## NOTES

- (1) On the formalities required when an existing company becomes a CIC, see generally section 37 of the Companies (Audit, Investigations and Community Enterprise Act) 2004 and Chapters 4.2, 5.1 and 5.3 of the Regulator's guidance notes (available from the website [www.regulator.co.uk](http://www.regulator.co.uk)).
- (2) This precedent is drafted as a certificate of passing of the special resolutions which a company must pass as part of the process of becoming a CIC. It is to be signed by the chairman of the general meeting at which the special resolutions are passed, certifying that the meeting was duly convened and the resolutions duly passed. As such it is the sort of document which should be forwarded to Companies House to show that the resolutions have been passed as required.
- (3) Section 32 obliges every CIC to include in its articles a statement that it is to be a CIC. Section 37(1)(c) and section 33 of the Act oblige companies converting to become CICs to change their names to include one of the prescribed CIC corporate designations rather than "limited" or "plc". In addition, section 32 of the Act, and regulations made under it (see Part 3 of, and Schedules 1 to 3 to, the Community Interest Company Regulations 2005) prescribe that certain provisions relating to the governance of the company, and transfers of its assets (the "prescribed provisions"), must be included in CICs' articles.
- (4) The precedent resolution complies with all these requirements. You may also want to make other changes. Broadly speaking, any provision of the company's articles can be changed by special resolution or notice of change of name by resolution, as appropriate. However, there are certain exceptions to this:
- (i) the clause in the articles which specifies whether the company's registered office is to be located in England and Wales, Wales or Scotland; and
  - (iii) any clause which the articles state is unalterable, or can only be altered by some procedure more onerous than the passing of a special resolution.
- (5) With the exception of the statement of CIC status, the precedent assumes that, rather than setting out each change introduced in the articles as a result of section 32 and the Regulations, the resolution will simply substitute a complete new form of memorandum and articles which includes all the changes. If, instead, you wish to introduce the prescribed provisions required by the Regulations (see note 3 above) piecemeal, you will need to add resolutions to that effect. But in any event, you must file a consolidated text of the articles as altered by any special resolution: it is an offence not to do so (see section 34 of the Companies Act 2006).

**INTERPRETATION**

**Defined terms**

The interpretation of these Articles is governed by the provisions set out in the Schedule to the Articles.

**COMMUNITY INTEREST COMPANY AND ASSET LOCK**

**Community Interest Company**

**Asset Lock**

If:

the Company is wound up under the Insolvency Act 1986; and

all its liabilities have been satisfied

any residual assets shall be given or transferred to the asset-locked body specified in Article 3.5 below.

For the purposes of this Article 3, the following asset-locked body is specified as a potential recipient of the Company's assets under Articles 3.2 and 3.4:

Name: [ **DOES LIVERPOOL, CIC** ]

(Please note that a community interest company cannot nominate itself as the asset locked body. It also cannot nominate a non-asset locked body. An asset locked body is defined as a CIC or charity, a permitted industrial and provident society or non-UK based equivalent).

Charity Registration Number (if applicable): [ **N/A** ]

Company Registration Number (if applicable): [ **07664868** ]

Registered Office: **The Tapestry, 68-76 Kempston Street, Liverpool, England, L3 8HL**

#### **Not for profit**

The Company is not established or conducted for private gain: any surplus or assets are used principally for the benefit of the community.

### **OBJECTS, POWERS AND LIMITATION OF LIABILITY**

#### **Objects**

The objects of the Company are to carry on activities which benefit the community and in particular (without limitation) to [ **educators, museums and cultural organisations** ].

#### **Powers**

To further its objects the Company may do all such lawful things as may further the Company's objects and, in particular, but, without limitation, may borrow or raise and secure the payment of money for any purpose including for the purposes of investment or of raising funds.

## **Liability of shareholders**

The liability of the shareholders is limited to the amount, if any, unpaid on the shares held by them.

## **DIRECTORS**

### **DIRECTORS' POWERS AND RESPONSIBILITIES**

#### **Directors' general authority**

Subject to the Articles, the Directors are responsible for the management of the Company's business, for which purpose they may exercise all the powers of the Company.

#### **Shareholders' reserve power**

The shareholders may, by special resolution, direct the Directors to take, or refrain from taking, specific action.

No such special resolution invalidates anything which the Directors have done before the passing of the resolution.

#### **Chair**

The Directors may appoint one of their number to be the chair of the Directors for such term of office as they may determine and may at any time remove him or her from office.

