### CONDUCT OF THE LIQUIDATION

Realisation of assets

Bank interest

The time costs incurred to date in The time costs incurred to date in respect of asset realisations are shown on the attached analysis of time costs.

Investigations

All investigative matters have previously been reported.

Case specific matters

The time costs incurred to date in dealing with these matters is set out in the attached analysis of time costs

Statutory and case management matters

The following work does not usually result in a financial return to creditors but is required by legislation, best practice and to ensure that the case is managed efficiently and effectively.

Work done in the period included:

- ongoing consideration of ethical and anti-money laundering regulations;
- periodic case reviews, ongoing case planning and strategy;
- maintaining and updating computerised case management records;
- maintenance of cashiering records and preparation of receipts and payments accounts;
- filing of statutory documentation at Companies House and Court, and with other relevant parties;
- general taxation matters,
- dealing with routine correspondence not attributable to other categories of work, including customer telephone calls and emails;

# CLOSURE OF THE LIQUIDATION

Closure of the Liquidation

Notice that the Company's affairs are fully wound up is attached. This notice explains creditors' rights in respect of the closure of the liquidation as well as how the Joint Liquidators will vacate office and obtain their release.

The Company will be dissolved (cease to exist) automatically three months after the Joint Liquidators file the final account and statement with the Registrar of Companies.

### CREDITORS' CLAIMS AND DIVIDENDS

#### Dividend prospects

	Owed	Paid (£)	Date Paid
	(£)		
Preferential creditors	10,497.67	NIL	N/a
Secondary Preferential creditors (HMRC)	42,181.45	NIL	N/a
Unsecured creditors	705,168.99	NIL	N/a
Net Property	N/a		
'Prescribed Part' available for creditors	N/a		

#### Prescribed Part

The 'Prescribed Part' is a statutory amount set aside for unsecured creditors from funds ('Net Property') available to a Qualifying Floating Charge Holder ('QFCH'). The amount of Net Property is calculated on a sliding scale up to a maximum of £800,000 depending on when the floating charge was created and whether or not it is a first ranking floating charge.

However, there were no QFCHs and the Prescribed Part did not, therefore, apply.

### Agreement of claims

Creditors' claims would usually only be agreed if there was a likelihood of a dividend being made to that particular class of creditor.

As there was no likelihood of a dividend being paid to any class of creditor, no work was done to agree creditors' claims, other than that necessary for the purposes of admitting claims for voting, where applicable.

#### Dividend payments

As noted above, unfortunately there were insufficient funds to allow a dividend to be paid to any class of creditor, after taking into account the costs and expenses of realisation and dealing with the statutory requirements of administrating the case.

#### Creditor communication

The following work was done in the period to comply with legislation, best practice and to ensure creditors were kept informed.

- Preparation and issue of progress reports to various parties, including creditors.
- Maintenance of schedules of preferential and unsecured creditors' claims.
- Dealing with correspondence and telephone calls.
- Consideration of creditors' claims; acceptance or rejection of claims and complying with the legislative obligations in relation to adjudication of creditors' claims generally for voting.

Creditors only derive an indirect financial return from this work on cases where a dividend has been paid.

The time incurred in dealing with these matters during the period is set out in the attached post appointment analysis of time costs.

## JOINT LIQUIDATORS' FEES, COSTS AND EXPENSES

#### Guide to Liquidator's fees and expenses

A Guide to Liquidator's Fees, which provides information for creditors in relation to the fees and expenses of a Liquidator, can be accessed at under 'general information for creditors. A hard copy can be requested from this office by telephone, email or in writing. All fees, costs and expenses are subject to VAT.

#### Relevant Approving Body

The unsecured creditors were the Relevant Approving Body responsible for approving the Joint Liquidators' fee basis and, where applicable, 'Category 2' expenses.

Post Appointment fees, costs and expenses

#### Basis of fees

The Relevant Approving Body approved the Joint Liquidators' fees on a time cost basis, limited to the sum of £21,438 in accordance with the fee estimate provided to creditors in the report dated 25 August 2023. The Joint Liquidators were therefore entitled to a total fee of £21,438.

Amounts paid are set out in the attached receipts and payments account which show that the Joint Liquidators have drawn the sum of £10,890.95 plus disbursments and VAT.

#### Costs to Closure

These costs are included in the Joint Liquidators' final receipts and payments account.

#### Remuneration charged and paid

Legislation requires that 'remuneration charged' is reported. Remuneration is charged when the work to which it relates is done. It does not mean the Joint Liquidators' fees have been paid. Amounts paid are shown in the attached receipts and payments account.

