MILL BAY HOMES LIMITED NOTES TO THE FINANCIAL STATEMENTS - PRINCIPAL ACCOUNTING POLICIES

Mill Bay Homes Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and office address can be found on the Company Information page.

a. Basis of Accounting.

These financial statements have been prepared in accordance with Financial Reporting Standards 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. A summary of the more important policies which have been applied consistently are set out below.

b. Turnover.

Turnover consists of the proceeds of property sales and related income which are recognised at the point of exchange of contract.

e. Property, Plant & Equipment.

Property, plant & equipment are included at cost less depreciation and impairment. Indication of impairment is reviewed annually, and an impairment review is undertaken where there is an indication of impairment. Depreciation is provided evenly on the cost of items of fixed assets to write them down to their estimated residual values over their expected useful lives. Office equipment – 10%, Computer equipment – 25%

Expenditure on assets costing less than £250, which do not form part of a larger asset are written off to the Statement of Comprehensive Income in the year in which the expenditure is incurred.

d. Work in Progress.

Work in progress is calculated at the lower of cost or net realisable value of schemes under construction.

e. Inventory.

The value of stock is the lower of cost or net realisable value of completed properties held for

f. Operating Leases.

Costs in respect of operating leases are amortised on a straight-line basis over the lease in accordance with FRS102.

g. Pensions.

The company participates in the industry wide defined contribution pension scheme. The assets of the scheme are invested and managed independently of the finances of the Company. Pension costs are assessed in accordance with the advice of an independent qualified actuary.

h. Loan Facility.

The company has a revolving credit facility with the parent to assist towards the cost of various developments and land acquisitions. The interest rate is set on commercial terms.

i. Value Added Tax.

The company is registered for VAT.

j. Corporation Tax.

Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date.

k. Receivables.

Short term receivables are measured at transaction price, less any impairment.

MILL BAY HOMES LIMITED NOTES TO THE FINANCIAL STATEMENTS - PRINCIPAL ACCOUNTING POLICIES (continued)

I. Payables.

Short term trade payables are measured at transaction price.

m. Functional and Presentational Currency.

The company's functional and presentational currency is pounds sterling.

n. Going Concern.

After reviewing the company's forecasts and projections, taking into consideration the Coronavirus pandemic, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The Company continues to adopt the going concern basis in preparing its financial statements.

o. Gift Aid

The Company covenants all of its earnings to the Parent.

p. Critical accounting judgments and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results in the future may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is reviewed and in any future periods affected.

Significant management judgments

The following are management judgements in applying the accounting policies of the company that have the most significant effect on the amounts recognised in the financial statements.

Cost of Sales

When a property sale is recognised a transfer from inventories / work in progress is made to the cost of sales based on the anticipated gross profit margin for the total site development. The anticipated gross profit margin is reviewed periodically and updated for actual costs to date and revised forecasts.
