  - (b) words denoting the singular include the plural and vice versa and reference to one gender includes the other gender and neuter and vice versa; and

## **3 Directors**

### **3.1 Composition of the Board**

The Board shall consist of a minimum of four and (unless otherwise agreed by BI Blocker and the Majority C Shareholder Representative) a maximum of eleven Directors appointed in accordance with the Articles.

- 3.2 The BI Shareholders (acting as a single group) and the C Shareholders (acting as a single group) shall each be entitled to appoint such number of Directors to the Board as represents

their proportionate holdings of Ordinary Shares (on an As Converted Basis) applied to the number of Directors on the Board at the relevant time, provided that:

- (a) the BI Shareholders shall initially appoint four Directors and the C Shareholders (acting as a single group and without prejudice to Article 3.2(c)) shall initially not appoint any Directors;
- (b) on any variation in the respective proportion of Ordinary Shares (on an As Converted Basis) held as a result of any issue or Transfer of Shares made in accordance with the terms of these Articles, but disregarding any downward adjustment to the number of C Ordinary Shares attributable to the C Shareholders' holding of Convertible Shares resulting solely from the calculation of the Conversion Percentage, the number of Directors on the Board appointed by each of the Shareholders shall immediately be adjusted to reflect their respective proportionate holding of Ordinary Shares (on an As Converted Basis), it being understood that, for the purposes of determining such number of Directors, fractions of number of Directors will be rounded to the nearest whole number and that if any such Shareholder holds more than 50 per cent. of the Ordinary Shares (on an As Converted Basis), it shall be entitled to designate a majority of the Directors;
- (c) the C Shareholders (acting as a single group) shall, as long as they collectively hold at least 30 per cent. of the Ordinary Shares (on an As Converted Basis but disregarding any downward adjustment to the number of C Ordinary Shares attributable to the C Shareholders' holding of Convertible Shares resulting solely from the calculation of the Conversion Percentage), be entitled to appoint at least three Directors to the Board;
- (d) the Chairman shall at all times (but without prejudice to the remaining provisions of this Article 3 (*Directors*) governing his/her appointment) be treated as a B Director for the purposes of calculating how many additional persons the BI Shareholders may appoint as B Directors pursuant to this Article 3.2 (so that, for example, if the Board comprises seven Directors and the C Shareholders are entitled to appoint three Directors, the Chairman will be treated as a B Director and the BI Shareholders may appoint a further three Directors); and
- (e) at least one of the B Directors shall be a non-executive director independent of the BI Group who, to the extent not appointed on the Closing Date, shall be appointed (including, if necessary, to replace one of the B Directors appointed on the Closing Date) as soon as reasonably practicable, and in any event not later than six months, following the Closing Date.

3.3 The C Shareholders (acting as a single group) shall: (i) as long as they collectively hold at least 30 per cent. of the Ordinary Shares (on an As Converted Basis but disregarding any downward adjustment to the number of C Ordinary Shares attributable to the C Shareholders' holding of Convertible Shares resulting solely from the calculation of the Conversion Percentage), be entitled to appoint three Observers to the Board (the **C Observers**); and (ii) if they collectively hold less than 30 per cent. of the Ordinary Shares (on an As Converted Basis but disregarding any downward adjustment to the number of C Ordinary Shares attributable to the C Shareholders' holding of Convertible Shares resulting solely from the calculation of the Conversion Percentage), the number of C Observers the C Shareholders are entitled to appoint shall correspond to the number of C Directors the C Shareholders are entitled to appoint. BI Blocker (on behalf of the BI Shareholders) shall, as long as the BI Shareholders collectively hold at least 30 per cent. of the Ordinary Shares (on an As Converted Basis), also be entitled to appoint three Observers to the Board (the **B Observers**). Each Observer shall not be entitled to vote on matters submitted to the Board. Each Observer shall, and the Shareholders shall cause each Observer appointed by it to, be subject to the same obligations of confidentiality as those of a Director.

3.4 BI Blocker (on behalf of the BI Shareholders) shall be entitled to appoint each B Director (including the Chairman), and remove a B Director it has appointed (including the Chairman) (and, for the avoidance of doubt, appoint other persons in such person's place), in each case by

notice in writing to the Company and CDPQ Investco. The appointment or removal shall, unless the notice indicates otherwise, take effect from the date the notice is received by the Company.

- 3.5 The C Shareholders (acting as a single group) shall, subject to any other agreement between the existing Shareholders governing their relationship in respect to the Company as to director eligibility, be entitled to appoint each C Director, and remove a C Director they have appointed (and, for the avoidance of doubt, appoint other persons in such person's place), in each case by notice in writing to the Company and BI Blocker. The appointment or removal shall, unless the notice indicates otherwise, take effect from the date the notice is received by the Company.
- 3.6 The C Shareholders (acting as a single group) shall be entitled to appoint each C Observer, and remove a C Observer they have appointed (and, for the avoidance of doubt, appoint other persons in such person's place), in each case by notice in writing to the Company and BI Blocker. BI Blocker shall be entitled to appoint each B Observer, and remove a B Observer it has appointed (and, for the avoidance of doubt, appoint other persons in such person's place), in each case by notice in writing to the Company and CDPQ Investco. The appointment or removal shall, unless the notice indicates otherwise, take effect from the date the notice is received by the Company.
- 3.7 For the purposes of this Article 3 (*Directors*), the entitlement of the C Shareholders to appoint (or remove) Directors and Observers shall be exercisable in full by CDPQ Investco on behalf of the C Shareholders unless CDPQ Investco notifies BI Blocker and the Company that it has agreed to transfer any of its Directors and any of its Observers appointment rights directly to one or more 10% C Shareholders, provided always that: (i) it shall transfer the right to appoint the same number of Directors and Observers to the same person; and (ii) if a 10% C Shareholder ceases to be a 10% C Shareholder it shall promptly give notice in writing to the Company and BI Blocker removing one or, if necessary, more of the Directors and Observers appointed by it so that the number of Directors and Observers it has appointed (if any) does not exceed its entitlement to appoint such persons. In such circumstances, CDPQ Investco on behalf of the C Shareholders (or, if relevant, another 10% C Shareholder in agreement with CDPQ Investco) shall appoint a replacement Director and Observer to fill the vacancy left by any such removal, up to the maximum number of Directors and Observers the C Shareholders (as a group) are entitled to appoint pursuant to Articles 3.2 and 3.3 respectively.

3.8 Committees

- (a) The BI Shareholders and the C Shareholders, for so long as each has a right to appoint one or more Directors, shall have the right to appoint (in each case in substantially the same proportions as their rights to appoint Directors otherwise set out in this Article 3, but subject to Article 3.8(b)) members of any committee (including the audit and remuneration committees) established by the Board, and the provisions of this Article 3 (*Directors*) and Article 3.15 (*Conflicts*) shall apply *mutatis mutandis* to such committees.
- (b) To the extent any of the committees referred to in Article 3.8(a) is comprised of fewer people than the Board such that CDPQ Investco and/or any 10% C Shareholder which, pursuant to Article 3 (*Directors*), has appointed a Director to the Board is unable to appoint a committee member (as appropriate) to the relevant governing body, CDPQ Investco and/or such 10% C Shareholder (as the case may be) shall instead be entitled to appoint an observer to the relevant committee who shall have the same obligations and entitlements as those set forth in Article 3.3, *mutatis mutandis*, with respect to Observers of the Board (but, in the case of a 10% C Shareholder's appointment rights, only for as long as the 10% C Shareholder remains a 10% C Shareholder with a right to appoint a Director to the Board pursuant to Article 3.6)).

3.9 Voting and Alternate Directors

- (a) Subject to Articles 3.9(b), 3.9(g) and 3.11(j) each Director shall be entitled to cast one vote.

- (b) If the BI Shareholders or the C Shareholders (in each case, acting as a single group) elect to appoint fewer Directors than each is entitled to appoint pursuant to Article 3.2, or if a Director actually appointed by the BI Shareholders or the C Shareholders (as the case may be) is prevented from acting in such capacity pursuant to Article 3.15 or otherwise, the Directors actually appointed by the BI Shareholders or the C Shareholders (as the case may be) or the B Directors or the C Directors (as the case may be) who are *not so prevented from acting shall together be entitled to exercise such number of votes as would have been held by Directors appointed by the BI Shareholders or the C Shareholders had the BI Shareholders or the C Shareholders (as applicable) appointed the maximum number of Directors they were entitled to appoint pursuant to Article 3.2.* Such votes shall be allocated amongst the relevant B Directors or C Directors (as applicable) in such manner as the relevant Shareholder(s) may agree or, in the absence of such allocation, shall be exercised by unanimous agreement between those Directors appointed by the BI Shareholders or those Directors appointed by the C Shareholders, respectively, as are present at the relevant meeting.
- (c) If a Director dies, resigns, retires or is incapacitated and removed as a Director, the Shareholder who appointed that Director may appoint another Director in accordance with Articles 3.2 and 3.4 to 3.7.
- (d) If a Director is or becomes prohibited by Law or the Articles from acting as a Director, the Shareholder who appointed that Director shall promptly remove such Director (unless such person has already ceased to be a Director). For the avoidance of doubt, that Shareholder may appoint a replacement Director in accordance with Articles 3.2 and 3.4 to 3.7.
- (e) If a Shareholder fails to give notice pursuant to Article 3.7 or to remove a relevant Director in accordance with Article 3.9(d), the Directors not appointed by that Shareholder shall, in the case of failure to give notice pursuant to Article 3.7 determine which of the Directors appointed by that Shareholder shall be removed as a Director and, in either case, may resolve to remove the relevant Director(s) (such removal to take effect from the date the Board's resolution is passed).
- (f) A Shareholder removing a Director, or who was obliged to remove a Director but has failed to do so requiring the other Shareholders to do so pursuant to Article 3.9(e), or whose Director resigns from office as a Director under the Articles, shall indemnify the other Shareholders and the Company from and against any liability for compensation for loss of office, any claim for unfair or wrongful dismissal or otherwise arising in connection with that Director ceasing to hold office as a Director.
- (g) Any B Director (other than an alternate director) may appoint any other B Director willing to act, or any other person approved by the appointing BI Shareholder to act, as his alternate to attend and vote at a Board Meeting in his place and to exercise and discharge all the functions, powers and duties of his appointor as a B Director, in each case at that meeting. A B Director may remove from office any alternate director appointed by him. An alternate director shall automatically vacate his office of alternate director if the B Director who appointed him ceases to be a Director.
- (h) Any C Director (other than an alternate director) may appoint any other C Director willing to act, or any other person approved by the appointing C Shareholder to act, as his alternate to attend and vote at a Board Meeting in his place and to exercise and discharge all the functions, powers and duties of his appointor as a C Director, in each case at that meeting. A C Director may remove from office any alternate director appointed by him. An alternate director shall automatically vacate his office of alternate director if the C Director who appointed him ceases to be a Director.

- (a) For the five year period commencing on the date of the adoption of these Articles, BI Blocker and for so long as CDPQ Investco is Wholly Owned by CDPQ, CDPQ Investco

  - (ii) at any one time, a majority of the Directors should not be resident in any one jurisdiction other than the United Kingdom, it being understood and agreed that subject to this restriction, the BI Shareholders and the C Shareholders shall agree between themselves on the residency of their respective Directors for these purposes and in the absence of any agreement, not more than half of the BI Directors and not more than half of the C Directors shall be resident in any one jurisdiction other than the United Kingdom, provided, however, that in case the C Shareholders only appoint one C Director, that C Director may be resident in Canada; and

in each case, without the prior approval (to the extent such approval is permitted by Law) of the Board (including (unless no C Directors have been appointed) at least one C Director who has been appointed by the Majority C Shareholder).
- (f) A Director shall not be deemed to have a Director Conflict in respect of any matter solely by virtue of the fact that he has been nominated by a particular Shareholder, as the case may be, and such Director may, subject to a Director Conflict not arising solely by virtue of the fact that he has been nominated by a particular Shareholder, as the case may be, participate in discussions relating to, and vote on, arrangements to be entered into between the Company and any member of his appointing Shareholder's group.

### **5 Reserved Matters**

5.1 Each Shareholder shall, so far as it is legally able, exercise its rights in relation to the Company to procure that:

- (a) none of the actions, or any decision in relation to taking any action, set out in Part A of Schedule 1 (*Reserved Matters*) is taken in respect of the Company or any member of the BT Group, as applicable, without the Requisite Approval, provided that nothing in paragraph 1 of Part A of Schedule 1 (*Reserved Matters*) shall entitle any C Shareholder to be involved in operational decisions in the normal course of operations of the BT Group;
- (b) none of the actions, or any decision in relation to taking any action, set out in Part B of Schedule 1 (*Reserved Matters*) is taken in respect of the Company or any member of the BT Group, as applicable, without the Requisite Approval, but only to the extent that the actions listed in Part B of Schedule 1 (*Reserved Matters*) are not set out in or approved under the provisions of the Budget or the Business Plan for the Financial Year in which the relevant action is to occur (in which case, for the avoidance of doubt, no further approval in respect of such actions shall be required); and
- (c) none of the actions, or any decision in relation to taking any action, set out in Part C of Schedule 1 (*Reserved Matters*) is taken in respect of any member of the BT Group without the unanimous consent of all holders of Shares,

where, for each case, each paragraph of Schedule 1 (*Reserved Matters*) shall be a separate and severable undertaking.

5.2 If the relevant approval threshold (as set out in each of the different limbs of Article 5.1) has been satisfied in relation to any Reserved Matter in accordance with this Article 5, the Company shall, so far as it is legally able, procure (and the Shareholders shall, so far as they are legally

able, exercise their rights in relation to the Company to procure) that such action or decision is carried out or otherwise given effect to.

