Directors' Report

For the year ended 31 March 2023

Introduction

Stop Funding Hate is a community-driven campaign based on a philosophy of open, inclusive and participatory working.

Our supporter community includes people from across UK society, united by a shared commitment to overcoming hatred and challenging all forms of discrimination.

Our campaign was launched in 2016, amid a surge in anti-migrant and anti-Muslim headlines in the UK press. Our core approach is to mobilise consumers through social media to encourage companies not to advertise with media that fuel hatred. We now have more than 200,000 followers on Facebook and over 100,000 on Twitter.

Our goal is to make hate unprofitable by establishing "ethical advertising" as a mainstream business norm.

Campaigning impact and activities during 2022/23

A key focus of Stop Funding Hate's work during the year was our training and knowledge-sharing programme, which aims to empower more people to use the campaigning tactics that we've seen success with.

We worked with our partners Ethical Consumer to develop a series of new "How To Stop Funding Hate" information videos, together with some additional written resources.

We redeveloped and relaunched our core "How To Stop Funding Hate" online activist training workshop, which gives participants a basic introduction to the #StopFundingHate campaigning model, and delivered a series of these workshops to allies and supporters.

We began developing a new "training of trainers" workshop to enable us to scale up our knowledge-sharing work by starting a network of volunteer trainers across the UK to give talks about Stop Funding Hate in their local communities.

We also worked with Ethical Consumer to produce a major piece of research mapping out the problem of subtle or "coded" anti-migrant narratives within the UK media, and exploring how the #StopFundingHate model might be applied to help tackle this issue.

During the year, Stop Funding Hate reviewed its work in the light of a number of emerging issues of concern. These include a resurgence of anti-migrant narratives within the media and wider public discourse, ongoing problems in the established media, including a surge in anti-LGBTQ+ and anti-trans rhetoric, and a surge in hate and online abuse on Twitter following recent changes on the platform.

Directors' Report

For the year ended 31 March 2023

A key emerging theme has been the nexus between individuals and organisations being targeted with inflammatory media coverage, and subsequently being subjected to extreme online abuse and threats.

Over the past year we have seen a disturbing rise in abuse against civil society organisations working to challenge racism and other forms of discrimination. In a number of cases this abuse followed – or was exacerbated by – hostile coverage in the traditional media targeting the organisation in question.

In response to these concerns, Stop Funding Hate began a new project exploring ways of responding to - and building solidarity with - civil society organisations facing organised online abuse.

Future plans and activities

In the coming year Stop Funding Hate will continue our knowledge-sharing work enabling people to use their power as consumers to press for higher ethical standards within the media. We plan to produce additional online resources, and continue to explore new channels for reaching more people online.

Amid an ongoing increase in problematic narratives both in parts of the traditional media and online, we will work to empower partners and supporters in challenging the worst examples by engaging with advertisers.

Alongside this, we will build on our work developing support and solidarity for civil society organisations facing online abuse – and highlighting the link between such abuse and inflammatory coverage in the established media.

We will also strengthen our own governance structures and processes to ensure that Stop Funding Hate team members are adequately protected in the face of an increasingly hostile atmosphere for UK civil society.

Directors' Report

For the year ended 31 March 2023

Financial Review

Financial Position

The directors report incoming resources for the year of £74,565 (2022 - £107,364). Of this £45,500 (2022 - £73,804) related to project restricted activities. The organisation does not carry out any significant public fundraising activities.

Net incoming resources in the year amounted to a deficit of £20,225 (2022 - £17,915 surplus). At 31st March 2023 reserves were £37,439 (2022 - £57,664) of which £4,685 represented restricted funds.

Reserves Policy

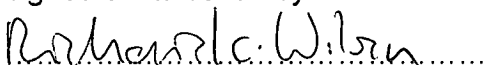

It is the policy of the organisation that unrestricted funds which are not represented by fixed assets or have not been designated for a specific use should be maintained at a level equivalent to between 3- and 6-month's expenditure. The directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the organisation's current activities while consideration is given to ways in which additional funds may be raised. These reserves at 31st March 2023 stood at £32,754 (2022 - £44,288) which is within this range.

Structure, Governance and Management

Governing Document

Notes to the accounts

For the year ended 31 March 2023

1.1 Basis of Preparation

The financial statements of the company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)", Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

There are no material uncertainties about the organisation's ability to continue.

1.3 Fund accounting

Unrestricted funds are available for use at the discretion of the directors to further any of the organisation's purposes.

Designated funds are unrestricted funds earmarked by the directors for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

2.1 Accounting Policies

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the organisation; it is probable that the economic benefits associated with the transaction will flow to the organisation and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a organisation in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the organisation apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the organisation nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

2.1 Accounting Policies (continued)

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset. The rate of depreciation applied to Computer Equipment is 20% straight line basis.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the organisation are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the organisation becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Independent Examiner's Report on the Accounts

For the year ended 31 March 2023

I report to the directors on my examination of the accounts of the company for the year ended 31 March 2023 which are set out on pages 8 to 17.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND EXAMINER

The company's directors are responsible for the preparation of the accounts in accordance with the requirements of FRS102 and the Charities SORP. I report in respect of my examination of the company's accounts carried out under section 145 of the 2011 Charities Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

BASIS OF INDEPENDENT EXAMINER'S STATEMENT

An examination includes a review of the accounting records kept by the company and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the directors concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

A key focus of Stop Funding Hate's work during the year was our training and knowledge-sharing programme, which aims to empower more people to use the campaigning tactics that we've seen success with.

We worked with our partners Ethical Consumer to develop a series of new "How To Stop Funding Hate" information videos, together with some additional written resources.

We redeveloped and relaunched our core "How To Stop Funding Hate" online activist training workshop, which gives participants a basic introduction to the #StopFundingHate campaigning model, and delivered a series of these workshops to allies and supporters.

We began developing a new "training of trainers" workshop to enable us to scale up our knowledge-sharing work by starting a network of volunteer trainers across the UK to give talks about Stop Funding Hate in their local communities.

We also worked with Ethical Consumer to publish a major piece of research mapping out the problem of subtle or "coded" anti-migrant narratives within the UK media, and exploring how the #StopFundingHate model might be applied to help tackle this issue.

During the year, Stop Funding Hate reviewed its work in the light of a number of emerging issues of concern to our supporter community. These include a resurgence of anti-migrant narratives within the media and wider public discourse, ongoing problems in the established media, including a surge in anti-LGBTQ+ and anti-trans rhetoric, and a surge in hate and online abuse on Twitter following recent changes on the platform.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

Stop Funding Hate is a community-driven campaign based on a philosophy of open, inclusive and participatory working.

A significant emerging theme in our discussions with allies, partners and other stakeholders has been the nexus between individuals and organisations being targeted with inflammatory media coverage, and subsequently being subjected to extreme online abuse and threats.

Over the past year we have seen a disturbing rise in abuse against civil society organisations working to challenge racism and other forms of discrimination. In a number of cases this abuse followed – or was exacerbated by – hostile coverage in the traditional media targeting the organisation in question.

In response to these concerns, Stop Funding Hate began a new project exploring ways of responding to - and building solidarity with - civil society organisations facing organised online abuse. We took part in a series of round-table discussions with partners exploring this topic, and plan to develop additional resources focussing on this issue in 2024.

(If applicable, please just state "A social audit report covering these points is attached").