#### **Directors may delegate**

Subject to the Articles, the Directors may delegate any of the powers which are conferred on them under the Articles or the implementation of their decision or day to day management of the affairs of the Company:

to such person or committee;

by such means (including by power of attorney);

to such an extent;

in relation to such matters or territories; and

on such terms and conditions;

as they think fit.

If the Directors so specify, any such delegation may authorise further delegation of the Directors' powers by any person to whom they are delegated.

The Directors may revoke any delegation in whole or part, or alter its terms and conditions.

## **DECISION-MAKING BY DIRECTORS**

### **Directors to take decisions collectively**

Any decision of the Directors must be either a majority decision at a meeting or a decision taken in accordance with Article 18. [In the event of the Company having only one Director, a majority decision is made when that single Director makes a decision.]

### **Calling a Directors' meeting**

Two Directors may (and the Secretary, if any, must at the request of two Directors) call a Directors' meeting.

A Directors' meeting must be called by at least seven Clear Days' notice unless either:

all the Directors agree; or

urgent circumstances require shorter notice.

Notice of Directors' meetings must be given to each Director.

Every notice calling a Directors' meeting must specify:

the place, day and time of the meeting; and

if it is anticipated that Directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.

Notice of Directors' meetings need not be in writing.

Notice of Directors' meetings may be sent by electronic means to an Address provided by the Director for the purpose.

### **Participation in Directors' meetings**

Subject to the Articles, Directors participate in a Directors' meeting, or part of a Directors' meeting, when:

the meeting has been called and takes place in accordance with the Articles; and

they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.

In determining whether Directors are participating in a Directors' meeting, it is irrelevant where any Director is or how they communicate with each other.

If all the Directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

### **Quorum for Directors' meetings**

At a Directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.

The quorum for Directors' meetings may be fixed from time to time by a decision of the Directors, but it must never be less than two, and unless otherwise fixed it is [two].

If the total number of Directors for the time being is less than the quorum required, the Directors must not take any decision other than a decision:

to appoint further Directors; or

to call a general meeting so as to enable the shareholders to appoint further Directors.

### **Chairing of Directors' meetings**

The Chair, if any, or in his or her absence another Director nominated by the Directors present shall preside as chair of each Directors' meeting.

### **Voting**

In case of an equality of votes, the Chair shall have a second or casting vote.

### **Decisions without a meeting**

The Directors may take a unanimous decision without a Directors' meeting by indicating to each other by any means, including without limitation by electronic means, that they share a common view on a matter. Such a decision may, but need not, take the form of a resolution in writing, copies of which have been signed by each Director or to which each Director has otherwise indicated agreement in writing.

A decision which is made in accordance with Article 18.1 shall be as valid and effectual as if it had been passed at a meeting duly convened and held, provided the following conditions are complied with:

approval from each Director must be received by one person being either such person as all the Directors have nominated in advance for that purpose or such other person as volunteers if necessary ("the Recipient"), which person may, for the avoidance of doubt, be one of the Directors;

following receipt of responses from all of the Directors, the Recipient must communicate to all of the Directors by any means whether the resolution has been formally approved by the Directors in accordance with this Article 18.2;

the date of the decision shall be the date of the communication from the Recipient confirming formal approval;

the Recipient must prepare a minute of the decision in accordance with Article 47.

### **Conflicts of interest**

Whenever a Director finds himself or herself in a situation that is reasonably likely to give rise to a Conflict of Interest, he or she must declare his or her interest to the Directors unless, or except to the extent that, the other Directors are or ought reasonably to be aware of it already.

Whenever a matter is to be discussed at a meeting or decided in accordance with Article 18 and a Director has a Conflict of Interest in respect of that matter then, subject to Article 20, he or she must:

remain only for such part of the meeting as in the view of the other Directors is necessary to inform the debate;

not be counted in the quorum for that part of the meeting; and

withdraw during the vote and have no vote on the matter.

If any question arises as to whether a Director has a Conflict of Interest, the question shall be decided by a majority decision of the other Directors.

When a Director has a Conflict of Interest which he or she has declared to the Directors, he or she shall not be in breach of his or her duties to the Company by withholding confidential information from the Company if to disclose it would result in a breach of any other duty or obligation of confidence owed by him or her.