- 5.3 If any Shareholder is aware, or is notified in writing by any other Shareholder, that any action or decision referred to in paragraphs (a), (b) or (c) of Article 5.1 is about to be taken in respect of the Company or any member of the BT Group without the Requisite Approval (in the case of an action or decision referred to in paragraphs (a) and (b)) or without the unanimous consent of all holders of Shares (in the case of an action or decision referred to in paragraph (c)), each of the Shareholders shall use its respective reasonable endeavours to exercise its rights in relation to the Company to procure (to the extent they are legally able) that any such action or decision is reversed or postponed pending the Requisite Approval or unanimous consent having been obtained (as required pursuant to Article 5.1). For the purposes of this Article 5.3, 'awareness' on the part of BI Blocker means that the fact or matter is within the actual knowledge either of: (i) any member of the board of BI Blocker; or (ii) the CEO of BI.
- 5.4 Without prejudice to any other rights of the C Shareholder under the Articles or otherwise, if BI Blocker or any BI Shareholder breaches its obligation set out in Article 5.3, and continues to be in default of such obligation for 60 days after such party has received a notice requiring remedy of the default from the Majority C Shareholder stating that it proposes to exercise its rights under this Article 5.4 (the **Cure Period**) (such notice to be served within 20 Business Days of the Majority C Shareholder Representative becoming actually aware of that right arising, or such longer period as BI Blocker and the Majority C Shareholder Representative shall agree in writing), with the result that at the end of the Cure Period there is a continuing breach of Article 5.1, the Majority C Shareholder Representative shall have the right, immediately following the expiry of the Cure Period, to serve a C IPO Notice or a C Forced Sale Notice as if a Change of Control of BI had occurred (in each case, notwithstanding whether the notice is sent before the fifth anniversary of the Deed) and the provisions of Article 34 (*Change of Control*) shall apply *mutatis mutandis*.
- 5.5 For the avoidance of doubt, BI Blocker may not exercise (or refrain from exercising) its rights under this Article 5 (*Reserved Matters*) in a manner that would restrict or otherwise prohibit the rights of the C Shareholders (or any of them) under Articles 17 (*Right of First Offer*), 20 (*Tag Along*), 21 (*Drag Along*), 26 (*Right to Purchase or Redeem C Equity Instruments*), 28 to 31 (*Exit Events*) or 34 (*Change of Control*).

in each case, having the rights set out in these Articles and, save as expressly provided otherwise in these Articles, the B Ordinary Shares and C Ordinary Shares shall rank *pari passu* in all other respects.

- 6.2 The Directors may exercise any power of the Company to allot shares as if section 561 of the Act did not apply to the allotment, or to grant rights to subscribe for or to convert any security into shares.
- 6.3 So far as they are legally able, the Shareholders shall exercise their rights as holders of Shares, so as to procure that no Equity Shareholder Instruments are issued or granted by the Company:
- (a) unless, if required, the Requisite Approval for such issue or grant (if applicable) has been given in accordance with Article 5 (*Reserved Matters*);

- 10.2 The Preference Return Entitlement Rate in respect of an Additional Convertible Share issued on a date other than the Closing Date or a Due Date shall be determined on its date of issue and shall be the same Preference Return Entitlement Rate as the other Convertible Shares and Additional Convertible Shares in issue during the Return Period in which such Additional Convertible Share is issued, save that the Preference Return Entitlement Rate in respect of such Additional Convertible Share due at the next Due Date shall be calculated as follows:

$$\frac{A}{C} \times B$$

where:

- A = the number of days from the date of issue of the Additional Convertible Share to the next Due Date;
- B = the Preference Return Entitlement Rate in respect of Convertible Shares and Additional Convertible Shares in issue on the date that is the beginning of the Return Period in which such Additional Convertible Share is issued; and
- C = the number of days of the Return Period during which such Additional Convertible Share is issued.

- (b) each Additional Convertible Shareholder shall be entitled to receive, with respect to each of its Additional Convertible Shares then outstanding, the higher of (such higher amount being the **Additional Convertible Share Preference Amount**):

- 10.4 The Convertible Share Preference Amount and the Additional Convertible Share Preference Amount, as applicable, shall be payable by the Company to Convertible Shareholders and Additional Convertible Shareholders (as applicable) in respect of each Convertible Share and Additional Convertible Share (as applicable) out of (and, for greater certainty, shall not exceed in the aggregate the value of) the assets and funds of the Company available for Distribution (after payment of all expenses of the Liquidation) upon a Liquidation Event or for the purposes of Articles 29 (C Forced IPO) and 31 (C Forced Sale) to Shareholders and prior to any Distribution to any other Shareholders.
- 10.5 On a Liquidation Event, after payment of the Convertible Share Preference Amount and Additional Convertible Share Preference Amount, the entire remaining assets and funds of the Company legally available for Distribution, if any, shall be distributed among the Ordinary Shareholders in proportion to the number of Ordinary Shares then held by them.

- 11.1 Subject to Article 5 where applicable, the Company shall distribute in cash to the Shareholders, in accordance with the Articles, such amount as the Board determines to be appropriate to be distributed out of the Company's profits lawfully available for distribution in each Financial Year provided always that the Company may elect to issue Additional Convertible Shares to the C Shareholders in lieu of cash, (but subject to, and in accordance with, the Articles), provided that Requisite Approval will not be required in respect of any such issues of Additional Convertible Shares.
- 11.2 If the Company proposes to pay a cash Distribution (which shall be paid in Euros or if not paid in Euros, such amount shall be deemed converted into Euros at the Exchange Rate on the date

of declaration of such cash Distribution for the purposes of this Article 11) to the Ordinary Shareholders, the Board may elect, in its sole discretion, but subject to applicable law and provided that there has not been a Liquidation Event or an Insolvency Event, to pay such cash Distribution by:

- (a) paying to each Shareholder its respective Equity Instrument Percentage of the aggregate cash Distribution to be paid; or
- (b) paying to each Ordinary Shareholder its respective Equity Instrument Percentage of the aggregate value of the cash Distribution to be paid and, in lieu of all or any of the cash which the Convertible Shareholders and Additional Convertible Shareholders would each otherwise be entitled to in accordance with their respective Equity Instrument Percentages in accordance with Article 11.2(a), allotting and issuing Additional Convertible Shares to the Convertible Shareholders (and Additional Convertible Shareholders, if any Additional Convertible Shares are then outstanding), with the number of Additional Convertible Shares to be issued to each to be calculated in accordance with Article 11.3.

If there has been a Liquidation Event or an Insolvency Event, the Distribution shall be paid in cash.

- 11.3 The number of Additional Convertible Shares to be allotted and issued to a Convertible Shareholder and, if any Additional Convertible Shares are then outstanding, an Additional Convertible Shareholder pursuant to Article 11.2(b) shall be equal to the amount of the portion of the Distribution payable by the allotment and issuance of Additional Convertible Share *divided by* the Per Share FMV as of the time of such Distribution, provided that (i) said amount shall be determined by multiplying the portion of such Distribution payable in cash with the TOSE at the time of such Distribution (without giving effect to the issuance of the Additional Convertible Shares to be issued pursuant to this Article 11.3), and (ii) said Per Share FMV shall be adjusted by subtracting therefrom the amount of the portion of such Distribution payable in cash, it being understood that (x) the result obtained by applying the foregoing shall be rounded to the nearest share, and (y) if a portion of the Distribution to the Convertible Shareholders (and Additional Convertible Shareholders, if any Additional Convertible Shares are then outstanding) is paid in cash, the Company shall make the necessary adjustments to take in to account the impact of such cash Distribution on the foregoing.
- 11.4 Other than as provided for in these Articles on a Liquidation Event or as permitted under any agreement between the Shareholders (including their predecessors) governing their relationship in respect to the Company, there shall be no Distributions to any of the Shareholders other than in accordance with this Article 11 (*Distributions*) without the Requisite Approval.

## 12 Conversion of Convertible Shares

- 12.1 Each Convertible Shareholder shall have the right at any time to convert (the **Conversion Right**) some or all of its Convertible Shares into new fully paid C Ordinary Shares by issuing a notice of Conversion (a **Conversion Notice**) to the Company which specifies the number of Convertible Shares which it wishes to convert (such Convertible Shares being the **Converting Convertible Shares**).
- 12.2 The number of new C Ordinary Shares (the **Conversion C Ordinary Shares**) to be allotted and issued in respect of the Converting Convertible Shares will be calculated by applying the following formula:

$$A \times B$$

where:

A = the number of Converting Convertible Shares; and

**B** = the Performance Adjustment Ratio for the Return Period during which the Conversion Right is exercised.

- 12.3 Promptly upon receipt of a Conversion Notice, and in any event within five Business Days after the date of the Conversion Notice, the Company shall take all necessary steps within its control to cause all corporate and regulatory procedures, formalities and requirements required under applicable Law to be completed for the purposes of giving effect to the exercise of the Conversion Right. ### 13 Conversion of Additional Convertible Shares

- 13.2 The number of new C Ordinary Shares to be allotted and issued in respect of the Converting Additional Convertible Shares which are the subject of the Second Conversion Notice (the **Additional Conversion C Ordinary Shares**) shall be calculated by applying the following formula to each Series of Additional Convertible Shares that are the subject of the Second Conversion Notice (each, the **Applicable Series**):

$$A \times B \times C$$

where:

- A** = the number of Converting Additional Convertible Shares of the Applicable Series which is the subject of the Second Conversion Notice;
- B** = the Accretion Factor per Additional Convertible Share applicable to Additional Convertible Shares of the Applicable Series as of the date of the Second Conversion Notice; and
- C** = 1, subject to any adjustment to the "Additional Convertible Share Conversion Ratio" provided for in Article 14 (*Adjustments*) (such number, as adjusted, the **Additional Convertible Share Conversion Ratio**).

- 13.3 Promptly upon receipt of a Second Conversion Notice, and in any event within five Business Days after the date of the Second Conversion Notice, the Company shall take all necessary steps within its control to cause all corporate and regulatory procedures, formalities and requirements required under applicable Law to be completed for the purposes of effecting the Second Conversion Right. the Company shall notify the Converting Additional Convertible Shareholder as soon as it has satisfied such requirements (such notice being the **Second Conversion Receipt Notice**).

  - (b) the Company, the Converting Additional Convertible Shareholder and the Ordinary Shareholder will execute and deliver such other documents (if any) as may be required by applicable Law to implement the Second Conversion Right and effect the Conversion.
- 13.5 All Additional Conversion C Ordinary Shares shall be issued fully paid, free from all Encumbrances created by the Company (and except for Encumbrances created pursuant to the Articles or under any agreement between the Shareholders (including their predecessors) governing their relationship in respect to the Company) and shall carry the right to receive all Distributions declared, paid or made on the C Ordinary Share capital of the Company from and after the Conversion Date, but not in respect of any period ended prior to the applicable Conversion Date, and shall otherwise rank *pari passu* in all respects, including voting rights, with the C Ordinary Shares then in issue and fully paid.

## 14 Adjustments

### 14.1 Consolidation, Subdivision and Reclassification

Whenever there is a consolidation, subdivision or reclassification of the B Ordinary Shares, the number of C Ordinary Shares issued pursuant to the Additional Convertible Share Conversion Ratio shall be adjusted by multiplying the number of C Ordinary Shares into which one Additional Convertible Share would convert immediately before such alteration by the following fraction:

$$\frac{A}{B}$$

where:

A = the number of Ordinary Shares immediately after such alteration; and

B = the number of Ordinary Shares immediately before such alteration.

Such adjustment shall become effective on the date that the alteration takes effect.

### 14.2 Capitalisation of Profits or Reserves

Whenever the Company issues any Ordinary Shares credited as fully paid to its Shareholders by way of capitalisation of profits or reserves (except any Distribution pursuant to Article 11.2(b)), the number of C Ordinary Shares issued pursuant to the Additional Convertible Share Conversion Ratio shall be adjusted by multiplying the number of C Ordinary Shares into which one Additional Convertible Share would convert immediately before such issue by the following fraction:

$$\frac{A}{B}$$

where:

A = the number of Ordinary Shares immediately after such issue; and

B = the number of Ordinary Shares immediately before such issue.

Such adjustment shall become effective on the date of issue of such Ordinary Shares, or if a record date is fixed for the capitalisation, immediately after such record date.

#### 14.3 Other Adjustments

In the context of a modification to the share capital of the Company (including, without limitation, the par value of the shares of the capital of the Company or an amalgamation, merger or statutory arrangement of the Company with or into any other corporation) such that the economic value intended to be attached to the Ordinary Shares, the Convertible Shares and the Additional Convertible Shares would not be preserved as a result of such modification, then the terms of these Articles relating to, or impacting the determination of, the Convertible Share Preference Amount, the Additional Convertible Share Preference Amount, the number of Additional Convertible Shares to be issued pursuant to Article 11.3, and the number of C Ordinary Shares to be issued upon conversion of Convertible Shares or Additional Convertible Shares shall be adjusted, to the extent necessary, in order to ensure that said economic value is actually preserved after said modification, the whole in addition to, but without duplication with, the adjustments set forth in Articles 14.1 and 14.2.

#### 14.4 Minor Adjustments

No adjustment shall be made in accordance with this Article 14 (*Adjustments*) if such adjustment (rounded down if applicable) would result in less than one C Ordinary Share. Any adjustment not required to be made pursuant to the terms of this Article 14.4 shall be carried forward and taken into account in any subsequent adjustment.

#### 14.5 Notice of Adjustment and Disputes

Whenever an adjustment is made in accordance with this Article 14, the Company shall give notice to each Shareholder of the adjustment, setting forth the event giving rise to the adjustment, the Additional Convertible Share Conversion Ratio in effect prior to such adjustment (if applicable), the adjusted Additional Convertible Share Conversion Ratio (if applicable), the other terms of these Articles to be adjusted (if any), and the effective date thereof, together with full details of the calculation of such adjustment. The Company shall appoint an Approved Auditor to review and confirm to the Shareholders that the Additional Convertible Share Conversion Ratio has been adjusted in accordance with this Article 14 (*Adjustments*). The Approved Auditor shall act as expert and not arbitrator and its determination shall be final in respect of the determination being made by them, save in the event of manifest error or fraud. All of the costs and expenses of the Approved Auditor in relation to Article 14 (*Adjustments*) shall be borne by the Company.

#### 14.6 Reversal of Adjustments

If for any reason any event giving rise to an adjustment made to the Additional Convertible Share Conversion Ratio pursuant to this Article 14 (*Adjustments*) is cancelled, revoked or not completed, the Additional Convertible Share Conversion Ratio shall be re-adjusted to the amount which would have applied had the event giving rise to the adjustment not occurred.

