**STRATEGIC REPORT
FOR THE PERIOD ENDED 31 DECEMBER 2018**

BUSINESS REVIEW

The company was incorporated on 22 January 2018 and began trading on 9 May 2018.

The principal activity of the Company during the period was the import of fruits. The Company operates in a competitive market. Turnover achieved in the period was £48,446,379. The net loss after tax of £892,125 is an investment in our developing business with key customers. The business is inherently linked to the weather and other agricultural conditions which impact the growers in its supply chain and works closely with its customers to provide quality products at a competitive price.

The Directors will review the strategic opportunities of the business going forwards. Details of amounts owed by and to group undertakings are shown in notes 7, 8 and 13. The directors consider turnover, net profit and net assets to be the business's Key Performance Indicators.

The directors will ensure the Company produces sustained growth within its principal activities.

PRINCIPAL RISKS AND UNCERTAINTIES

The directors constantly monitor the risks and uncertainties facing the Company with particular reference to the exposure on exchange rates, liquidity, inventories and credit risks. They are confident that there are suitable policies in place and there are no material risks and uncertainties which have not been considered.

The Company uses various financial instruments which include cash, trade debtors and trade creditors that arise directly from its operations. The main purpose of these financial instruments is to manage the Company's daily operations.

The main risks arising from the Company's financial instruments are currency risk, credit risk and liquidity risk. The directors review and agree policies for managing each of these risks and they are summarised below:

Currency Risk

The Company has limited exposure to translation and transaction foreign exchange risk and do not consider this to have a significant impact on its operations.

Liquidity Risk

The Company seeks to manage financial risk by ensuring sufficient liquidity is available to meet foreseeable needs and to invest cash assets safely and profitably.

Interest Rate Risk

The Company finances its operations through a mixture of cash, reinvestment of net income and where required funds loaned from related companies. The Company has minimal exposure to interest rate risks.

Credit Risk

The Company's principal financial assets are inventories and trade debtors. The principal credit risk arises therefore from its trade debtors. In order to manage credit risk the directors set limits for its customers based on a combination of payment history and third party credit references. Credit limits are reviewed by the management team on a regular basis in conjunction with debt ageing and collection history.

DIVIDENDS

The results of the Company for the period ended 31 December 2018 are set out on page 8.

No dividend has been paid in the current period.

This report was approved by the board on 1 August 2019 and signed on its behalf.

**DIRECTORS' REPORT
FOR THE PERIOD ENDED 31 DECEMBER 2018**

The directors present their report and the financial statements for the period ended 31 December 2018.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIRECTORS

The directors who served during the period were:

C J Kilvington (appointed 22 January 2018)

J R Scott (appointed 22 January 2018)

C Walker (appointed 22 January 2018, resigned 5 April 2019)

FUTURE DEVELOPMENTS

The directors expect the general level of activity to increase in the coming year. The Company continues to develop its relationship with its key customers.

MATTERS COVERED IN THE STRATEGIC REPORT

A description of the principle risks and uncertainties has been included in the strategic report.

DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**DIRECTORS' REPORT (CONTINUED)
FOR THE PERIOD ENDED 31 DECEMBER 2018**

POST BALANCE SHEET EVENTS

There have been no significant events affecting the Company since the year end.

AUDITORS

The auditors, Bishop Fleming LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF GLOBAL GROWERS LIMITED

OPINION

We have audited the financial statements of Global Growers Limited (the 'Company') for the period ended 31 December 2018, which comprise the Statement of comprehensive income, the Statement of financial position, the Statement of cash flows, the Statement of changes in equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF GLOBAL GROWERS LIMITED (CONTINUED)

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the Directors' responsibilities statement on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

USE OF OUR REPORT

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 31 DECEMBER 2018**

1. GENERAL INFORMATION

Global Growers Limited is a company limited by shares incorporated in England. The registered office is 70 The Strand, Bromsgrove, Worcestershire, B61 8DQ. The principal place of trading is Briary Barn, Pury Hill Business Park, Alderton Road, Towcester, Northamptonshire, NN12 7LS.

2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Company's financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, 'the Financial Reporting Standard applicable in the UK and the Republic of Ireland' and the Companies Act 2006.

The presentation currency of these financial statements is in Sterling. All amounts in the financial statements have been rounded to the nearest £.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

2.2 GOING CONCERN

The directors have reviewed budgets and forecasts for a period of 12 months from approval of the financial statements. Profitability is expected in the forthcoming year and beyond, which will allow the company to grow and build resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

2.3 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

2.4 DEBTORS

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.5 CASH AND CASH EQUIVALENTS

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

In the Statement of cash flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the Company's cash management.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 31 DECEMBER 2018

2. ACCOUNTING POLICIES (continued)

2.6 CREDITORS

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.7 FOREIGN CURRENCY TRANSLATION

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the reporting date and the gains or losses on translation are included in the Statement of comprehensive income.

2.8 CURRENT AND DEFERRED TAXATION

Current tax, including UK Corporation Tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the reporting date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the reporting date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains or losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

The tax expense or income is presented in the same component of comprehensive income or equity as the transaction or other event that resulted in the tax expense or income.

Current tax assets and liabilities are offset only when there is a legally enforceable right to set off the amounts and the Company intends either to settle on a net basis or to realise the asset and to settle the liability simultaneously.

Deferred tax assets and liabilities are offset only if: a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and b) the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

2.9 PROVISIONS

A provision is recognised in the Statement of financial position when the Company has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are measured at the directors' best estimate of the expenditure required to settle the obligation at the reporting date, and are discounted to present value where the effect is material.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 31 DECEMBER 2018**

3.

JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, which are described in note 2, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical judgements and key sources of estimation uncertainty that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Income taxes

The Company is subject to the income tax laws of the United Kingdom. These laws are complex and subject to different interpretations by taxpayers and tax authorities. When establishing income tax provisions, the directors make a number of judgements and interpretations about the application and interaction of these laws. Changes in these tax laws or in their interpretation could affect the Company's effective tax rate and the results of operations in a given period. Accordingly, potentially significant tax benefits will not be recognised until there is sufficient certainty that they will be accepted by HMRC.

4. **TURNOVER**

Turnover is recognised when goods are received by the customer and the risks and rewards of ownership have passed to them. Turnover is measured at the fair value of consideration received or receivable and represents amounts receivable for goods provided in the normal course of business, net of discounts and Value Added Tax.

There is only one class of business which is the sale of fruit and vegetables.

All turnover arose within the United Kingdom and the Republic of Ireland.

5. **OPERATING (LOSS)/PROFIT**

The operating (loss)/profit is stated after charging:

| | Period ended 31 December 2018 £ |
|----------------------|--|
| Audit fees | 8,000 |
| Exchange differences | <u>(184,265)</u> |

The directors do not receive any emoluments directly from the Company. The Company does not have any employees. Management charges from an associate company include recharged staff costs of £331,719.