### **Directors' power to authorise a conflict of interest**

The Directors have power to authorise a Director to be in a position of Conflict of Interest provided:

in relation to the decision to authorise a Conflict of Interest, the conflicted Director must comply with Article 19.3;

in authorising a Conflict of Interest, the Directors can decide the manner in which the Conflict of Interest may be dealt with and, for the avoidance of doubt, they can decide that the Director with a Conflict of Interest can participate in a vote on the matter and can be counted in the quorum;

the decision to authorise a Conflict of Interest can impose such terms as the Trustees think fit and is subject always to their right to vary or terminate the authorisation; and

If a matter, or office, employment or position, has been authorised by the Directors in accordance with Article 20.1 then, even if he or she has been authorised to remain at the meeting by the other Directors, the Director may absent himself or herself from meetings of the Directors at which anything relating to that matter, or that office, employment or position, will or may be discussed.

A Director shall not be accountable to the Company for any benefit which he or she derives from any matter, or from any office, employment or position, which has been authorised by the Directors in accordance with Article 20.1 (subject to any limits or conditions to which such approval was subject).

### **Register of Directors' interests**

The Directors shall cause a register of Directors' interests to be kept. A Director must declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with the Company or in any transaction or arrangement entered into by the Company which has not previously been declared.

## **APPOINTMENT AND RETIREMENT OF DIRECTORS**

### **Methods of appointing Directors**

Those persons notified to the Registrar of Companies as the first Directors of the Company shall be the first Directors.

Any person who is willing to act as a Director, and is permitted by law to do so, may be appointed to be a Director by a decision of the Directors.

Each member of the company shall be a Director.

### **Termination of Director's appointment**

A person ceases to be a Director as soon as:

that person ceases to be a Director by virtue of any provision of the Companies Act 2006 or is prohibited from being a Director by law;

a bankruptcy order is made against that person, or an order is made against that person in individual insolvency proceedings in a jurisdiction other than England and Wales or Northern Ireland which have an effect similar to that of bankruptcy;

a composition is made with that person's creditors generally in satisfaction of that person's debts;

the Directors reasonably believe he or she is suffering from mental disorder and incapable of acting and they resolve that he or she be removed from office;

notification is received by the Company from the Director that the Director is resigning from office, and such resignation has taken effect in accordance with its terms (but only if at least two Directors will remain in office when such resignation has taken effect); or

the Director fails to attend three consecutive meetings of the Directors and the Directors resolve that the Director be removed for this reason.

the Director ceases to be a member.

### **Directors' remuneration**

Directors may undertake any services for the Company that the Directors decide.

Subject to the Articles, and in particular Article 3, Directors are entitled to such remuneration as the Directors determine:

for their services to the Company as Directors; and

for any other service which they undertake for the Company.

Subject to the Articles, and in particular Article 3, a Director's remuneration may:

take any form; and

include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that Director.

Unless the Directors decide otherwise, Directors' remuneration accrues from day to day.

Unless the Directors decide otherwise, Directors are not accountable to the Company for any remuneration which they receive as Directors or other officers or employees of the Company's subsidiaries or of any other body corporate in which the Company is interested.

### **Directors' expenses**

The Company may pay any reasonable expenses which the Directors properly incur in connection with their attendance at:

meetings of Directors or committees of Directors;

general meetings; or

separate meetings of the holders of any class of shares or of debentures of the Company,

or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the Company.

## **SHARES**

### **All shares to be fully paid up and issued at nominal value to a Director**

No share is to be issued for less than the aggregate of its nominal value and any premium to be paid to the Company in consideration for its issue.

This does not apply to shares taken on the formation of the Company by the subscribers to the Company's Memorandum.

No share shall be issued to a person except a Director.

### **Powers to issue different classes of share**

Subject to the Articles, but without prejudice to the rights attached to any existing share, the Company may issue shares with such rights or restrictions as may be determined by ordinary resolution.

The Company may issue shares which are to be redeemed, or are liable to be redeemed at the option of the Company or the holder, and the Directors may determine the terms, conditions and manner of redemption of any such shares.

### **Company not bound by less than absolute interests**

Except as required by law, no person is to be recognised by the Company as holding any share upon any trust, and except as otherwise required by law or the Articles, the Company is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.

### **Share certificates**

The Company must issue each shareholder, free of charge, with one or more certificates in respect of the shares which that shareholder holds.

Every certificate must specify:

in respect of how many shares, of what class, it is issued;

the nominal value of those shares;

that the shares are fully paid; and

any distinguishing numbers assigned to them.