## 15 Restrictions on Transfer

- 15.1 Save with the prior written consent of all Shareholders, no Shareholder may Transfer (the Shareholder doing so being a **Transferor**) any Equity Shareholder Instruments to any person (such person being the **Transferee**) except as expressly permitted by and in accordance with the restrictions provided in this Article 15 (*Restrictions on Transfer*) to Article 24 (*Monitoring of Transfers and Issues*) (inclusive).
- 15.2 Subject to Articles 15.4 to 15.7, no consent or approval pursuant to Article 15.1 shall be required in the case of:
- (a) subject to Articles 15.3 and 16.2, a Transfer by a BI Shareholder or a C Shareholder of all (but not less than all) of the Equity Shareholder Instruments it holds to a Wholly Owned Affiliate (or, in respect of a Transfer by CDPQ Investco, to CDPQ or a Wholly Owned Affiliate of CDPQ) (an **Affiliate Transferee**);
  - (b) a Transfer by a C Shareholder of all or part of the Equity Shareholder Instruments it holds to another C Shareholder or its Wholly Owned Affiliate (or, in respect of a Transfer by a C Shareholder to CDPQ Investco, to CDPQ or a Wholly Owned Affiliate of CDPQ) provided that:
    - (i) immediately following such Transfer, each of the Transferor's Shareholder Group and the Transferee's Shareholder shall be a 6% C Shareholder; and
    - (ii) if, immediately prior to such Transfer, the Transferor's Shareholder Group holds 6% or less of the Ordinary Shares (on an As Converted Basis but disregarding any downward adjustment to the number of C Ordinary Shares attributable to a Transferor's Shareholder Group's holding of Convertible Shares resulting solely from the calculation of the Conversion Percentage), the Transferor may only Transfer all (and not only part) of the Equity Shareholder Instruments it holds and the Transferor must further procure that each member of its Shareholder Group Transfers all (and not only part) of the Equity Shareholder Instruments it holds as part of the Transferor's Transfer;
  - (c) a Transfer by a C Shareholder to any person of all or part of the Equity Shareholder Instruments it holds which is made after the Lock-In Period and subject always to Articles 17 (*Right of First Offer*), 20 (*Tag Along*) and 21 (*Drag Along*) and provided that:
    - (i) immediately following such Transfer the Transferor's Shareholder Group shall continue to be a 6% C Shareholder; and
    - (ii) if, immediately prior to such Transfer, the Transferor's Shareholder Group holds 6 per cent. or less of the Ordinary Shares (on an As Converted Basis but disregarding any downward adjustment to the number of C Ordinary Shares attributable to a Transferor's Shareholder Group's holding of Convertible Shares resulting solely from the calculation of the Conversion Percentage), the Transferor may only Transfer all (and not only part) of the Equity Shareholder Instruments it holds and the Transferor must further procure that each member of its Shareholder Group Transfers all (and not only part) of the Equity Shareholder Instruments it holds as part of the Transferor's Transfer;
  - (d) a Transfer by all of the BI Shareholders (but not less than all) to a third party of all (but not less than all) of their Equity Shareholder Instruments at any time solely for cash consideration only and provided that such Transfer is subject always to Articles 17 (*Right of First Offer*), 20 (*Tag Along*) and 21 (*Drag Along*) being complied with by BI Blocker and each other BI Shareholder;
  - (e) a Required Transfer made pursuant to and in accordance with Article 24.4;

- (f) a Transfer made pursuant to and in accordance with Articles 27.1 and 27.4 (*Right to Redeem or Purchase Instruments*);
- (g) a Transfer made as part of the implementation of a C Forced Sale or in connection with an IPO effected pursuant to a C IPO Notice in accordance with Articles 28 (*Exit Events*) 29 (*C Forced IPO*) and 31 (*C Forced Sale*);
- (h) a Transfer made as part of the implementation of an Exit;
- (i) a Transfer made pursuant to and in accordance with Articles 34.1 and/or 34.2 (*Change of Control*); or
- (j) a Transfer (to be completed within 6 months of the Closing Date) by CDPQ or CDPQ Investco, in its sole discretion (but without obligation to do so), to one or more co-investors, upon such terms as it may determine (but subject to the terms of this Article 15.2(j) and any relevant terms contained in any agreement between the existing Shareholders governing their relationship in respect to the Company), and to whom it or any of its Wholly Owned Affiliates (including BT Rail I and BT Rail II) may Transfer all or part of such number of Shares (being acknowledged that any such Transfer may be structured by a Transfer of all interests of CDPQ Investco in BT Rail I and/or BT Rail II) as is equal to 50 per cent. of all of the Shares which (in aggregate) were issued to CDPQ Investco, BT Rail I and BT Rail II on the Closing Date and without such Transfer having to comply with the provisions of Article 17 (*Right of First Offer*).

15.3 Where a Transfer is made under Article 15.2(a):

- (a) if an Affiliate Transferee ceases to be a Wholly Owned Affiliate for whatever reason, the Shareholder who Transferred the Equity Shareholder Instruments to that Affiliate Transferee (the **Transferring Shareholder**) shall forthwith notify the Company and the other Shareholders of that fact. The Transferring Shareholder shall procure that the relevant Equity Shareholder Instruments held by the Affiliate Transferee are forthwith transferred to the Transferring Shareholder or another Wholly Owned Affiliate of the Transferring Shareholder;
- (b) the Shareholder making the Transfer shall procure that a Parent Guarantee is provided for the benefit of the Company and the other Shareholders as a condition precedent to the transfer; and
- (c) in the case of a Transfer by a BI Shareholder only, such Transfer shall be conditional on the Transferee being a company limited by shares validly incorporated and existing under the law of England and Wales, which is Wholly Owned directly or indirectly by BI.

15.4 Subject to Article 15.5, Transfers by a C Shareholder of any Equity Shareholder Instrument shall only be made to a person who is not a Competing Entity, or who does not Control or is Controlled by, or is not an Affiliate of, or who is not directly or indirectly interested in, any Competing Entity (provided that for these purposes an interest in a Competing Entity does not include where a person has a holding in a listed Competing Entity which amounts to not more than 10 per cent. of the voting share capital of that Competing Entity and which does not give such person any additional rights in relation to the listed Competing Entity which are not available to any other person with a similar holding of shares in such listed Competing Entity) (a **Qualified Transferee**).

15.5 The prohibition in Article 15.4 on Transfers of Equity Shareholder Instruments shall not apply in the case of:

- (a) the exercise by a C Shareholder of its right to effect a Sale pursuant to Article 31.1 (*C Forced Sale*) or Article 34.1 (*Change of Control*);

15.6 Transfers by a BI Shareholder or a C Shareholder of any Equity Shareholder Instruments shall not be made to any Prohibited Shareholder.

15.7 On any proposed transfer of any Equity Shareholder Instruments by a C Shareholder, such C Shareholder shall require each potential Transferee to enter into confidentiality obligations in respect of any information relating to the BT Group and BI Group (including, but not limited to, Confidential Information) which is to be provided by that C Shareholder to that potential transferee and which are enforceable by that C Shareholder, the Company and BI Blocker (while it or any of its Affiliates is a Shareholder).

## **16 Provisions Applying to all Transfers of Equity Shareholder Instruments**

16.1 All Transfers of Equity Shareholder Instruments shall, unless otherwise stated herein or otherwise agreed between the Transferor and the Transferee, be in compliance with Article 25 (*Transfer Terms*).

16.2 No Transfers of Equity Shareholder Instruments shall be made by a Shareholder to any person other than to a Wholly Owned Affiliate (or, in respect of a Transfer by CDPQ Investco, to CDPQ or a Wholly Owned Affiliate of CDPQ) unless that Shareholder Transfers to such person, at the same time, the same proportion of the total number of the Shareholder's holding of each other class of Equity Shareholder Instruments.

16.3 Unless the Shareholders otherwise determine, and subject to the terms of these Articles:

- (a) any B Equity Instruments which are Transferred to a C Shareholder shall immediately be reclassified as a C Equity Instrument of an equivalent form to the B Equity Instrument Transferred (including as to any economic rights attached to such B Equity Instruments); and
- (b) any C Equity Instruments which are Transferred to a BI Shareholder shall immediately be reclassified as a B Equity Instrument of an equivalent form to the C Equity Instrument Transferred (including as to any economic rights attached to such C Equity Instruments).

16.4 No Equity Shareholder Instruments shall be Transferred to any person who is not already a Shareholder until such person has become a party to any agreement between the existing Shareholders governing their relationship in respect to the Company, by executing and delivering to the Company a deed of adherence, pursuant to which it agrees to become a party to any agreement between the existing Shareholders governing their relationship in respect to the Company and:

- (a) in the case of a Transfer by BI Blocker, where such person assumes the obligations of BI Blocker under these Articles or any agreement between the existing Shareholders governing their relationship in respect to the Company;
- (b) in the case of a Transfer by CDPQ Investco, where such person assumes the obligations of CDPQ Investco under these Articles or any agreement between the existing Shareholders governing their relationship in respect to the Company; and
- (c) the parent of such transferee enters into an undertaking that the transferee shall at all times remain *Wholly Owned* by such parent, the form of such undertaking and the identity of the party giving it being reasonably satisfactory to BI Blocker and, save in the case of a transfer pursuant to Article 15.2(j), the Majority C Shareholder Representative.

## 17 Right of First Offer

- 17.1 No Transfer of Equity Shareholder Instruments by a C Shareholder shall be permitted unless the Transfer is made after the Lock-In Period and the proposed Transferor has first complied with the provisions of Article 18 (*C Right of First Offer*), other than Transfers referred to in sub-Articles (a), (b), (c) (f), (g), (h) and (i) of Article 15.2.
- 17.2 No Transfer of Equity Shareholder Instruments by a BI Shareholder shall be permitted unless the Transfer relates to all Equity Shareholder Instruments held by the BI Shareholder and the proposed Transferor has complied with the provisions of 19 (*BI Blocker Right of First Offer*) and Article 20 (*Tag Along*), other than Transfers referred to in sub-Articles (a), (f), (g), (h) and (i) of Article 15.2.

## 18 C Right of First Offer

- 18.1 Save as otherwise permitted pursuant to these Articles, before a C Shareholder (a **C ROFO Seller**) Transfers, or enters into a binding agreement to Transfer, any Equity Shareholder Instruments, it shall first serve a written notice (**C ROFO Offer Notice**) on the other C Shareholders (each, a **C ROFO Buyer**) offering each C ROFO Buyer (in proportion to its Equity Instrument Percentage) the right to purchase such proportion of each class or type of the relevant Equity Shareholder Instruments (a **C ROFO Offer**). If the C ROFO Seller is the only C Shareholder, it shall not be required to serve a C ROFO Offer Notice and Articles 18.2 to 18.7 shall not apply.
- 18.2 Each C ROFO Offer Notice shall specify:
- (a) subject to Articles 15.2(c) and 16.2, the number of Equity Shareholder Instruments of each class or type the C ROFO Seller wishes to Transfer in aggregate (the **C ROFO Shareholder Instruments**) and the amount offered to each C ROFO Buyer;
  - (b) its offer price for each class or type of C ROFO Shareholder Instrument (which, for the avoidance of doubt, must be the same for each C ROFO Shareholder Instrument of the same class or type save for any Additional Convertible Shares for which the offer price must only be the same for each Additional Convertible Share of the same Applicable Series) and which must be in cash and must not include any element of deferred or Contingent Consideration, other than customary post-closing closing accounts adjustment amounts, (for each class or type of C ROFO Shareholder Instrument, the **C ROFO Offer Price**); and
  - (c) the terms of the proposed Transfer which shall be no more onerous than those set out in Article 25 (*Transfer Terms*).
- 18.3 Each C ROFO Buyer must accept or decline all (and not only part) of a C ROFO Offer by notice in writing to the C ROFO Seller within 30 Business Days of receipt of a valid C ROFO Offer Notice (the **C ROFO Acceptance Period**). If a C ROFO Buyer fails to accept the C ROFO Offer made pursuant to a valid C ROFO Offer Notice within the C ROFO Acceptance Period, it shall be deemed to have declined all of that C ROFO Offer.
- 18.4 Each C ROFO Buyer that accepts the C ROFO Offer shall, in addition to and at the same time as such acceptance, confirm either:
- (a) that it would accept, on the same terms, C ROFO Shareholder Instruments (specifying a maximum number) that are not accepted by the other C ROFO Buyers (**Excess C ROFO Shareholder Instruments**); or
  - (b) that it would not accept any Excess C ROFO Shareholder Instruments,

and if a C ROFO Buyer who accepts the C ROFO Offer fails to give a confirmation in the terms of Article 19.4 (a) or (b) at the time of its acceptance, it shall be deemed to have given a confirmation in the terms of Article 19.4(b).

