LIQUIDATOR'S ACTIONS SINCE APPOINTMENT

This assignment is a straightforward Member's Voluntary Liquidation with a day one distribution in specie of the Shareholder's loan accounts equalling £160,987.56. This amount was distributed in specie shortly following my appointment and included the VAT refund of £429.60.

The appropriate tax clearances have been requested, out of which Corporation Tax clearance has been received and once HM Revenue and Customs ("HMRC") have agreed to the liquidation being closed, I will send my draft final account to member.

There is certain work that I am required by the insolvency legislation to undertake work in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken since my appointment as Liquidator is contained in Appendix 1.

RECEIPTS AND PAYMENTS ACCOUNT

My Receipts & Payments Account for the period from 01 March 2021 to 28 February 2022 is attached at Appendix 2.

Member will note that the only asset listed on the Declaration of Solvency was a Shareholder's loan account in the sum of £160,987.56. A distribution of specie for this amount was declared on 01 March 2021 representing a distribution of £160,987.56 per £1 ordinary share.

There were no other transactions for the duration of the Liquidation.

LIABILITIES

Secured Creditors

An examination of the Company's mortgage register held by the Registrar of Companies, showed that the Company does not have any outstanding charges.

Crown Creditors

The Declaration of Solvency included no amount owed to HMRC. No claim has been received.

Non-preferential unsecured Creditors

The Declaration of Solvency included no non-preferential unsecured creditors. No claims have been received.

Share Capital

The following distributions in specie were made to the Member:

Date	Amount distribution	Rate of distribution per share
01 March 2021	£160,987.56	£160,987.56 per £1 ordinary share

REMUNERATION

The Company qualified for a MVL at a fixed fee of £1,800 plus disbursements and VAT. These fees and disbursements were paid before the Company entered liquidation and as such there is no requirement for me to provide details of our time costs in this matter.

Due to the delay in HMRC providing tax clearance, the liquidation has now passed another 12 month anniversary, therefore further fees of £150 (plus VAT) have been incurred and we seek approval of the payment of those fees in accordance with the signed letter of engagement, the fee has been reduced as a gesture of goodwill. Please complete and return the enclosed Written Resolution in this regard.

It is a Statutory Requirement that a Liquidator report on the liquidation after each 12 month anniversary.

A breakdown of the disbursements charged is detailed below:

Expenses / Disbursements	Provider	£
Statutory specific penalty bond	IRS	99.00
Statutory Advertising	TMP	249.00
		£348.00

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.
