.3 In order to object to one of more of the proposed decisions, you must deliver a notice stating that you so object (and specifying to which one or more of the proposed decisions your objection relates) to the Joint Administrator not later than the time set out below. In addition, you must have also delivered a proof of debt (unless one has already been submitted) by the time set out below, failing which your objection will be disregarded.
- 8.4 It is the Joint Administrator's responsibility to aggregate any objections to see if the Threshold is met for the decision to be taken as not having been made.
- 8.5 If the Threshold is met, the deemed consent procedure will terminate without a decision being made and if a decision is sought again on the same matter it will be sought by a decision procedure.
- 8.6 If any creditor has any queries in relation to the above, please do not hesitate to contact either of the Joint Administrators or Martina Alexandrou on 020 3856 67205 or martina.alexandrou@quantuma.com