- 18.5 Excess C ROFO Shareholder Instruments (if any) shall be allocated to each C ROFO Buyer who indicates that it shall accept Excess C ROFO Shareholder Instruments pro rata in proportion to such Shareholders' respective Equity Instrument Percentages (provided that no C ROFO Buyer shall be allocated more than the maximum number of Excess C ROFO Shareholder Instruments that it has indicated it is willing to accept).
- 18.6 If after the first allocation of Excess C ROFO Shareholder Instruments there remain Excess C ROFO Shareholder Instruments which have not been allocated and one or more C ROFO Buyers have indicated in their response to the C ROFO Offer that they shall accept more Excess C ROFO Shareholder Instruments than they have been allocated, the remaining Excess C ROFO Shareholder Instruments shall be allocated to the relevant C ROFO Buyers pro rata in proportion to such Shareholders' respective Equity Instrument Percentages and Excess C ROFO Shareholder Instruments shall continue to be allocated on this basis until either: (i) all Excess C ROFO Shareholder Instruments are allocated; or (ii) all requests for Excess C ROFO Shareholder Instruments have been satisfied (provided, in each case, that no C ROFO Buyer shall be allocated more than the maximum number of Excess C ROFO Shareholder Instruments that it has indicated it is willing to accept).
- 18.7 Within 10 Business Days of the earlier of:
- (a) expiry of the C ROFO Acceptance Period; or
  - (b) the date that the C ROFO Seller has received an indication from each C ROFO Buyer that it either accepts or declines the C ROFO Offer,
- the C ROFO Seller shall notify the C ROFO Buyers of the allocation of C ROFO Shareholder Instruments, provided that the date of such notice shall be prior to the expiry of 60 Business Days after the date of the C ROFO Offer Notice.
- 18.8 If a C ROFO Buyer accepts a C ROFO Offer, the relevant C Shareholder shall be bound to purchase all of the relevant C ROFO Shareholder Instruments offered to it (including any Excess C ROFO Shareholder Instruments, if relevant) at the C ROFO Offer Price and the C ROFO Seller shall be bound to sell all of the relevant C ROFO Shareholder Instruments to the relevant C ROFO Buyer with such sale and purchase to complete on the date falling 10 Business Days after the date of the notice pursuant to Article 19.3 (or such longer period as may be required pursuant to any agreement between the existing Shareholders governing their relationship in respect to the Company) (the **C ROFO Completion**).
- 18.9 At any C ROFO Completion, the relevant C ROFO Buyer shall pay the C ROFO Offer Price in respect of the C ROFO Shareholder Instruments it is purchasing to the C ROFO Seller by making a wire transfer of funds for same day value and the C ROFO Seller shall Transfer all of the relevant C ROFO Shareholder Instruments to the relevant C ROFO Buyer.
- 18.10 If all of the C ROFO Shareholder Instruments are not purchased following the operation of Articles 18.1 to 18.7 (inclusive) (such unpurchased C ROFO Shareholder Instruments being the **Remaining ROFO Shareholder Instruments**), the C ROFO Seller shall serve a written notice (the **Remaining ROFO Offer Notice**) on BI Blocker within 10 Business Days making BI Blocker an offer to purchase all of the Remaining ROFO Shareholder Instruments (a **Remaining ROFO Offer**).
- 18.11 The Remaining ROFO Offer Notice shall specify:
- (a) subject to Articles 15.2(b) and 16.2, the number of the Remaining ROFO Shareholder Instruments that are being offered for sale to BI Blocker;

- (b) the offer price for each Remaining ROFO Shareholder Instrument of each class or type (and/or in respect of any Additional Convertible Shares of the same Applicable Series), being the same as the C ROFO Offer Price for the corresponding class or type of Equity Shareholder Instrument; and
  - (c) the terms of the proposed Transfer which shall be no more onerous than those set out in Article 25 (*Transfer Terms*).
- 18.12 BI Blocker must accept or decline all (and not only part) of the offer set out in the Remaining ROFO Offer Notice by notice in writing to the C ROFO Seller within 90 Business Days of receipt of a valid Remaining ROFO Offer Notice. If BI Blocker fails to accept the offer made pursuant to a valid Remaining ROFO Offer Notice within such period, it shall be deemed to have declined all of that offer.
- 18.13 If BI Blocker accepts a Remaining ROFO Offer, BI Blocker (or BI, as BI Blocker may direct) shall be bound to purchase all of the Remaining ROFO Shareholder Instruments at the C ROFO Offer Price in respect of the C ROFO Shareholder Instruments it is purchasing and the C ROFO Seller shall be bound to sell all of the Remaining ROFO Shareholder Instruments to BI Blocker (or BI, as BI Blocker may direct) with such sale and purchase to complete on the date falling 10 Business Days after the date BI Blocker accepts the Remaining ROFO Offer (or such longer period as may be required pursuant to Article 23.2(b)).
- 18.14 If, having complied with the provisions of Articles 18.1 to 18.13 (inclusive), the C ROFO Seller has not received a valid acceptance from BI Blocker, it may (but shall not be obliged to) at any time on or before the date that is 12 months (such period being extended, as required, in order to obtain any required approval or consent from any Governmental Authority) following the expiry of the period in which BI Blocker may accept or decline a Remaining ROFO Offer in accordance with Article 18.12, in its sole discretion:
- (a) transfer all (but not less than all) of the Remaining ROFO Shareholder Instruments to a third party, which is not, and whose Affiliates are not, a Shareholder, at no less than the C ROFO Offer Price and with any other terms being no more favourable to that person than those set out in the Remaining ROFO Offer Notice; or
  - (b) retain all of the Remaining ROFO Shareholder Instruments.

## 19 BI Blocker Right of First Offer

- 19.1 Save as otherwise permitted pursuant to these Articles, before BI Blocker and/or any other BI Shareholder (a **B ROFO Seller**) Transfers, or enters into a binding agreement to Transfer, all but not less than all of its Equity Shareholder Instruments (the **B ROFO Shareholder Instruments**), it shall first serve a written notice (the **B ROFO Offer Notice**) on all C Shareholders (each, a **B ROFO Buyer**) offering each B ROFO Buyer (in proportion to its Equity Instrument Percentage) the right to purchase such proportion of the B ROFO Shareholder Instruments (a **B ROFO Offer**).
- 19.2 Each B ROFO Offer Notice shall specify:
- (a) subject to Article 16.2, the number of the B ROFO Shareholder Instruments of each class or type the B ROFO Seller wishes to Transfer and the amount offered to each B ROFO Buyer;
  - (b) its offer price for each class or type of B ROFO Shareholder Instrument (which, for the avoidance of doubt, must be the same for each B ROFO Shareholder Instrument of the same class or type) and which must be in cash and must not include any element of deferred or Contingent Consideration, other than customary post-closing closing accounts adjustment amounts, (for each class or type of B ROFO Shareholder Instrument, the **B ROFO Offer Price**); and

- (c) the terms of the proposed Transfer which shall be no more onerous than those set out in Article 25 (*Transfer Terms*).

19.3 Each B ROFO Buyer must accept or decline all (and not only part) of a B ROFO Offer by notice in writing to the B ROFO Seller within 90 Business Days of receipt of a valid B ROFO Offer Notice (the **B ROFO Acceptance Period**). If the B ROFO Buyers fail to accept the B ROFO Offer made pursuant to a valid B ROFO Offer Notice within the B ROFO Acceptance Period in full amongst themselves, the B ROFO Buyer shall be deemed to have declined that B ROFO Offer in respect of all the B ROFO Shareholder Instruments (whether the B ROFO Buyers have accepted the B ROFO Offer made to them or not).

19.4 Each B ROFO Buyer that accepts the B ROFO Offer shall, in addition to and at the same time as such acceptance, confirm either:

- (a) that it would accept, on the same terms, B ROFO Shareholder Instruments (specifying a maximum number) that are not accepted by the other B ROFO Buyers (**Excess B ROFO Shareholder Instruments**); or
- (b) that it would not accept any Excess B ROFO Shareholder Instruments,

and if a B ROFO Buyer who accepts the B ROFO Offer fails to give a confirmation in the terms of Article 19.4(a) or (b) at the time of its acceptance, it shall be deemed to have given a confirmation in the terms of Article 19.4(b).

19.5 Excess B ROFO Shareholder Instruments (if any) shall be allocated to each B ROFO Buyer who indicates that it shall accept Excess B ROFO Shareholder Instruments pro rata in proportion to such Shareholders' respective Equity Instrument Percentages (provided that no B ROFO Buyer shall be allocated more than the maximum number of Excess B ROFO Shareholder Instruments that it has indicated it is willing to accept).

19.6 If after the first allocation of Excess B ROFO Shareholder Instruments there remain Excess B ROFO Shareholder Instruments which have not been allocated and one or more B ROFO Buyers have indicated in their response to the B ROFO Offer that they shall accept more Excess B ROFO Shareholder Instruments than they have been allocated, the remaining Excess B ROFO Shareholder Instruments shall be allocated to the relevant B ROFO Buyers pro rata in proportion to such Shareholders' respective Equity Instrument Percentages and Excess B ROFO Shareholder Instruments shall continue to be allocated on this basis until either: (i) all Excess B ROFO Shareholder Instruments are allocated; or (ii) all requests for Excess B ROFO Shareholder Instruments have been satisfied (provided, in each case, that no B ROFO Buyer shall be allocated more than the maximum number of Excess B ROFO Shareholder Instruments that it has indicated it is willing to accept).

19.7 Within 10 Business Days of the earlier of:

- (a) expiry of the B ROFO Acceptance Period; or
- (b) the date that the B ROFO Seller has received an indication from each B ROFO Buyer that it either accepts or declines the B ROFO Offer,

the B ROFO Seller shall notify the B ROFO Buyers of the allocation of B ROFO Shareholder Instruments.

19.8 If one or more B ROFO Buyers accept a B ROFO Offer in respect of all the B ROFO Shareholder Instruments, each B ROFO Buyer shall be bound to purchase all of the B ROFO Shareholder Instruments offered to it (including any Excess B ROFO Shareholder Instruments, if relevant) at the B ROFO Offer Price in respect of the B ROFO Shareholder Instruments it is purchasing and the B ROFO Seller shall be bound to sell all of the B ROFO Shareholder Instruments to the relevant B ROFO Buyer with such sale and purchase to complete on the date falling 10 Business Days after the date the B ROFO Buyer accepts the B ROFO Offer (or such longer period as may be required pursuant to Article 23.2(b)).

- 19.9 If, having complied with the provisions of Articles 19.1 to 19.8, the B ROFO Seller has not received valid acceptances from C Shareholders in relation to all of the B ROFO Shareholder Instruments, it may (but shall not be obliged to) at any time on or before the date that is 12 months (such period being extended, as required, in order to obtain any required approval or consent from any Governmental Authority) following the expiry of the B ROFO Acceptance Period, in its sole discretion:
- (a) subject to Articles 15.2(d), 20 (*Tag Along*) and 21 (*Drag Along*), Transfer for cash consideration only all (but not less than all) of the B ROFO Shareholder Instruments that were offered for sale in accordance with this Article 19 to a third party, which is not, and whose Affiliates are not, a Shareholder, at no less than the B ROFO Offer Price in respect of the B ROFO Shareholder Instruments it is selling and with any other terms being no more favourable to that person than those set out in the B ROFO Offer Notice; or
  - (b) withdraw any offers made pursuant to this Article 19 and retain all of its B ROFO Shareholder Instruments.

## 20 Tag Along

- 20.1 If, having complied with the provisions of Article 19 (*BI Right of First Offer*), the BI Shareholder is permitted under these Articles and proposes to Transfer all (but not less than all) of the B Equity Instruments it holds (the **Tagged Instruments**), where such Transfer would, if completed, be a bona fide Transfer of the Tagged Instruments to a third party which is not, and whose Affiliates are not, a Shareholder in the Company (the **Tag Transferee**) (such transfer a **Tag Transfer**) then the BI Shareholder must send a notice to all C Shareholders informing them of the proposed Tag Transfer (a **Proposed Tag Transfer Notice**) and the BI Shareholder shall not complete such Tag Transfer (in whole or in part) unless it ensures that the Tag Transferee makes a separate offer to each C Shareholder to buy from each C Shareholder all (but not less than all) of the C Equity Instruments that such C Shareholder holds (the **Tag Along Instruments**), on the Tag Terms (as defined below), (each offer being a **Tag Along Offer**). Any agreement to effect a Tag Transfer must be conditional upon Tag Along Offers being made in accordance with, and the BI Shareholder and the Tag Transferee otherwise complying with, the provisions of this Article 20.
- 20.2 Each Tag Along Offer shall be:
- (a) an irrevocable and unconditional cash offer which does not include any deferred consideration or any Contingent Consideration, other than to the extent of any customary post-closing closing accounts adjustments;
  - (b) in writing addressed to each C Shareholder (a **Tag Along Notice**); and
  - (c) open for acceptance by the relevant C Shareholder during a period of 20 Business Days after its receipt of the Tag Along Notice, by the C Shareholder giving notice of acceptance in writing to the Tag Transferee (any such accepting C Shareholder being a **Tagging Shareholder**).
- 20.3 The BI Shareholder shall, as soon as reasonably practicable following the service of the Tag Along Notice, provide to each Tagging Shareholder copies of all documents necessary to be executed by the relevant Shareholders to give effect to the Transfer of its relevant Equity Shareholder Instruments to the Tag Transferee should it decide to accept the Tag Along Offer.
- 20.4 Each Tag Along Notice (including any accompanying documents) shall include the terms and conditions of the proposed Transfer of Equity Shareholder Instruments, by the relevant Tagging Shareholder to the Tag Transferee, that is the subject of the Tag Along Offer (if accepted by it) which terms and conditions:
- (a) shall include only the following conditions to completion of the Transfer:

- (i) a condition that the Tag Transfer is completed in accordance with its terms and this Article 20; and
    - (ii) any Tag Shareholder Specific Condition notified in writing by the Tagging Shareholder at the time it accepts the Tag Along Offer in accordance with Article 20.2(c);
  - (b) shall be in compliance with Article 25 (*Transfer Terms*);
  - (c) shall incorporate terms giving effect to Articles 20.4 and 20.6;
  - (d) shall provide that the Tagging Shareholder shall receive a cash price which does not include any deferred consideration or any Contingent Consideration, other than to the extent of any customary post-closing closing accounts, which, where such Tagging Shareholder accepts the Tag Along Offer after having not accepted its right of first offer under Article 19 (*BI Right of First Offer*), shall be the greater of (such amounts being set out in the Tag Along Notice):
    - (i) the value of all Equity Shareholder Instruments held by it (on an As Converted Basis) on the basis of the offer made by the Tag Transferee to the BI Shareholder (as set out in the Proposed Tag Transfer Notice); and
    - (ii) the Final Minimum IRR, as of the time of the delivery of the Tag Along Notice, attributable to C Equity Instruments held by the Tagging Shareholder which are referable to the Initial Investment, and in this regard the conversion ratio of any Convertible Shares representing that Initial Investment and/or any Additional Convertible Shares into C Ordinary Shares shall be adjusted in order to ensure the Tagging Shareholder shall receive upon conversion of its Convertible Shares and Additional Convertible Shares, the number of C Ordinary Shares required to achieve the Final Minimum IRR (as of the time of the delivery of the Tag Along Notice) on its Initial Investment,
- but subject always to the provisions of Article 22 (*Cap*);
- (e) shall include the number of each type of Equity Shareholder Instrument proposed to be acquired from the Tagging Shareholder; and
  - (f) save for any Tag Shareholder Specific Condition applicable to the relevant Tagging Shareholder, shall not include any terms that are more onerous for such Tagging Shareholder than the terms of:
    - (i) the Tag Transfer; or
    - (ii) the Transfer of Equity Shareholder Instruments by any other Tagging Shareholder,

such terms being the **Tag Terms** for the purposes of this Article 20.

