- (b) it is validly incorporated, in existence and duly registered under the laws of England and Wales and has full power to conduct its business as conducted at the date of this Deed.

7. **ENFORCEMENT OF SECURITY INTERESTS**

7.1 **When enforceable**

The Security Interests shall be immediately enforceable on and at any time after the occurrence of an Event of Default which is continuing.

7.2 **Enforcement action**

At any time after the Security Interests have become enforceable, the Chargee may in its absolute discretion enforce all or any part of the Security Interests in any manner it sees fit.

The power of sale and other powers conferred by section 101 (*Powers incident to estate or interest of mortgagee*) of the Law of Property Act on mortgagees, as varied and extended by this Deed, shall arise (and the Secured Liabilities shall be deemed due and payable for that purpose) on the date of this Deed and shall be exercisable in accordance with Clause 7.3 (*Law of Property Act powers*).

8.2 **Section 103**

Section 103 (*Regulation of exercise of power of sale*) of the Law of Property Act shall not apply to this Deed.

8.3 **Section 93**

Section 93 (*Restriction on consolidation of mortgages*) of the Law of Property Act shall not apply to this Deed.

8.4 **Sections 99 and 100**

At any time after the Security Interests have become enforceable, the Chargee may make any lease or agreement for lease, accept any surrender of lease and grant any option as it sees fit and without the need to comply with any provision of section 99 (*Leasing powers of mortgagor and mortgagee in possession*) or section 100 (*Powers of mortgagor and mortgagee in possession to accept surrenders of leases*) of the Law of Property Act.

9. **APPOINTMENT OF RECEIVERS**

9.1 **Appointment of Receivers**

If:

- (a) requested by the Chargor; or
- (b) the Security Interests have become enforceable,

without any notice or further notice, the Chargee may, by deed or otherwise in writing signed by the Chargee or any person authorised for this purpose by the Chargee, appoint one or more persons to be a Receiver of all or any part of the Security Assets. The Chargee may similarly remove any Receiver and appoint any person instead of any Receiver. If the Chargee appoints more than one person as Receiver, the Chargee may give those persons power to act either jointly or severally.

9.2 **Agent of Chargor**

Any Receiver shall be the agent of the Chargor for all purposes. The Chargor alone shall be responsible for the Receiver's contracts, engagements, acts, omissions and defaults.

9.3 **Remuneration of Receivers**

The Chargee may determine the remuneration of any Receiver and the maximum rate specified in section 109(6) (*Appointment, powers, remuneration and duties of receiver*) of the Law of Property Act shall not apply. The Chargee may direct payment of that remuneration out of moneys it receives as Receiver. The Chargor alone shall be liable for the remuneration and all other costs, losses, liabilities and expenses of the Receiver.

10. **RIGHTS AND LIABILITIES OF CHARGEES AND RECEIVERS**

10.1 **Rights of Receivers**

Any Receiver appointed pursuant to Clause 9 (*Appointment of Receivers*) shall have:

- (a) the rights set out in Schedule 1 (*Rights of Receivers*); and

 - (ii) in all other cases, the rights, powers, privileges and immunities conferred by the Law of Property Act and the Insolvency Act on receivers or receivers and managers.

10.2 **Rights of Chargee**

At any time after the Security Interests have become enforceable, to the fullest extent permitted by law, any rights conferred by this Deed or by law upon a Receiver may be exercised by the Chargee, whether or not the Chargee shall have appointed a Receiver of all or any part of the Security Assets.

10.3 **Financial collateral arrangement**

(a) To the extent that this Deed constitutes a "financial collateral arrangement" (as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "**Financial Collateral Regulations**")) the Chargee shall have the right at any time after the Security Interests have become enforceable, to appropriate any Security Asset which constitutes "financial collateral" (as defined in the Financial Collateral Regulations ("**Financial Collateral**")) in such manner as it sees fit in or towards satisfaction of the Secured Liabilities in accordance with the Financial Collateral Regulations.

(b) If the Chargee is required to value any Financial Collateral for the purpose of paragraph (a) above, the value shall be:

- (i) in the case of cash, its face value at the time of appropriation; and
- (ii) in the case of financial instruments or other Financial Collateral, their market value at the time of appropriation as determined (after appropriation) by the Chargee by reference to a public index or other applicable generally recognised source or such other process as the Chargee may select, including a valuation carried out by an independent investment bank, firm of accountants or other valuers appointed by the Chargee,

as converted, where necessary, into the currency in which the Secured Liabilities are denominated at a market rate of exchange prevailing at the time of appropriation selected by the Chargee. The Parties agree that the methods of valuation set out in this paragraph (b) are commercially reasonable for the purpose of the Financial Collateral Regulations.

10.4 **Possession**

If the Chargee or any Receiver takes possession of the Security Assets, it may at any time relinquish possession. Neither the Chargee nor any Receiver shall be liable, by reason of viewing or repairing any of the present or future assets of the Chargor, as a mortgagee in possession.

10.5 **Chargee's liability**

Neither the Chargee nor any Receiver shall, either by reason of taking possession of the Security Assets or for any other reason and whether as mortgagee in possession or otherwise, be liable for:

- (a) any costs, losses, liabilities or expenses relating to the realisation of any Security Assets; or
- (b) any act or omission of the Chargee, any Receiver or their respective officers, employees or agents in relation to the Security Assets or in connection with this Deed, unless directly caused by its gross negligence or wilful misconduct.

