1. Accounting policies

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical costs convention as modified by the revaluation of certain assets.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax or other similar sales taxes.

Property, plant and equipment

Property, plant and equipment are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the

following basis:

Computer Equipment	15% Reducing balance
Motor Vehicles	25% Reducing balance

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease. Assets held under finance leases and hire purchase agreements are capitalised in the balance sheet and depreciated in accordance with the company's normal accounting policies. The interest is charged to the profit and loss account over the period of the agreement and represents a constant charge of the balance of capital repayments outstanding.