- 20.5 Each Tagging Shareholder shall execute and send or make available (and shall procure that other members of its Shareholder Group execute and send or make available) to the BI Shareholder all documents necessary to be executed to give effect to the Transfer of its Equity Shareholder Instruments in accordance with this Article 20 (*Tag Along*) to the Tag Transferee within 10 Business Days of its acceptance of the Tag Along Offer in accordance with Article 20.2(c).
- 20.6 The Transfer of Equity Shareholder Instruments by each Tagging Shareholder to the Tag Transferee and the Tag Transfer shall be completed at the same time (in each case following satisfaction of the conditions referred to in Article 20.4(a)) and the Tagging Shareholders shall be bound to sell the relevant Equity Shareholder Instruments, on the Tag Terms, pursuant to the Tag Along Offer and their acceptance of it, and this Article 20 (*Tag Along*).

- 20.7 No Tag Along Offers shall be required to be made pursuant to Article 20.1 if a Drag Along Notice has been served pursuant to Article 21 (*Drag Along*).

## 21 Drag Along

- 21.1 If, having complied with the provisions of Article 19 (*BI Right of First Offer*), the BI Shareholders are permitted under these Articles and propose to Transfer all (but not less than all) of the B Equity Instruments they hold, where such Transfer would, if completed, be a bona fide Transfer of all B Equity Instruments held by all BI Shareholders to a third party which is not, and whose Affiliates are not, a Shareholder in the Company (a **Drag Transferee**) (and save where it is a Transfer referred to in sub-Articles (a), (e), (f), (g), (h) and (i) of Article 15.2) (such transfer a **Drag Transfer**), then the BI Shareholders (the **Dragging Shareholder**) shall have the right to require all holders of C Equity Instruments (the **Dragged Shareholder(s)**) to Transfer all (but not some only) of the C Equity Instruments held by each of them (**Dragged Instruments**) to the Drag Transferee, on the Drag Terms (defined below), by giving written notice to that effect to each Dragged Shareholder (the **Drag Along Notice**).
- 21.2 The BI Shareholders shall, as soon as reasonably practicable following the service of the Drag Along Notice, provide to each of the Dragged Shareholders copies of all documents necessary to be executed by the relevant Dragged Shareholder to give effect to the Transfer of its Equity Shareholder Instruments to the Drag Transferee.
- 21.3 The Drag Along Notice (including any accompanying documents) shall include the terms and conditions of the Transfer of Equity Shareholder Instruments by the Dragged Shareholder to the Drag Transferee pursuant to this Article 21 (*Drag Along*) which shall:
- (a) include only the following conditions:
    - (i) a condition that the Drag Transfer is completed in accordance with its terms and this Article 21; and
    - (ii) any Drag Shareholder Specific Condition notified in writing by the relevant Dragged Shareholder to the Dragging Shareholder within 10 Business Days of receipt of the Drag Along Notice;
  - (b) be in compliance with Article 25 (*Transfer Terms*);
  - (c) incorporate terms giving effect to Articles 21.5 and 21.6;
  - (d) include the number and type of Equity Shareholder Instruments proposed to be acquired from the relevant Dragged Shareholder;
  - (e) provide that the Dragged Shareholder shall receive a cash price which does not include any deferred consideration or any Contingent Consideration, other than to the extent of any customary post-closing closing accounts adjustments, which shall be the greater of (such amounts being set out in the Drag Along Notice):
    - (i) the value of all Equity Shareholder Instruments held by it (on an As Converted Basis) on the basis of the offer made by the Drag Transferee to the Dragging Shareholder (as set out in the Drag Along Notice); and
    - (ii) the Final Minimum IRR, as of the time of the delivery of the Drag Along Notice, attributable to C Equity Instruments held by the Dragged Shareholder which are referable to the Initial Investment, and in this regard the conversion ratio of any Convertible Shares and/or any Additional Convertible Shares representing that Initial Investment into C Ordinary Shares shall be adjusted in order to ensure the Dragged Shareholder shall receive upon conversion of such Convertible Shares and Additional Convertible Shares, the number of C Ordinary Shares required to achieve the Final Minimum IRR (as of the time of the delivery of the Drag Along Notice) on its Initial Investment; and

(f) save for any Drag Shareholder Specific Condition applicable to the relevant Dragged Shareholder, shall not include any terms that are more onerous for such Dragged Shareholder than the terms of:

(i) the Drag Transfer; or

(ii) the Transfer of Equity Shareholder Instruments by any other Dragged Shareholder,

such terms being the **Drag Terms** for the purposes of this Article 21.

21.4 Each Dragged Shareholder shall execute and send or make available to the Dragging Shareholder all documents necessary to be executed to give effect to the Transfer of its Equity Shareholder Instruments to the Drag Transferee pursuant to this Article 21 (*Drag Along*) within 10 Business Days after receipt of the Drag Along Notice (or any longer period to which the Dragging Shareholder(s) may agree).

21.5 The Transfer of Equity Shareholder Instruments by each Dragged Shareholder to the Drag Transferee and the Drag Transfer shall be completed at the same time (in each case following satisfaction of the conditions referred to in Article 21.3(a)) and the Dragged Shareholders shall be bound to sell the relevant Equity Shareholder Instruments, on the Drag Terms, pursuant to this Article 21.

21.6 Save where as a result of any Dragged Shareholder not complying with its obligations under this Article 21, if the Drag Transfer has not completed within six months (or such longer period as may be required pursuant to Article 23.2(b)) of the first date of receipt of the Drag Along Notices, the Dragged Shareholders shall no longer be obliged to proceed with the Transfer of their Equity Shareholder Instruments to the Drag Transferee required pursuant to this Article 21. In such case, the Dragging Shareholder(s) shall return to the relevant Dragged Shareholders all of the documents referred to in Article 21.4.

## 22 Cap

22.1 In any case where the C Shareholders exercise their rights under:

(a) Article 5.3 (*Breach of Requisite Approvals*);

(b) Article 20 (*Tag Along*);

(c) Articles 29 (*C Forced IPO*) and 31 (*C Forced Sale*);

(d) Article 34 (*Change of Control*); or

(e) a liquidation of the Company following an Asset Sale,

or otherwise under these Articles, the return to be received by the C Shareholders shall in no case exceed the amount received or deemed to have been received (including by way of set-off) from the relevant third parties in respect of all of the Equity Shareholder Instruments (and not just those held by the C Shareholders), net of any costs, fees or expenses incurred by the BT Group or the BI Shareholders in relation to such transaction, following the exercise of such rights.

22.2 For the avoidance of doubt, in such case, neither the Company nor any BI Shareholder nor any of their respective Affiliates (excluding, for these purposes, each C Shareholder) shall have any obligation to make any payment to a C Shareholder in respect of such rights over and above the amounts paid to the C Shareholders by the relevant third parties except (in the case of the Company only) in respect of any payments to be made to the C Shareholders resulting from a liquidation of the Company (following an Asset Sale or otherwise), and to the extent relating to such C Shareholders' holding of Convertible Shares issued in connection with the Initial Investment and Additional Convertible Shares issued in connection therewith, of up to the lesser of (x) the aggregate of the Convertible Share Preference Amount and the Additional Convertible

Share Preference Amount, as applicable, and (y) 100 per cent. of the net proceeds of the liquidation.

## **23 Mandatory Consents for Transfers and New Issues**

- 23.1 This Article 23 (*Mandatory Consents for Transfers and New Issues*) applies when a Transfer, redemption or issue of Equity Shareholder Instruments to or from any person (the **Acquirer**) is permitted by, or required to be effected under, these Articles but requires or is likely to require, or it would be reasonably requested by the relevant Acquirer, a Mandatory Consent or Third Party Consent in connection with such Transfer, redemption or issue.
- 23.2 Where this Article 23.2 applies, the Shareholders and the Company:
- (a) agree that the completion of such Transfer, redemption or issue shall be conditional upon such Mandatory Consent(s) and such Third Party Consent(s) (as applicable) being obtained unless waived by the Acquirer to the extent legally permissible;
  - (b) agree that any procedure or time period to be followed under these Articles to effect the Transfer, redemption or issue shall be extended until such time as the relevant Mandatory Consent(s) or Third Party Consent(s) have been obtained (subject always to such Transfer or issue completing prior to the longstop dates set out in Articles 6.9 (*Pre-emption on Issue*), 18.8 (*C Right of First Offer*), 19.8 (*BI Blocker Right of First Offer*), 20.6 (*Tag Along*) or 21.6 (*Drag Along*) (as applicable)) unless waived by the Acquirer to the extent legally permissible; and
  - (c) shall at the Acquirer's expense (and subject, always, to customary confidentiality provisions to be agreed between the Acquirer and each Shareholder in good faith) use their respective reasonable endeavours to assist the Acquirer in obtaining such Mandatory Consent(s) or Third Party Consent(s) including:
    - (i) providing and/or procuring that the relevant members of each member of the BI Group and the BT Group provide all information necessary and reasonably within their control which the Acquirer may reasonably request, to enable the Acquirer to determine which Mandatory Consent(s) and Third Party Consent(s) are required in connection with the Transfer, redemption or issue; and
    - (ii) ensuring that all information necessary for making (or responding to any requests for further information following) any notification, submission, communication or filing in connection with the seeking of the Mandatory Consent or Third Party Consent is available to the person required to obtain the Mandatory Consent or Third Party Consent or who is dealing with the notification, submission, communication or filing, and is accurately and promptly provided upon request, to the extent that such information is within the control of the relevant Shareholder and/or the Company.

## **24 Monitoring of Transfers and Issues**

- 24.1 So far as possible, any purported Transfer, redemption or issue of Equity Shareholder Instruments which is not in accordance with these Articles or Law shall be void and the Company shall, so far as it is legally able, procure that (and the Shareholders shall, so far as they are legally able, exercise their rights in relation to the Company to procure that) the relevant member of the BT Group shall refuse to register such Transfer, redemption or issue.
- 24.2 The Company shall, so far as it is legally able, procure that (and the Shareholders shall, so far as they are legally able, exercise their rights in relation to the Company to procure that) any Transfer, redemption or issue of Equity Shareholder Instruments made pursuant to and in compliance with these Articles, the Articles and Law is duly registered and given effect to by each relevant member of the BT Group.

- 24.3 To enable the Company and the Shareholders to determine whether or not:
- (a) there has been any Transfer, redemption or issue, or purported Transfer or issue, of Equity Shareholder Instruments in breach of these Articles or Law; or
  - (b) any holder of Equity Shareholder Instruments may be obliged to make a Required Transfer of any Equity Shareholder Instruments,

the Company shall be entitled to (and shall be required to do so, if so requested by any Shareholder) require any Shareholder (or intended Transferee or subscriber of Equity Shareholder Instruments) to provide to the Company such information and evidence as the Company may think fit to evidence whether the alleged breach or circumstances giving rise to any obligation to make any Required Transfer have taken place or arisen or are likely to take place or arise. Until such information has been provided, the Company shall, so far as it is legally able, be entitled to procure that (and the Shareholders shall, so far as they are legally able, be entitled to exercise their rights in relation to the Company to procure that) the Directors refuse to register any relevant Transfer, redemption or issue.

- 24.4 If, notwithstanding Article 24.1, any Transfer, redemption or issue of Equity Shareholder Instruments in breach of these Articles or the Articles is effective under Law, the Company shall require that the person to whom the relevant Equity Shareholder Instruments were wrongly Transferred or issued, or, in the case of a redemption, the relevant member of the BT Group, shall immediately:

- (a) in the case of a Transfer, transfer such Equity Shareholder Instruments to the Shareholder(s) who originally Transferred such Equity Shareholder Instruments (the **Original Transferor**) or any Affiliate Transferee of the Original Transferor, in each case, within 10 Business Days of notice from the Company;
- (b) in the case of a redemption, re-issue and allot such Equity Shareholder Instruments to the Shareholder(s) who held such Equity Shareholder Instruments immediately before the redemption; or
- (c) in the case of an issue, transfer such Equity Shareholder Instruments to such person as the Company may specify,

provided that the Original Transferor or such other person (as the case may be) is, at the relevant time, a Shareholder or an Affiliate Transferee of such Shareholder in accordance with these Articles (in each case, a **Required Transfer**).

- 24.5 If a Shareholder fails to complete any Transfer of Equity Shareholder Instruments required by these Articles, the Company shall give notice of such failure to comply to the relevant Shareholder and such Shareholder shall have 15 Business Days in which to cure its failure to comply with these Articles.

- 24.6 Following the expiry of the 15 Business Day period under Article 24.5, the Company may (and shall, if requested by a Shareholder) complete, execute and deliver (for nominal consideration) as attorney for and on behalf of the relevant Shareholder, the required Transfer of the Equity Shareholder Instruments pursuant to any power of attorney granted under any agreement between the existing Shareholders governing their relationship in respect to the Company (subject to payment by the transferee of the consideration due in respect of such transfer).

- 24.7 Any Required Transfer shall be made on the terms detailed in Article 25 (*Transfer Terms*).

## 25 Transfer Terms

- 25.1 This Article 25 (*Transfer Terms*) sets out the terms on which any Equity Shareholder Instruments shall be Transferred under these Articles (the Equity Shareholder Instruments that are the subject of the Transfer being the **Relevant Equity Shareholder Instruments**).

25.2 Each Transfer shall be made on the following terms:

- (d) the parties to the Transfer shall ensure (insofar as they are able) that the relevant Transfer (subject to it being duly stamped, stamp duty to be paid by the Transferee(s)) where required is registered in the name(s) of the Transferee(s) or as it or they may direct;
- (e) the Transferor shall do all such other things and execute all other documents (including any deed) as the Transferee(s) may reasonably request to give effect to the sale and purchase of the Relevant Equity Shareholder Instruments;
- (f) if requested by the Transferee(s), subject to the rights of the Transferor to proportional representation in accordance with Article 3 (*Directors*), the Transferor shall ensure that such number of Directors and/or Observers appointed by it as a result of its ceasing to hold the Relevant Equity Shareholder Instruments resign and the resignation(s) take effect without any liability on the Company or any other member of the BT Group for compensation for loss of office or otherwise;
- (g) if the Transferee is not already a Shareholder, it shall execute and deliver to the Company:
  - (i) a duly executed deed of adherence pursuant to which it agrees to become a party to any agreement between the existing Shareholders governing their relationship in respect to the Company; and
  - (ii) if requested by the Board, a legal opinion, from either external or in-house legal counsel of the Transferee, addressed to each of the Shareholders and the Company in a form approved in writing by a Director authorised by the Board confirming that the Transferee has capacity and authority to enter into and give any representations and warranties contained in the deed of adherence referred to in Article 25.2(g)(i).
  - (iii) the parent of such transferee enters into an undertaking that the transferee shall at all times remain Wholly Owned by such parent, the form of such undertaking and the identity of the party giving it being reasonably satisfactory to BI Blocker and, save in the case of a transfer pursuant to Article 15.2(j), the Majority C Shareholder Representative.
- (h) no Shareholder shall be required to give any warranty or to have any liability with respect to any matters affecting the title of or any breaches or actions of any other Shareholder(s);
- (i) where relevant, the liability of the Shareholders shall be several and not joint or joint and several;

- (j) each C Shareholder's liability under the sale and purchase agreement transferring the Relevant Equity Shareholder Instruments shall not exceed an amount equal to the cash consideration received by it; and
- (k) no C Shareholder shall be required to provide any:
  - (i) non-compete or non-solicit covenants; or
  - (ii) warranties or representations (other than customary fundamental representations and warranties covering title, capacity, authority, execution and no insolvency) or specific indemnities in respect of the BT Group.

