Trustees' and Directors' Report for the year ended 31st March 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The company was formed on 21st February 2017 and was registered as a charity on 10th September 2018.

Recruitment and appointment of new trustees

All trustees are appointed on a voluntary basis, and do not receive any remuneration for their time. All expenses reimbursed are disclosed in the accounts.

Risk Management

The trustees actively review the major risks which the company faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems will provide sufficient resources in the event of adverse conditions. The trustees have also regularly examined the operational and business risks faced by the company and confirm that they have established systems to mitigate the sufficient risks.

Objectives and Activities

The main objects of the charitable company are:

"The promotion of any charitable purpose principally for the benefit of the people and the communities in the administrative area of Doncaster Metropolitan Council, and in exceptional circumstances throughout the United Kingdom as a whole, and in particular, but without prejudice to the generality of the foregoing;

1. The advancement of education
2. The promotion of good health
3. The provision of facilities for recreation other leisure time occupation of such individuals who have need of such facilities by virtue of their age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the beneficiaries and
4. The relief of poverty and sickness

The Trustees refer to the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and future direction. The guidance is available from the Charity Commission.

Chairman's Statement

The company has had a successful year this year having promoted three major fundraising events

In May 2019 we again promoted the Doncaster Community Business Cup, a football match where players received professional coaching in the run up to the event. On the day the players received a full professional back up and match day experience at Doncaster's Keepmoat Stadium. The event was well received by players, sponsors and spectators alike. Many of the players and sponsors have again supported the event in the current year. The event made a surplus of £7,914.

In September 2019 we held our third Doncaster Business Community Vase, a charity 20/20 Cricket Tournament which raised a surplus £5,554.

Trustees' and Directors' Report for the year ended 31st March 2020

Also, in September 2019, we hosted The DB4C Diamond Ball at the prestigious Bawtry Hall. This was a success generating a surplus of £6,240.

In addition to these major events, we promoted other fundraising events including a presentation evening to present awards for achievements at the Doncaster Business Cup and set up the Ten 10K Challenge, an innovative running challenge which is ongoing.

During the year under review the charity made eleven donations totalling £20,750 to various causes selected by the directors. The directors select beneficiaries after careful discussion including discussions with the charities concerned.

The directors continue to develop ideas for fundraising events.

Shortly before the financial year end the UK Government imposed a national lockdown as a result of the Covid-19 pandemic. The directors therefore had no alternative but to cancel all planned events for the 2020 -2021 financial year. No loss was incurred as a result of the cancellation of any of the events cancelled.

FINANCIAL REVIEW

Reserves

The total incoming resources of the company for the year were £46,238 (2019 £38,631)

The total expenditure of the company for the year was £49,933 (2019 £38,127)

There was an overall deficit for the year of £3,695 (2019 Surplus £504)

Reserves carried forward are £7,757

Reserves are that part of the unrestricted funds of the charity which have not been applied in its charitable objectives. The directors consider that they should at all times maintain reserves of £5,000 to ensure that the charity can at all times meet its obligations as they fall due in the event of any major adverse circumstance, such as the failure of any event it organises. The directors keep the reserves policy under review.

As a result of the Covid-19 pandemic the directors forecast very limited income for the year ended 31 March 2021. However, the company has sufficient cash reserves to pay all likely administration costs of the company until such time as it can commence fundraising activities once more.

Doncaster Business for the Community

Notes to the Financial Statements for the year ended 31st March 2020

1. Summary of significant accounting policies

(a) General information and basis of preparation

Doncaster Business for the Community is a company limited by guarantee registered in England and Wales. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 3 of these financial statements.

The company constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated through Update Bulletin 1 published on 2 February 2016), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2019.

The company has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

(c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) on an accruals basis when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Doncaster Business for the Community

Notes to the Financial Statements for the year ended 31st March 2020

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example, the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

(d) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds
- Expenditure on charitable activities; and
- Other expenditure represents those items not falling into the categories above.

Donations payable to third parties are within the charitable objectives. Where unconditional donations are offered, this is accrued as soon as the recipient is notified of the donation, as this gives rise to a reasonable expectation that the recipient will receive the donation. Where donations are conditional relating to performance then the donation is only accrued when any unfulfilled conditions are outside of the control of the charity.

(e) Debtors and creditors receivable/ payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(f) Tax

The company is an exempt body within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

(g) Going concern

After due consideration of all factors, including the impact of Covid-19, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing these annual reports and accounts.