During the period, the remuneration charged by the Joint Liquidators, on the basis set out above, totalled £4,702.50. An analysis of time incurred in the period is attached. Time costs incurred since appointment total £20,692.50. Please note that where fees are based on time costs, remuneration charged was limited to the amount approved.

#### Expenses and professional costs

The total costs and expenses that were estimated to be incurred by the Joint Liquidators are set out below together with details of those incurred in the period. Amounts paid are shown in the attached receipts and payments account.

#### Category 1 expenses

These comprise external supplies of incidental services specifically identifiable to the insolvency estate. They did not require approval of the Relevant Approving Body prior to being paid.

Payments to outside parties that the Office Holder, firm, or any associate has an interest, are also treated as 'Category 2' expenses. These expenses require the specific approval of the Relevant Approving Body before being paid from the insolvency estate.

The Relevant Approving Body approved the payment of the 'Category 2' expenses, at the rates prevailing at the date they were incurred. Details of the current rates are set out below.

In accordance with the relevant legislation creditors have a right to request further information about remuneration or expenses and to challenge such remuneration or expenses.

If you wish to make a request for further information, then it must be made within 21 days of receipt of this report in writing by either by (i) any secured creditor or (ii) an unsecured creditor with the concurrence of at least 5% in value of the unsecured creditors.

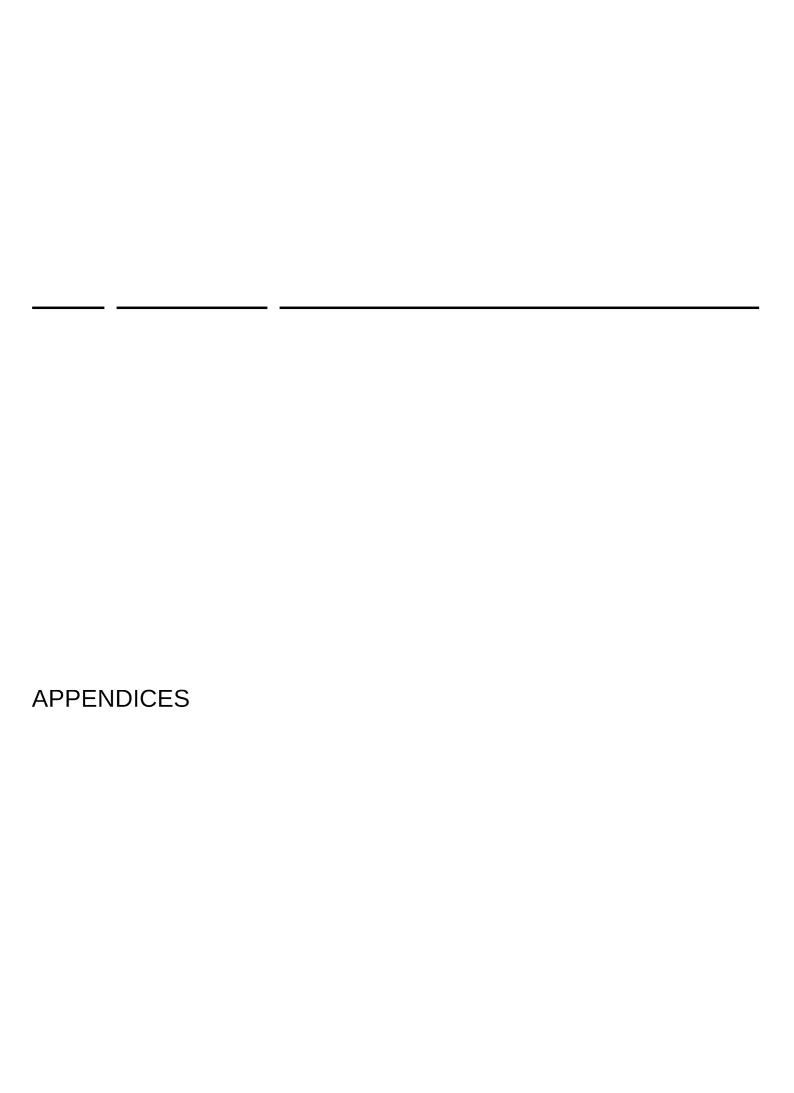

Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the unsecured creditors (including that creditor) or the permission of the court, may apply to court on the grounds that the remuneration charged, the basis fixed or expenses incurred by the liquidator are in all the circumstances excessive. Any such challenge must be made no later than eight weeks after receipt of the report which first discloses the charging of remuneration or incurring of the expenses in question.