## 26 IRR Calculation

- 26.1 For the purposes of Articles 20 (*Tag Along*), 21 (*Drag Along*), 27 (*Right to Purchase or Redeem C Equity Instruments*) and 34 (*Change of Control*) and at any time: (i) the Majority C Shareholder Representative (acting on behalf of the C Shareholders) may request the relevant BI Shareholder(s), BT and/or a B Purchasing Entity, as the case may be, to calculate the Minimum IRR as of a specific date, being the date of service of the relevant notice, (which may, where such request is made in advance of service of the relevant notice, be calculated by reference to the proposed date of service of the relevant notice, even though such date may be in the future), in which case the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, shall, within 10 Business Days, prepare a calculation of the Minimum IRR as at such date and provide such calculation to the Majority C Shareholder Representative (including any underlying documentation supporting such calculation) (the **Minimum IRR Notice**) or (ii) the relevant BI Shareholder(s), the Company and/or a B Purchasing Entity, as the case may be, may, on its own initiative, prepare and provide such Minimum IRR Notice to the Majority C Shareholder Representative, and in each such case:
- (a) the Majority C Shareholder Representative shall notify the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, in writing (a **Minimum IRR Objection Notice**) within five Business Days after receipt by the Majority C Shareholder Representative of the Minimum IRR Notice if it does not accept the Minimum IRR calculation as set forth in the Minimum IRR Notice, setting out its reasons for such non-acceptance and specify the adjustments which, in its opinion, should be made to such Minimum IRR calculation;
  - (b) if the Majority C Shareholder Representative serves a Minimum IRR Objection Notice in accordance with Article 26.1(a)), the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, and the Majority C Shareholder Representative shall use all reasonable efforts to meet and discuss the objections and to agree the adjustments (if any) required to be made to the Minimum IRR calculation as set forth in the Minimum IRR Notice within 10 Business Days after receipt by the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, of the Minimum IRR Objection Notice;
  - (c) if the Majority C Shareholder Representative is satisfied with the Minimum IRR calculation (either as originally submitted or after adjustments agreed pursuant to Article 26.1(a)) or if the Majority C Shareholder Representative fails to give a valid Minimum IRR Objection Notice within the five Business Day period referred to in Article 26.1(a), then the Minimum IRR so calculated (incorporating any agreed adjustments) shall constitute, with respect to the relevant notice or proposed notice and the C Shareholders and the relevant BI Shareholders(s), the Company and/or the B Purchasing Entity, as applicable, the **Final Minimum IRR** for the purposes of these Articles;
  - (d) if the Majority C Shareholder Representative and the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, do not reach agreement within 10 Business Days after receipt by relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, of the Minimum IRR Objection Notice, then the matters in dispute may be referred (on the application of either the Majority C Shareholder

Representative or the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable) for determination by the Company's auditor, acting as an expert (and not as an arbitrator), such determination: (i) being, in the absence of manifest error, final and binding on the C Shareholders and the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, who, without prejudice to any other rights which they may respectively have under the Articles or any other agreement between the existing Shareholders governing their relationship in respect to the Company, expressly waive, to the extent permitted by law, any rights of recourse they may otherwise have to challenge; and (ii) constituting, with respect to the relevant notice or proposed notice and the C Shareholders and the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, the **Final Minimum IRR** for the purposes of these Articles and any other agreement between the existing Shareholders governing their relationship in respect to the Company. The Company's auditor shall determine the applicable Minimum IRR, being the Minimum IRR at the date of service of the relevant notice or proposed notice, within 20 Business Days (or such later date as the Majority C Shareholder Representative, the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable and the Company's auditor agree in writing) of confirmation and acknowledgement by the Company's auditor of its appointment. The fees and expenses of the Company's auditor shall be borne equally between: (i) the C Shareholders on the one hand; and (ii) the relevant BI Shareholder(s), the Company and/or the B Purchasing Entity, as applicable, on the other, or in such proportions as the Company's auditor shall determine.

## 27 Right to Purchase or Redeem C Equity Instruments

- 27.1 Subject to Articles 29.3 and 31.3, BI Blocker may at any time on or after the earlier of (i) the third anniversary of the adoption of these Articles and (ii) the date on which a C IPO Notice or a C Forced Sale Notice is issued (including where such notice is served pursuant to Article 34 (*Change of Control*)), serve notice (a **C Purchase Notice**) in writing on:
- (a) The Company (with a copy to the C Shareholders) to irrevocably pursue the repurchase and/or redemption of all (and not less than all) of the C Equity Instruments which are Equity Shareholder Instruments (each a **Compulsory C Instrument**) from the C Shareholders; or
  - (b) all of the C Shareholders (with a copy to the Company and the Compulsory C Instrument Buyer(s)) irrevocably requiring them to sell all (and not less than all) of the Compulsory C Instruments held by them to BI Blocker, one or more of the BI Shareholders, BI or a B Purchasing Entity (each a **Compulsory C Instrument Buyer**).
- 27.2 Subject to any applicable provisions of Law, the redemption or repurchase by the Company of all of the Compulsory C Instruments or the completion of the Transfer to the Compulsory C Instrument Buyer of all of the Compulsory C Instruments shall be completed within 120 days of the date of the C Purchase Notice except where a Mandatory Consent or Third Party Consent is required when the provisions of Article 23 (*Mandatory Consents for Transfers and New Issues*) shall apply, unless such Mandatory Consent or Third Party Consent is waived, to the extent further permissible, by the acquirer, and completion shall occur no later than six months after the date of the C Purchase Notice or such longer period as is required to obtain such Mandatory Consent or Third Party Consent (the period from the date of the C Purchase Notice until the earlier of: (i) the relevant date contemplated in this Article 27.2; and (ii) the date of the redemption or repurchase by the Company of the Compulsory C Instruments or the completion of the Transfer to the Compulsory C Instrument Buyer of the Compulsory C Instruments (as the case may be) is referred to as the **Compulsory Purchase Period**).
- 27.3 In connection with the delivery of a C Purchase Notice:
- (a) the Company or the Compulsory C Instrument Buyer, as applicable, shall promptly (and in any event within five Business Days) send to the C Shareholders details of the Final Minimum IRR (determined as of the time of the delivery of the C Purchase Notice)

attributable to the Compulsory C Instruments (on an As Converted Basis) which are referable to the Initial Investment;

- (b) BI Blocker may, any time before the delivery of such C Purchase Notice, request by written notice to the Majority C Shareholder Representative (with a copy to the Company) (the **FMV Determination Notice**), that BI Blocker and the Majority C Shareholder Representative (acting on behalf of the C Shareholders) initiate the procedures set forth in Schedule 2 of these Articles to determine the Per Share FMV attributable to the Compulsory C Instruments (on an As Converted Basis) as of the time of the delivery, if any, of the C Purchase Notice (which time shall be set forth in the FMV Determination Notice, which shall be no earlier than five Business Days and no later than 20 Business Days after the delivery of the FMV Determination Notice), and, in connection therewith, each of BI Blocker and the Majority C Shareholder Representative shall negotiate in good faith to agree the Per Share FMV, failing which they shall, in accordance with Schedule 2 of these Articles, (i) no later than ten Business Days after receipt of the FMV Determination Notice (or such later date as may be agreed in writing by the Majority C Shareholder Representative and BI Blocker), appoint their respective valuation firms and the third valuation firm to be appointed by mutual agreement, and (ii) direct each such valuation firm to produce their respective valuation no later than 20 Business Days after their appointment and otherwise in accordance with Schedule 2 of these Articles; provided, for greater certainty, that (x) the delivery by BI Blocker of a FMV Determination Notice shall not require BI Blocker to deliver a C Purchase Notice and (y) BI Blocker shall have the right to obtain the Per Share FMV resulting from the aforementioned determination procedures before delivering said C Purchase Notice; and
- (c) the Company or the Compulsory C Instrument Buyer, as applicable, shall as soon as reasonably practicable after the delivery of such C Purchase Notice send to the C Shareholders copies of all documents required to be executed by the C Shareholders to give effect to the redemption, repurchase or Transfer of the Compulsory C Instruments.

27.4 The redemption or repurchase by the Company of the Compulsory C Instruments or the purchase by the Compulsory C Instrument Buyer of the Compulsory C Instruments, as applicable, shall:

- (a) be for an aggregate cash consideration which does not include any deferred consideration or Contingent Consideration other than to the extent of any customary post-closing closing accounts adjustments, and be the higher of:
  - (i) the Per Share FMV (determined in accordance with Article 27.3(b)) multiplied by the number of Compulsory C Instruments (on an As Converted Basis) being redeemed, repurchased or sold; and
  - (ii) the Final Minimum IRR (determined in accordance with Article 27.3(a)) attributable to the Compulsory C Instruments (on an As Converted Basis) representing the Initial Investment being redeemed, repurchased or sold; and
- (b) be on terms that are no more onerous for the C Shareholders than those set out in Article 25 (*Transfer Terms*).

27.5 If the redemption or repurchase by the Company of the Compulsory C Instruments, or the completion of the Transfer to the Compulsory C Instrument Buyer of the Compulsory C Instruments, as applicable, does not complete within the Compulsory Purchase Period, then (i) the C Shareholders shall not be obliged to sell their Compulsory C Instruments pursuant to Article 27.1 and (ii) without the consent of the Majority C Shareholder Representative, the BI Shareholder shall not be entitled to serve another C Purchase Notice until the expiry of the six-month period from the date the most recent C Purchase Notice was served.

## 28 Exit Events

The Shareholders shall not, save as set out in these Articles, effect an Exit or proposed Exit without Requisite Approval.

## 29 C Forced IPO

- 29.1 At any time on or after the fifth anniversary of the adoption of these Articles, the Majority C Shareholder Representative may serve notice in writing on the Company and BI Blocker requiring the Company to begin a process in order to undertake, and to implement, an IPO of the Company, such process being run by the Majority C Shareholder Representative in accordance with Article 30.1 (*Conduct on a C Forced IPO*) (a **C IPO Notice**). Any IPO undertaken pursuant to this Article 29 (*C Forced IPO*) shall be at the Company's sole expense (provided that, with respect to expenses incurred by the C Shareholders in relation to a C Forced IPO, the Company shall only be responsible for (w) reasonable fees and disbursements of legal counsel to the C Shareholders other than the Company's counsel, (x) reasonable fees and disbursements of legal counsel to the underwriters and reasonable fees and disbursements of the underwriters customarily payable by sellers of securities, (y) all fees and expenses incurred in connection with the distribution or Transfer of securities by a C Shareholder, and (z) all out-of-pocket expenses related to the "road show" in connection with the C Forced IPO to the extent the applicable C Shareholder is required to participate in such "road show", but the Company shall however not be required to pay any fees and disbursements to underwriters not customarily paid by the issuers of securities in an offering similar to the C Forced IPO, including underwriting discounts and commissions and nor shall it be required to pay stamp duty or any transfer taxes, attributable to the sale of IPO Shares) and shall take the form of a secondary offering of IPO Shares.
- 29.2 A C IPO Notice may not be served during a Compulsory Purchase Period.
- 29.3 At any time prior to the end of the Buy Out Period, BI Blocker may serve a C Purchase Notice pursuant to Article 27 (*Right to Purchase or Redeem C Equity Instruments*), provided that:
- (a) following the expiry of the Buy Out Period, if BI Blocker has not by that time served a C Purchase Notice, it may not, without the consent of the Majority C Shareholder Representative, serve a C Purchase Notice until:
    - (i) the Company, with the prior written approval of the Majority C Shareholder Representative, has ceased to pursue an IPO of the Company;
    - (ii) a period of 12 months has elapsed since the expiry of the Buy Out Period and no Sale or IPO has occurred; or
    - (iii) the Majority C Shareholder Representative has ceased to actively pursue the IPO (other than, in the context of a 'dual track' process, the Majority C Shareholder Representative having ceased to actively pursue the C Forced IPO route, continues actively to pursue the C Forced Sale route, but only until such time as the Majority C Shareholder Representative ceases actively to pursue the C Forced Sale route); or
  - (b) if BI Blocker does serve a C Purchase Notice within the Buy Out Period, but the redemption by the Company of all of the Compulsory C Instruments or the completion of the Transfer to the Compulsory C Instrument Buyer of all of the Compulsory C Instruments, as applicable, does not complete within the Compulsory Purchase Period in accordance with the terms of Article 26 (*Right to Purchase or Redeem C Equity Instruments*), BI Blocker may not, without the consent of the Majority C Shareholder Representative, serve another C Purchase Notice unless:
    - (i) a period of 12 months has elapsed since the expiry of the Compulsory Purchase Period and no Sale or IPO has occurred; or

- (ii) the Majority C Shareholder Representative has ceased to actively pursue the IPO (other than, in the context of a 'dual track' process, the Majority C Shareholder Representative having ceased to actively pursue the C Forced IPO route, continues actively to pursue the C Forced Sale route, but only until such time as the Majority C Shareholder Representative ceases actively to pursue the C Forced Sale route).

29.4 If, following the operation of Article 29.3, BI Blocker has not served a C Purchase Notice in accordance with Article 29.3 or the redemption by the Company of all of the Compulsory C Instruments or the completion of the Transfer to the Compulsory C Instrument Buyer of all of the Compulsory C Instruments, as applicable, has not completed within the Compulsory Purchase Period, the Company shall implement an IPO of the Company as soon as reasonably practicable in accordance with Article 30.1 (*Conduct on a C Forced IPO*).

