2 Accounting policies

Statement of compliance

These abridged financial statements were prepared in accordance with Financial Reporting Standard 102 Section 1A 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These abridged financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable the future economic benefits will flow into the entity, and specific criteria have been met for each of the company activities.

Tax

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Investment property

Investment property is carried at fair value. Gains are recognised in the profit and loss account. Deferred taxation is provided on these gains at the rate expected to apply when the property is sold.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 2 (2022 - 2).