No certificate may be issued in respect of shares of more than one class.

If more than one person holds a share, only one certificate may be issued in respect of it.

Certificates must:

have affixed to them the Company's common seal; or

be otherwise executed in accordance with the Companies Acts.

### **Replacement share certificates**

If a certificate issued in respect of a shareholder's shares is:

damaged or defaced; or

said to be lost, stolen or destroyed,

that shareholder is entitled to be issued with a replacement certificate in respect of the same shares.

A shareholder exercising the right to be issued with such a replacement certificate:

may at the same time exercise the right to be issued with a single certificate or separate certificates;

must return the certificate which is to be replaced to the Company if it is damaged or defaced; and

must comply with such conditions as to evidence, indemnity and the payment of a reasonable fee as the Directors decide.

### **Share transfers**

Shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the Directors, which is executed by or on behalf of the transferor.

No fee may be charged for registering any instrument of transfer or other Document relating to or affecting the title to any share.

The Company may retain any instrument of transfer which is registered.

The transferor remains the holder of a share until the transferee's name is entered in the register of shareholders as holder of it.

### **Purchase of own shares**

Subject to the articles, the company may purchase its own shares (including any redeemable shares) and may make a payment in respect of the redemption or purchase of its own shares otherwise than out of the distributable profits of the Company or the

proceeds of a fresh issue of shares. Any share so purchased shall be purchased at its nominal value.

### **Transmission of shares**

If title to a share passes to a transmittee, the Company may only recognise the transmittee as having any title to that share.

A transmittee who produces such evidence of entitlement to shares as the Directors may properly require:

may, subject to the Articles, choose either to become the holder of those shares or to have them transferred to another person; and

subject to the Articles, and pending any transfer of the shares to another person, has the same rights as the holder had.

But transmittees do not have the right to attend or vote at a general meeting, or agree to a proposed written resolution, in respect of shares to which they are entitled, by reason of the holder's death or bankruptcy or otherwise, unless they become the holders of those shares.

### **Exercise of transmittees' rights**

Transmittees who wish to become the holders of shares to which they have become entitled must notify the Company in Writing of that wish.

If the transmittee wishes to have a share transferred to another person, the transmittee must execute an instrument of transfer in respect of it.

Any transfer made or executed under this Article is to be treated as if it were made or executed by the person from whom the transmittee has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

### **Transmittees bound by prior notices**

If a notice is given to a shareholder in respect of shares and a transmittee is entitled to those shares, the transmittee is bound by the notice if it was given to the shareholder before the transmittee's name has been entered in the register of shareholders.

## **DIVIDENDS AND OTHER DISTRIBUTIONS**

### **Procedure for declaring dividends**

Subject to the Companies Acts, the Regulations and the Articles, the company may by ordinary resolution declare dividends, and the directors may, provided that such decision is authorised by an ordinary resolution of the shareholders, decide to pay interim dividends

For the avoidance of doubt the payment of dividends shall be considered to be a transfer of assets other than for full consideration and shall not be permitted other than in the circumstances prescribed in Article 3.

The Company may by ordinary resolution declare dividends, and the Directors may decide to pay interim dividends.

A dividend must not be declared unless the Directors have made a recommendation as to its amount. Such a dividend must not exceed the amount recommended by the Directors.

No dividend may be declared or paid unless it is in accordance with shareholders' respective rights.

Unless the shareholders' resolution to declare or Directors' decision to pay a dividend, or the terms on which shares are issued, specify otherwise, it must be paid by reference to each shareholder's holding of shares on the date of the resolution or decision to declare or pay it.

If the Company's share capital is divided into different classes, no interim dividend may be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.

The Directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.

If the Directors act in good faith, they do not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on shares with deferred or non-preferred rights.

#### **Payment of dividends and other distributions**

Where a dividend or other sum which is a distribution is payable in respect of a share, it must be paid by one or more of the following means:

transfer to a bank or building society account indicated by the distribution recipient either in Writing or as the Directors may otherwise decide;

sending a cheque made payable to the distribution recipient by post to the distribution recipient at the distribution recipient's registered Address (if the distribution recipient is a holder of the share), or (in any other case) to an Address indicated by the distribution recipient either in Writing or as the Directors may otherwise decide;

sending a cheque made payable to such person by post to such person at such Address as the distribution recipient has indicated either in Writing or as the Directors may otherwise decide;  
or

any other means of payment as the Directors agree with the distribution recipient either in Writing or by such other means as the Directors decide.

