Retained earnings		<u>(652,115)</u>	<u>(136,694)</u>
		<u>(652,015)</u>	<u>(136,594)</u>

The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31st March 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31st March 2020 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Statement of Income and Retained Earnings has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 17th November 2020 and were signed on its behalf by:

Mr A D Caaney - Director

The notes form part of these financial statements

**Notes to the Financial Statements  
for the Year Ended 31st March 2020**

**1. Statutory information**

Bioscience Managers UK Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. Accounting policies**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

At the balance sheet date, the company's liabilities exceeded its assets. The company has received assurance from the parent company, Bioscience Managers PTY Ltd, that it will continue to give financial support to the company for twelve months from the date of signing of these financial statements and defer payment of its loan in favour of other creditors.

On this basis, the director considers it appropriate to prepare the financial statements on a going concern basis. However, should the financial support mentioned above not be forthcoming, the going concern basis used in preparing the company's financial statements may be invalid and adjustments would have to be made to reduce the value of assets to their realisable amount and to provide for any further liabilities which might arise. The financial statements do not include any adjustment to the company's assets or liabilities that might be necessary should this basis not continue to be appropriate.

It is unclear how the 2020 coronavirus will impact the company and given that the severity cannot be reliably estimated, the financial statements have been prepared on a going concern basis.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**3. Employees and directors**

The average number of employees during the year was 2 (2019 - 1) .