29.5 Upon a C Forced IPO, the conversion ratio of:

- (a) any Convertible Shares and/or any Additional Convertible Shares into C Ordinary Shares;
- (b) any C Ordinary Shares (including those arising as a result of any conversion of Convertible Shares and/or Additional Convertible Shares) into IPO Shares; and
- (c) any other C Equity Instruments (and/or any equivalent securities issued in exchange for the C Equity Instruments) into IPO Shares,

shall be adjusted and/or calculated to ensure that each C Shareholder shall receive such number of IPO Shares in respect of each class of Equity Shareholder Instrument as have a value equal to:

- (d) in respect of any C Ordinary Shares, an amount calculated by reference to the offer price for the IPO Shares and to the extent necessary taking into account any differences in economic value rights between the C Ordinary Shares and IPO Shares;
- (e) in respect of any Convertible Shares, the higher of:
  - (i) the valuation of an Ordinary Share in the Company calculated immediately prior to the IPO (by reference to the offer price for the IPO Shares) multiplied by the number of Convertible Shares (on an As Converted Basis) being Transferred; and
  - (ii) in respect of those Convertible Shares that represent the Initial Investment, the Exit Preference Amount for those Convertible Shares,

and the conversion ratio of such Convertible Shares shall be adjusted, if required, so that the C Shareholder receives the number of IPO Shares in respect of such Convertible Shares as provided by this Article 29.5(e), such conversion to be implemented conditionally upon, and to take effect immediately prior to, completion of the IPO;

- (f) in respect of any Additional Convertible Shares, the higher of:
  - (i) the valuation of an Ordinary Share in the Company calculated immediately prior to the IPO (by reference to the offer price for the IPO Shares) multiplied by the number of Additional Convertible Shares (on an As Converted Basis) being Transferred; and
  - (ii) the Exit Preference Amount for those Additional Convertible Shares,

and the conversion ratio of such Additional Convertible Shares shall be adjusted, if required, so that the C Shareholder receives the number of IPO Shares in respect of such Additional Convertible Shares as provided by this Article 29.5(f), such conversion to be implemented conditionally upon, and to take effect immediately prior to, completion of the IPO;

- (g) in respect of any other C Equity Instruments, by reference to the valuation of an Ordinary Share in the Company calculated immediately prior to the IPO (which, if required, shall be calculated by reference to all Equity Shareholder Instruments of that class or of an equivalent class).

### **30 Conduct on C Forced IPO**

30.1 In the case of a C Forced IPO pursuant to Articles 28 (*Exit Events*), 29 (*C Forced IPO*) or 34 (*Change of Control*);

- (a) BI Blocker and the Company acknowledge that the IPO process will be run by the Majority C Shareholder Representative with a view to maximising value for the Shareholders (it being understood that notwithstanding its obligation to maximise value for the Shareholders, the Majority C Shareholder Representative and the C Shareholders shall not owe any fiduciary duties towards BI Blocker and the Company in this regard) and shall cooperate with the Majority C Shareholder Representative in running the IPO process and take such action as shall reasonably be requested by the Majority C Shareholder Representative to achieve an IPO (and neither BI Blocker nor the Company will, under any circumstances, take any action that would serve to impede the ability of the Majority C Shareholder Representative to undertake an IPO as provided for under these Articles), including:
  - (i) subject to their rights not being affected and without prejudice to Article 29.5, approving any resolutions of the holders of Equity Shareholder Instruments put to any general meetings of any member of the BT Group or otherwise in connection with an IPO, including resolutions to issue further Equity Shareholder Instruments in the Company or a member of the BT Group, to confer on the directors authority to issue further Equity Shareholder Instruments, to disapply any applicable pre-emption rights, to reclassify/reorganise the Equity Shareholder Instruments, to create any new Equity Shareholder Instruments or types or classes of Equity Shareholder Instruments or to adopt new constitutional documents in respect of any member of the BT Group (as the case may be);
  - (ii) providing customary registration rights, to the extent required in relation to the IPO and as agreed by BI Blocker and the C Shareholders, acting reasonably (or, where registration rights are not market practice, the equivalent thereof which will include the minimum terms and conditions of the IPO and the level of CDPQ and the C Shareholders' participation in the Company which for an IPO in a European stock market shall be satisfied by the terms hereof), provided that BI Blocker shall not have any liability to purchase or sell any Equity Shareholder Instruments;
  - (iii) agreeing to such undertakings in relation to the retention, disposal or manner of disposal of their Equity Shareholder Instruments or securities received as consideration for Equity Shareholder Instruments in accordance with the then current market practice (known as "lock ups" and "orderly market" provisions) as are reasonably required by the financial advisers by reference to prevailing market practice in relation to an IPO (but including, as a minimum, provisions on prevailing market terms regarding orderly future underwritten secondary share sales and the future sell-down of shares by the C Shareholders in circumstances where the sale of any IPO Shares does not otherwise trigger any mandatory take-over bid rules in favour of minority Shareholders);
  - (iv) agreeing to, and cooperating with, any reorganisation or restructuring (including any liquidations, mergers and/or recapitalisations) of the BT Group prior to an IPO, which the Majority C Shareholder Representative considers reasonably necessary or desirable by reference to prevailing market practice to effect the IPO, including agreeing to exchange, convert, redesignate or cash-out any Shareholder Instruments into shares or "frozen-value" loan notes of equivalent value in any holding company or subsidiary that is to be listed and agreeing to transfer any

Equity Shareholder Instruments at an appropriate valuation to a holding company established for the purposes of effecting an IPO; and

- (v) entering into an underwriting agreement (and directing that, where relevant, B Directors enter into such agreement) as holders of securities received as part of the IPO, Equity Shareholder Instruments and/or other instruments (if applicable), and giving customary opinions, representations, warranties and indemnities as are reasonably required in connection with such underwriting agreement subject always to customary financial limitations;
- (b) the C Equity Instruments which are Equity Shareholder Instruments (and/or any equivalent securities issued in exchange for such C Equity Instruments (in relation to any Shares, on an As Converted Basis)) will be sold (pro rata as between the C Shareholders by reference to their respective Equity Instrument Percentages or in such other proportions as may be agreed between the C Shareholders provided, however that if (i) the sale is not pro rata as between the C Shareholders and (ii) CDPQ Investco together with members of its Shareholder Group, sell in priority to some or all of the other C Shareholders, the approval by BI Blocker (which shall not be unreasonably withheld) shall be required, provided that, in any case, the C Shareholders shall in aggregate sell C Equity Instruments to the extent required in order to ensure that there is an appropriate free float, as determined in consultation with the financial advisers engaged in connection with the IPO) in priority to any B Equity Instruments which are Equity Shareholder Instruments;
- (c) the BI Shareholders shall have the option, but shall not be obliged to sell, their Equity Shareholder Instruments on or after the IPO; and
- (d) the parties acknowledge that the preferred exchange would be Frankfurt Stock Exchange, on the basis of current market and regulatory conditions and the location of the operations of the BT Group, and any change from that exchange to a different exchange, selected by the Majority C Shareholder Representative and consented to by BI (such consent not to be unreasonably withheld) shall require reasonable new grounds, taking into account any regulatory or market circumstances then existing.

### 31 C Forced Sale

- 31.1 At any time on or after the fifth anniversary of the adoption of these Articles, the Majority C Shareholder Representative may serve notice in writing on the Company and BI Blocker requiring the Company to begin a process in order to undertake, and to implement, a Share Sale (a **C Forced Sale**) of the Company (a **C Forced Sale Notice**).
- 31.2 A C Forced Sale Notice may not be served during a Compulsory Purchase Period.
- 31.3 At any time prior to the end of the Buy Out Period, BI Blocker may serve a C Purchase Notice pursuant to Article 27 (*Right to Purchase or Redeem C Instruments*), provided that:
  - (a) following the expiry of the Buy Out Period, if BI Blocker has not by that time served a C Purchase Notice, it may not, without the consent of the Majority C Shareholder Representative, serve a C Purchase Notice pursuant to Article 27 (*Right to Purchase or Redeem C Equity Instrument*) until:
    - (i) the Company, with the prior written approval of the Majority C Shareholder Representative, has ceased to pursue a C Forced Sale of the Company;
    - (ii) a period of 12 months has elapsed since the expiry of the Buy Out Period and no Sale or IPO has occurred, or;
    - (iii) the Majority C Shareholder Representative has ceased to actively pursue the C Forced Sale (other than, in the context of a 'dual track' process, where the Majority C Shareholder Representative having ceased to actively pursue the C Forced Sale

route, continues actively to pursue the C Forced IPO route, but only until such time as the Majority C Shareholder Representative ceases to actively pursue the C Forced IPO route); or

- (b) if BI Blocker does serve a C Purchase Notice within the Buy Out Period, but the redemption by the Company of all of the C Equity Instruments or the completion of the Transfer to the Compulsory C Instrument Buyer of all of the C Equity Instruments, as applicable, does not complete within the Compulsory Purchase Period in accordance with the terms of Article 27 (*Right to Purchase or Redeem C Instruments*), BI Blocker may not, without the consent of the Majority C Shareholder Representative, serve another C Purchase Notice pursuant to Article 27 (*Right to Purchase or Redeem C Instruments*) unless:

- (i) a period of 12 months has elapsed since the expiry of the Compulsory Purchase Period and no Sale or IPO has occurred; or
- (ii) the Majority C Shareholder Representative has ceased to actively pursue the C Forced Sale (other than, in the context of a 'dual track' process, where the Majority C Shareholder Representative having ceased to actively pursue the C Forced Sale route, continues actively to pursue the C Forced IPO route, but only until such time as the Majority C Shareholder Representative ceases to actively pursue the C Forced IPO route).

31.4 If, following the operation of Article 31.3, BI Blocker has not served a C Purchase Notice in accordance with Article 31.3 or the redemption by the Company of all of the C Equity Instruments or the completion of the Transfer to the Compulsory C Instrument Buyer of all of the C Equity Instruments, as applicable, has not completed within the Compulsory Purchase Period, the Company shall effect a Share Sale of the Company as soon as reasonably practicable (but, for the avoidance of doubt, such Share Sale shall be run by the Majority C Shareholder Representative in accordance with Article 32.1 (*Conduct on a C Forced Sale*)).

31.5 The consideration that each C Shareholder receives as a result of a C Forced Sale shall not include any deferred consideration or Contingent Consideration, other than to the extent of any customary post-closing closing accounts adjustments, and shall be equal to:

- (a) in respect of any C Ordinary Shares held by that C Shareholder and being Transferred, the price per Ordinary Share payable by the purchaser pursuant to such C Forced Sale (net of any transaction costs and expenses);
- (b) in respect of any Convertible Shares held by that C Shareholder, the higher of:
  - (i) the price per Ordinary Share payable by the purchaser pursuant to such C Forced Sale (net of any transaction costs and expenses) multiplied by the number of Convertible Shares (on an As Converted Basis) being Transferred; and
  - (ii) the Exit Preference Amount for those Convertible Shares representing the Initial Investment,

and the conversion ratio of such Convertible Shares shall be adjusted, if required, so that the C Shareholder receives the amount of consideration in respect of such Convertible Shares as provided by this Article 31.5(b);

- (c) in respect of any Additional Convertible Shares held by that C Shareholder, the higher of:
  - (i) the price per Ordinary Share payable by the purchaser pursuant to such C Forced Sale (net of any transaction costs and expenses) multiplied by the number of Additional Convertible Shares (on an As Converted Basis) being Transferred; and
  - (ii) the Exit Preference Amount for those Additional Convertible Shares,

and the conversion ratio of such Additional Convertible Shares shall be adjusted, if required, so that the C Shareholder receives the amount of consideration in respect of such Additional Convertible Shares as provided by this Article.

- (d) in respect of any other Equity Shareholder Instruments held by that C Shareholder which are being Transferred, the price per C Equity Instrument payable by the purchaser pursuant to such C Forced Sale (which, if required, shall be calculated by reference to the price payable by the purchaser for all Equity Shareholder Instruments of that class or of an equivalent class).

31.6 If the BI Shareholders and/or the Company fail to comply with their obligations set out in this Article 31, the Majority C Shareholder Representative may complete, execute and deliver all such documents, resolutions, approvals and other action as are required to be carried out to effect an IPO or a C Forced Sale as attorney for and on behalf of each BI Shareholder and/or the Company, pursuant to the powers vested in the Majority C Shareholder Representative under any power of attorney granted under the terms of any agreement entered into between the Shareholders.

31.7 For the avoidance of doubt:

- (a) the Majority C Shareholder Representative may serve a C IPO Notice and a C Forced Sale Notice simultaneously or one after the other without prejudicing the validity of the other and the Company shall, if so required, operate a 'dual track' process in such case provided that the Majority C Shareholder Representative continues to actively pursue both routes; and
- (b) the Buy Out Period within which BI Blocker may serve a C Purchase Notice (and the corresponding Compulsory Purchase Period to complete the corresponding redemption by the Company of all of the C Equity Instruments or the Transfer to the Compulsory C Instrument Buyer) shall overlap, not be double counted and begin to run from the later of the service of the C IPO Notice or the C Forced Sale Notice and BI Blocker shall not be entitled to exercise its rights under Article 26 (*Right to Purchase or Redeem C Instruments*) unless:
  - (i) a period of 12 months has expired since the expiry of the Buy Out Period and no IPO or Sale has occurred; or
  - (ii) the Majority C Shareholder Representative has ceased to actively pursue both a C Forced IPO and a C Forced Sale.

