**NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD 6 JUNE 2016 TO 31 MAY 2017**

1. STATUTORY INFORMATION

Leeds Airsoft Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.
Plant and machinery - 15% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Financial instruments

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument.

Financial assets and liabilities are initially measured at transaction price, except for those financial assets classified as at fair value through profit or loss.

Basic financial instruments

Basic financial instruments are those with relatively straight forward terms and would normally include cash, bank balances, trade debtors, trade creditors and uncomplicated bank loans.

Where the arrangement does not constitute a financing transaction, e.g. trade debtors on normal commercial terms, the debtor will be valued initially at transaction price (i.e. cost) and subsequently at transaction price less impairment (if any) due to concerns over recoverability.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Going concern

The accounts have been prepared on a going concern basis due to the continued financial support of the directors and the directors' view as to future profitability.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the period was NIL.
