Notes to the Financial Statements

1 Accounting policies

Company information

World Biogas Association is a company limited by guarantee incorporated in England and Wales. The registered office is Sustainable Bankside II, 25 Lavington Street, London, SEI 0NZ.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102 Section 1A") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The comparatives cover the 14 month period from the date of incorporation 28 October 2016 to 31 December 2017.

The financial statements are prepared in sterling which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest pound.

These financial statements have been prepared on the historical cost basis. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company owes £61,686 due to We Are Orchard, a related party (Note 6), who has agreed not to enforce this debt ahead of other third party liabilities and until such time as there are adequate cash funds to make such a payment. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts. Membership income is included in the accounts for the period to which it relates. Membership income received relating to the next financial year is included as deferred income at the balance sheet date

1.4 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, bank overdrafts and other short-term liquid investments with original maturities of three months or less.

1.5 Financial instruments

The company has elected to provide the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues' of FRS 102 to all of its financial instruments.

Basic financial instruments are measured at amortised cost. The company has no other financial instruments or basic financial instruments measured at fair value.

1.6 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

Notes to the Financial Statements (continued)

2 Judgements and key sources of estimation uncertainty

In the view of the directors in applying the accounting policies adopted, no critical accounting estimates and judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.