In the Articles, "the distribution recipient" means, in respect of a share in respect of which a dividend or other sum is payable:

the holder of the share; or

if the share has two or more joint holders, whichever of them is named first in the register of members; or

if the holder is no longer entitled to the share by reason of death or bankruptcy, or otherwise by operation of law, the transmittee.

#### **No interest on distributions**

The Company may not pay interest on any dividend or other sum payable in respect of a share unless otherwise provided by:

the terms on which the share was issued; or

the provisions of another agreement between the holder of that share and the Company.

#### **Unclaimed distributions**

All dividends or other sums which are:

payable in respect of shares; and

unclaimed after having been declared or become payable,

may be invested or otherwise made use of by the Directors for the benefit of the Company until claimed.

The payment of any such dividend or other sum into a separate account does not make the Company a trustee in respect of it.

If:

twelve years have passed from the date on which a dividend or other sum became due for payment; and

the distribution recipient has not claimed it,

the distribution recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the Company.

#### **Non-cash distributions**

Subject to the terms of issue of the share in question, the Company may, by ordinary resolution on the recommendation of the Directors, decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash assets of equivalent value (including, without limitation, shares or other securities in any company).

For the purposes of paying a non-cash distribution, the Directors may make whatever arrangements they think fit, including, where any difficulty arises regarding the distribution:

fixing the value of any assets;

paying cash to any distribution recipient on the basis of that value in order to adjust the rights of recipients; and

vesting any assets in trustees.

### **Waiver of distributions**

Distribution recipients may waive their entitlement to a dividend or other distribution payable in respect of a share by giving the Company notice in Writing to that effect, but if:

the share has more than one holder; or

more than one person is entitled to the share, whether by reason of the death or bankruptcy of one or more joint holders, or otherwise,

the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

## **CAPITALISATION OF PROFITS**

### **Authority to capitalise and appropriation of capitalised sums**

Subject to the Articles, the Directors may, if they are so authorised by an ordinary resolution:

decide to capitalise any profits of the Company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the Company's share premium account or capital redemption reserve; and

appropriate any sum which they so decide to capitalise (a "capitalised sum") to the persons who would have been entitled to it if it were distributed by way of dividend (the "persons entitled") and in the same proportions.

Capitalised sums must be applied:

on behalf of the persons entitled; and

in the same proportions as a dividend would have been distributed to them.

Any capitalised sum may be applied in paying up new shares of a nominal amount equal to the capitalised sum which are then allotted credited as fully paid to the persons entitled or as they may direct.

A capitalised sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the Company which are then allotted credited as fully paid to the persons entitled or as they may direct.

Subject to the Articles the Directors may:

apply capitalised sums in accordance with Articles 42.3 and 42.4 partly in one way and partly in another;

make such arrangements as they think fit to deal with shares or debentures becoming distributable in fractions under this Article (including the issuing of fractional certificates or the making of cash payments); and

authorise any person to enter into an agreement with the Company on behalf of all the persons entitled which is binding on them in respect of the allotment of shares and debentures to them under this Article.

## **DECISION-MAKING BY SHAREHOLDERS**

### **Shareholders Meetings**

The Directors may call a general meeting at any time.

General meeting must be held in accordance with the provisions regarding such meetings in the Companies Act.

Article 43.3 shall not prevent a person who is a proxy for a shareholder or a duly authorised representative of a shareholder from voting at a general meeting of the Company.

## **WRITTEN RESOLUTIONS**

### **Written resolutions**

Subject to Article 44.3, a written resolution of the Company passed in accordance with this Article 44 shall have effect as if passed by the Company in general meeting:

A written resolution is passed as an ordinary resolution if it is passed by a simple majority of the total voting rights of eligible shareholders.

A written resolution is passed as a special resolution if it is passed by shareholders representing not less than 75% of the total voting rights of eligible shareholders. A written resolution is not a special resolution unless it states that it was proposed as a special resolution.

In relation to a resolution proposed as a written resolution of the Company the eligible shareholders are the shareholders who would have been entitled to vote on the resolution on the Circulation Date of the resolution.

A shareholders' resolution under the Companies Acts removing a Director or an auditor before the expiration of his or her term of office may not be passed as a written resolution.