## **32 Conduct on a C Forced Sale**

32.1 In the case of a C Forced Sale pursuant to Article 31 (*C Forced Sale*) or Article 34 (*Change of Control*):

- (a) BI Blocker and the Company shall cooperate with the Majority C Shareholder Representative in running the Share Sale process and shall take such action as shall reasonably be requested by the Majority C Shareholder Representative to achieve a Share Sale (and neither BI Blocker nor the Company will, under any circumstances, take any action that would serve to impede the ability of the Majority C Shareholder Representative to undertake such Share Sale), including subject to appropriate and customary limitations on liability, giving customary representations and warranties in respect of the BT Group (the scope and nature of such representations and warranties being in accordance with market practice at the relevant time but which are at least commensurate with the representations and warranties provided by BI and the Company to CDPQ at the time of its initial subscription for Shares) as are reasonably required in the context of a Share Sale;
- (b) BI Blocker, acknowledges that a Share Sale process will be run by the Majority C Shareholder Representative with the support and advice of appropriate experts for the

Share Sale with a view to maximising value for the Shareholders on customary terms and conditions (subject to customary limitations on each C Shareholder's representations (if customary) and representations and warranties being limited to fundamental representations (if customary) and warranties on its investment (covering title, capacity, authority, execution and no insolvency), with each C Shareholder's liability being capped at no greater than the Share Sale consideration it receives, and with each C Shareholder not being subject to any non-compete obligations), provided however that the Majority C Shareholder Representative will have the right to choose the offer to accept and the terms and conditions thereof in its discretion, subject to the provisions of these Articles (and in particular the object of the maximisation of value, it being understood that notwithstanding the Majority C Shareholder Representative's and the C Shareholders' obligation to maximise value for the BI Shareholders, the Majority C Shareholder Representative and the C Shareholders shall not owe any fiduciary duties towards the BI Shareholders in this regard);

- (c) BI Blocker and BI shall be entitled to receive indemnities in a form satisfactory to BI Blocker (at its discretion) in respect of the outstanding (if any) obligations under any Parent Company Performance Support provided by it to the Company or in respect of the Company's obligations and any additional outstanding obligations (if any) under the Shared Services Agreement and the Guarantee and Indemnity Agreements; and
- (d) the aggregate amount of the liability of each C Shareholder for claims pursuant to a C Forced Sale shall be capped at the aggregate level of the sale consideration actually received by it.

### **33 Additional provisions relating to a C Forced IPO or C Forced Sale**

- 33.1 In the case of a C Forced IPO or a C Forced Sale pursuant to Articles 29, 31 or 34 (*Change of Control*), BI Blocker shall use commercially reasonable endeavours to:
  - (a) assist in the production, negotiation and execution of such documentation as is required to effect such Exit (including any sale and purchase agreements, shareholders' agreements or underwriting agreements), provided that such documents reflect the same terms and conditions under the offer accepted by the Majority C Shareholder Representative (including in circumstances where the value of any BI Shareholder's holding of Equity Shareholder Instruments is adjusted pursuant to Article 31.5); and
  - (b) provide reasonable assistance to those third party advisers advising the BT Group, the C Shareholders or any Shareholder in relation to such Exit,
  - (c) in each case, as appropriate taking into account the proposed form of the Exit.
- 33.2 Upon an Exit, to the extent not otherwise paid or taken into account in calculating the consideration payable, any consideration shall be applied and/or distributed in accordance with the provisions of these Articles.
- 33.3 If the Audited Annual Financial Statements of the BT Group for the period ending on the relevant Accounting Reference Date immediately prior to the beginning of the relevant Return Period in which the Exit completes have not been finalised by that date, such that it is not possible to calculate the Convertible Share Preference Amount and (if relevant) the Additional Convertible Share Preference Amount, BI Blocker and the Majority C Shareholder Representative shall agree in good faith on a best estimate of the amount in respect of EBIT which is expected to be included in those Audited Annual Financial Statements of the BT Group provided that, in the absence of such an agreement in advance of the date by which the Convertible Share Preference Amount and (if relevant) the Additional Convertible Share Preference Amount would otherwise need to have been calculated for the purposes of such Exit, each transferor under the relevant Exit shall pay an amount equal to the difference between the amount it receives pursuant to such Exit and the amount that is the Majority C Shareholder Representative's estimate to a third party escrow agent (to be held pursuant to an agreement to be entered into between such escrow agent and each transferor) pending the

availability of the Audited Annual Financial Statements and the calculation of the Convertible Share Preference Amount and (if relevant) the Additional Convertible Share Preference Amount.

### **34 Change of Control**

34.1 If a Change of Control of BI occurs, the Majority C Shareholder Representative shall have the right, within 180 days following the date of the Change of Control of BI (notwithstanding whether the notice is sent before or after the fifth anniversary of the Closing Date), without prejudice to BI Blocker's right to serve a C Purchase Notice pursuant to Article 27 (*Right to Purchase or Redeem C Equity Instrument*):

(a) to serve a C IPO Notice, provided that:

(i) upon any IPO undertaken as a result of the service of a C IPO Notice pursuant to this Article 34, the conversion ratio of:

(A) any Convertible Shares and/or any Additional Convertible Shares into C Ordinary Shares; and

(B) any C Ordinary Shares (including those arising as a result of any conversion of Convertible Shares and/or Additional Convertible Shares) into IPO Shares; and

(C) any other C Equity Instruments which are Equity Shareholder Instruments (*and/or any equivalent securities issued in exchange for the C Equity Instruments which are Equity Shareholder Instruments*) into IPO Shares,

shall in each case be calculated in accordance with Article 29.5 provided that if the valuation of the aggregate number of IPO Shares held by the C Shareholders following the conversion provided for by Article 29.5 (and calculated by reference to the offer price for the IPO Shares and to the extent necessary adjusted to the relevant category of Equity Shareholder Instruments held by the respective C Shareholder) is less than the Final Minimum IRR in respect of the C Equity Instruments converted into such IPO Shares as of the time of the delivery of the C IPO Notice, the conversion ratio of the C Equity Instruments which are Equity Shareholder Instruments and represent the Initial Investment shall be adjusted in order to ensure that the C Shareholders shall instead receive such number of IPO Shares (pro rata as between themselves by reference to their respective holdings of C Equity Instruments) as have a value equal to the Final Minimum IRR in respect of the Equity Shareholder Instruments that represent the Initial Investment as of the time of the delivery of the C IPO Notice;

(ii) any IPO undertaken as a result of the service of a C IPO Notice pursuant to this Article 34 (*Change of Control*) shall otherwise be implemented in accordance with the relevant provisions of Articles 29 (*C Forced IPO*) and 31 (*C Forced Sale*) *mutatis mutandis*;

or (at the sole discretion of the Majority C Shareholder Representative);

(b) to serve a C Forced Sale Notice, provided that:

(i) the consideration that the C Shareholders receive as a result of a C Forced Sale undertaken as a result of the service of a C Forced Sale Notice pursuant to this Article 34 (*Change of Control*) shall be calculated in accordance with Article 31.5 provided that if the aggregate consideration received by the C Shareholders from the purchaser in such C Forced Sale would be less than the Final Minimum IRR (as of the time of the delivery of the C Forced Sale Notice) in respect of the C Equity Instruments which are Equity Shareholder Instruments and represent the Initial Investment sold by them in the C Forced Sale, the consideration payable by

the purchaser in the C Forced Sale shall be adjusted as between the BI Shareholders and the C Shareholders in order to ensure that the C Shareholders shall instead receive consideration equal to the Final Minimum IRR as of the time of the delivery of the C Forced Sale Notice (pro rata as between themselves by reference to their respective holdings of C Equity Instruments) in respect of the Equity Shareholder Instruments that represent the Initial Investment (and the conversion ratio of such Convertible Shares and Additional Convertible Shares shall be adjusted, if required, so that the C Shareholders receive the amount of consideration in respect of such Convertible Shares and Additional Convertible Shares as provided by this Article 34.2(b));

- (ii) any C Forced Sale undertaken as a result of the service of a C Forced Sale Notice pursuant to this Article 34 (*Change of Control*) shall otherwise be implemented in accordance with the relevant provisions of Articles 31 and 32 (*C Forced Sale and Conduct on a C Forced Sale*) (*mutatis mutandis*),

and, in each case, each of the Shareholders shall procure that the consideration paid under the C Forced Sale or received in respect of the relevant IPO Shares under the IPO implemented pursuant to a C IPO Notice shall be adjusted as between the BI Shareholders and the C Shareholders to give effect to this Article 34.1 (and if a conversion of any Convertible Shares and/or Additional Convertible Shares into C Ordinary Shares is required immediately prior to such C Forced Sale, the conversion ratio of such C Equity Instruments shall be adjusted accordingly).

34.2 Save where the provisions of Article 17 (*Right of First Offer*) and, where applicable, either Article 20 (*Tag Along*) or Article 21 (*Drag Along*) have been complied with or a C Purchase Notice has been served pursuant to Article 27 (*Right to Purchase or Redeem C Instruments*) and the Compulsory Purchase Period has not yet expired, if a Change of Control of the Company occurs (save where the Change of Control of the Company is a direct consequence of a Change of Control of BI, in which case Article 34.1 shall apply):

- (a) if the Change of Control of the Company arises in relation to the direct Transfer or proposed Transfer of Equity Shareholder Instruments in the Company, the provisions of Article 20 (*Tag Along*) shall apply (*mutatis mutandis*) and a Proposed Tag Transfer Notice shall be deemed to have been served on the C Shareholders on the date of the Change of Control of the Company;
- (b) in all other circumstances where the provisions of Article 20 (*Tag Along*) do not apply, the indirect Transfer of Equity Shareholder Instruments in the Company shall be conditional upon, and shall not be completed unless each C Shareholder receives, in consideration for the Transfer to the person acquiring Control of the Company, aggregate cash consideration equal to that which such C Shareholder would have received for its Equity Shareholder Instruments had the Change of Control of the Company involved the direct Transfer or proposed Transfer of Equity Shareholder Instruments and the provisions of Article 20 (*Tag Along*) had applied; and
- (c) if any C Shareholder is unable to complete the Transfer of all its Equity Shareholder Instruments in accordance with Article 20 (*Tag Along*) within the time period contemplated by Article 20.6, or if any C Shareholder fails to receive the cash consideration to which it would have been entitled pursuant to Article 20 (*Tag Along*), the provisions of Article 34.1 shall apply *mutatis mutandis* except that the 180 day period referred to in Article 34.1 shall be deemed to begin on the date the period referred to in Article 20.2 ends and the C Shareholder shall have no additional remedy in respect of such failure.

34.3 If any C Shareholder ceases to be a Wholly Owned Subsidiary of CDPQ or an Approved Additional Subscriber (or a Wholly Owned Subsidiary of an Approved Additional Subscriber) or any transferee ceases to be a Wholly Owned Subsidiary of its parent who has entered into an undertaking pursuant to Articles 6 (*Shares and Share Issues*), 16.4 (*Provisions applying to all Transfers of Equity Shareholder Instruments*) or 25.2 (*Transfer Terms*), it shall forthwith transfer

all its Equity Shareholder Instruments to a Wholly Owned Affiliate of CDPQ or the Approved Additional Subscriber or the relevant parent (as the case may be).

### **35 Majority C Shareholder Representative**

- 35.1 Unless BI Blocker agrees otherwise and for so long as CDPQ or any of its Affiliates holds Equity Shareholder Instruments, the 10% C Shareholders shall appoint CDPQ Investco, CDPQ or any Wholly Owned Affiliate of CDPQ as the **Majority C Shareholder Representative**.
- 35.2 The C Shareholders and the 10% C Shareholders hereby appoint CDPQ Investco as the Majority C Shareholder Representative with effect from the Closing Date, such appointment to remain effective unless and until replaced by another Wholly Owned Affiliate of CDPQ or until all Affiliates of CDPQ have ceased to hold Equity Shareholder Instruments whereupon another 10% C Shareholder shall be appointed the Majority C Shareholder Representative.
- 35.3 The Parties acknowledge and agree that CDPQ Investco and any other C Shareholders are entitled to enter into an agreement amongst themselves governing the exercise of such C Shareholders' rights under the Articles (which shall be, except as otherwise provided hereunder, exercised as a single group), including (for the avoidance of doubt) the process for giving instructions to the Majority C Shareholder Representative, provided, however, that any agreement entered into between some or all of the C Shareholders in relation to the appointment, instruction or removal of the Majority C Shareholder Representative or the provision of Requisite Approval shall not permit or purport to permit the exercise of such appointment right or provision of such approval by or the giving of instructions by, any C Shareholder who is not a 10% C Shareholder.

### **36 Indemnities and insurance**

- 36.1 Subject to the provisions of and so far as may be permitted by, the Act:
- (a) every Director or other officer of the Company (excluding the Company's auditors) shall be entitled to be indemnified by the Company (and the Company shall also indemnify directors of any associated company (as defined in section 256 of the Act)) out of the Company's assets against all liabilities incurred by him in the actual or purported execution or discharge of his duties or the exercise or purported exercise of his powers or otherwise in relation to or in connection with his duties, powers or office, provided that no director of the Company or any associated company is indemnified by the Company against:
- (i) any liability incurred by the Director to the Company or any associated company; or
- (ii) any liability incurred by the Director to pay a fine imposed in criminal proceedings or a sum payable to a regulatory authority by way of a penalty in respect of non-compliance with any requirements of a regulatory nature; or
- (iii) any liability incurred by the Director:

- (C) in connection with any application under sections 661(3) or 661(4) or 1157 of the Act (as the case may be) for which the court refuses to grant him relief,
- save that, in respect of a provision indemnifying a Director of a company (whether or not the Company) that is a trustee of an occupational pension scheme (as that term is used in section 235 of the Act) against liability incurred in connection with that company's

activities as trustee of the scheme, the Company shall also be able to indemnify any such Director without the restrictions in Articles 36.1(a), 36.1(a)(iii)(B) and 36.1(a)(iii)(C) applying;

- (b) the Directors may exercise all the powers of the Company to purchase and maintain insurance for any such Director or other officer against any liability which by virtue of any rule of law would otherwise attach to him in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the Company, or any associated company including (if he is a director of a company which is a trustee of an occupational pension scheme) in connection with that company's activities as trustee of an occupational pension scheme.

36.2 The Company shall purchase and maintain, or cause to be purchased and maintained, with a reputable insurer, insurance effective from and including the date of these Articles, for or for the benefit of any person who is or was at any time a Director or director or officer of any member of the BT Group, including insurance against, subject to Law, any liability incurred by or attaching to him in respect of any act or omission in the actual or purported exercise of his powers, in each case from and including the Closing Date (or, if later, the date of appointment of such Director or director or officer of any member of the BT Group), and/or otherwise in relation to his duties, powers or offices in relation to any member of the BT Group (and all costs, charges, losses, expenses and liabilities incurred by him in relation thereto).

### **37 Secretary**

This Article only applies for so long as the Company elects to have a Secretary.

### **38 Notices**