11. ORDER OF APPLICATION

All amounts from time to time received or recovered by the Chargee or any Receiver pursuant to the terms of this Deed or in connection with the realisation or enforcement of all or any part of the Security Interests shall be held by the Chargee on trust to apply them at any time as the Chargee (in its discretion) sees fit, to the extent permitted by applicable law, in the following order of priority:

- (a) in discharging any sums owing to the Chargee or any Receiver;
- (b) in discharging all costs and expenses incurred by any Secured Party in connection with any realisation or enforcement of the Security Interests or any action taken at the request of the Chargee under Clause 4 (*Further assurance*);
- (c) in payment or distribution to the Chargee on its own behalf and on behalf of the other Secured Parties for application towards the discharge of the Secured Liabilities; and
- (d) the balance, if any, in payment or distribution to the Chargor.

12. POWER OF ATTORNEY

12.1 Appointment

The Chargor by way of security irrevocably appoints the Chargee and each Receiver severally to be its attorney (with full power of substitution), on its behalf and in its name or otherwise, at such time and in such manner as the attorney thinks fit:

- (a) to do anything which the Chargor is obliged to do under this Deed but has failed to do (including to do all such acts or execute all such documents, assignments, transfers, mortgages, charges, notices, instructions, filings and registrations as the Chargee may reasonably specify (and in such form as the Chargee may reasonably require in favour of the Chargee or its nominee(s))); and
- (b) to exercise any of the rights conferred on the Chargee or any Receiver in relation to the Security Assets or under this Deed or under any law.

12.2 Ratification

The Chargor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of the power of attorney granted by it in Clause 12.1 (*Appointment*).

13. PROTECTION OF THIRD PARTIES

No purchaser or other person dealing with the Chargee, any Receiver or its agents shall be concerned to enquire:

- (a) whether the powers conferred on the Chargee, any Receiver or its agents have arisen;
- (b) whether the powers conferred on the Chargee, any Receiver or its agents have become exercisable;
- (c) whether any consents, regulations, restrictions or directions relating to such powers have been obtained or complied with;
- (d) whether the Chargee, any Receiver or its agents is acting within such powers;

- (e) whether any Secured Liabilities remain due in respect of the Indemnity and the receipt in writing of the Chargee, any Receiver or its agents shall be sufficient discharge to that purchaser or other person;
- (f) as to the propriety or validity of acts purporting or intended to be in exercise of any such powers; or
- (g) as to the application of any money paid to the Chargee, any Receiver or its agents.

14. **SAVING PROVISIONS**

14.1 **Continuing Security**

Subject to Clause 15 (*Discharge of Security*), the Security Interests are continuing Security and will extend to the ultimate balance of the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

14.2 **Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of the Chargor or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation or otherwise, without limitation, then the liability of the Chargor and the Security Interests will continue or be reinstated as if the discharge, release or arrangement had not occurred.

14.3 **Waiver of defences**

Neither the obligations of the Chargor under this Deed nor the Security Interests will be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Deed or any of the Security Interests (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, the Chargor or other person;
- (b) the release of the Chargor or any other person under the terms of any composition or arrangement with any creditor of the Chargor;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Chargor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Chargor or any other person;
- (e) any unenforceability, illegality or invalidity of any obligation of any person under this Deed or any other document or security; or
- (f) any insolvency or similar proceedings.

14.4 **Immediate recourse**

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Chargor under this Deed.

14.5 **Appropriations**

Until all Secured Liabilities have been irrevocably paid in full, each Secured Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Chargor shall not be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from the Chargor or on account of the Chargor's liability under this Deed.

15. **DISCHARGE OF SECURITY**

15.1 **Final redemption**

If the Chargee is satisfied that all Secured Liabilities have been irrevocably paid in full, the Chargee shall at the request and cost of the Chargor release, reassign or discharge (as appropriate) the Security Assets from the Security Interests, without recourse to, or any representation or warranty by, the Chargee or any of its nominees.

16. **COSTS AND EXPENSES**

16.1 **Expenses**

The Chargor shall, within three Business Days of demand, pay to the Chargee the amount of all costs, losses, liabilities and expenses (including legal fees) incurred by the Chargee or any Receiver in relation to this Deed (including the administration, protection, realisation, enforcement or preservation of any rights under or in connection with this Deed, or any consideration by the Chargee as to whether to realise or enforce the same, and/or any amendment, waiver, consent or release of this Deed and/or any other document referred to in this Deed).

17. **INDEMNITY**

The Chargor shall, within three Business Days of demand, indemnify the Chargee and any Receiver against any cost, loss, liability or expense incurred by it or them as a result of:

- (a) any breach by the Chargor of this Deed; or
- (b) the exercise or purported exercise of any of the rights, powers, discretions, authorities and remedies conferred on it or them by this Deed or otherwise relating to the Security Assets.

18. **PAYMENTS**

18.1 **Undertaking to pay**

The Chargor shall pay each of the Secured Liabilities when due in accordance with its terms.

18.2 **Demands**

Any demand for payment made by any Secured Party shall be valid and effective even if it contains no statement of the relevant Secured Liabilities or an inaccurate or incomplete statement of them.

18.3 **Payments**

All payments by the Chargor under this Deed shall be made to such account, with such financial institution and in such other manner as the Chargee may direct.

19. **REMEDIES AND WAIVERS**

No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right or remedy under this Deed shall operate as a waiver of any such right or remedy or constitute an election to affirm this Deed or the Indemnity. No waiver or election to affirm any this Deed or the Indemnity on the part of any Secured Party shall be effective unless in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.

20. **COUNTERPARTS**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

21. **GOVERNING LAW**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

22. **ENFORCEMENT**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "**Dispute**").
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) Notwithstanding paragraphs (a) and (b) above, the Chargee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Chargee may take concurrent proceedings in any number of jurisdictions.

This Deed has been delivered on the date stated at the beginning of this Deed.