A copy of the written resolution must be sent to every shareholder together with a statement informing the shareholder how to signify their agreement to the resolution and the date by

which the resolution must be passed if it is not to lapse. Communications in relation to written notices shall be sent to the Company's auditors in accordance with the Companies Acts.

A shareholder signifies their agreement to a proposed written resolution when the Company receives from him or her an authenticated Document identifying the resolution to which it relates and indicating his or her agreement to the resolution.

If the Document is sent to the Company in hard copy form, it is authenticated if it bears the shareholder's signature.

If the Document is sent to the Company by electronic means, it is authenticated [if it bears the shareholder's signature] or [if the identity of the shareholder is confirmed in a manner agreed by the Directors] or [if it is accompanied by a statement of the identity of the shareholder and the Company has no reason to doubt the truth of that statement] or [if it is from an email Address notified by the shareholder to the Company for the purposes of receiving Documents or information by electronic means].

A written resolution is passed when the required majority of eligible shareholders have signified their agreement to it.

A proposed written resolution lapses if it is not passed within 28 days beginning with the Circulation Date.

<sup>1</sup> This form will be placed on the public record. Any information relevant to the application that you do not wish to appear on the public record, should be described in a separate letter addressed to the CIC Regulator and delivered to the Registrar of Companies with the other documents.

**SECTION A: COMMUNITY INTEREST STATEMENT – beneficiaries**

1. We/I, the undersigned, declare that the company will carry on its activities for the benefit of the community, or a section of the community<sup>2</sup>. [Insert a short description of the community, or section of the community, which it is intended that the company will benefit in the space provided below]<sup>3</sup>

*The company's activities will provide benefit to ...*

Museum in a Box is an educational technology (edtech) company designed to benefit those communities who don't have easy access to museum collections and the associated learning opportunities. Our technology is simple to use and enables history, art and culture to travel anywhere in the world. We are reaching a community of museums learning how to bring their objects to life and a community of educators learning new digital skills to enrich their classroom experiences and improve student learning outcomes.

---

<sup>2</sup> The community interest test is referred to in section 35 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and is expanded upon in regulations 3, 4 & 5 of the Regulations.

<sup>3</sup> E.g. "the residents of Oldtown" or "those suffering from XYZ disease".

## **SECTION B: Community Interest Statement – Activities & Related Benefit**

Please indicate how it is proposed that the company's activities will benefit the community, or a section of the community. Please provide as much detail as possible to enable the CIC Regulator to make an informed decision about whether your company is eligible to become a community interest company.

<b>Activities</b> (Tell us here what the company is being set up to do)	<b>How will the activity benefit the community?</b> (The community will benefit by...)
We put cultural education into hard to reach places.	Currently schools and their students are prevented from accessing cultural heritage because they live too far away from a museum or simply don't have the budget or resources to travel. Museum in a Box will benefit this community by bringing the magic of learning directly into their classroom with both audio and physical experiences. Students can hold 3D replicas or 2D representations of artefacts and hear the stories, controversies and perhaps even voices of the people involved. From Egyptian archeology, transatlantic slavery, to explaining how the justice system works, we work with major institutions such as the V&A and Smithsonian Institution to bring the curriculum to life. Teachers benefit from cutting edge learning opportunities, a constantly updating catalogue of teaching materials and access to international collections from award winning institutions.
We help museums and other cultural organisations increase access to their collections	Museums and other cultural organisations have limited physical space to display their artefacts and therefore a huge proportion of culturally significant collections are never seen. Even if institutions put collections online, opportunities to interact are limited and most are basic catalogues with simple descriptions. Museum in a Box will benefit this community by providing a simple way to put history straight into the hands of the public anywhere in the world. Each organisation can create a collection around any topic and make it available to people with never before seen artefacts, music, audio and tactile objects to handle. Collections can be sent anywhere, to any home, classroom or venue. Museum in a Box is also developing a Make Your Own version so to reduce further the barriers for smaller, less well funded organisations.
If the company makes any surplus it will be used for <sup>4</sup> ... developing our educational resources to support our community of educators and museums, improving our software, continuously improving the experience of using a Box and keeping our stock inventory balanced.	

<sup>4</sup> It is expected that surpluses will be primarily used to benefit the community or be reinvested into the company to promote its aims rather than for the personal gain of shareholders and/or directors.

<sup>5</sup> A community interest company cannot benefit from charitable status. An existing company which wishes to become a community interest company must either not have charitable status or must satisfy the criteria set out in section C declaration 2(b).
